Finding Your Perfect Wellness Path at the Expo

The beauty of the Fit and Fabulous Health and Wellness Expo lies in its diversity. Whether you're a seasoned wellness enthusiast or just starting your journey, you'll find something to inspire and motivate you. Here are some tips to maximize your experience:

Plan Your Schedule: Browse the event schedule in advance and choose the sessions and activities that align with your interests and goals. Prioritizing workshops and talks related to your specific needs will ensure you get the most out of your time.

Set Realistic Goals: Don't try to do everything! Focus on a few key areas you want to improve and choose activities that support those goals. This approach will allow for a more focused and impactful experience.

Engage with Experts and Attendees: Don't be shy! Talk to experts, ask questions, and connect with other attendees. Networking is a crucial aspect of the wellness journey, and the Expo provides a perfect platform for building connections.

Take Notes and Stay Organized: Bring a notebook and pen to jot down key takeaways from workshops and conversations. This will help you remember important information and stay organized as you navigate your wellness journey.

Embrace the Experience: The Fit and Fabulous Health and Wellness Expo is designed to be fun and inspiring. Relax, embrace the energy, and enjoy the journey toward a healthier, happier you.

Beyond the Expo: Maintaining Your Wellness Momentum

The Fit and Fabulous Health and Wellness Expo is more than just a one-day event; it's a catalyst for lasting change. To maintain your momentum after the Expo, consider these strategies:

Implement New Habits: Identify one or two new habits you learned about at the Expo and commit to integrating them into your daily routine. Start small and build gradually to ensure long-term sustainability.

Connect with the Community: Stay connected with the people you met at the Expo, whether through social media or in-person gatherings. A strong support system can be incredibly valuable on your wellness journey.

Continue Learning: Keep learning about health and wellness. Read books,

articles, and blogs; listen to podcasts; and continue to seek out new information that resonates with you.

Celebrate Your Progress: Acknowledge and celebrate your achievements, no matter how small they may seem. Positive reinforcement is essential for maintaining motivation and momentum.

Be Patient and Kind to Yourself: Wellness is a journey, not a destination. There will be ups and downs along the way. Be patient with yourself, celebrate your progress, and remember that setbacks are simply opportunities to learn and grow.

Conclusion:

The Fit and Fabulous Health and Wellness Expo offers a unique opportunity to invest in your physical, mental, and emotional well-being. By attending, you'll gain valuable knowledge, discover new products and services, and connect with a supportive community. Remember to plan your visit, set realistic goals, and continue your wellness journey beyond the Expo. Embrace the experience, and get ready to feel fit and fabulous!

fit and fabulous health and wellness expo: *Instinct* T. D. Jakes, 2014-05-06 Tap into your God-given intuition and start achieving ultimate success with this inspiring #1 New York Times bestseller from Bishop T.D. Jakes. If you have ever felt misaligned, this book is for you. If you have lost the rhythm, the passion, or the thrill of living in alignment, then keep reading. As He did with the very cells that comprise our bodies and the dry bones that were joined together for new life, God has given us deeper instincts to be attracted to those things that fit a higher and better purpose. Never settle for less than God's best for your life. Some people have the courage to move beyond the ordinary, from the methodical mediocre into the revolutionary realization of where they belong. You can have this sense of belonging only when you connect to your core calling. The calling to creativity, the calling to teach, to give, to build, are all part of allowing your instinct to guide you to the something more that you suspect is out there. If you are ready to break through the confines of where you are and discover where you are meant to be, then Instinct is your key!--EndFragment--

fit and fabulous health and wellness expo: *World's Fair* E.L. Doctorow, 2010-11-10 Winner of the National Book Award • “Marvelous . . . You get lost in World’s Fair as if it were an exotic adventure. You devour it with the avidity usually provoked by a suspense thriller.”—The New York Times Hailed by critics from coast to coast and by readers of all ages, this resonant novel is one of E.L. Doctorow’s greatest works of fiction. It is 1939, and even as the rumbles of progress are being felt worldwide, New York City clings to remnants of the past, with horse-drawn wagons, street peddlers, and hurdy-gurdy men still toiling in its streets. For nine-year-old Edgar Altschuler, life is stoopball and radio serials, idolizing Joe DiMaggio, and enduring the conflicts between his realist mother and his dreamer of a father. The forthcoming Word’s Fair beckons, an amazing vision of American automation, inventiveness, and prosperity—and Edgar Altschuler responds. A marvelous work from a master storyteller, World’s Fair is a book about a boy who must surrender his innocence to come of age, and a generation that must survive great hardship to reach its future. Praise for World’s Fair “Something close to magic.”—Los Angeles Times “World’s Fair is better than a time capsule; it’s an actual slice of a long-ago world, and we emerge from it as dazed as those visitors standing on the corner of the future.”—Anne Tyler “Doctorow has managed to regain the awed perspective of a child in this novel of rare warmth and intimacy. . . . Stony indeed in the heart that cannot be moved by this book.”—People “Fascinating . . . exquisitely rendered details of a lost way of life.”—Newsweek “Wonderful reading.”—USA Today

fit and fabulous health and wellness expo: *Jikoni* Ravinder Bhogal, 2020-07-09 Jikoni means 'kitchen' in Kiswahili, a word that perfectly captures Ravinder Bhogal's approach to food. Ravinder was born in Kenya to Indian parents; when she moved to London as a child, the cooking of her new home collided with a heritage that crossed continents. What materialised was a playful approach to the world's larder, and Ravinder's recipes do indeed have a rebellious soul. They are lawless concoctions that draw their influences from one tradition and then another – Cauliflower Popcorn with Black Vinegar Dipping Sauce; Spicy Aubergine Salad with Peanuts, Herbs and Jaggery Fox Nuts; Skate with Lime Pickle Brown Butter; Tempura Samphire and Nori; Lamb and Aubergine Fatteh; or utterly irresistible Banana Cake accompanied by Miso Butterscotch and Ovaltine Kulfi. These proudly inauthentic recipes are what you might loosely call 'immigrant cuisine', with evocative stories from a past that illustrates the powerful relationship between food, people, place and identity. The tastes and smells of this brazen new world are sophisticated, welcoming, fresh, exciting

and bold.

fit and fabulous health and wellness expo: Marathon Woman Kathrine Switzer, 2017-04-04 A new edition of a sports icon's memoir, coinciding with the 50th anniversary of Kathrine Switzer's historic running of the Boston Marathon as the first woman to run. In 1967, Kathrine Switzer was the first woman to officially run what was then the all-male Boston Marathon, infuriating one of the event's directors who attempted to violently eject her. In one of the most iconic sports moments, Switzer escaped and finished the race. She made history—and is poised to do it again on the fiftieth anniversary of that initial race, when she will run the 2017 Boston Marathon at age 70. Now a spokesperson for Reebok, Switzer is also the founder of 261 Fearless, a foundation dedicated to creating opportunities for women on all fronts, as this groundbreaking sports hero has done throughout her life. Kathrine Switzer is the Susan B. Anthony of women's marathoning. —Joan Benoit Samuelson, first Olympic gold medalist in the women's marathon

The next section looks at those volleyball players who require special consideration: the young, the disabled, and the elite, as well as gender issues. Finally, section five looks at performance enhancement.

fit and fabulous health and wellness expo: *28 Days Lighter Diet* Ellen Barrett, Kate Hanley,

2013-12-23 Most women who are dieting do not realize that PMS and weight gain are connected—and that to really lose weight, increase energy, and feel better they need to consider their monthly cycle. Now The 28 Days Lighter Diet teaches women how to embrace their monthly cycle and follow its guidance so that they know when to push themselves, when to treat themselves to some well-earned rest, and how to keep their hormones in balance. It explains what to do during every week of the month to shed excess weight, ease PMS, and do it by working with your body instead of beating it into submission. The female body changes from week to week, and traditional diet and workout programs never acknowledge this phenomenon. This easy-to-follow 28-day plan is an innovative combination of modern research and ancient traditions. It outlines a core program of dietary suggestions, fitness guidelines, specific exercises, and lifestyle recommendations for each of the phases of the menstrual cycle and how to take care of yourself throughout the month.

fit and fabulous health and wellness expo: Brand Relevance David A. Aaker, 2011-01-25 Branding guru Aaker shows how to eliminate the competition and become the lead brand in your market This ground-breaking book defines the concept of brand relevance using dozens of case studies-Prius, Whole Foods, Westin, iPad and more-and explains how brand relevance drives market dynamics, which generates opportunities for your brand and threats for the competition. Aaker reveals how these companies have made other brands in their categories irrelevant. Key points: When managing a new category of product, treat it as if it were a brand; By failing to produce what customers want or losing momentum and visibility, your brand becomes irrelevant; and create barriers to competitors by supporting innovation at every level of the organization. Using dozens of case studies, shows how to create or dominate new categories or subcategories, making competitors irrelevant Shows how to manage the new category or subcategory as if it were a brand and how to create barriers to competitors Describes the threat of becoming irrelevant by failing to make what customer are buying or losing energy David Aaker, the author of four brand books, has been called the father of branding This book offers insight for creating and/or owning a new business arena. Instead of being the best, the goal is to be the only brand around-making competitors irrelevant.

fit and fabulous health and wellness expo: Rodigan David Rodigan, 2017-03-02 'THE BOOK THAT EVERY REGGAE FAN SHOULD READ' John Masouri, Echoes 'Rodigan can still claim a currency few presenters of his vintage can match. Perhaps it's because while his wider musical and professional milieu has been in constant change, his boundless enthusiasm has been constant. Reggae's been lucky to have him' Ian Harrison, MOJO 'Rodigan was a major part of my childhood, he played the hottest tunes and in a style that just resonated with me and millions like me. Being able to contribute anything to a man that filled my life with such joy is an honour, respect, David Rodigan' Ian Wright 'David is a pioneer in Reggae music. As a selector and radio personality, his vast knowledge of Jamaican music and its culture has helped to educate and fascinate music lovers around the world; he's an amazing son of the music, and an icon. We couldn't have made it this far without him' Shaggy This is the unlikely story of David Rodigan: an Army sergeant's son from the English countryside who has become the man who has taught the world about Reggae. As the sound of Jamaica has morphed over five decades through a succession of different genres - from Ska and Rock Steady, to Dub, Roots and Dancehall - Rodigan has remained its constant champion, winning the respect of generation after generation of Reggae followers across the globe. Today, at the age of 63, he is a headline performer at almost all the UK's big music festivals, as well as events across the world. Young people revere him and he is a leading presenter on the BBC's youth network 1Xtra as well as a regular fixture at leading nightclubs such as London's Fabric and at student unions throughout the land. And he continues to go into the heartlands of Reggae, to the downtown dancehalls of Kingston and Montego Bay in Jamaica to compete in tournaments against the greatest sound systems. And yet, for all of this, David Rodigan is the antithesis of the stereotype of an international dance music DJ. 'I look like an accountant or a dentist,' he admitted to The Independent a decade ago. A man of impeccable manners, Rodigan prepares for a big sound clash by retiring to his hotel bed with a Thomas Hardy novel before taking a nap and then a cup of espresso before heading to the club. Rodigan is the inside story of this apparent paradox. It tells how a boy

from Kidlington has become an admired international ambassador for a music form that remains as proud as ever of its African roots, a sound that emanates from and fiercely represents the ghetto poor. He now reaches across the age groups, from teens through to those of his own vintage. At the pinnacle of his career, Rodigan has become the DJ for all generations. 'David Rodigan is a force of nature. His spirit and passion are a rare and wonderful thing. He has dedicated his life to carrying the torch for Reggae music and is hugely respected all over the world for his knowledge and talent as a broadcaster and a DJ. Long may he reign on our stages and on our airwaves' Annie Mac

fit and fabulous health and wellness expo: *Salt Sugar Fat* Michael Moss, 2013-02-26 From a Pulitzer Prize-winning investigative reporter at The New York Times comes the troubling story of the rise of the processed food industry -- and how it used salt, sugar, and fat to addict us. *Salt Sugar Fat* is a journey into the highly secretive world of the processed food giants, and the story of how they have deployed these three essential ingredients, over the past five decades, to dominate the North American diet. This is an eye-opening book that demonstrates how the makers of these foods have chosen, time and again, to double down on their efforts to increase consumption and profits, gambling that consumers and regulators would never figure them out. With meticulous original reporting, access to confidential files and memos, and numerous sources from deep inside the industry, it shows how these companies have pushed ahead, despite their own misgivings (never aired publicly). *Salt Sugar Fat* is the story of how we got here, and it will hold the food giants accountable for the social costs that keep climbing even as some of the industry's own say, Enough already.

fit and fabulous health and wellness expo: *Landwhale* Jes Baker, 2018-05-08 By the author of *Things No One Will Tell Fat Girls* and a heroine of the body image movement, an intimate, gutsy memoir about being a fat woman Jes Baker burst onto the body positivity scene when she created her own ads mocking Abercrombie & Fitch for discriminating against all body types -- a move that

landed her on the Today Show and garnered a loyal following for her raw, honest, and attitude-filled blog missives. Building on the manifesta power of *Things*, this memoir goes deeply into Jes's inner life, from growing up a fat girl to dating while fat. With material that will have readers laughing and crying along with Jes's experience, this new book is a natural fit with her irreverent, open-book style. A deeply personal take, *Landwhale* is a glimpse at life as a fat woman today, but it's also a reflection of the unforgiving ways our culture still treats fatness, all with Jes's biting voice as the guide.

fit and fabulous health and wellness expo: High-Performance Nutrition for Masters Athletes Lauren A. Antonucci, 2021-02-22 It's an undisputed fact that the body's physiological needs change as you age. But that doesn't mean you can't continue to compete and perform at your best. In *High-Performance Nutrition for Masters Athletes*, you'll find practical advice for fueling your active lifestyle—now and for decades to come. The key to effectively adapting your nutrition plans is first understanding how needs change over time and how expected results shift through the

decades. Explore the science behind proper fueling for training and competition with the current guidelines for carbohydrate, protein, and fat intake plus advice on proper hydration, avoiding the dangers of underfueling, and nutrition for optimal recovery. High-Performance Nutrition for Masters Athletes will then take you inside the fueling strategies for precompetition, competition, and recovery: Gain an understanding of the need for different types or amounts of nutrients at different times and get easy-to-follow guidance on how to meet those needs. Learn how to energize with carbohydrate, build muscle with protein, and meet your hydration needs for optimal athletic performance. Know the role vitamins, minerals, and supplements can play in a nutrition plan and how devastating underfueling can be to athletic performance. Understand how chronic conditions such as high blood pressure, diabetes, and cardiovascular disease affect nutritional needs. Use the sample meal plans to help customize meals and snacks and reset eating habits to meet the needs of training and competition. Plus, throughout the book you will find accounts of amazing individuals—both well-known elite athletes and Olympians and everyday athletes—who have adapted their nutrition and training regimes to stay at the top of their game year in and year out. Comprehensive yet practical, High-Performance Nutrition for Masters Athletes provides the latest research, guidance, and strategies that you need to train harder, perform stronger, and recover faster. Fuel smart, and never let age slow you down. Earn continuing education credits/units! A continuing education exam that uses this book is also available. It may be purchased separately or as part of a package that includes both the book and exam.

fit and fabulous health and wellness expo: Gentle Birth, Gentle Mothering Sarah Buckley, 2013-02-20 An authoritative guide to natural childbirth and postpartum parenting options from an MD who home-birthed her own four children. Sarah Buckley might be called a third-wave natural birth advocate. A doctor and a mother, she approaches the question of how a woman and baby might have the most fulfilling birth experience with respect for the wisdom of both medical science and the human body. Using current medical and epidemiological research plus women's experiences (including her own), she demonstrates that what she calls undisturbed birth is almost always healthier and safer than high-technology approaches to birth. Her wise counsel on issues like breastfeeding and sleeping during postpartum helps extend the gentle birth experience into a gentle parenting relationship.

fit and fabulous health and wellness expo: The Clever Cookbook Emilie Raffa, 2016-02-16 Recipes for complex meals that come together in no time. Just because you're short on time doesn't mean you have to sacrifice healthy, flavorful homemade food. Thanks to Emilie Raffa's The Clever Cookbook, readers can cut down on cooking time while still creating delicious, complex meals. The highlight of the book is Emilie's incredibly delicious recipes, such as 30-Minute Chicken Piccata, No Sweat Gratin with Brown Rice, Zucchini & Tomatoes and Quick Chicken Stir-Fry with Oven Roasted Broccoli. The recipes are easy and fast, thanks to her clever shortcuts and flavor tricks. Here are some of Emilie's kitchen shortcuts:- Use a wide skillet to cook everything fast (i.e. tomato sauce, pot pie filling and meat sauce).- Cook pasta in less water-it boils faster and the extra starchy cooking liquid creates silky pan sauces. And these are some of her easy taste-boosting tricks:- Save and freeze all parmesan cheese rinds to add to soups and stews for a delicious nutty flavor.- Use the 7-6-5 method for grilling pork tenderloin-sear for 7 minutes, flip and sear for 6 minutes, shut off the heat and let it rest for 5 minutes with the lid closed. Perfectly tender pork every time! Emilie's classic culinary training, knack for creative recipes, savvy shortcuts and flavor tricks will help readers prepare mouthwatering, healthy meals quickly and with ease.

fit and fabulous health and wellness expo: A Modern Woman's Guide to a Natural Empowering Birth Katrina Zaslavsky, 2012-10-29 A Modern Woman's Guide to a Natural Empowering Birth is a collection of inspiring birth stories, expert tips and practical insights to empower women to reclaim their birth power and overcome their fears in a modern world. Afterword by Dr Sarah Buckley MD, internationally acclaimed author of Gentle Birth, Gentle Mothering. Feeling anxious, alone or in the dark as a new mother to be? Where do you go to get your questions answered when you don't have any mothers as the wise woman to turn to, the doctor is too busy to inform you of your options or discuss the pros and cons of various drugs and procedures on the menu, and you read virtually every magazine in the waiting room before he/ she can see you for five minutes at a time? Meanwhile, random strangers decide it is their maternal duty to share their birth horror stories when they spot the bump and the hospital antenatal classes leave you feeling even more fearful and anxious than you were before you walked in! Just when you thought you couldn't bear to hear another horror story, along comes a fresh new book that is the answer to your prayers. More than just a random collection of stories, the author Katrina Zaslavsky, takes you on a powerful journey of discovery and gives you the keys to transforming your birth experience. Be empowered to experience the joy of natural birth on your own terms- Fear-Free, Drug- Free and maybe even Pain Free... (Hint: Get off the beds ladies and actively give birth rather than being delivered)..... and then become a part of the Positive Birth Revolution!! As seen on national media including TV, My Child and Nature & Health Magazines, Coles Baby & Toddler Club, recommended at Mum's Lounge and voted Favourite Product Finalist in the People's Choice AusMumpreneur Awards 2012. About the author Profoundly impacted by her own personal journey into motherhood after overcoming her own extreme fears of childbirth, Katrina has become a passionate advocate of natural and conscious parenting, committed to supporting women to give birth naturally and overcome their fears in a world that has become so medicalised and fearful of something so perfectly natural. A former public health professional (in her previous life before children!) together with a lifelong passion for healthy living, over a decade in the natural health industry, a magazine columnist and most recently a committee member for Natural Parenting Melbourne, her calling is to awaken people to live a more conscious natural lifestyle and especially to empower women to discover their inner birth goddess!
