GMA3 Health and Wellness: Your Daily Dose of Well-being

Are you a dedicated viewer of GMA3? Do you find yourself tuning in not just for the news, but also for the insightful segments on health and wellness? You're not alone! GMA3 frequently features valuable information about maintaining a healthy lifestyle, and this comprehensive guide will dive into the show's most impactful health and wellness segments, offering practical takeaways you can use in your daily life. We'll explore various topics covered, providing actionable advice to help you improve your physical and mental well-being. Get ready to unlock a healthier, happier you, inspired by the expertise featured on GMA3 Health and Wellness!

Understanding GMA3's Approach to Health and Wellness

GMA3's approach to health and wellness stands out for its focus on practical advice and relatable stories. Unlike some programs that focus solely on extreme diets or unattainable fitness goals, GMA3 often highlights attainable lifestyle changes that can significantly impact your health. They frequently feature experts from diverse fields – doctors, nutritionists, fitness trainers, mental health professionals – providing a holistic perspective on well-being. This multi-faceted approach ensures that viewers receive well-rounded information, encompassing physical, mental, and emotional health.

Nutrition Nuggets from GMA3: Eating Your Way to Better Health

GMA3 frequently covers nutrition topics, often debunking common myths and offering evidence-based advice. Recent segments have included discussions on:

The importance of mindful eating: Focusing on savoring your food and paying attention to your body's hunger cues, rather than mindless snacking. This often involves strategies like reducing distractions while eating and practicing portion control.

The benefits of incorporating whole foods into your diet: GMA3 has showcased the nutritional power of fruits, vegetables, whole grains, and lean proteins. They frequently emphasize the importance of reducing processed foods, sugary drinks, and unhealthy fats.

Specific dietary approaches: The show has explored various diets, like the Mediterranean diet and DASH diet, highlighting their potential benefits for heart health, weight management, and overall well-being. However, it's crucial to note that GMA3 always emphasizes consulting a healthcare professional before making significant dietary changes.

Fitness Finds on GMA3: Moving Your Body for a Healthier You

GMA3 doesn't just focus on nutrition; they regularly feature segments on fitness and physical activity.

These segments often highlight:

Finding activities you enjoy: The key to sticking with a fitness routine is finding something you genuinely like. Whether it's dancing, hiking, swimming, or simply taking a daily walk, the show promotes finding enjoyable ways to stay active.

The importance of consistency over intensity: GMA3 advocates for a sustainable approach to fitness, emphasizing the benefits of regular, moderate-intensity exercise over sporadic bursts of intense activity. This makes fitness more accessible to people of all ages and fitness levels.

Incorporating movement into your daily routine: Simple changes, like taking the stairs instead of the elevator or parking further away from your destination, can make a significant difference in your overall activity level.

Mental Wellness Matters: GMA3's Focus on Mental Health

Perhaps one of the most valuable aspects of GMA3's health and wellness coverage is its increasing focus on mental health. The show has addressed topics such as:

Stress management techniques: GMA3 has featured segments on mindfulness, meditation, and other stress-reducing techniques. They emphasize the importance of prioritizing self-care and finding healthy ways to cope with stress.

The importance of seeking professional help: GMA3 regularly encourages viewers to reach out for help if they are struggling with their mental health. They often provide resources and information on finding qualified mental health professionals.

Addressing the stigma surrounding mental illness: The show contributes to destigmatizing mental health issues by showcasing personal stories and highlighting the importance of open conversations about mental well-being.

GMA3 and Sleep Hygiene: The Foundation of Well-being

Adequate sleep is crucial for both physical and mental health, and GMA3 has highlighted the importance of good sleep hygiene. This often involves:

Establishing a regular sleep schedule: Going to bed and waking up at roughly the same time each day, even on weekends, can help regulate your body's natural sleep-wake cycle.

Creating a relaxing bedtime routine: This might include taking a warm bath, reading a book, or listening to calming music. Avoiding screens before bed is also crucial for better sleep quality.

Optimizing your sleep environment: Ensuring your bedroom is dark, quiet, and cool can significantly improve your sleep.

Actionable Steps Inspired by GMA3 Health and Wellness

After reviewing all the valuable information presented on GMA3, here's how you can apply these

insights to your life:

1. Start small: Don't try to overhaul your entire lifestyle at once. Focus on making one or two small, sustainable changes at a time.
2. Find an accountability partner: Having someone to support you on your journey can make a significant difference.
3. Celebrate your successes: Acknowledge your progress and reward yourself for achieving your goals. This positive reinforcement will help you stay motivated.
4. Seek professional guidance: Don't hesitate to consult a doctor, nutritionist, or other healthcare professional for personalized advice.

Conclusion:

GMA3 consistently delivers valuable and relatable health and wellness information, empowering viewers to make positive changes in their lives. By incorporating the practical advice and actionable steps discussed in this article, you can take control of your well-being and create a healthier, happier future. Remember, a healthy lifestyle is a journey, not a destination, so be patient with yourself and celebrate your progress along the way.

FAQs:

1. Where can I find past GMA3 health and wellness segments? Check the GMA website and their social media channels for clips and summaries of past segments.
-
1. Does GMA3 offer personalized health advice? No, GMA3 provides general information and should not be considered a substitute for professional medical advice.

-
1. Are the experts featured on GMA3 qualified professionals? Yes, GMA3 typically features experts with relevant credentials and experience in their respective fields.

1. Can I suggest health and wellness topics for GMA3? While there's no guarantee they'll cover your suggestion, you can reach out to GMA through their social media channels or website.

gma3 health and wellness: Life After Suicide Jennifer Ashton, 2019-05-07 From the chief medical correspondent of ABC News, an eloquent, heartbreaking, yet hopeful memoir of surviving the suicide of a loved one, examining this dangerous epidemic and offering first-hand knowledge and advice to help family and friends find peace. Jennifer Ashton, M.D., has witnessed firsthand the impact of a loved one's suicide. When her ex-husband killed himself soon after their divorce, her world—and that of her children—was shattered. Though she held a very public position with one of the world's largest media companies, she was hesitant to speak about the personal trauma that she and her family experienced following his death. A woman who addresses the public regularly on intimate health topics, she was uncertain of revealing her devastating loss—the most painful thing she'd ever experienced. But with the high-profile suicides of Kate Spade and Anthony Bourdain, Dr. Ashton recognized the importance of talking about her experience and the power of giving voice to her grief. She shared her story with her Good Morning America family on air—an honest, heartbreaking revelation that provided comfort and solace to others, like her and her family, who have been left behind. In *Life After Suicide*, she opens up completely for the first time, hoping that her experience and words can inspire those faced with the unthinkable to persevere. Part memoir and part comforting guide that incorporates the latest insights from researchers and health professionals, *Life After Suicide* is both a call to arms against this dangerous, devastating epidemic, and an affecting story of personal grief and loss. In addition, Dr. Ashton includes stories from others who have survived the death of a loved one by their own hand, showing how they survived the unthinkable and demonstrating the vital roles that conversation and community play in recovering from the suicide of a loved one. The end result is a raw and revealing exploration of a subject that's been taboo for far too long, providing support, information, and comfort for those attempting to make sense of their loss and find a way to heal.

gma3 health and wellness: *The New Normal* Jennifer Ashton, Sarah Toland, 2021-02-09 From Dr. Jennifer Ashton—the Chief Medical Correspondent at ABC News covering breaking medical news for Good Morning America and GMA3: What You Need to Know—comes a doctor's guide to finding resilience in the time of COVID, while staying safe and sane in a rapidly changing world. In March 2020, “normal” life changed, perhaps forever. In its place we were confronted with life and routines that were unusual and different: the new normal. As we've all learned since then, the new normal isn't just about wearing masks and standing six feet apart—it's about recognizing how to stay safe and sane in a world that is suddenly unfamiliar. And no one understands this evolving landscape better than Dr. Jennifer Ashton. As ABC's Chief Medical Correspondent, Dr. Ashton has been reporting on the novel coronavirus daily, helping Americans comprehend the urgent medical updates that have shaped the nation's continued response to this public health crisis. Now in *The New Normal*, Dr. Ashton offers the essential toolkit for life in this unfamiliar reality. Rooted in her reporting on COVID-19 and the understanding that the virus isn't going anywhere overnight, *The New Normal* is built on a simple foundation: thriving in this evolving world demands accepting the new normal for what it is, not what we want it to be. No longer is wellness a buzzword, but an imperative for surviving this unprecedented time. Using her trademark practical, easy-to-follow advice, Dr. Ashton gives you all the necessary information to reclaim control of your life and live safely—from exercise, to diet, to general health—showing how to prepare your body and mind for challenges such as: - Taking proper medical precautions to protect yourself and your loved ones - Exercising during the pandemic, even if you no longer feel safe at the gym - Finding emotional balance through these uncertain times - Deciphering complicated medical news to learn what to

trust and what to ignore With these straightforward and accessible strategies and many more, Dr. Ashton helps empower you to make the unexpectedly hard decisions about socializing, food-shopping, seeing doctors, and most of all, finding normalcy. At once reassuring and urgent, *The New Normal* is a holistic roadmap through the ongoing struggles of the pandemic, providing the guidance you need to navigate this unsettling time and take charge of your future wellbeing.

gma3 health and wellness: *The Self-Care Solution* Jennifer Ashton, Sarah Toland, 2019-12-30 ABC's chief medical correspondent helps you ring in the New Year right with a resolution that's actually doable: a year-long plan to improve your emotional and physical health—from giving up alcohol to doing a digital detox, but each for only one month. Dr. Jennifer Ashton is at the top of her field as an ob-gyn and news correspondent. But even at the top there's still room to improve, and with *The Self-Care Solution*, she upends her life one month at a time, using her own experiences to help you improve your health and enhance your life. Dr. Ashton becomes both researcher and subject as she focuses on twelve separate challenges. Beginning with a new area of focus each month, she guides you through the struggles she faces, the benefits she experiences, and the science behind why each month's challenge—giving up alcohol, doing more push-ups, adopting an earlier bedtime, limiting technology—can lead to better health. Month by month, Dr. Ashton tackles a different area of wellness with the hope that the lessons she learns and the improved health she experiences will motivate her (and you) to make each change permanent. Throughout, she offers easy-to-comprehend health information about the particular challenge to help you understand its benefits and to stick with it. Whether it's adding cardio or learning how to meditate, Dr. Ashton makes these daily lifestyle choices and changes feel possible—and shows how beneficial a mindful lifestyle can be. Inspiring, practical, and informative, illustrated with helpful photos and charts, *The Self-Care Solution* teaches you how to recalibrate your life to enjoy a better, healthier year, one month at a time. Featuring guidance from top experts, entertaining case studies, easy-to-follow advice and tips, and Dr. Ashton's observations and insights, this book can help you achieve a better life balance and a more active and healthy lifestyle.

gma3 health and wellness: *Eating Mindfully* Susan Albers, 2009-12-14 How common and effortless it is to eat in an uncontrolled, unaware, mindless manner. If you've ever continued to snack when you were full, cut calories despite being hungry, or used guilt to guide your eating, you've experienced mindless eating firsthand. Let's face it. Deciding what to eat is not an easy task. It's so tricky that in the United States eating concerns and weight obsessions have reached epidemic proportions, with serious health consequences for a large part of the population. What turns an everyday activity like eating into such an overwhelming process? The answer to that question is, of course, a complex one. Throughout the book, we will return to that question with some answers. But the bottom line is this: To make smart, healthy eating choices, your body and mind work together to send you essential clues about what you need and want to eat. These clues give you information about "how much" and "what" to eat. The sensations and emotions that signal when you're full, famished, or just wanting to eat something rich and delicious are a complex combination of bodily and emotional feelings. If you are attentive and responsive to these cues, your eating will be healthy, in control, and well regulated. Dieting and disliking your body are incredibly detrimental to your emotional, mental, and physical well-being. They inhibit your ability to accurately decode your body's messages and feedback. The dieting mindset is akin to taking a knife and cutting the connection that is your body's only line of communication with your head. The dieting mindset can skew your knowledge of healthy eating so badly that you have no idea of what to eat. Mindless eating is then manifested in two ways. You can either "obsess" or "ignore" internal feedback from both your body and mind, rather than responding thoughtfully to your hunger and to your concern about your health. In this book, you will learn how mindlessness unknowingly corrupts the way you eat a meal, and how it manifests in a variety of eating problems. You will gain insight into why mindfulness, which is, of course, the opposite of mindlessness, can provide you with valuable skills to control the way you eat.

gma3 health and wellness: *Undo It!* Dean Ornish, M.D., Anne Ornish, 2022-01-04 NATIONAL

BESTSELLER • By the pioneer of lifestyle medicine, a simple, scientifically program proven to often reverse the progression of the most common and costly chronic diseases and even begin reversing aging at a cellular level! Long rated “#1 for Heart Health” by U.S. News & World Report, Dr. Ornish’s Program is now covered by Medicare when offered virtually at home. Dean Ornish, M.D., has directed revolutionary research proving, for the first time, that lifestyle changes can often reverse—undo!—the progression of many of the most common and costly chronic diseases and even begin reversing aging at a cellular level. Medicare and many insurance companies now cover Dr. Ornish’s lifestyle medicine program for reversing chronic disease because it consistently achieves bigger changes in lifestyle, better clinical outcomes, larger cost savings, and greater adherence than have ever been reported—based on forty years of research published in the leading peer-reviewed medical and scientific journals. Now, in this landmark book, he and Anne Ornish present a simple yet powerful new unifying theory explaining why these same lifestyle changes can reverse so many different chronic diseases and how quickly these benefits occur. They describe what it is, why it works, and how you can do it: • Eat well: a whole foods, plant-based diet naturally low in fat and sugar and high in flavor. The “Ornish diet” has been rated “#1 for Heart Health” by U.S. News & World Report for eleven years since 2011. • Move more: moderate exercise such as walking • Stress less: including meditation and gentle yoga practices • Love more: how love and intimacy transform loneliness into healing With seventy recipes, easy-to-follow meal plans, tips for stocking your kitchen and eating out, recommended exercises, stress-reduction advice, and inspiring patient stories of life-transforming benefits—for example, several people improved so much after only nine weeks they were able to avoid a heart transplant—Undo It! empowers readers with new hope and new choices. Praise for Undo It! “The Ornishes’ work is elegant and simple and deserving of a Nobel Prize, since it can change the world!”—Richard Carmona, M.D., MPH, FACS, seventeenth Surgeon General of the United States “If you want to see what medicine will be like ten years from now, read this book today.”—Rita F. Redberg, M.D., editor in chief, JAMA Internal Medicine “This is one of the most important books on health ever written.”—John Mackey, CEO, Whole Foods Market

gma3 health and wellness: What to Eat When Michael Crupain, Michael F. Roizen, Ted Spiker, 2019 This guide reveals how to use food to enhance our personal and professional lives--and increase longevity to boot--

gma3 health and wellness: Eat to Beat Disease William W Li, 2019-03-19 Eat your way to better health with this New York Times bestseller on food's ability to help the body heal itself from cancer, dementia, and dozens of other avoidable diseases. Forget everything you think you know about your body and food, and discover the new science of how the body heals itself. Learn how to identify the strategies and dosages for using food to transform your resilience and health in Eat to Beat Disease. We have radically underestimated our body's power to transform and restore our health. Pioneering physician scientist, Dr. William Li, empowers readers by showing them the evidence behind over 200 health-boosting foods that can starve cancer, reduce your risk of dementia, and beat dozens of avoidable diseases. Eat to Beat Disease isn't about what foods to avoid, but rather is a life-changing guide to the hundreds of healing foods to add to your meals that support the body's defense systems, including: Plums Cinnamon Jasmine tea Red wine and beer Black Beans San Marzano tomatoes Olive oil Pacific oysters Cheeses like Jarlsberg, Camembert and cheddar Sourdough bread The book's plan shows you how to integrate the foods you already love into any diet or health plan to activate your body's health defense systems-Angiogenesis, Regeneration, Microbiome, DNA Protection, and Immunity-to fight cancer, diabetes, cardiovascular, neurodegenerative autoimmune diseases, and other debilitating conditions. Both informative and practical, Eat to Beat Disease explains the science of healing and prevention, the strategies for using food to actively transform health, and points the science of wellbeing and disease prevention in an exhilarating new direction.

gma3 health and wellness: *Breaking Up With Sugar* Molly Carmel, 2019-12-31 A proven plan to break free from your unhealthy relationship with Sugar - and reclaim your health and your life for good. The solution to your food and weight problems isn't willpower or the next fad diet - it's breaking up with Sugar. Molly Carmel, an eating disorder therapist with a thriving clinic in New York City, discovered the devastating role Sugar played in her own 20-year struggle with disordered eating. After reaching a peak weight of 325 pounds and trying every diet imaginable, Molly was finally able to dramatically transform her life--and find her happy weight-by breaking up with Sugar. Molly has since helped thousands of people overcome compulsive overeating, repetitive dieting, and Sugar addiction to reinvent their lives. Here, she shares her empowering 66-day blueprint for kicking Sugar to the curb - once and for all. Molly explains how Sugar is not only bad for your health, it's also a substance with highly addictive potential - one that creates physical, neurological, and hormonal changes that often make moderation impossible. This is the first book to address the emotional, spiritual, chemical, and physical components of this toxic relationship and help guide you through the steps to create a new and lasting relationship with food...and with yourself. *Breaking Up with Sugar* includes step-by-step meal plans to take the guesswork out of going Sugar-free, as well as seven key self-affirming vows you can rely on to help end the overeating and dieting cycle and release unhealthy weight. With empathy, honesty, and humor as your trusted coach and friend, Molly gives you essential tools to navigate this new way of eating when life gets life-y or times get tough. Her sustainable roadmap will put you on the path to true freedom.

gma3 health and wellness: *Breasts: The Owner's Manual* Kristi Funk, 2018-05-01 A national bestseller! Breast cancer surgeon Dr. Kristi Funk offers a comprehensive and encouraging approach to breast care and breast cancer. Empower yourself with facts and strategies to understand your breasts, reduce your cancer risk, and open your eyes to interventions and treatments. Most women don't want to hear about breast cancer unless they have it and need to make some decisions, but these days news about breast cancer—the number one killer of women ages twenty to fifty-nine—is everywhere. Chances are you know someone who has had it. But did you know that choices you make every day bring you closer to breast cancer—or move you farther away? That there are ways to reduce your risk factors? And that many of the things you've heard regarding the causes of breast cancer are flat-out false? Based on Dr. Kristi Funk's experience as a board-certified breast cancer surgeon, she knows for a fact that women have the power to reduce breast cancer risk in dramatic ways. Many women believe that family history and genetics determine who gets breast cancer, but that's not true for most people. In fact, 87 percent of women diagnosed with breast cancer do not have a single first-degree relative with breast cancer. This book will help you: Learn the breast-health basics that every woman should know Reduce your cancer risk and recurrence risk based on food choices and healthy lifestyle changes backed by rigorous scientific research Understand the controllable and uncontrollable risk factors for breast cancer Outline your medical choices if you're at elevated risk for or are already navigating life with breast cancer There have been few solid guidelines on how to improve your breast health, lower your risk of getting cancer, and make informed medical choices after treatment—until now. With her book available in 10 languages and in more than 30 countries, Dr. Funk is passionate about her mission of educating as many women as possible about what they can do to stop breast cancer before it starts. Praise for

Breasts: The Owner's Manual: "Dr. Funk writes Breasts: The Owner's Manual just like she talks: with conviction, passion, and a laser focus on you."—Dr. Mehmet Oz, Host of The Dr. Oz Show
"Breasts: The Owner's Manual will become an indispensable and valued guide for women looking to optimize health and minimize breast illness."—Debu Tripathy, MD, Professor and Chair, Department of Breast Medical Oncology, University of Texas MD Anderson Cancer Center
"Breasts: The Owner's Manual not only provides a clear path to breast health, but a road that leads straight to your healthiest self. As someone who has faced breast cancer, I suggest you follow it."—Robin Roberts, Co-anchor, Good Morning America

gma3 health and wellness: A Little Closer to Home Ginger Zee, 2022-01-11 In Ginger Zee's follow-up to the bestselling *Natural Disaster*, the ABC chief meteorologist takes readers on a much deeper journey of self discovery. When Ginger Zee opened her life to readers in *Natural Disaster*, the response was enormous. She put a very relatable if surprising face on depression and has helped lessen the stigma surrounding mental health issues. But Ginger tells us, *Natural Disaster* was Ginger Lite and only scratched the surface. In this moving follow-up, Ginger shares her truest self. She spent most of her life shielding her vulnerabilities from the world all while being a professional people pleaser. Her stormy childhood, her ongoing struggles with crippling depression, her suicide attempts, and many other life experiences will resonate with readers who are likely to see themselves along the way. In spite of its serious subject matter, Ginger's positive, life-affirming outlook comes through loud and clear. Written with great heart and quite a bit of humor, Ginger normalizes issues and challenges millions of people face every day. *A Little Closer to Home* will broaden the conversation around mental health at a time we need it more than ever.

gma3 health and wellness: LifePass Payal Kadakia, 2022-02-15 A signature goal-setting method to unlock the life you want, from the founder of ClassPass. Grant yourself permission to plan and prioritize your life in connection to your calling. When Payal Kadakia let go of the pressure to achieve a traditional kind of success, she tuned into her calling and built ClassPass into a billion-dollar business. In *LifePass*, she shares her signature goal-setting method that not only changed her approach to her career, but her entire life. You will learn to push through limits, fuel your life with purpose, and become an expert at achieving your goals—both professionally and personally. It's time to live by your own rules. *LifePass* shows you how.

gma3 health and wellness: Words Are Like Magic Emily Alexander Moore, 2020-09-14

gma3 health and wellness: The Fast800 Diet Dr Michael Mosley, 2020-09-01 Lose up to twenty pounds in four weeks! Discover the next major "health revolution" (The New York Times) with this cutting-edge new program that will help you lose weight, beat disease, and live longer with intermittent fasting—from the #1 New York Times bestselling author of *The FastDiet*. Millions of people worldwide have lost weight and reversed disease using Dr. Mosley's *The FastDiet*, which revealed the incredible power of intermittent fasting. Clinical studies show that fasting not only helps you lose weight fast, but also improves blood sugar levels and heart health, boosts brain health and function, and is even proven to reduce the risk of cancer recurrence. Drawing on the latest research and his personal experience gaining and then losing fourteen pounds, "the world's top gut health guru" (Dr. Barry Marshall, winner of the Nobel Prize for Medicine) returns with an even more effective—yet easier to follow—diet plan designed to reap maximum fasting benefits. The *Fast800 Diet* pinpoints the ideal fasting calorie count for health and weight loss: 800. Built around a more manageable 800-calorie fasting day—whether that's 800 calories every day until you achieve your goals, or 800 calories twice a week—Dr. Mosley's powerful three-phase program is designed to supercharge weight loss and fast-track a healthier life. Phase 1: A powerful jumpstart designed to accelerate weight loss. Phase 2: Fast twice a week to sheds pounds without slowing your metabolism. Phase 3: Discover how to keep the weight off—without calorie counting. Complete with over fifty-five delicious recipes, four weeks of meal plans, and inspiring success stories, *The Fast800 Diet* is a simple and life-changing program that gets you real world results.

gma3 health and wellness: Clean & Lean Ian K. Smith, M.D., 2019-04-09 The Instant New York Times Bestseller *Eat clean, get lean!* Losing weight can be simple—get back to basics on your

plate, harness the power of intermittent fasting for quick results, save time and money, and train your body to move, and the excess pounds will slip away. The bestselling author of SHRED and The Clean 20 cracks the code for all of us who live in the modern world where we've lost touch with what real food is—and how good it tastes—and what our bodies are designed to do. Dr. Ian wrote Clean & Lean to put what he knows about nutrition and physiology in one place, and to motivate you to: --Use intermittent fasting to discover your optimal eating times each day --Explore clean eating with 30 (!) fresh, real foods that you can combine endlessly for meals and snacks --Try his day-by-day 30-day diet plan that tells you just what to eat, while still giving you loads of options --Get up and move: customized exercise plans for all fitness levels won't wear you out, but will energize you and accelerate your results --Take off up to 15 pounds in 30 days!

gma3 health and wellness: How to Break Up with Your Phone Catherine Price, 2018-02-13 This evidence-based, user-friendly guide presents a 30-day digital detox plan that will help you set boundaries with your phone and live a more joyful and fulfilling life. "I wrote The Anxious Generation to help adults improve the lives of children. Many readers have asked me for a version of the book aimed at helping adults and teens help themselves. Catherine Price has written the best such book."—Jonathan Haidt Do you feel addicted to your phone? Do you frequently pick it up "just to check," only to look up forty-five minutes later wondering where the time has gone? Does social media make you anxious? Have you tried to spend less time mindlessly scrolling—and failed? If so, this book is your solution. Award-winning health and science journalist and TED speaker Catherine Price presents a practical, evidence-based 30-day digital detox plan that will help you break up—and then make up—with your phone. The goal: better mental health, improved screen-life balance, and a long-term relationship with technology that feels good. This engaging, user-friendly guide explains how our smartphones and apps are designed to be addictive and how the time we spend on them is increasing our anxiety and damaging our abilities to focus, think deeply, form new memories, generate ideas, and be present in our most important relationships. Next, it walks you through an effective and easy-to-follow 30-day plan that has already helped thousands of people worldwide break their phone addictions and feel more fully alive. Whether you need help for yourself or for your family, friends, students, colleagues, clients, or community, How to Break Up with Your Phone is the ultimate guide to digital detoxing. It's guaranteed to help you put down your phone—and come back to life.

gma3 health and wellness: Your Hidden Superpower Adrienne Bankert, 2020-06-09 Kindness isn't merely about getting along with people and being nice. It's a game changer in business, the door-opener to opportunity, and the key to authenticity and confidence. Discover the true potential of kindness and harness its power. Through years of developing her own kindness practices and studying those of others, Good Morning America correspondent and ABC News journalist Adrienne Bankert has experienced firsthand the unbeatable power of kindness and witnessed its transformative impact on others. Adjusting our perspective from being closed off and self-centered to a mindset of kindness ripples into a staggering amount of personal fulfillment and growth. No matter our age or ethnicity, where we come from, or how much money we make, every one of us can be kind. Every one of us can be a change agent. In Your Hidden Superpower, Adrienne will help you: See simple acts of kindness from a new and empowering perspective; Learn how to make kindness a habit and experience more peace, inspiration, and impact; Engage kindness at work and enjoy remarkable opportunities—plus, know how to get from "here" to "there" quickly; and Activate kindness as a force to reconnect you to your authentic self, replenish your passion and creativity, and find your voice. Your Hidden Superpower describes how kindness is a superpower that can be honed through an intentional lifestyle of kindness and is especially important in these divisive times.

gma3 health and wellness: Blessed in the Darkness Joel Osteen, 2017-10-24 Find comfort in dark times and grow your trust and faith in God with this inspiring and insightful guide from Lakewood Church pastor and #1 New York Times bestselling author Joel Osteen. All of us will go through dark times that we don't understand: a difficulty with a friend, an unfair situation at work, a

financial setback, an unexpected illness, a divorce, or the loss of a loved one. Those types of experiences are part of the human journey. But when we find ourselves in such a place, it's important that we keep a positive perspective. Joel Osteen writes that if we stay in faith and keep a good attitude when we go through challenges, we will not only grow, but we will see how all things work together for our good. Through practical applications and scriptural insight, *Blessed in the Darkness* focuses on how to draw closer to God and trust Him when life doesn't make sense. If we will go through the dark place in the valley trusting, believing, and knowing that God is still in control, we will come to the table that is already prepared for us, where our cup runs over.

gma3 health and wellness: *The Unapologetic Guide to Black Mental Health* Rheeda Walker, 2020-05-01 An unapologetic exploration of the Black mental health crisis—and a comprehensive road map to getting the care you deserve in an unequal system. We can't deny it any longer: there is a Black mental health crisis in our world today. Black people die at disproportionately high rates due to chronic illness, suffer from poverty, under-education, and the effects of racism. This book is an exploration of Black mental health in today's world, the forces that have undermined mental health progress for African Americans, and what needs to happen for African Americans to heal psychological distress, find community, and undo years of stigma and marginalization in order to access effective mental health care. In *The Unapologetic Guide to Black Mental Health*, psychologist and African American mental health expert Rheeda Walker offers important information on the mental health crisis in the Black community, how to combat stigma, spot potential mental illness, how to practice emotional wellness, and how to get the best care possible in a system steeped in racial bias. This breakthrough book will help you: Recognize mental and emotional health problems Understand the myriad ways in which these problems impact overall health and quality of life and relationships Develop psychological tools to neutralize ongoing stressors and live more fully Navigate a mental health care system that is unequal It's past time to take Black mental health seriously. Whether you suffer yourself, have a loved one who needs help, or are a mental health professional working with the Black community, this book is an essential and much-needed resource.

gma3 health and wellness: *Harlem Grown* Tony Hillery, 2020-08-18 As featured on *Humans of New York* "Hartland's joyful folk-art illustrations bop from the gray-toned jazzy vibrancy of a bustling city neighborhood to the colorful harvest of a lush urban farm." —The New York Times "An inspiring picture book for youngsters with meaningful ties to the environment, sustainability, and community engagement." —Booklist Discover the incredible true story of *Harlem Grown*, a lush garden in New York City that grew out of an abandoned lot and now feeds a neighborhood. Once In a big city called New York In a bustling neighborhood There was an empty lot. Nevaeh called it the haunted garden. *Harlem Grown* tells the inspiring true story of how one man made a big difference in a neighborhood. After seeing how restless they were and their lack of healthy food options, Tony Hillery invited students from an underfunded school to turn a vacant lot into a beautiful and functional farm. By getting their hands dirty, these kids turned an abandoned space into something beautiful and useful while learning about healthy, sustainable eating and collaboration. Five years later, the kids and their parents, with the support of the *Harlem Grown* staff, grow thousands of pounds of fruits and vegetables a year. All of it is given to the kids and their families. The incredible story is vividly brought to life with Jessie Hartland's "charmingly busy art" (Booklist) that readers will pore over in search of new details as they revisit this poignant and uplifting tale over and over again. *Harlem Grown* is an independent, not-for-profit organization. The author's share of the proceeds from the sale of this book go directly to *Harlem Grown*.

gma3 health and wellness: *Simply Keto* Suzanne Ryan, 2017-12-12 A practical approach to health & weight loss with 100+ easy low-carb recipes--Cover.

gma3 health and wellness: *Quit Like a Woman* Holly Whitaker, 2019-12-31 NEW YORK TIMES BESTSELLER • "An unflinching examination of how our drinking culture hurts women and a gorgeous memoir of how one woman healed herself."—Glennon Doyle, #1 New York Times bestselling author of *Untamed* "You don't know how much you need this book, or maybe you do."

Either way, it will save your life.”—Melissa Hartwig Urban, Whole30 co-founder and CEO The founder of the first female-focused recovery program offers a groundbreaking look at alcohol and a radical new path to sobriety. We live in a world obsessed with drinking. We drink at baby showers and work events, brunch and book club, graduations and funerals. Yet no one ever questions alcohol’s ubiquity—in fact, the only thing ever questioned is why someone doesn’t drink. It is a qualifier for belonging and if you don’t imbibe, you are considered an anomaly. As a society, we are obsessed with health and wellness, yet we uphold alcohol as some kind of magic elixir, though it is anything but. When Holly Whitaker decided to seek help after one too many benders, she embarked on a journey that led not only to her own sobriety, but revealed the insidious role alcohol plays in our society and in the lives of women in particular. What’s more, she could not ignore the ways that alcohol companies were targeting women, just as the tobacco industry had successfully done generations before. Fueled by her own emerging feminism, she also realized that the predominant systems of recovery are archaic, patriarchal, and ineffective for the unique needs of women and other historically oppressed people—who don’t need to lose their egos and surrender to a male concept of God, as the tenets of Alcoholics Anonymous state, but who need to cultivate a deeper understanding of their own identities and take control of their lives. When Holly found an alternate way out of her own addiction, she felt a calling to create a sober community with resources for anyone questioning their relationship with drinking, so that they might find their way as well. Her resultant feminine-centric recovery program focuses on getting at the root causes that lead people to overindulge and provides the tools necessary to break the cycle of addiction, showing us what is possible when we remove alcohol and destroy our belief system around it. Written in a relatable voice that is honest and witty, *Quit Like a Woman* is at once a groundbreaking look at drinking culture and a road map to cutting out alcohol in order to live our best lives without the crutch of intoxication. You will never look at drinking the same way again.

gma3 health and wellness: *I’ll Be There (But I’ll Be Wearing Sweatpants)* Amy Weatherly, Jess Johnston, 2022-01-25 Is it just me? Am I the only one who’s lonely? Am I the only one without friends? If you’ve ever asked yourself these questions, Amy Weatherly and Jess Johnston, founders of the widely popular “Sister, I Am with You,” are raising their hands to say, “Yeah, us too.” And they want to encourage, equip, and reassure you that you have what it takes to build the kind of friendships you want. *I’ll Be There (But I’ll Be Wearing Sweatpants)* provides you with the how of cultivating deep relationships in this messy, chaotic, beautiful life. Through Amy and Jess’s wisdom, humor, and confessional stories about the ups and downs of sisterhood, you’ll learn how to admit you need friends—then go out and find them, dismantle the lies you’ve believed about friendship, love yourself so you can find people who will love you for you, be a good friend even though you can’t be a perfect one, and heal from a friend breakup—and find the courage to try again. It’s time you felt completely accepted as you are—from the top of your messy bun to the tips of your unpedicured toes. Let’s start making friendships a priority—together.

gma3 health and wellness: *Fix It with Food* Michael Symon, Douglas Trattner, 2019-12-03 NEW YORK TIMES BESTSELLER • A guide to managing inflammation and pain with 125+ recipes proving that you don’t need to sacrifice delicious food to eat healthfully and be pain free, from celebrity chef and *The Chew* co-host Michael Symon IACP AWARD FINALIST • “Michael fixed himself with irresistible recipes that just happened to be healthy. Now you can enjoy healing yourself as well.”—Mehmet Oz, MD, attending surgeon, New York-Presbyterian/Columbia University When Michael Symon found out he had rheumatoid arthritis and external lupus, he suspected that what he ate—or didn’t eat—could make a profound difference in his levels of inflammation and how he felt. So he committed to a food “reset” on *The Chew*—no red meat, white flour, sugar, dairy, or alcohol. Michael used social media to share his experiment with his fans, and was shocked by the outcome: after completing the reset, he felt amazing. He discovered that dairy, sugar, and processed flours are his food triggers, and that by avoiding them, his inflammation essentially vanished. Michael came up with more than 125 recipes to satisfy his cravings without aggravating his body, including Ginger and Chile-Roast Chicken, dairy-free Mac and Cheese, Spaghetti Squash with

Arugula Pesto, and Apple and Cherry Oat Crisp, among many others. Now, for the first time, he is sharing these recipes, as well as a guide on how to identify your food triggers and create a meal plan that works around whatever ingredient causes your discomfort so that you too can enjoy incredible food without sacrificing your health.

gma3 health and wellness: The Set Boundaries Workbook Nedra Glover Tawwab, 2021-12-14 An accessible, step-by-step resource for setting, communicating, and enforcing healthy boundaries at home, at work, and in life We all want to have healthy boundaries. gma3 health and wellness: The 80/80 Marriage Nate Klemp PhD, Kaley Klemp, 2021-02-09 NAMED ONE OF COSMOPOLITAN'S 15 BEST MARRIAGE BOOKS ALL COUPLES SHOULD READ. An accessible, transformative guide for couples seeking greater love, connection, and intimacy in our modern world Nate and Kaley Klemp were both successful in their careers, consulting for high-powered companies around the world. Their work as mindfulness and leadership experts, however, often fell to the wayside when they came home in the evening, only to end up fighting about fairness in their marriage. They believed in a model where each partner contributed equally and fairness ruled, but, in reality, they were finding that balance near impossible to achieve. From this frustration, they developed the idea of the 80/80 marriage, a new model for balancing career, family, and love. *The 80/80 Marriage* pushes couples beyond the limited idea of fairness toward a new model grounded on radical generosity and shared success, one that calls for each partner to contribute 80 percent to build the strongest possible relationship. Drawing from more than one hundred interviews with couples from all walks of life, stories from business and pop culture,

scientific studies, and ancient philosophical insights, husband-and-wife team Nate and Kaley Klemp pinpoint exactly what's not working in modern marriage. Their 80/80 model of marriage provides practical, powerful solutions to transform your relationship and open up space for greater love and connection.

gma3 health and wellness: Out of the Pocket Kirk Herbstreit, 2021-08-17 This powerfully intimate, plain-spoken memoir about fathers and sons, fortitude, and football from the face and voice of college football—Kirk Herbstreit—is not just “a window into the game, but also a peek into what makes him special: his heart” (David Shaw, head coach, Stanford University). Kirk Herbstreit is a reflection of the sport he loves, a reflection of his football-crazed home state of Ohio, where he was a high school star and Ohio State captain, and a reflection of another Ohio State football captain thirty-two years earlier: his dad Jim, who battled Alzheimer’s disease until his death in 2016. In *Out of the Pocket*, Herbstreit does what his father did for him: takes you inside the locker rooms, to the practice fields, to the meeting rooms, to the stadiums. Herbstreit describes how a combination of hard work, perseverance, and a little luck landed him on the set of ESPN’s iconic College GameDay show, surrounded by tens of thousands of fans who treat their Saturdays like a football Mardi Gras. He takes you into the television production meetings, on to the GameDay set, and into the broadcast booth. You’ll live his life during a football season, see the things he sees, experience every chaotic twist and turn as the year unfolds. Not to mention the relationships he’s established and the insights he’s learned from the likes of coaches and players such as Nick Saban, Tim Tebow, Dabo Swinney, and Peyton Manning, as well as his colleagues, including Chris Fowler, Rece Davis, and his “second dad,” the beloved Coach Lee Corso. Yes, Kirk Herbstreit is the undeniable face and voice of college football—but he’s also a survivor. He’s the quiet kid who withstood the collapse of his parents’ marriage. The boy who endured too many overbearing stepdads and stepmoms. The painfully shy student who always chose the last desk in the last row of the classroom. The young man who persevered through a frustrating Ohio State playing career. The new college graduate who turned down a lucrative sales job after college to pursue a “no way you’ll make it” dream career in broadcasting. Inspiring and powerful, *Out of the Pocket* “proves the importance of perseverance and family” (Peyton Manning).

gma3 health and wellness: The Dry Challenge Hilary Sheinbaum, 2020-12-29 “The definitive guide to giving up booze.”—People Foreword by Lo Bosworth For many people, drinking a glass of beer or wine after work is a part of everyday life. But did you know taking a break from drinking (even for just a month!) has extreme benefits and can be incredibly life-changing? From losing weight, to saving money, to sleeping better at night, the overall health and mental gains of going dry for a month are endless. Whether you’re eager to try Dry January or simply want to lessen your quarantine drinking habits in a positive and approachable way, as daunting as it may seem, you too can do it! Understandably, more and more people have been turning to alcohol as a coping mechanism to get through the pandemic, but maybe this is a good time to ask yourself: Are you waking up feeling out of sorts more often than you’d like to be? Offering friendly support and encouragement and filled with engaging activities to help you prepare –and complete – a full alcohol-free month, *The Dry Challenge* provides an easy step-by-step guide for completing your first Dry January, Sober October, or any other alcohol-free month. You’ll find plenty of booze-free activities from prompts to checklists to the best mocktail recipes around. From making a plan to sharing the news with friends and family (and what to do when someone tries to sabotage your boozeless journey) to getting back on track if you slip up and have a drink (or two), we got you covered. Trend journalist, on-air host, and lifestyle expert Hilary Sheinbaum has been participating in Dry January for the past four years. What started out as a bet with a friend to see who could go the longest without taking a sip of alcohol during January became a ritual she looked most forward to every year. As friends, family, and readers turned to her for advice on how to start their own dry month journeys, Hilary realized everyone’s motivations differed greatly. The decision to give up alcohol is deeply personal and making the choice to stop drinking for any length of time can be discouraging given how normalized alcohol culture is in our society. Have you noticed we use every

celebratory event as an excuse to get our drink on? But you don't have to do it alone! In *The Dry Challenge*, you'll find a best friend support system ready to help you tackle the challenges of forgoing alcohol for a month and encourage you every step of the way to the finish line. In *The Dry Challenge*, you'll:

- Discover the health, mental, and financial benefits of living a month without booze
- Learn how to combat social pressures from our current drinking culture
- Find fun non-boozy activities everyone can participate in (including making delicious "zero-proof" drinks and throwing the best nonalcoholic shindigs)

Gorgeously packaged and filled with bold colors and graphics, *The Dry Challenge* is the ultimate interactive guide to staying booze free for one month (yes, this includes champagne!). Written with humor, compassion, and insight, this book will help you achieve your goal of completing an alcohol-free month, one less drink at a time.

gma3 health and wellness: *The 10-Day Belly Slimdown* Kellyann Petrucci, MS, ND, 2018-02-20 This isn't another gimmicky diet—it's a powerful eating strategy that will take your extra pounds off quickly, safely, and permanently. —Mark Hyman, MD, Director, Cleveland Clinic Center for Functional Medicine, #1 New York Times bestselling author of *Eat Fat Get Thin* The best gift you can give yourself is a slim, beautiful, healthy belly—and in this book, Dr. Kellyann, an expert I trust, tells you exactly how to get it. —Mehmet Oz, M.D. The New York Times bestselling author of *Dr. Kellyann's Bone Broth Diet* reveals her powerful belly-slimming plan that will help you lose up to 10 pounds in 10 days! As you heal your belly from the inside out, you'll feel younger, happier, and lighter than you thought possible.

gma3 health and wellness: *Downeast* Gigi Georges, 2022-06-07 In *Downeast*, Gigi Georges follows five girls as they come of age in one of the most challenging and geographically isolated regions on the Eastern seaboard. Their stories reveal surprising truths about rural America and offer hope for its future. "It's almost impossible not to care about these fierce young women and cheer for their hard-won successes" (Kirkus) in this "heartfelt portrait" and "worthy tribute" (Publishers Weekly). Nestled in Maine's far northeast corner, Washington County sits an hour's drive from the heart of famed and bustling Acadia National Park. Yet it's a world away. For Willow, Vivian, Mckenna, Audrey, and Josie—five teenage girls caught between tradition and transformation in this remote region—it is home. *Downeast* follows their journeys of heartbreak and hope in uncertain times, creating a nuanced and unique portrait of rural America with women at its center. Willow lives in the shadow of an abusive, drug-addicted father and searches for stability through photography and love. Vivian, a gifted writer, feels stifled by her church and town, and struggles to break free without severing family ties. Mckenna is a softball pitching phenom whose passion is the lobster-fishing she learned at her father's knee. Audrey is a beloved high school basketball star who earns a coveted college scholarship but questions her chosen path. Josie, a Yale-bound valedictorian, is determined to take the world by storm. All five girls know the pain and joy of life in a region whose rugged beauty and stoicism mask dwindling populations, vanishing job opportunities, and pervasive opioid addiction. As the girls reach adulthood, they discover that despite significant challenges, there is much to celebrate in "the valley of the overlooked." Their stories remind us of the value of

timeless ideals: strength of family and community, reverence for nature's rule, dignity in cracked hands and muddied shoes, and the enduring power of home. Revealed through the eyes of Willow, Vivian, McKenna, Audrey, and Josie, Downeast is based on four years of intimate reporting. The result is a beautifully rendered, emotionally startling, and vital book. Downeast will break readers' hearts yet offer them hope, providing answers to what the future may hold for rural America.

gma3 health and wellness: A New Way to Age Suzanne Somers, 2020-08-04 #1 New York Times bestselling author and health guru Suzanne Somers established herself as a leading voice on antiaging. With *A New Way to Age*, she "is at the forefront again, bringing seminal information to people, written in a way that all can understand" (Ray Kurzweil, author of *How to Create a Mind*) with this revolutionary philosophy for a longer and better-quality life that will make you feel like you've just had the best checkup ever. There is a new way to age. I'm doing it and it's the best decision I've ever made. I love this stage of my life: I have 'juice,' joy, wisdom, and perspective; I have energy, vitality, clearheadedness, and strong bones. Most of us are far too comfortable with the present paradigm of aging, which normalizes pills, nursing homes, and "the big three": heart disease, cancer, and Alzheimer's disease. But you don't have to accept this fate. Now there's a new way to grow older—with vibrancy, freedom, confidence, and a rockin' libido. This health bible from Suzanne Somers will explain how to stop aging like your parents and embrace cutting-edge techniques such as: balancing nutritional and mineral deficiencies; detoxifying your gut for weight loss; pain management with non-THC cannabis instead of harmful opioids; and much more. Aging well is mainly about the choices you make on a daily basis. It can be a fantastic process if you approach it wisely. After a lifetime of research, Suzanne came to a simple conclusion: what you lose in the aging process must be replaced with natural alternatives. In order to thrive you have to rid your body of chemicals and toxins. Start aging the new way today by joining Suzanne and her trailblazing doctors as they all but unearth the fountain of youth.

gma3 health and wellness: The Hollywood Trainer Weight-Loss Plan Jeanette Jenkins, 2007-05-03 A complete holistic fitness plan for women from a noted celebrity trainer From one of the country's leading fitness professionals and personal trainer to many celebrities comes a fresh, new, holistic fitness program based on seven guiding principles, featuring a 21-day plan to achieve wellness and weight loss. gma3 health and wellness: Better Together! Amy Robach, Andrew Shue, 2021-10-26 From Good Morning America anchor Amy Robach and her husband, actor Andrew Shue comes a sweet tale about finding common ground and accepting and appreciating each others' differences. When a big thunderstorm shakes their woodland home, the Squirrelly family must flee their nest for a hollow in an oak tree. To their surprise, the McMunk family had the exact same idea. This family of squirrels and a family of chipmunks must find ways to live together--which isn't always easy since they come from different backgrounds. But after some important lessons in compromise, the Squirrellys and the McMunks realize that life is better together as the McSquirrelies.

gma3 health and wellness: 75 Hard Andy Frisella, 2020-04 Do you lack confidence, grit, endurance, fortitude, self-esteem and all the other things that don't just make someone great, but successful in everything they do? What if you could completely transform yourself into someone who could do anything? I'm not talking about the change that happens for a week or a month or a year...but for your whole life? What would that legitimately and realistically be worth to you? Everybody tries to tell themselves that they are special or great...but it's just talk. It's not reality. This book tells you how to do that. It doesn't cost anything to execute this program...but it ain't free. I guarantee if you do exactly as I tell you to do it with no compromises and zero

substitutions...you and your life will never be the same.-Andy Frisella
