## Fall Health and Wellness Tips: Embrace the Season with a Healthy Boost

Autumn. The air crisps, leaves blaze with color, and pumpkin spice everything floods the market. But while we revel in the cozy vibes of fall, it's crucial to remember our health and wellness. The change of seasons brings its own set of challenges, from battling seasonal colds to adjusting to shorter daylight hours. This comprehensive guide offers practical and effective fall health and wellness tips to help you navigate the autumn months feeling your absolute best. We'll cover everything from boosting your immunity to managing seasonal affective disorder (SAD) – ensuring you're equipped to embrace the season with vitality and energy.

### 1. Boost Your Immunity: Fighting Off Fall Illnesses

Fall is cold and flu season. Don't get caught unprepared! Strengthening your immune system is paramount. This isn't about magic pills; it's about consistent, healthy habits.

**Prioritize Sleep:** Aim for 7-9 hours of quality sleep nightly. Sleep deprivation weakens your immune system, making you more susceptible to illness. Establish a relaxing bedtime routine to promote better sleep.

**Eat the Rainbow:** Focus on a diet rich in fruits and vegetables bursting with vitamins and antioxidants. Think colorful peppers, leafy greens, and berries – all powerhouses of immune-boosting nutrients. Consider adding foods rich in zinc (oysters, nuts, seeds) and vitamin C (citrus fruits, berries).

**Hydration is Key:** Dehydration weakens your body's defenses. Keep a water bottle handy and sip throughout the day. Herbal teas, like chamomile or ginger, can also contribute to hydration and soothe sore throats.

**Manage Stress:** Chronic stress weakens your immune response. Incorporate stress-reducing activities into your routine, such as yoga, meditation, or spending time in nature.

**Consider Supplements:** Talk to your doctor about adding supplements like Vitamin D (crucial during shorter days) and Elderberry (known for its antiviral properties), especially if you're concerned about your immune system. Always consult a healthcare professional before starting any new supplements.

## **2. Combat Seasonal Affective Disorder (SAD): Sunlight and Seasonal Blues**

Shorter days and less sunlight can trigger Seasonal Affective Disorder (SAD), a type of depression related to changes in seasons. Don't underestimate the impact of reduced sunlight on your mood.

**Light Therapy:** A light therapy box mimics natural sunlight and can significantly improve symptoms of SAD. Consult your doctor about the appropriate light intensity and duration.

**Increase Sunlight Exposure:** Even on cloudy days, get outside for at least 15-30 minutes daily. Sunlight helps regulate your circadian rhythm and boost serotonin levels, impacting mood and sleep.

**Maintain Social Connections:** Isolation can worsen SAD symptoms. Make an effort to connect with friends and family, participate in social activities, and maintain strong social bonds.

**Exercise Regularly:** Physical activity releases endorphins, natural mood boosters. Aim for at least 30 minutes of moderate-intensity exercise most days of the week.

**Consider Professional Help:** If SAD symptoms are severe or significantly impacting your life, seek professional help from a therapist or psychiatrist. They can offer personalized treatment plans, including therapy and medication if needed.

## **3. Embrace Cozy Activities: Mindful Movement and Relaxation**

Fall is the perfect time to embrace cozy, self-care activities that nurture your mind and body.

**Mindful Movement:** Try yoga, Pilates, or gentle stretching to improve flexibility, reduce stress, and promote relaxation.

**Enjoy Nature:** Take walks in the crisp autumn air, rake leaves, or simply sit and observe the changing colors. Connecting with nature has significant mental and physical health benefits.

**Prioritize Relaxation Techniques:** Incorporate relaxation techniques like meditation, deep breathing exercises, or progressive muscle relaxation into your daily routine.

**Read a Book:** Curl up with a good book and enjoy the comfort of a cozy evening.

Spend Time with Loved Ones: Connect with family and friends, engage in meaningful conversations, and create lasting memories.

## **4. Adjust Your Diet for Fall Flavors: Nourishing Seasonal Foods**

Fall offers an abundance of delicious and nutritious seasonal produce. Take advantage of these seasonal delights!

**Pumpkin:** Packed with vitamins and antioxidants, pumpkin is a versatile ingredient that can be used in soups, stews, baked goods, and more.

**Sweet Potatoes:** These nutrient-rich root vegetables are a great source of vitamin A and fiber.

**Apples:** Crisp and refreshing, apples are a convenient and healthy snack.

**Squash (Butternut, Acorn, Spaghetti):** Various types of squash offer different flavors and textures, adding variety to your meals.

**Root Vegetables (Carrots, Parsnips, Beets):** These vegetables are rich in vitamins and minerals, providing essential nutrients during the colder months.

## **5. Prepare for the Holidays: Mindful Eating and Stress Management**

The holiday season often brings an onslaught of tempting treats and social gatherings. Prepare yourself for a healthier holiday experience.

**Mindful Eating:** Pay attention to your hunger and fullness cues. Avoid mindless snacking and savor your meals.

**Set Realistic Goals:** Don't deprive yourself entirely, but set realistic goals for healthy eating and activity levels during the holidays.

**Prioritize Sleep and Stress Management:** The holidays can be stressful. Prioritize sleep, relaxation techniques, and stress management strategies to stay healthy.

**Plan Ahead:** Prepare healthy meals and snacks in advance to avoid impulsive unhealthy choices.

**Enjoy the Moments:** Focus on spending quality time with loved ones and creating positive memories.

# Conclusion

Fall doesn't have to mean succumbing to colds and seasonal blues. By incorporating these fall health and wellness tips into your daily routine, you can navigate the season feeling energized, healthy, and happy. Remember, consistency is key. Small, sustainable changes can make a big difference in your overall well-being. Embrace the season, and prioritize your health!

## FAQs

1. How can I tell if I have SAD? SAD symptoms include persistent low mood, loss of interest in activities, sleep disturbances, and changes in appetite. If you experience these symptoms consistently during the fall and winter months, consult a healthcare professional.
1. What's the best way to incorporate more fruits and vegetables into my diet? Start small! Add a serving of fruits or vegetables to one meal a day. Experiment with new recipes, and make them a visible part of your kitchen for easy access.
1. Are there any specific exercises recommended for fall? Anything that gets you moving! Walking, hiking, yoga, or even indoor cycling are all great options. Choose activities you enjoy to ensure consistency.
1. How can I manage stress during the busy holiday season? Schedule time for relaxation, practice mindfulness, and set boundaries. Don't overcommit yourself, and prioritize self-care.
1. What are some healthy alternatives to holiday treats? Consider baked goods made with whole grains, fruits, and less sugar. Explore healthy snacks like trail mix, fruit slices, or vegetable sticks with hummus. Remember portion control!

to optimize your healthy lifestyle with this room-by-room guide from certified kitchen designer and wellness design consultant Jamie Gold. Residential designer Jamie Gold has spent years exploring how simple changes to things like lighting, fixtures, storage, and outdoor space can impact our health and wellness. In *Wellness by Design*, Gold offers a room-by-room guide to refreshing your space so that it supports your wellness journey. Good news, it doesn't require a yoga room and can be done in small apartments as well as large houses. This book explains how simple changes can make a huge difference in how you feel every day. You'll learn: - How to maximize accessibility and organization in your kitchen for faster, healthier, and more delicious meals. - How to make easy fixes to your ventilation system to help ease symptoms of asthma and allergies - How to optimize your home office to eliminate back, neck, and foot pain. - How to enhance your bathroom tub and shower spaces to support fitness goals and simplify family life. - And much more! It's time for your home to work as hard as you do to support your health. With the right organization and interior design, your home can help you maintain and improve your health in a variety of ways, from improving health and preventing disease to encouraging clean eating, sustainable living, safety, fitness, serenity, and joy. Whether you're building your dream home or decorating your new rental, this book will help you keep your fitness goals and stay on track for a long and healthy life.

A healthier way of eating is only one tasty smoothie away.

**fall health and wellness tips: The Wellness Remodel** Christina Anstead, Cara Clark, 2020-04-14 The star of HGTV's *Flip or Flop* Christina Anstead partners with celebrity nutritionist Cara Clark to help women remodel their lives—in mind, body and spirit. Christina Anstead, star of HGTV's *Flip or Flop* and *Christina on the Coast*, is known for her boundless energy, positive attitude, and radiant looks. But what was hidden from fans of her popular television shows was a very real health crisis, including a diagnosis of autoimmune disease, infertility, and the emotional and physical exhaustion of going through a divorce with two young children—all in the public eye. The stress of managing it all wreaked even more havoc on her already strained body. It wasn't until Christina met nutritionist Cara Clark that she discovered a path that allowed her to regain her health and heal in body and mind. In *The Wellness Remodel*, Christina chronicles her health journey and shares what she's learned about the importance of creating balance and prioritizing physical and mental self-care. Divided into three parts—"Gut Rehab" (food and nutrition); "Building a Strong Foundation" (exercise); and "The Rewire" (mindfulness)—the book will be an accessible guide to full-body wellness, offering simple strategies anyone can put into action for immediate results. Christina and Cara will also share their simple cooking strategies built for the real world of working parents and busy weeknights, including sixty of their favorite recipes, complete with beautiful photos and

easy-to-follow instructions. Inspiring, informative, fun, and empowering, The Wellness Remodel will give readers everything they need to nourish the body, keep it strong, and help their spirit flourish.

**fall health and wellness tips: Firefighter Functional Fitness** Jim Moss, Dan Kerrigan,

2016-07-15 Firefighter Functional Fitness is the essential guide to optimal firefighter performance and longevity. It provides all firefighters with the knowledge, mindset, and tools to: Maximize their fire ground performance Reduce their risk of injury and experiencing a line-of-duty death Live a long, healthy career and retirement Designed for firefighters by firefighters, this book shares the The 4 Pillars of Firefighter Functional Fitness: Physical Fitness Recovery and Rest Hydration Nutrition and Lifestyle It also reveals the The Big 8 concept, which includes over 100 photos and descriptions of functional exercises, movements, and stretches that are specifically designed to enhance firefighter

performance. The Workout Programming chapter gives firefighters numerous options for putting The Big 8 into action, taking into account all levels of fitness. Additionally, each chapter provides practical action steps for both immediate improvement and long-term success. Must-read bonus chapters include: The Importance of Annual Medical Evaluations, An Analysis of the Fire Service's Cardiovascular Epidemic, Firefighter Physical Agility Assessments, Addressing Organizational Barriers to Fitness, Frequently Asked Questions. Alarming, over the past 10 years, the fire service has suffered more than 1,000 line-of-duty deaths. Unfortunately, over 50% of these LODDs were attributed to heart attacks, strokes, and other medical causes. Firefighter Functional Fitness attacks these statistics by providing all firefighters with the tools needed to combat this epidemic. Firefighter Functional Fitness brings together the authors' combined 40+ years of fire service experience and decades of utilizing functional fitness principles. The result is an invaluable resource with the vital tools and knowledge that firefighters desperately need to not only enjoy a healthy and productive career, but also benefit with a healthy retirement.

**fall health and wellness tips: Health and Wellness** Gordon Edlin, Eric Golanty, 2009-07-16 The 10th edition of Health & Wellness provides a holistic view of what it really means to be healthy today. The text draws a parallel between the behaviors, social and physical environment as well as the positive mind and body attitude necessary to achieve a healthy, happy lifestyle. Several features have been developed to help students learn and understand the concepts of health and wellness in the text such as Learning Objectives, Self-assessments, key terms, epigrams and health tips. Chapters conclude with Critical Thinking about Health and encourage students to answer questions and explore their own opinions on health topics. End of chapter material includes Health in review - brief review of the chapter, Health and Wellness online a glimpse at the resources available on the web, References, Suggested readings, and recommended websites. Important Notice: The digital edition of this book is missing some of the images or content found in the physical edition.

**fall health and wellness tips: Diet Right for Your Personality Type** Jennifer Widerstrom, 2017 Health and fitness trainer and co-star of NBC's The Biggest Loser Jen Widerstrom's groundbreaking weight-loss program to help readers drop pounds with a customized approach based on eating right for their personality type--

**fall health and wellness tips: Lose Weight Like Crazy Even If You Have a Crazy Life!** Autumn Calabrese, 2020-08-18 You can lose weight like crazy, and you can achieve anything! Autumn Calabrese shares the revolutionary step-by-step approach to lose weight that made her one of the top fitness and nutrition celebrities in the world. No cutting corners and no BS: In this book she reveals the personal struggles that shaped her approach to overcome excuses that led to this 30-day plan to succeed at weight loss, and life! Hey there! I'm Autumn Calabrese. I'm a Midwest girl, a single working mom who really had no business being in the business of health and fitness. But I found my passion in helping people achieve their weight-loss and health goals. I turned myself into a mini mega-mogul of nutrition and fitness with two of Beachbody's most successful programs ever: 21 Day Fix and The Ultimate Portion Fix. I've led a crazy life and it's still crazy—probably a lot like yours. I've faced tremendous hardships and disappointments that have deflated my self-confidence. But I've found a way to turn “failures” into “redirections” that have transformed my life. And you can do it, too! Over the past five years, I've helped hundreds of thousands of people finally get control of food and lose 10, 20, 30, even more than 100 pounds with my breakthrough weight-loss programs.

And, now I'm going to do the same for you! Imagine enjoying your favorite CARBS, WINE AND COCKTAILS, AND EVEN CHOCOLATE CAKE and still melt fat to build the lean, fit, healthy body you've always wanted! Here's my proposition: Give me just 30 days of your time, trust my process, GO ALL IN, and see what happens to your body. If you've ever struggled to lose weight before, I know why, and I have the solution. Lose Weight Like Crazy is NOT a DIET. There's Zero Deprivation. It works by automatically controlling your portion sizes, eliminating those unhealthy, sugary processed foods that trigger cravings, and filling you up on a proven ratio of healthy whole foods. It's simple. It's backed by science. And it works. You Won't Count Calories! You won't feel hungry or deprived! You can enjoy dessert! You can have a cocktail with your friends! You can speed up your results by adding fast, fun exercise routines that you'll love! (free lifetime access to my 2 new workout videos included with the book!) You can maintain your new body and feel amazing—for life!

**fall health and wellness tips: *Weight Gain During Pregnancy*** National Research Council, Institute of Medicine, Board on Children, Youth, and Families, Food and Nutrition Board, Committee to Reexamine IOM Pregnancy Weight Guidelines, 2010-01-14 As women of childbearing age have become heavier, the trade-off between maternal and child health created by variation in gestational weight gain has become more difficult to reconcile. *Weight Gain During Pregnancy* responds to the need for a reexamination of the 1990 Institute of Medicine guidelines for weight gain during pregnancy. It builds on the conceptual framework that underscored the 1990 weight gain guidelines and addresses the need to update them through a comprehensive review of the literature and independent analyses of existing databases. The book explores relationships between weight gain during pregnancy and a variety of factors (e.g., the mother's weight and height before pregnancy) and places this in the context of the health of the infant and the mother, presenting specific, updated target ranges for weight gain during pregnancy and guidelines for proper measurement. New features of this book include a specific range of recommended gain for obese women. *Weight Gain During Pregnancy* is intended to assist practitioners who care for women of childbearing age, policy makers, educators, researchers, and the pregnant women themselves to understand the role of gestational weight gain and to provide them with the tools needed to promote optimal pregnancy outcomes.

**fall health and wellness tips: *Discover Your Optimal Health*** Wayne Scott Andersen, 2013-12-10 What is optimal health? As one of the nation's foremost physicians in nutritional intervention, Dr. Wayne Scott Andersen has devoted his career to creating optimal health through a comprehensive approach that addresses and breaks through logistical and psychological barriers. Widely and affectionately known for his work in the field of health coaching as Dr. A, in *Discover Your Optimal Health*, he provides an integrative approach that begins with developing (and maintaining) healthy habits each day. This crucial approach makes health the centerpiece of your life instead of something you do when you discover you have an illness or imbalance. Dr. A reveals how a little attention and discipline now can avoid health crises down the road. No matter what your current health status, you can be as healthy as possible. The habits you develop now make the difference between surviving and thriving, life or death. The steps toward reaching and maintaining your optimal health include: Integrating the Habits of Health into Your Life Discovering the Habits of Healthy Weight Loss Using the Habits of Healthy Eating Understanding the Habits of Healthy Motion Practicing the Habits of Healthy Sleep Employing the Habits of a Healthy Mind

**fall health and wellness tips: *How Not to Lose It: Be the Boss of Your Mental Health*** Anna Williamson, 2019-03 The go-to mental health guide for kids! Exam stress? Friendship issues? Panic attacks? *How Not to Lose It* will help you be the boss of all of this, and more. It's not just your body that should be fit and healthy - your mind needs to be, too! *How Not to Lose It* is the go-to guide for achieving a balanced mind and strong emotional well-being. With immediate, heart of the matter advice and a chatty yet honest tone, Anna Williamson addresses all of the key issues affecting children today. 'A fabulous message for young people - believe in yourselves!' Liz Rowe, Childline TOPICS COVERED: anxiety depression stress friendship bullying relationships and sex family life and bereavement phobias peer pressure self-harm self-esteem and confidence.

**fall health and wellness tips:** *The Wellness Project* Phoebe Lapine, 2017-05-16 For those battling autoimmune disease or thyroid conditions—or just seeking healthy life balance—the voice behind the popular blog Feed Me Phoebe shares her yearlong investigation of what truly made her well. After she was diagnosed with an autoimmune disease in her early twenties, Phoebe Lapine felt overwhelmed by her doctor's strict protocols and confused when they directly conflicted with information on the bestseller list. After experiencing mixed results and a life of deprivation that seemed unsustainable at best, she adopted 12 of her own wellness directives—including eliminating sugar, switching to all-natural beauty products, and getting in touch with her spiritual side—to find out which lifestyle changes truly impacted her health for the better. The Wellness Project is the insightful and hilarious result of that year of exploration—part memoir and part health and wellness primer (complete with 20 healthy recipes), it's a must-read not just for those suffering from autoimmune disease, but for anyone looking for simple ways to improve their health without sacrificing life's pleasures.

**fall health and wellness tips: The College Wellness Guide** Casey Rowley Barneson, The Princeton Review, 2021-09-28 A brand new guide that helps overwhelmed students manage their mental, physical, and social health, and reach and maintain a healthy balance in their college lives. Every year, nearly two million students arrive at college campuses, ready to embark on the best four years of their lives. Yet the reality is that the current cohort of students is one of the most stressed, anxious, and depressed ever. These stressors have real effects on students' grades, social life, and physical health. And the stakes are high! Students with the right community and support services have better outcomes, from increased chances of on-time graduation, to greater ability to take on head-start opportunities (like internships) that have deep impact on post-college life. The Princeton Review is proud to introduce The Campus Wellness Guide, an innovative new book that provides a mix of information, resources, and self-assessment activities to help students reach and maintain their overall health. The book includes: Information on how to assess your college fit academically and socio-emotionally Self-assessment activities that students can use to ID their specific stressors and ways to alleviate those issues Sections on physical, mental, and social wellness, each with data-backed insights and research to help define the issues and strategies for handling Proactive activities for student use, with reflection prompts to help develop roadmaps toward a healthier status quo Wellness highlights, e.g., information on colleges with exceptional track records in specific wellness issues Resources for national and college-specific help

**fall health and wellness tips: Commercial Motor Vehicle Driver Fatigue, Long-Term Health, and Highway Safety** National Academies of Sciences, Engineering, and Medicine, Transportation Research Board, Division of Behavioral and Social Sciences and Education, Board on Human-Systems Integration, Committee on National Statistics, Panel on Research Methodologies and Statistical Approaches to Understanding Driver Fatigue Factors in Motor Carrier Safety and Driver Health, 2016-09-12 There are approximately 4,000 fatalities in crashes involving trucks and buses in the United States each year. Though estimates are wide-ranging, possibly 10 to 20 percent of these crashes might have involved fatigued drivers. The stresses associated with their particular jobs (irregular schedules, etc.) and the lifestyle that many truck and bus drivers lead, puts them at substantial risk for insufficient sleep and for developing short- and long-term health problems. Commercial Motor Vehicle Driver Fatigue, Long-Term Health and Highway Safety assesses the state of knowledge about the relationship of such factors as hours of driving, hours on duty, and periods of rest to the fatigue experienced by truck and bus drivers while driving and the implications for the safe operation of their vehicles. This report evaluates the relationship of these factors to drivers' health over the longer term, and identifies improvements in data and research methods that can lead to better understanding in both areas.

**fall health and wellness tips:** National Prevention Strategy: America's Plan for Better Health and Wellness Regina M. Benjamin, 2011 The Affordable Care Act, landmark health legislation passed in 2010, called for the development of the National Prevention Strategy to realize the benefits of prevention for all Americans' health. This Strategy builds on the law's efforts to lower health care

costs, improve the quality of care, and provide coverage options for the uninsured. Contents: Nat. Leadership; Partners in Prevention; Healthy and Safe Community Environ.; Clinical and Community Preventive Services; Elimination of Health Disparities; Priorities: Tobacco Free Living; Preventing Drug Abuse and Excessive Alcohol Use; Healthy Eating; Active Living; Injury and Violence Free Living; Reproductive and Sexual Health; Mental and Emotional Well-being. **fall health and wellness tips:** Take Control of Your Endometriosis Henrietta Norton, 2012-08-16 As a sufferer of endometriosis and a qualified nutritional therapist, Henrietta Norton provides both a personal and professional look at how women can take control of their endometriosis and relieve their symptoms naturally.

**fall health and wellness tips:** Find Your Path Carrie Underwood, 2020-03-03 Carrie Underwood's instant New York Times bestseller on honoring your body, fueling your soul, and getting strong—a great gift idea for fans of fitness and the megastar country singer. I want to be healthy and fit 52 weeks of the year, but that doesn't mean I have to be perfect every day. This philosophy is a year-round common-sense approach to health and fitness that involves doing your best most of the time—and by that I don't mean being naughty for three days and good for four. I mean doing your absolute best most of the time during every week, 52 weeks of the year.—Carrie Underwood Carrie Underwood believes that fitness is a lifelong journey. She wasn't born with the toned arms and strong legs that fans know her for. Like all of us, she has to work hard every day to look the way that she does! In *FIND YOUR PATH* she shares her secrets with readers, with the ultimate goal of being the strongest version of themselves, and looking as good as they feel. Carrie's book will share secrets for fitting diet and exercise into a packed routine—she's not only a multi-Platinum singer, she's a businesswoman and busy mom with two young children. Based on her own active lifestyle, diet, and workouts, *FIND YOUR PATH* is packed with meal plans, recipes, weekly workout programs, and guidelines for keeping a weekly food and workout journal. It also introduces readers to Carrie's signature Fit52 workout, which involves a deck of cards and exercises that can be done at home—and it sets her fans on a path to sustainable health and fitness for life. Fit52 begins with embracing the Pleasure Principle in eating, making healthy swaps in your favorite recipes, and embracing a long view approach to health—so that a cheat a day won't derail you. Throughout the book, Carrie shares her personal journey towards optimal health, from her passion for sports as a kid, to the pressure to look perfect and fit the mold as she launched her career after winning *American Idol*, to eventually discovering the importance of balance and the meaning of true health. For Carrie, being fit isn't about crash diets or a workout routine that you're going to dread. It's about healthy choices and simple meals that you can put together from the ingredients in your local grocery store, and making the time, every day, to move, to love your body, and to be the best version of yourself.

**fall health and wellness tips:** *Happiness Through Hardship* Caryn Sullivan, 2019-06-29 Does your diagnosis have you desperate as to what to do next? Shocked, scared and practically paralyzed with your next steps? Help is here in this brilliant, quick and simplified book backed with the best advice from a two-time cancer survivor who walked in similar shoes. Like a good friend holding your hand, Caryn Sullivan's *Happiness through Hardship* is written in support of cancer patients, their caregivers and/or friends who need direction during the first few weeks after diagnosis. This cancer-surviving guide book empowers readers to take immediate steps for being prepared, less-stressed and able to find a little joy within the journey. *Happiness through Hardship* directs those facing an initial cancer diagnosis with positivity and hope. Structured with thoughtful tips and anecdotes, this short book provides gentle guidance from the first few days to the thickness of treatments, and includes a journal and note-taking pages to be used as a reference during doctor appointments and meetings. After her own cancer diagnosis, Caryn understands the importance of a book that's easily digestible and not overwhelmingly long. Her insight provides a little light during the darker days. The first few weeks after diagnosis are often most challenging. Caryn was blessed to have three angels, Ellen Cavaiuolo, Mary Ann Wasil and Meghan Zucker guide her throughout the

early days. This book is dedicated to them and half the proceeds will be donated to metastatic breast cancer research through The Cancer Couch Foundation.

**fall health and wellness tips: The Supercharged Hormone Diet** Natasha Turner, 2013-12-24 Discover the real reasons why you can't shed those final pounds and how to get in hormonal balance in just 30 days! With this intensive 30-day plan, you can start feeling revitalized right away. Natasha Turner, ND, returns with a revolutionary follow-up to her phenomenal first book, *The Hormone Diet*, in which she teaches readers the ins and outs of how and why their hormones play the biggest part in their weight-loss woes. Now, in *The Supercharged Hormone Diet*, she gives readers the information they need to get their hormones back on track—in 30 days flat. In this busy, fast-paced world, we don't always have time to research the science behind our diets. We want to lose weight sooner and faster. Dr. Turner has created an accelerated hormone diet with the same basic principles as the original (eating the right foods to correct hormonal imbalances), and she's plucked out the most important information from *The Hormone Diet*. This supercharged plan includes questionnaires and assessments to get readers started, a higher-protein detox than the original, key tips for sleep and exercise, a handy food list, a new 2-week meal plan, a chart to help readers stay on top of their goals, and many new hormone-diet-friendly recipes. *The Supercharged Hormone Diet* gives readers exactly what they need—a quick-start plan with a 30-day time frame.

**fall health and wellness tips: The Superfood Swap** Dawn Jackson Blatner, 2016-12-27 “Dawn makes healthy eating fun and delicious, and the dishes are easy to prepare. This is a must-read for anyone who wants to eat nutritious, joyful food.”—Lyn-Genet Recitas, New York Times bestselling author of *The Plan* The 4-week plan that beat out all other plans in the ABC weight-loss reality TV show *My Diet Is Better than Yours*. For more than fifteen years, nutritionist Dawn Jackson Blatner has helped hundreds of clients lose their bad eating habits and step up to optimal health. The key? Not deprivation, but a new kind of gratification, which she calls “super swapping”—exchanging fake foods (C.R.A.P.: food with Chemicals; Refined sugar and flour; Artificial sweeteners and colors; and Preservatives) for wholesome high-quality superfoods. A largely plant-based diet rich in fiber, vitamins, and antioxidants stabilizes hunger hormones, speeds metabolism, and fights disease. For each week, Blatner shares simple techniques, with eat/avoid lists, ideas for great lunches, advice on how to read labels to spot healthy-food impostors, and scores of useful infographics. The 100 tempting recipes—many vegetarian, vegan, and gluten free—include Fish Tacos with Crunchy Cabbage Slaw, BBQ Sandwich & Collard Chips, Sprouted Pizza, and Dark Chocolate Cherry Milkshake. Each one comes with a nutrition analysis. “Informative, creative, and fun. She shares sound nutrition advice based on scientific research and years of experience, and she does it in a way that’s both engaging and easy to digest. Filled with practical tips, helpful charts, and delicious recipes, this book definitely deserves a spot on your bookshelf.”—Joy Bauer, MS, RDN, health and nutrition expert for NBC’s *Today Show* and #1 New York Times bestselling author of *From Junk Food to Joy Food*

**fall health and wellness tips: The Off Switch** Professor Mark Cropley, 2015-06-25 'At a time when we are paying a heavy price for the collective delusion that being plugged in 24/7 is an express elevator to the top, *The Off Switch* reminds us that there is an alternative. Mark Cropley shows that intentionally switching off from work is not only essential for our well-being, it also allows for the unwinding and renewal that help us perform at our best when we switch back on.' Arianna Huffington Work better not longer- learn how to be more productive by switching off from work in the evenings, worrying less and facing the new working day fresh, full of energy and ambition. Work is a big part of our lives, but it's easier than ever to let it take over. Laptops, tablets and smartphones that are supposed to free us from the office actually bind us to it. If you've ever felt stressed as you checked your work email in the evenings, or found yourself unable to sleep worrying about tomorrow's meeting, then this is the book for you! Learning to flick THE OFF-SWITCH when you leave work is essential- not only for your sanity but also for your job. If you can learn to relax and rest effectively when you're not at work, you can then get more done when you're in the office. It's a win-win solution! In this unique book, Professor Mark Cropley, a world expert in how we

recover from the working day, blends engaging real-life case studies, clinical expertise and evidence-based techniques to provide a complete guide for how to switch off better - get more enjoyment from your free time, and still get more done.

**fall health and wellness tips:** *Willpower For Dummies* Frank Ryan, 2014-08-11 Develop rock-solid willpower with evidence-based techniques *Willpower For Dummies* shows you how to train, strengthen, and improve your willpower in seven easy steps! Written by a clinical psychologist and cognitive therapist, the book proves that willpower can be learned like any other skill, and provides tons of practical exercises and strategies you can start using today. You'll learn how willpower works inside the brain, and how choosing goals and identifying challenges can affect your success. The book stresses the importance of patience, rewards and being kind to yourself, and walks you through the techniques that will keep you on the right track, even on your worst days. The mind works in two different ways: the long view and the short view. Controlling which aspect wins out is the key to willpower. *Willpower For Dummies* breaks this complex science down into easily digestible bits, written in plain English with a dash of humour. You'll find scientifically robust guidance toward strengthening your willpower just like a muscle, and expert advice on training your brain to work with you instead of against you. Discover the most important factors in building self-discipline Learn how to set goals and how to train your willpower Practice simple willpower-strengthening exercises Employ coping strategies for when you're about to break Whether you're trying to lose weight, quit smoking or just work harder, rest assured that you can do it—regardless of past failures and false starts. Willpower is not a trait, but a skill. Everyone can learn it, and everyone can make it stronger. *Willpower For Dummies* walks you through the process, teaching you the skills you need for lasting success.
