The story of our family.” Texas, 1921. A time of abundance. The Great War is over, the bounty of the land is plentiful, and America is on the brink of a new and optimistic era. Until the night she meets Rafe Martinelli and decides to change the direction of her life. With her reputation in ruin, there is only one respectable choice: marriage to a man she barely knows. By 1934, the world has changed; millions are out of work and drought has devastated the Great Plains. Farmers are fighting to keep their land and their livelihoods as crops fail and water dries up and the earth cracks open. Dust storms roll relentlessly across the plains. Everything on the Martinelli farm is dying, including Elsa's tenuous marriage; each day is a desperate battle against nature and a fight to keep her children alive. In this uncertain and perilous time, Elsa—like so many of her neighbors—must make an agonizing choice: fight for the land she loves or leave it behind and go west, to California, in search of a better life for her family. *The Four Winds* is a rich, sweeping novel that stunningly brings to life the Great Depression and the people who lived through it—the harsh realities that divided us as a nation and the enduring battle between the haves and the have-nots. Sixteen-year-old Marah Ryan is devastated by her mother's death. Her father, Johnny, strives to hold the family together, but even with his best efforts, Marah becomes unreachable in her grief. Nothing and no one seems to matter to her . . . until she falls in love with a young man who makes her smile again and leads her into his dangerous, shadowy world. She repeatedly abandoned her daughter, Tully, as a child, but now she comes back, drawn to her daughter's side at a time when Tully is most alone. At long last, Dorothy must face her darkest fear: Only by revealing the ugly secrets of her past can she hope to become the mother her daughter needs. firefly lane analysis: Writing My Wrongs Shaka Senghor, 2017-01-31 NEW YORK TIMES BESTSELLER • An “extraordinary, unforgettable” (Michelle Alexander, author of *The New Jim Crow*) memoir of redemption and second chances amidst America’s mass incarceration epidemic, from a member of Oprah’s SuperSoul 100 Shaka Senghor was raised in a middle-class neighborhood on Detroit’s east side during the height of the 1980s crack epidemic. An honor roll student and a natural leader, he dreamed of becoming a doctor—but at age eleven, his parents’ marriage began to unravel, and beatings from his mother worsened, which sent him on a downward spiral. He ran away from home, turned to drug dealing to survive, and ended up in prison for murder at the age of nineteen, full of anger and despair. *Writing My Wrongs* is the story of what came next. During his nineteen-year incarceration, seven of which were spent in solitary confinement, Senghor discovered literature, meditation, self-examination, and the kindness of others—tools he used to confront the demons of his past, forgive the people who hurt him, and begin atoning for the wrongs he had committed. Upon his release at age thirty-eight, Senghor became an activist and mentor to young men and women facing circumstances like his. His work in the community and the courage to share his story led him to fellowships at the MIT Media Lab and the Kellogg Foundation and invitations to speak at events like TED and the Aspen Ideas Festival. In equal turns, *Writing My Wrongs* is a page-turning portrait of life in the shadow of poverty, violence, and fear; an unforgettable story of redemption; and a compelling witness to our country’s need for rethinking its approach to crime, prison, and the men and women sent there.

firefly lane analysis: *Blindsight* Peter Watts, 2006-10-03 Hugo and Shirley Jackson award-winning Peter Watts stands on the cutting edge of hard SF with his acclaimed novel, *Blindsight* Two months since the stars fell... Two months of silence, while a world held its breath. Now some half-derelict space probe, sparking fitfully past Neptune's orbit, hears a whisper from the edge of the solar system: a faint signal sweeping the cosmos like a lighthouse beam. Whatever's out there isn't talking to us. It's talking to some distant star, perhaps. Or perhaps to something closer, something en route. So who do you send to force introductions with unknown and unknowable alien intellect that doesn't wish to be met? You send a linguist with multiple personalities, her brain surgically partitioned into separate, sentient processing cores. You send a biologist so radically interfaced with machinery that he sees x-rays and tastes ultrasound. You send a pacifist warrior in the faint hope she won't be needed. You send a monster to command them all, an extinct hominid predator once called vampire, recalled from the grave with the voodoo of recombinant genetics and the blood of sociopaths. And you send a synthesist—an informational topologist with half his mind gone—as an interface between here and there. Pray they can be trusted with the fate of a world. They may be more alien than the thing they've been sent to find. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

firefly lane analysis: One Native Life Richard Wagamese, 2009 In 2005, award-winning writer Richard Wagamese moved with his partner to a cabin outside Kamloops, B.C. In the crisp mountain air Wagamese felt a peace he'd seldom known before. Abused and abandoned as a kid, he'd grown up feeling there was nowhere he belonged. For years, only alcohol and moves from town to town seemed to ease the pain. In *One Native Life*, Wagamese looks back down the road he has travelled in reclaiming his identity and talks about the things he has learned as a human being, a man and an Ojibway in his fifty-two years. Whether he's writing about playing baseball, running away with the circus, attending a sacred bundle ceremony or meeting Pierre Trudeau, he tells these stories in a healing spirit. Through them, Wagamese celebrates the learning journey his life has been. Free of rhetoric and anger despite the horrors he has faced, Wagamese's prose resonates with a peace that has come from acceptance. Acceptance is an Aboriginal principle, and he has come to see that we are all neighbours here. *One Native Life* is his tribute to the people, the places and the events that have allowed him to stand in the sunshine and celebrate being alive.
