greenport pilates yoga wellness: *The Dry Challenge* Hilary Sheinbaum, 2020-12-29 “The definitive guide to giving up booze.”—People Foreword by Lo Bosworth For many people, drinking a glass of beer or wine after work is a part of everyday life. But did you know taking a break from drinking (even for just a month!) has extreme benefits and can be incredibly life-changing? From losing weight, to saving money, to sleeping better at night, the overall health and mental gains of going dry for a month are endless. Whether you’re eager to try Dry January or simply want to lessen your quarantine drinking habits in a positive and approachable way, as daunting as it may seem, you too can do it! Understandably, more and more people have been turning to alcohol as a coping mechanism to get through the pandemic, but maybe this is a good time to ask yourself: Are you waking up feeling out of sorts more often than you’d like to be? Offering friendly support and encouragement and filled with engaging activities to help you prepare –and complete – a full alcohol-free month, *The Dry Challenge* provides an easy step-by-step guide for completing your first Dry January, Sober October, or any other alcohol-free month. You’ll find plenty of booze-free activities from prompts to checklists to the best mocktail recipes around. From making a plan to sharing the news with friends and family (and what to do when someone tries to sabotage your boozeless journey) to getting back on track if you slip up and have a drink (or two), we got you covered. Trend journalist, on-air host, and lifestyle expert Hilary Sheinbaum has been participating in Dry January for the past four years. What started out as a bet with a friend to see who could go the longest without taking a sip of alcohol during January became a ritual she looked most forward to every year. As friends, family, and readers turned to her for advice on how to start their own dry month journeys, Hilary realized everyone’s motivations differed greatly. The decision to give up alcohol is deeply personal and making the choice to stop drinking for any length of time can be discouraging given how normalized alcohol culture is in our society. Have you noticed we use every celebratory event as an excuse to get our drink on? But you don’t have to do it alone! In *The Dry*

Challenge, you'll find a best friend support system ready to help you tackle the challenges of forgoing alcohol for a month and encourage you every step of the way to the finish line. In *The Dry Challenge*, you'll:

- Discover the health, mental, and financial benefits of living a month without booze
- Learn how to combat social pressures from our current drinking culture
- Find fun non-boozy activities everyone can participate in (including making delicious "zero-proof" drinks and throwing the best nonalcoholic shindigs)

Gorgeously packaged and filled with bold colors and graphics, *The Dry Challenge* is the ultimate interactive guide to staying booze free for one month (yes, this includes champagne!). Written with humor, compassion, and insight, this book will help you achieve your goal of completing an alcohol-free month, one less drink at a time.

greenport pilates yoga wellness: Hamptons Private Dan Rattiner, 2021-04-01 "The Hamptons" is synonymous with luxury. Simply mentioning the name conjures images of poolside soirées, grandiose waterfront estates and endless days on the beach socializing with the upper echelon. But before this famed peninsula became the summer haunt of the glitterati, its forty miles of rolling sand dunes provided the perfect landscape for English settlers. Once New York high society caught wind of the charming hamlets and salty air, its members—from the Fords to the Vanderbilts—soon turned The Hamptons into a summer oasis. Next came the creatives seeking solitude, a place to write and sketch, away from the urban cacophony. John Steinbeck in Sag Harbor. Jackson Pollock in the Springs. And Andy Warhol in Montauk. Now, Jay-Z and Beyoncé, Calvin Klein, Madonna, Alec Baldwin and Martha Stewart all enjoy Hamptons homes. They may come from different realms, but what's one thing all Hamptonites, honorary or official, can agree on? The locale boasts a unique allure—one that morphs to meet the desires of its next seasonal guest or lifelong dweller.

greenport pilates yoga wellness: *A Place of Yes* Bethenny Frankel, 2011-03-22 The four-time

New York Times bestselling author, talk show host, and “Mommy Mogul” Bethenny Frankel takes us on an empowering journey in *A Place of Yes*. Bethenny Frankel’s no-nonsense, tell-it-like-it-is personality won over countless fans, and made her a nationally bestselling author and the star of her own hit Bravo show *Bethenny Getting Married?* Now Bethenny opens up and shares the obstacles she overcame and the great success she has enjoyed while discovering how to approach life from “A Place of Yes.” Bethenny’s path was not always clear as she overcame a difficult childhood, failed relationships, entrepreneurial efforts that never quite got off the ground, and lifelong money struggles. To deal with these challenges, Bethenny developed ten rules for pursuing her goals with authenticity and drive, including:

- Find your truth: Dig deep inside and figure out what is authentic for you, not anybody else.
- Act on it: You don’t have to have a master plan. But unless you do something, you’ve done nothing.
- Everything’s your business: Treat every job, person, and experience as if it could lead to your next big opportunity.
- Own it: If you do it, say it, think it—then own it. Stand up for yourself and fully acknowledge who you really are.

Each rule is illustrated with compelling, sometimes funny, sometimes outrageous examples that are pure Bethenny. It’s easy to say no, to say “I can’t,” to expect the worst, and to doubt yourself. But your life can be better than “not bad” or “good enough.” It can be amazing. And by putting Bethenny’s rules together, you can use them to be more successful, more fulfilled, healthier, and happier than ever before.

For nearly nine decades, Guild Hall has embraced this open-minded vision and provided a welcoming environment for the public to engage with art exhibitions, performances, and educational offerings. Art and artists have long been the engine of Guild Hall's activities and the institution continues to find innovative ways to support creativity in everyone. To celebrate Guild Hall's 90th year, Guild Hall for All documents the people and events that shaped creative culture on the East End since 1931. With artists at the epicenter of activity, Guild Hall has welcomed some of the most influential creators of our time including Childe Hassam, Elaine and Willem de Kooning, Lee Krasner, Arthur Miller, Jackson Pollock, Thornton Wilder, and Tennessee Williams. Films first shown at Guild Hall would become classics, emerging artists, legends. This rich history is edited by the Director of the Pollock-Krasner House and Study Center Helen Harrison with contributing essays from art historian Phyllis Braff, journalist Bess Rattray, Executive Director Andrea Grover, prefaced by Chairman of the Board Marty Cohen. Former Board President Alec Baldwin penned the foreword.

greenport pilates yoga wellness: Yoga-Pilates Jonathan Monks, 2012 This book fuses the stretching and balancing of yoga, and the muscle control demanded by the technique of Pilates, to create a new style of practice that begins with the core strength of the body. The main part of the book is devoted to the individual yoga-Pilates postures, supplemented with advice on extending or moderating them. The postures are then brought together in a series of sequences devised by the author for warming-up, to aid relaxation, help energize, and increase strength and body awareness. Fully illustrated, with step-by-step sequences, this book is an expert guide to an exciting fusion of two influential health disciplines, and is for anyone interested in increasing their fitness levels, and enhancing an overall sense of wellbeing.
