

health and wellness tips for spring

Health and Wellness Tips for Spring: Refresh Your Body and Mind

Spring! The season of rebirth, renewal, and... well, sometimes a little bit of sluggishness after a long winter. We've all been there – hibernating through the cold months, craving comfort food, and feeling a little less energetic than usual. But as the days get longer and the weather warms up, it's the perfect time to shake off those winter blues and embrace a fresh start with some invigorating health and wellness tips for spring. This post will guide you through practical strategies to boost your energy, improve your mood, and cultivate a healthier, happier you as the flowers bloom.

1. Embrace the Power of Sunlight: Vitamin D and Beyond

Winter's lack of sunlight often leaves us deficient in Vitamin D, crucial for bone health, immune function, and mood regulation. Spring offers a chance to replenish those stores. Spend at least 15 minutes outdoors each day, ideally between 10 am and 3 pm when the sun's rays are strongest (remember to wear sunscreen!). Even on cloudy days, you'll absorb some Vitamin D. This simple habit can make a significant difference in your energy levels and overall well-being. Consider adding a Vitamin D supplement to your routine, especially if you have limited sun exposure. Always consult your doctor before starting any new supplements.

2. Spring Cleaning Your Diet: Detox and Rejuvenate

After months of heavier comfort foods, spring is the ideal time for a dietary refresh. Focus on incorporating fresh, seasonal produce into your meals. Think vibrant greens like spinach and kale, juicy berries, and crunchy vegetables. These foods are packed with essential vitamins and minerals to boost your energy and immunity. Consider a gentle detox – not a harsh cleanse – by reducing processed foods, refined sugars, and caffeine. Increase your water intake to flush out toxins and support healthy digestion. Experiment with lighter meals, salads, and soups to feel lighter and more energized.

3. Move Your Body: Embrace Outdoor Activity

Spring's pleasant weather invites outdoor activities. Ditch the gym for a while and explore the natural world! Go for a hike, bike ride, or simply a brisk walk in the park. The fresh air and sunshine will boost your mood and help you get your body moving. Choose activities you enjoy – whether it's gardening, kayaking, or playing frisbee with friends – to ensure you stick with it. Regular physical activity, even in small doses, can significantly impact your physical and mental health.

4. Declutter Your Mind: Stress Reduction Techniques

Spring cleaning isn't just for your home; it applies to your mind too! Stress and anxiety can

accumulate during the winter months. Spring is a great time to declutter your mental space. Consider incorporating mindfulness techniques like meditation or deep breathing exercises into your daily routine. Yoga is another fantastic way to reduce stress and improve flexibility. Even simple activities like journaling or spending time in nature can help you unwind and clear your head. Prioritize activities that bring you joy and reduce those that cause stress.

5. Prioritize Sleep: Recharge Your Batteries

Adequate sleep is essential for overall health and well-being, especially during the transition to warmer weather. Aim for 7-9 hours of quality sleep each night. Establish a consistent sleep schedule, create a relaxing bedtime routine, and ensure your bedroom is dark, quiet, and cool. Avoid screen time before bed, as the blue light emitted from devices can interfere with your sleep cycle. Prioritizing sleep will improve your mood, energy levels, and cognitive function.

6. Hydrate, Hydrate, Hydrate: The Importance of Water

As the weather warms, your body needs more fluids to stay hydrated. Increase your water intake throughout the day. Carry a reusable water bottle and sip on it consistently. Dehydration can lead to fatigue, headaches, and decreased cognitive function. Drinking enough water is a simple yet powerful way to improve your overall health and energy levels during spring. Infuse your water with fresh fruits like lemon or cucumber for extra flavor.

7. Connect with Nature: Earthing and its Benefits

Spending time in nature has been linked to numerous health benefits, including stress reduction and improved mood. Embrace the opportunity to connect with nature during spring. Go for walks in the woods, sit by a lake, or simply relax in your backyard. "Earthing," or grounding, involves direct contact with the earth (barefoot on grass or sand), which some believe can have positive effects on inflammation and overall health. This is a simple yet potentially powerful way to incorporate nature into your spring wellness routine.

Conclusion

Spring offers a fantastic opportunity to refresh your health and wellness habits. By incorporating these tips into your routine – embracing sunlight, nourishing your body with healthy foods, moving your body outdoors, decluttering your mind, prioritizing sleep, and staying hydrated – you can create a more vibrant, energized, and joyful spring. Remember to listen to your body, adjust these suggestions to suit your individual needs, and enjoy the journey towards a healthier you!

FAQs

1. Q: How can I overcome spring allergies and still enjoy the outdoors? A: Consult your doctor about allergy medication and consider wearing a mask during peak pollen hours. Choose indoor activities on high-pollen days.

1. Q: I struggle to stick to a new routine. What's the best way to start? A: Begin with small, achievable changes. Focus on one or two tips at a time and gradually build up your routine. Celebrate your successes to stay motivated.

1. Q: Is it necessary to do a full-body detox? A: No, harsh detoxes are often unnecessary and can even be harmful. Focus on a gentle dietary shift towards whole, unprocessed foods.

1. Q: What are some good spring-inspired recipes? A: Search online for recipes featuring seasonal produce like asparagus, strawberries, peas, and spinach. Experiment with lighter meals like salads and soups.

1. Q: How can I make outdoor exercise more enjoyable? A: Find an exercise buddy, listen to your favorite music, explore new trails, or join a group fitness class outdoors. Make it social and fun!

health and wellness tips for spring: Men's Health Workout War Jim Cotta, 2015-04-07
 Competition motivates men. And scientific research proves that competition and rewards motivate people to stick to exercise and diets. Former Los Angeles Lakers strength coach Jim Cotta harnesses men's passion for one-upmanship with an innovative get-in-shape program in Men's Health Workout War. This book features a highly effective, 60-day exercise and diet program broken up into quarters and an overtime round. The unique hook is that it makes the fitness instruction much more effective by turning it into a friendly weight-loss war that uses locker-room-style trash talking and cash prizes to drive dramatic results. Basketball great Shaquille O'Neal, who penned the book's foreword, used a shirts off competition against Charles Barkley on national television to spur his own body transformation, and Cotta was his weight-loss coach. That gave Cotta the idea to build a blueprint for grassroots fitness competitions, complete with multiple contest formats and advice on using social media to build excitement.

health and wellness tips for spring: Seasonal Health and Wellness Melina Meza, 2019-08-26
health and wellness tips for spring: Drunk Yoga Eli Walker, 2019-01-15 The OFFICIAL Drunk Yoga book by the rebel behind the viral phenomenon! The Drunk Yoga craze is taking over... not even your bookshelf is safe! The official Drunk Yoga book includes 50 fun (and funny!) variations on traditional yoga poses including: Merlot-sana Vino-yasa WERK-Sasana Shot-a-runga Sip-da-Vino-sana Malbec-asana Bottle-konasana and so much more! In addition, you'll learn the Drunk Yoga rules (so you don't make any pour decisions), partner activities (so you won't have to drink alone), hilarious fun facts, crazy stories from real Drunk Yoga classes, poems, drawings, and other fun surprises! Full of wine, yoga, jokes, and joy, Drunk Yoga is for the experienced yogi, the average barfly, the social butterfly, and the wallflower who needs a few sips of liquid courage. It's about wine. And yoga. And not taking yourself too seriously. Already a huge hit for bachelor and bachelorette parties, birthday celebrations, and even office and team-building activities, this official

book is founder Eli Walker's newest way to bring Drunk Yoga to you, wherever you are. Drink wine. Do yoga. Be happy.

health and wellness tips for spring: The Wellness Project Phoebe Lapine, 2017-05-16 For those battling autoimmune disease or thyroid conditions—or just seeking healthy life balance—the voice behind the popular blog Feed Me Phoebe shares her yearlong investigation of what truly made her well. After she was diagnosed with an autoimmune disease in her early twenties, Phoebe Lapine felt overwhelmed by her doctor's strict protocols and confused when they directly conflicted with information on the bestseller list. After experiencing mixed results and a life of deprivation that seemed unsustainable at best, she adopted 12 of her own wellness directives—including eliminating sugar, switching to all-natural beauty products, and getting in touch with her spiritual side—to find out which lifestyle changes truly impacted her health for the better. The Wellness Project is the insightful and hilarious result of that year of exploration—part memoir and part health and wellness primer (complete with 20 healthy recipes), it's a must-read not just for those suffering from autoimmune disease, but for anyone looking for simple ways to improve their health without sacrificing life's pleasures.

health and wellness tips for spring: AARP Revitalize Your Hormones Theresa Dale,

2012-05-24 AARP Digital Editions offer you practical tips, proven solutions, and expert guidance. In AARP Revitalize Your Hormones, Dr. Theresa Dale provides a scientifically proven, 100 percent natural way to restore your body's hormonal balance and become the beautiful, sexy, vibrant woman you were meant to be. Hormone replacement therapy is highly controversial, and many women refuse it. But that doesn't mean you have to learn to live with hot flashes, diminished libido, and all the other so-called normal symptoms of aging. Optimum health, energy, sex drive, and happiness can be yours. Revitalize Your Hormones shows you how to have them all safely and naturally--without risky hormone replacement treatments. World-renowned naturopathic physician

Dr. Dale explains that, no matter what your age, your body already knows how to produce optimal amounts of hormones--it's all a matter of stimulating it to do so. More importantly, Dr. Dale arms you with a scientifically proven, 7-step program for hormone rejuvenation developed and refined over her twenty years of research and clinical experience. An easy, enjoyable, 100 percent natural approach to restoring your body's hormonal balance and reversing the appearance of aging, the program includes: * A hormone-revitalizing diet and nutritional program including many scrumptious recipes * A whole-body detoxification program * A personal biological age assessment quiz * Expert guidelines on hormone rejuvenation and healing through homeopathy * Step-by-step action plans to help you gauge your progress and stay on track Let Dr. Dale show you how to help your body do what it was designed to do--and start looking and feeling your best.

health and wellness tips for spring: AARP The Immortality Edge Michael Fossel, Greta Blackburn, Dave Woynarowski, 2012-05-07 AARP Digital Editions offer you practical tips, proven solutions, and expert guidance. Based on Nobel Prize-winning genetic research, AARP The Immortality Edge provides a simple plan to keep your telomeres healthy for better health and longevity. Telomeres play an important role in protecting our chromosomes from critical damage. The shortening of the telomere disrupts vital cellular function and promotes the previously seemingly inevitable onset of aging and various diseases, including cancer and Alzheimer's. Drawing from the groundbreaking discoveries about telomeres that won the 2009 Nobel Prize in Medicine, this book includes a highly prescriptive program that shows you how to live longer by slowing telomere shortening and rejuvenating your cells through relatively simple alterations in nutrition habits and other lifestyle changes. Written by authors with extensive knowledge of genetics, telomeres, and longevity Offers a simple action plan you can start using immediately Includes a revolutionary new eating plan Recommends individualized supplement programs Shares a diet and exercise approach grounded in solid scientific research The exciting recent discoveries about telomeres promise to revolutionize our approach to anti-aging much as antioxidants did ten years ago. Unlike trendy diet and fitness books with no basis in science, The Immortality Edge targets health at its innermost level by laying out a realistic, lifelong plan using easy steps that can fit into any busy schedule-steps that can improve the length and quality of your life.

health and wellness tips for spring: AARP Faith, Hope, and Healing Bernie Siegel, Jennifer Sander, 2011-12-20 AARP Digital Editions offer you practical tips, proven solutions, and expert guidance. In Faith, Hope, and Healing, Bernie Siegel shares the inspiring stories of people who have experienced cancer and found deeper faith, hope, joy, and healing through the process. Grouped into sections on faith, hope, and healing, these stories and Siegel's insightful commentaries will encourage and help readers to develop an attitude and personality that survivors share, while also offering myriad ways to get through difficult times and discover the gifts that illness can bring into a person's life. In this book, Siegel reveals what these people's experiences tell us about our common strengths and humanity and how to live an authentic, fulfilling life. I regard Bernie Siegel as one of the greatest healers of our time. --Deepak Chopra

health and wellness tips for spring: AARP The Food-Mood Solution Jack Challem, 2011-12-20 AARP Digital Editions offer you practical tips, proven solutions, and expert guidance. health and wellness tips for spring: AARP The Paleo Diet Revised Loren Cordain, 2012-04-23 AARP Digital Editions offer you practical tips, proven solutions, and expert guidance. Eat for better health and weight loss the Paleo way with this revised edition of the bestselling guide with over 100,000 copies sold to date! Healthy, delicious, and simple, the Paleo Diet is the diet we were designed to eat. If you want to lose weight-up to 75 pounds in six months-or if you want to attain optimal health, The Paleo Diet will work wonders. Dr. Loren Cordain demonstrates how, by eating your fill of satisfying and delicious lean meats and fish, fresh fruits, snacks, and non-starchy vegetables, you can lose weight and prevent and treat heart disease, cancer, osteoporosis, metabolic syndrome, and many other illnesses. Breakthrough nutrition program based on eating the foods we were genetically designed to eat-lean meats and fish and other foods that made up the diet of our Paleolithic ancestors This revised edition features new weight-loss material and recipes plus the latest information drawn from breaking Paleolithic research Six weeks of Paleo meal plans to jumpstart a healthy and enjoyable new way of eating as well as dozens of recipes This bestselling guide written by the world's leading expert on Paleolithic eating has been adopted as a bible of the CrossFit movement The Paleo Diet is the only diet proven by nature to fight disease, provide maximum energy, and keep you naturally thin, strong, and active-while enjoying every satisfying and delicious bite.

health and wellness tips for spring: *Breathing Lessons* Meilan K. Han, 2023-10-10 An authoritative, accessible guide to how our lungs work and how to protect them.

health and wellness tips for spring: *Second Spring* Maoshing Ni, 2009-04-07 "Dr. Mao's brilliant book *Second Spring* shows women how to restore their power by revitalizing their health with his amazing natural secrets and age-old wisdom." —Arianna Huffington Bestselling author of *The Secrets of Longevity*, Chinese medicine expert Dr. Mao completely reenvision the mind-body changes of perimenopause and menopause for women age thirty-five and up, using completely natural treatments. The Chinese refer to a woman's midlife transition as her *Second Spring*. Thanks to the simple, natural techniques of traditional Chinese medicine, the second half of a woman's life is a flowering of feminine potential rather than a physical and mental decline. Now, Dr. Mao's revolutionary *Second Spring*™ program gives you time-tested, completely natural treatments to enhance energy, sexuality, and health—and initiate your own new season of vitality starting at age thirty-five, through premenopause, menopause, and beyond. Dr. Mao—Yahoo!'s favorite natural health expert and author of the bestselling *Secrets of Longevity*—offers proven natural solutions such as a surgery-free face-lift, Chinese herbs that fight memory loss, traditional remedies that improve libido and sex, and foods that keep your specific body type in peak form (they're not the same for everyone!). His safe, natural practices, outlined in more than 200 tips, can eliminate the need for expensive medicines and artificial hormones. This amazing compendium of traditional wisdom is also enjoyable to read. With chapters on topics like weight, energy, brain power, beauty, and sexual health, *Second Spring* allows you to target your concerns right away. At the end you'll find handy, at-a-glance lists addressing women's most common ailments. *Second Spring*, inspired by Dr. Mao's own mother's remarkable transformation in the second half of her life, offers an integrated lifestyle program that will help you live long, live strong, and live happy in ways that you never thought possible.

health and wellness tips for spring: *In Formation*, 1998

health and wellness tips for spring: AARP The Inner Pulse Marc Siegel, 2011-12-19 AARP Digital Editions offer you practical tips, proven solutions, and expert guidance. In The Inner Pulse, Dr. Marc Siegel explores the secret code of sickness and health. Many doctors overlook the seemingly inexplicable tragedies and recoveries that happen in hospitals every day, opting to view them simply as aberrations from the medical norm. In this book, Dr. Siegel draws from his decades of experience treating patients and explores the sometimes miraculous effects that the spirit and emotion can have on disease and healing. The inner pulse is the essence that links the soul to the mind and body, the marker that predicts whether a person's life force is fading or strengthening. This book shows you how to tap into your inner pulse and even how to influence it. Explores how your inner pulse can alert you to what is going on in your body Offers a new perspective on the positive and negative effects of the mind on illness and healing Includes dramatic case stories of Dr. Siegel's work with his own patients—those who have healed and those who have not Exploring the uncanny world where expectation and outcome are driven by a patient's personal intuition, this book will give you a deeper understanding of how the mind relates to disease and how the mind and the body working in sync can help heal.

health and wellness tips for spring: AARP The Inflammation Syndrome Jack Challem, 2011-12-19 AARP Digital Editions offer you practical tips, proven solutions, and expert guidance. In The Inflammation Syndrome, Jack Challem provides a powerful plan to safely prevent and overcome inflammatory disorders. Inflammation is what happens when our body's own defenses turn on us—and it is a huge and growing problem. Written by the author of the groundbreaking Syndrome X, this essential updated edition of The Inflammation Syndrome draws on cutting-edge research conducted around the world to provide a revolutionary approach to healing inflammation-related problems through an easy-to-follow nutrition and supplement program. Includes new recommendations for individualized diet and supplement plans Presents fourteen steps for restoring dietary balance, plus recipes and menu plans Reveals the powerful role inflammation plays in a wide variety of common health conditions—from simple aches and pains to heart disease, obesity, diabetes, arthritis, asthma, and athletic injuries Features dramatic case histories and the latest information on dosage recommendations for anti-inflammation supplements such as fish oils, vitamins, and herbs Read The Inflammation Syndrome and learn just how easy it can be to take charge of your diet and health.

health and wellness tips for spring: Ergonomic Workplace Design for Health, Wellness, and Productivity Alan Hedge, 2016-08-05 Even with today's mobile technology, most work is still undertaken in a physical workplace. Today's workplaces need to be healthy environments that minimize the risks of illnesses or injuries to occupants to compete in the marketplace. This necessitates the application of good ergonomics design principles to the creation of effective workplaces, and this is the focus of this book. This book will: · Focus on ergonomic design for better health and ergonomic design for better productivity · Presents environments that support new ways of working and alternative workplace strategies, as well as the impacts of new technologies · Covers the role of ergonomics design in creating sustainable workplaces · Includes ergonomics design for a wide variety of workplaces, from offices to hospitals, to hotels to vehicles, etc... · Shows the design principles on how to design and create a healthy and productive workplace The market lacks an ergonomics design book that covers the topics that this book will cover. This book summarizes design principles for practitioners, and applies them to the variety of workplace settings described in the book. No other book currently on the market does that.

health and wellness tips for spring: AARP Shrink Yourself Roger Gould, 2011-12-19 AARP Digital Editions offer you practical tips, proven solutions, and expert guidance. Studies show that the reason why many people gain weight—and keep it on—is emotional eating, not physical eating. Now Dr. Roger Gould, a psychotherapist and a leading authority on emotional eating, shows how to overcome fear, anxiety, and other stresses and stop using food as an over-the-counter tranquilizer that can cause weight gain. With 12 practical ways to stop emotional eating and an eight-session program, Dr. Gould helps you become your own eating therapist and shrink yourself for good.

health and wellness tips for spring: Slim Down Now Cynthia Sass, 2015-03-17 Cynthia Sass, New York Times bestselling author of S.A.S.S. Yourself Slim and coauthor of Flat Belly Diet!, introduces a new superfood that holds the power to whittle your waistline in no time. Called "pulses," this unique class of protein-rich carbs includes lentils, chickpeas, and many varieties of beans. By incorporating just one serving of these supershredders into your daily meals, you'll burn more fat, feel more full, and have more energy. The weight will come off immediately, and you'll reap the many rewards of Sass's Pulse Plan: lose up to 8 pounds in the first four days no counting calories eat carbs and still get great results (that's right, they're not the enemy!) enjoy over 100 delicious, satisfying, and affordable recipes adopt a less-is-more exercise philosophy focused on fun methods that don't feel tedious or punishing protect your heart, lower your risk for type 2 diabetes and cancer, and improve your overall nutrient intake "My skin looks better and the dark circles under my eyes are gone. I feel great, and I'm happy with the amount of weight I was able to lose in thirty days." —DIONNE, age 43 "I think the Rapid Pulse really did reset my system. Flavors became more prominent (I can actually taste the sweetness in tomatoes!), and I'm now eating less because I can pay attention and stop when I'm full." —YADIRA, age 39 "Throughout the thirty days, I felt

confident because I knew I was getting healthier and my body was changing. My husband also lost 10 pounds by loosely following the plan with me. He was surprised that he could lose weight while eating healthy meals that tasted great with bold flavors.” —AMY, age 28

health and wellness tips for spring: Everyday Detox Megan Gilmore, 2015-06-18 This no-nonsense approach to healthy detoxing by certified holistic health coach and blogger Megan Gilmore offers 100 delicious and properly combined recipes for breakfast, lunch and dinner, including smoothies, snacks and desserts to help you lose weight and feel great. Each recipe is gluten- and sugar-free and include vegan, vegetarian and grain-free alternatives. Whilst most diets and detoxes require all-or-nothing approaches which encourage unhealthy cycles of restriction followed by bingeing, Everyday Detox takes a realistic, sensible approach to healthy eating and weight loss. The simple, delicious recipes, such as Coconut Banana Muffins, Cauliflower Fried Rice, Baked Spaghetti and Double Chocolate Brownies, will help you to discover the benefits of using all-natural, wholefood ingredients that not only promote good health but stave off feelings of hunger and deprivation. And since each recipe has been designed to promote good gut health while gently removing toxins, you won't feel bloated or uncomfortable after eating. Packed with invaluable advice on how to stock a detox-friendly kitchen, and a handy food combination cheat sheet to help you to enjoy the benefits - and the results - of Everyday Detox without delay, this is an essential no-fuss approach to looking and feeling great!

health and wellness tips for spring: *AARP The Youth Equation* Jeffrey Dover, 2011-12-12 AARP Digital Editions offer you practical tips, proven solutions, and expert guidance. Now one of the world's leading dermatologists presents a guide to skin health and beauty that will help you look ten years younger without surgery. Renowned dermatologist Jeffrey Dover and his expert skincare advice have been featured everywhere from the Today show, Good Morning America, and CNN to the New York Times, Vogue, Self, and many other publications. Known for providing high-end yet affordable skincare advice and products, Dr. Dover is the creator of the highly successful Skin Effects line. Now Dr. Dover shares his secrets with the rest of us. The Youth Equation first proves that it's not people's real age that matters, it's their skin's virtual age, or SVA, that reflects the way their complexion is behaving. The book then reveals Dr. Dover's unique program for looking ten years younger—at any age. The Youth Equation includes a revealing quiz to calculate readers' SVA scores. Dr. Dover then walks readers through the world of skincare ingredients to create a customized do-at-home plan anyone at any age can follow simply by picking up a few products at the local drugstore. Dover's comprehensive product guide includes many popular brands and shows which cleansers, treatment creams, and sunscreens really live up to their promises, offering options to suit a range of skin types and budgets. For those who want to jumpstart their progress with a more aggressive approach, Dr. Dover demystifies injectable fillers, Botox, lasers and light sources, anti-cellulite treatments, chemical peels, cosmetic surgical procedures, and more with a combination of intelligence, warmth, and refreshing candor. The Youth Equation is a fresh and indispensable guide to better skin health and beauty.

health and wellness tips for spring: *Ageless* Andrew Steele, 2021-03-23 “A fascinating look at how scientists are working to help doctors treat the aging process itself, helping us all to lead longer, healthier lives.” —Sanjay Gupta, MD Aging—not cancer, not heart disease—is the underlying cause of most human death and suffering. The same cascade of biological changes that renders us wrinkled and gray also opens the door to dementia and disease. We work furiously to conquer each

individual disease, but we never think to ask: Is aging itself necessary? Nature tells us it is not: there are tortoises and salamanders who are spry into old age and whose risk of dying is the same no matter how old they are, a phenomenon known as “biological immortality.” In Ageless, Andrew Steele charts the astounding progress science has made in recent years to secure the same for humans: to help us become old without getting frail, to live longer without ill health or disease.

health and wellness tips for spring: Promoting Health and Wellness in Underserved Communities Anabel Pelham, Elizabeth Sills, 2023-07-03 Starting from the premise that our health status, vulnerability to accidents and disease, and life spans – as individuals and communities – are determined by the organization, delivery, and financing (or lack thereof) of health care, this book explores how educators and community caretakers teach the complex web of inter-connection between the micro level of individual health and well-being and the macro level of larger social structures. Through the lenses of courses in anthropology, ESL, gerontology, management information systems, nursing, nutrition, psychology, public health, and sociology, the contributors offer examples of intergenerational and interdisciplinary practice, and share cutting-edge academic creativity to model how to employ community service learning to promote social change.

health and wellness tips for spring: Health Information for International Travel 2005-2006 Paul Arguin, 2005

health and wellness tips for spring: Earth Medicines Felicia Cocotzin Ruiz, 2021-11-23 Winner of the 2022 Eating the West Award! Winner of the League of United Latin American Citizens (LULAC) Book Award! An accessible guide to time-honored Indigenous wisdom, healing recipes, and wellness rituals for modern life from an experienced curandera. In Earth Medicines, Felicia Cocotzin Ruiz, a curandera (or traditional healer) who is a Xicana with Tewa ancestry, combines Indigenous wisdom from many traditions with the power of the four elements. This modern guide is designed to support readers on their path to wellness with lifestyle practices and recipes perfected by Ruiz in her twenty-five years of training and working as a curandera. Ruiz teaches readers to be their own healers by discovering their own ancestral practices and cultivating a personal connection to the elements. These healing recipes and rituals draw on the power of Water, Air, Earth, and Fire—a reminder that the natural elements are the origins of everything and can heal not only our bodies, but the mind and spirit as well. In chapters organized by each element, readers will first find recipes and advice for: Promoting inner harmony through Hydrotherapy for Headache Relief, Mayan Tea to Calm the Mind, or Ginger Fire Honey Chews Nurturing beauty inside and out with Tepezcohuite Honey Mask, Salt of the Earth Deodorant, or Sweetwater Herbal Mouth Rinse Taking care of the spirit by creating an ancestral altar, making loose incense, or performing a Mayan Bajo Steaming Ritual
