

if you dont take time for your wellness

If You Don't Take Time for Your Wellness: The Price You Pay

We all know we should prioritize wellness. But between work deadlines, family commitments, and the constant demands of modern life, it's easy to let self-care slide. This blog post isn't about guilt-tripping you; it's about illuminating the very real consequences of neglecting your well-being and equipping you with actionable strategies to reclaim your health and happiness. We'll explore the impact of neglecting wellness on your physical, mental, and emotional health, and provide practical tips to integrate self-care into even the busiest schedules. Get ready to discover why prioritizing your wellness isn't selfish – it's essential.

The Ripple Effect: How Neglecting Wellness Impacts Your Life

"If you don't take time for your wellness," the unspoken truth is that every aspect of your life will suffer. It's not just about feeling tired; it's about a cascading effect that impacts your productivity, relationships, and overall quality of life. Let's break down the key areas affected:

1. Physical Health Deterioration: The Body's Silent Scream

Ignoring your physical wellness opens the door to a host of problems. Lack of exercise leads to weight gain, increased risk of chronic diseases like heart disease and diabetes, and a weakened immune system. Poor nutrition fuels fatigue, low energy levels, and difficulty concentrating. Chronic stress, often a byproduct of neglecting self-care, wreaks havoc on your body, contributing to headaches, digestive issues, and sleep disturbances. Your body is constantly sending signals; ignoring them comes at a cost.

2. Mental Health Challenges: The Weight of Unmanaged Stress

Mental wellness is just as crucial as physical health. When you consistently neglect your well-being, stress builds up, leading to anxiety, depression, and burnout. You might find yourself irritable, easily frustrated, and struggling to cope with everyday challenges. Prolonged periods of stress can negatively impact cognitive function, making it harder to focus, remember things, and make decisions. Ignoring your mental health is like ignoring a warning light on your dashboard – eventually, the engine will sputter and stall.

3. Strained Relationships: The Cost of Neglecting Connection

When you're physically and mentally exhausted, your relationships suffer. You may find yourself less patient, less engaged, and less able to connect with loved ones. Neglecting your own needs can lead to

resentment, misunderstandings, and ultimately, damage to important bonds. Prioritizing your wellness isn't selfish; it allows you to show up fully and authentically in your relationships.

4. Reduced Productivity and Professional Success: The Impact on Your Career

The irony is that prioritizing wellness often boosts productivity. When you're well-rested, nourished, and mentally clear, you're better equipped to handle challenges, make sound decisions, and perform at your best. Neglecting your well-being, on the other hand, leads to decreased focus, increased errors, and ultimately, reduced output. Investing in your wellness is an investment in your career success.

Reclaiming Your Wellness: Practical Steps for a Healthier You

The good news is that it's never too late to prioritize your wellness. Even small changes can make a significant difference. Here are some practical steps to integrate self-care into your daily routine:

Prioritize Sleep: Aim for 7-9 hours of quality sleep each night. Establish a consistent sleep schedule and create a relaxing bedtime routine.

Nourish Your Body: Focus on a balanced diet rich in fruits, vegetables, whole grains, and lean protein. Limit processed foods, sugar, and unhealthy fats.

Move Your Body: Find physical activities you enjoy and incorporate them into your routine. Even short bursts of exercise can make a difference.

Practice Mindfulness: Engage in activities that help you relax and de-stress, such as meditation, yoga, or deep breathing exercises.

Connect with Others: Spend time with loved ones, nurture your relationships, and build a strong support system.

Set Boundaries: Learn to say no to commitments that drain your energy and prioritize your well-being.

Schedule Self-Care: Treat self-care appointments as non-negotiable. Schedule time for activities you enjoy and that help you relax and recharge.

The Long-Term Investment: Why Wellness is Worth It

If you don't take time for your wellness, you're essentially short-changing yourself. The benefits of prioritizing your well-being are far-reaching and long-lasting. You'll experience increased energy levels, improved mental clarity, stronger relationships, and a greater sense of overall well-being. Investing in your health is the most important investment you'll ever make.

Conclusion:

Prioritizing your wellness isn't a luxury; it's a necessity. By taking proactive steps to nurture your

physical, mental, and emotional health, you're investing in a happier, healthier, and more fulfilling life. Don't wait until you're burnt out or unwell to make changes. Start today, and reap the rewards for years to come.

FAQs:

1. I'm too busy to prioritize wellness. What can I do? Start small! Even 15 minutes of meditation or a short walk can make a difference. Focus on incorporating one or two small changes into your routine, then gradually add more.
1. How do I deal with stress when I feel overwhelmed? Practice stress-reducing techniques like deep breathing, mindfulness, or yoga. Talk to a therapist or counselor if you're struggling to manage stress on your own.
1. What if I don't enjoy exercise? Find activities you do enjoy! Try dancing, swimming, hiking, or anything that gets you moving. The goal is to find something sustainable and enjoyable.
1. How can I improve my sleep quality? Establish a consistent sleep schedule, create a relaxing bedtime routine, and make sure your bedroom is dark, quiet, and cool. Avoid screen time before bed.
1. Is it okay to ask for help when I'm struggling with my wellness? Absolutely! Seeking support from friends, family, or professionals is a sign of strength, not weakness. Don't be afraid to ask for help when you need it.

if you dont take time for your wellness: The Secrets of People Who Never Get Sick Gene Stone, 2010-10-20 Written by Gene Stone, a bestselling health-savvy journalist who s investigated, firsthand, virtually every form of regimen, diagnostic test, therapy, and fad, The Secrets of People Who Never Get Sick, a fascinating and original book of science, tells the stories of 25 people who

each possess a different secret of excellent health and shows how we can all use these insights to change our lives for the better. Meet Bill Thompson, an entrepreneur in his early sixties who has the EKG of a 20-year-old and hasn't had a cold in over two decades. Bill's secret? Every morning he dunks his head in a basin of warm water and hydrogen peroxide, a powerful natural germ killer that has the added benefit of making Bill feel as invigorated as a teenager when he comes up for air. Meet Dr. Robert Fulford, whom Andrew Weil considered one of the world's greatest healers, and who, even into his nineties, continued to see patients and was healthier than most people half his age. His secret: a daily set of stretching exercises that he claims stimulate the body's life force, a force too easily blunted by illness, trauma, and even bad breathing habits. Meet Barbara Pritzkat, a now 83-year-old archaeologist with incredible stamina and health, who attributes her well-being to a morning tonic of brewer's yeast, a treasure trove of B vitamins that's also protein-rich and a good source of selenium, copper, iron, zinc, and other minerals. The stories make it personal; then comes the science, the authority (with experts conflicting opinions on if and how it really works), and the nuts and bolts how to bring each secret into your own life. From probiotics to veganism to a daily dose of garlic, from yoga to cold showers, it's an invaluable list: 25 secrets to health, and how to make each work for you.

if you don't take time for your wellness: Destination Wellness Annie Daly, 2021-05-11 True well-being isn't hard to find. You just have to know where to look. In this insightful, full-color tour of Jamaica, Norway, Hawai'i, Japan, India, and Brazil, wellness and travel journalist Annie Daly shares a diverse array of philosophies, lifestyles, and practices for better living. Fed up with the commercialization of the wellness industry after working in it for years, Annie embarked on an inspiring adventure through some of the world's happiest and healthiest cities and villages to find out what we can learn from them. Whether she's hiking along gorgeous fjords in Norway to see why Norwegians are so dedicated to getting outside, soothing her spirit with Hawaiian salt water cleanses, or learning about the importance Brazilians place on community, Annie combines on-the-ground reporting with heartfelt personal narrative to share the global lessons, philosophies, and customs that prove that wellness is not about the products—it's about the way you live your life. With candid photography, lesser-known history sidebars, and guidance on how to incorporate these often ancient and always timeless practices into your own lifestyle, this culturally-immersive read invites you to view the world through a different lens and decide what being well means to you. Destination Wellness is the perfect book for: • Anyone who has embraced hygge and is looking for new lifestyle inspiration • Armchair travelers and staycationers • Happiness and inspiration seekers • Wellness and travel enthusiasts • History lovers

if you don't take time for your wellness: Mind Over Medicine Lissa Rankin, M.D., 2013-05-07 We've been led to believe that when we get sick, it's our genetics. Or it's just bad luck—and doctors alone hold the keys to optimal health. For years, Lissa Rankin, M.D., believed the same. But when her own health started to suffer, and she turned to Western medical treatments, she found that they not only failed to help; they made her worse. So she decided to take matters into her own hands. Through her research, Dr. Rankin discovered that the health care she had been taught to practice was missing something crucial: a recognition of the body's innate ability to self-repair and an appreciation for how we can control these self-healing mechanisms with the power of the mind. In an attempt to better understand this phenomenon, she explored peer-reviewed medical literature and found evidence that the medical establishment had been proving that the body can heal itself for over 50 years. Using extraordinary cases of spontaneous healing, Dr. Rankin shows how thoughts, feelings, and beliefs can alter the body's physiology. She lays out the scientific data proving that loneliness, pessimism, depression, fear, and anxiety damage the body, while intimate relationships, gratitude, meditation, sex, and authentic self-expression flip on the body's self-healing processes. In the final section of the book, you'll be introduced to a radical new wellness model based on Dr. Rankin's scientific findings. Her unique six-step program will help you uncover where things might be out of whack in your life—spiritually, creatively, environmentally, nutritionally, and in your professional and personal relationships—so that you can create a customized treatment plan aimed

at bolstering these health-promoting pieces of your life. You'll learn how to listen to your body's whispers before they turn to life-threatening screams that can be prevented with proper self-care, and you'll learn how to trust your inner guidance when making decisions about your health and your life. By the time you finish *Mind Over Medicine*, you'll have made your own Diagnosis, written your own Prescription, and created a clear action plan designed to help you make your body ripe for miracles.

if you dont take time for your wellness: Lifespan David A. Sinclair, Matthew D. LaPlante, 2019-09-10 A NEW YORK TIMES BESTSELLER "Brilliant and enthralling." —The Wall Street Journal A paradigm-shifting book from an acclaimed Harvard Medical School scientist and one of Time's most influential people. It's a seemingly undeniable truth that aging is inevitable. But what if everything we've been taught to believe about aging is wrong? What if we could choose our lifespan? In this groundbreaking book, Dr. David Sinclair, leading world authority on genetics and longevity, reveals a bold new theory for why we age. As he writes: "Aging is a disease, and that disease is treatable." This eye-opening and provocative work takes us to the frontlines of research that is pushing the boundaries on our perceived scientific limitations, revealing incredible breakthroughs—many from Dr. David Sinclair's own lab at Harvard—that demonstrate how we can slow down, or even reverse, aging. The key is activating newly discovered vitality genes, the descendants of an ancient genetic survival circuit that is both the cause of aging and the key to reversing it. Recent experiments in genetic reprogramming suggest that in the near future we may not just be able to feel younger, but actually become younger. Through a page-turning narrative, Dr. Sinclair invites you into the process of scientific discovery and reveals the emerging technologies and simple lifestyle changes—such as intermittent fasting, cold exposure, exercising with the right intensity, and eating less meat—that have been shown to help us live younger and healthier for longer. At once a roadmap for taking charge of our own health destiny and a bold new vision for the future of humankind, *Lifespan* will forever change the way we think about why we age and what we can do about it.

if you dont take time for your wellness: Crazy Sexy Diet Kris Carr, Sheila Buff, 2011-01-17 The author of the best-selling *Crazy Sexy Cancer Tips* and *Crazy Sexy Cancer Survivor* takes on the crazy sexy subject of what and how we eat, drink, and think. Crazysexydiet.com On the heels of Kris Carr's best-selling cancer survival guidebooks and her acclaimed TLC documentary comes her new journey into a realm vital to anyone's health. Infused with her signature sass, wit and advice-from-the-trenches style, *Crazy Sexy Diet* is a beautifully illustrated resource that puts you on the fast track to vibrant health, happiness and a great ass! Along with help from her posse of experts, Carr lays out the fundamentals of her Crazy Sexy Diet: a low-glycemic, vegetarian program that emphasizes balancing the pH of the body with lush whole and raw foods, nourishing organic green drinks, and scrumptious smoothies. Plus, she shares the steps of her own twenty-one-day cleanse, and simple but delectable sample recipes. In ten chapters with titles such as, "pHabulous," "Coffee, Cupcakes and Cocktails," "Make Juice Not War," and "God-Pod Glow," Carr empowers readers to move from a state of constant bodily damage control to one of renewal and repair. In addition to debunking common diet myths and sharing vital tips on detoxifying our bodies and psyches—advice that draws both on her personal experience as a cancer survivor and that of experts—she provides helpful hints on natural personal care, how to stretch a dollar, navigate the grocery store, eating well on the run, and working through the inevitable pangs and cravings for your old not-so-healthy life. *Crazy Sexy Diet* is a must for anyone who seeks to be a confident and sexy wellness warrior.

if you dont take time for your wellness: Finding Your Wellness Dr. Cindi Saj, Christa Smith, 2024-07-12 Our world is grappling with unprecedented challenges, as the collective well-being of its eight billion citizens is compromised by alarming rates of illness, mental health struggles, and unmet emotional, physical, and spiritual needs. Many individuals are overwhelmed, feeling stuck and unsure of how to address these pressing issues, leaving them searching for direction and guidance. This guidebook offers some hope and practical advice. What does it mean to

live a happy and healthy life? To manage stress, prevent burnout, and achieve a higher level of self-awareness along the way? Dr. Cindi Saj and Christa Smith, co-authors, delve into the interconnected realms of body and mind, drawing upon scientific research and sharing their own personal experiences to guide readers on a transformative path of self-care. By embracing these practices, they aim to inspire a sense of peace and joy that will radiate outward, positively impacting the world around us. "Self-care is not selfish," the authors maintain. Together, Dr. Saj and Smith have twenty years of experience in the counselling field and *Finding Your Wellness: A Guidebook to Self-Care* brings together an expansive range of tips, tricks, and tools for helping readers identify and attend to their own unique needs. This will involve exploring new strategies for better sleep, cultivating mindfulness, and enhancing financial insight, all through the lens of self-care practices that intersect and complement each other in unique yet powerful ways. The book is filled with actionable insights but is not prescriptive or restrictive in nature. Some ideas will resonate with the reader, and others may not. The concept of knowledge within this book is one of accessibility and generosity: take what you need and share the rest. While it is not a comprehensive guide, it offers a wealth of valuable insights and practical strategies for incorporating self-care into every aspect of life. By reading this book, individuals will gain new perspectives and discover fresh approaches to nurturing their well-being.

if you dont take time for your wellness: Wellness Recovery Action Plan (WRAP) Mary Ellen Copeland, 2003

if you dont take time for your wellness: **Project 333** Courtney Carver, 2020-03-03 Wear just 33 items for 3 months and get back all the JOY you were missing while you were worrying what to wear. In Project 333, minimalist expert and author of *Soulful Simplicity* Courtney Carver takes a new approach to living simply--starting with your wardrobe. Project 333 promises that not only can you survive with just 33 items in your closet for 3 months, but you'll thrive just like the thousands of woman who have taken on the challenge and never looked back. Let the de-cluttering begin! Ever ask yourself how many of the items in your closet you actually wear? In search of a way to pare down on her expensive shopping habit, consistent lack of satisfaction with her purchases, and ever-growing closet, Carver created Project 333. In this book, she guides readers through their closets item-by-item, sifting through all the emotional baggage associated with those oh-so strappy high-heel sandals that cost a fortune but destroy your feet every time you walk more than a few steps to that extensive collection of never-worn little black dresses, to locate the items that actually look and feel like you. As Carver reveals in this book, once we finally release ourselves from the cyclical nature of consumerism and focus less on our shoes and more on our self-care, we not only look great we feel great-- and we can see a clear path to make other important changes in our lives that reach far beyond our closets. With tips, solutions, and a closet-full of inspiration, this life-changing minimalist manual shows readers that we are so much more than what we wear, and that who we are and what we have is so much more than enough.

if you dont take time for your wellness: Struck By Living (2nd Edition) Julie Hersh, 2016-12-20 *Struck by Living*, originally published in 2010, is a story about me, Julie Kosnik Hersh, my experience with electroconvulsive therapy (ECT), and management of depression. This new version includes a prologue detailing the strange series of events this book spurred, as well as a wellness list in the back. On the original book tour, I decided it was too depressing to just talk about my depression, so I talked about how I stayed well too. People scribbled down these ideas like gospel, which they aren't. They are common-sense ideas I've learned from years of psychotherapy, my own reading, and talking to people about this topic. I've included these ideas in this new edition so people don't have to scribble. I love to read, so I wrote this book like a novel, instead of like a self-help book. I'm not a fan of self-help books as most of them claim to be "the answer." The older I get, the more I realize how little I know. I do know there is no single answer for managing mental illness. This is a life-long task, where we all have to figure out our own quirks and how to manage them. If my story can help you figure this out--great. Each time I speak about my experience, I find people are often one step removed from the devastation of mental illness or even suicide. Stories

about mothers, fathers, brothers, sisters, spouses, and children all make me wonder: Could we have stopped those deaths? If we are more aware, can we see the signs earlier and save a life? I think we can. In that belief, I offer my story. Proceeds from this book will be donated to programs and research to battle mental illness.

if you dont take time for your wellness: *On the Edge of Greatness* Heidi Korte, I want to give away to you in this book . . . the ability to see and recognize every obstacle in front of your artistic path as something that can be knocked down and moved aside. If you are willing to put effort in, you can win. If you don't quit, you win. Heidi Korte spent years holding back as a singer because of toxic mindsets. Her self-esteem was rooted in having perfect performances and receiving top marks in singing competitions. Seeing the same mental obstacles blocking the artistic journeys of an overwhelming number of her students, she began working with them, helping them avoid the common pitfalls that most young creatives experience but so few talk about. In *On the Edge of Greatness*, Heidi shares the secrets to becoming an authentic creator, along with wisdom and real-life stories from her students and professional creatives, to help identify lie-based thinking and change false belief systems so the reader can learn to move past negativity and be free to create with ease and joy. Each chapter delves into a mental obstacle that hinders young creatives, including: • fear • comparison • rejection • perfectionism • time management • avoidance • negative feedback • embarrassment • anxiety • arrogance and self-sufficiency • creative blocks • failure • motivation • self-doubt • schedule overload • self-discipline • social media and steps to practically overcome them. Also included are actions to take, meditations, questions to work through, and space for personal reflection and note-taking. *On the Edge of Greatness* is designed to inspire young creatives to move beyond their self-imposed limitations and turn creative dreams into realities.

if you dont take time for your wellness: *Own Your Wellness* Daniella Dayoub Forrest, 2024-03-19 In *Own Your Wellness*, personal trainer and health coach Daniella Dayoub Forrest gives readers the tools they need to nourish, move, explore, and enhance their bodies so that they can break through any health plateau and reach their wellness goals. Daniella Dayoub Forrest has helped countless clients take control of their health and own their wellness. She allows the reader to tailor their wellness path to their own needs and to reach their goals in a way that is fine-tuned for their unique bodies. In *Own Your Wellness*, Daniella helps the reader define their goals and, most importantly, helps them find a driving reason to achieve them. Daniella empowers readers to parse through the bombardment of health information and encourages them to reach optimal health, not just to feel "fine." *Own Your Wellness* follows the basic format she uses with all her health coaching clients. She covers health challenges one might be facing, as well as ways to get to the bottom of nagging issues. In this book, you will learn how to: Determine your "why"—your reason for wanting change Nourish your body with the right foods to attain and sustain your goals Move your body with exercise you actually enjoy and don't dread Explore testing and other healing opportunities Enhance your journey with supplements, vitamins, and minerals More than just an informative guide, this book will give you the tools you need to break through every health plateau and reach your personal wellness goals. Throughout the book, you can write out how your personal situation works in the framework provided. By the end, you will have a cohesive and actionable plan to make your wellness dreams a reality.

if you dont take time for your wellness: *Quotes for Signboards, Marquees, Church Signs, Inspiration, and Reflection* Stan H. McCarley, 2024-02-02 Character is doing what is right when no one else is looking. Keep your fears to yourself, but share your courage with others. Never put the key to your happiness in someone else's pocket. Quantity is what you count; quality is what you count on. Very few burdens are heavy if everyone lifts. These are just a few of the quotations that I have included in this book. It is a culmination of over four decades of gathering quotes and sayings, noticing church and marquee signs and bumper stickers and, most recently, researching on the Internet. In the preface for this book, I went through and listed quotes that meant a lot to me, but as I look back, I realize that they all mean something to me. I hope that you can use them for

motivation, reflection, and inspiration.

if you dont take time for your wellness: Unleash your Wellness within arun nayak, 2023-11-17 The first step to moving forward in life is always to identify and recognize the problems or challenges that had been holding one back all the while. And if you seek sound mental health, you must first understand what has been hindering your mind from attaining well-being. What impedes the mind? Why does your mind restrict itself? Or rather, why do you restrict your mind from achieving all it can? From my research, studies, and experiences, I have been able to highlight and understand the obstructions to mental wellness. They are the agents that have been blocking you from getting the best out of you. I firmly believe that if I can help you solve the problems related to mental wellness, your life will take a new turn, and you will become unstoppable. Let us now move forward, dive in, and discuss how to know, understand and master the aforesaid obstacles so that you celebrate your well-being as you become unstoppable.

if you dont take time for your wellness: Dreamcrafting Paul Levesque, Art McNeil, 2003-02-16 Many people set out to achieve a dream-starting a business or learning to play the piano or publishing a book-but they don't succeed, and the dream fizzles away. In many cases, these people have lots of skills and expertise, such as deep knowledge of the business or career they are interested in, so why don't they succeed? Paul Levesque and Art McNeil have discovered that making a dream come true requires cultivating skills of a higher order-macroskills-that inevitably spell the difference between success and failure no matter what the specifics of a person's dreams are. These are the skills Dreamcrafting outlines in detail.

if you dont take time for your wellness: Masters of Money KC Rottok Chesaina, 2022-03-21 The chief financial officer (CFO) is critical to a company's financial success. Keep climbing your mountains and achieving your dreams! Additional copies of activities can be downloaded from www.wellnesscompasstravelguide.com

if you dont take time for your wellness: Body, Mind, and Mouth Margaret Marshall, 2012-12-06 Most people understand that they are in control of what and how they eat. Unfortunately, there can be a daily disconnect regarding ones body, mind, and mouth, very often lasting for years. In this guide, author Margaret Marshall uses insights and lessons from her clients lives, along with her own experiences, to address the challenges we often face controlling our weight. She asks you to consider the unpleasant and sometimes life-threatening circumstances we accept in our lives instead of taking responsibility for our well-being. Among the real stories she shares in Body, Mind, and Mouth is the story of a New York City police officer who no longer fits into his bulletproof vest. He closes it tightly on his right side leaving a gap on his left side, knowing to face right if he is ever in a shoot-out. Also included is the story of a working mother and her son, who became increasingly heavier due to her busy life and the ease of obtaining fast food. These and other stories illustrate how our minds affect our mouths, how our mouths affect our bodies, and how a shift in thought can benefit our health and wellness. Margaret Marshall uses humor and real stories to demonstrate her vast knowledge of nutrition and psychology in the weight-loss field. She brings to the book the same enthusiasm and knowledge she does in her speaking. Her message is clear, well written, and motivating. Imagine a book that is easy to read and packed with good information. Now thats a real deal. Dr. Harris R. Cohen, author of Lessons Learned: How to Negotiate the Life You Want to Live

if you dont take time for your wellness: A Numerology Book to Treasure Sarah A. Schweitzer PH.D., 2015-02-04 Numerology, simply put, is the application of key words, characteristics, attributes, thoughts and phrases that are associated to a specific number and letter of the alphabet. This association becomes a formula that is applied to any name, birth date, or event. The number and letter formula can define personality traits and characteristics that an individual may portray throughout their life. This is called ones numerology signature. The numerology formula can also be applied to important dates, addresses, phone numbers, and other important events in ones life to determine the compatibility of the event to ones personal numerology signature. This formula can also be applied to compare the compatibility between individuals. When applying the formula, it is easy to see who will show leadership traits in work group teams, or who will take

control or be submissive when interacting with others. Numerology can also be applied to employment, personal, and romantic situations. It can be used as an insightful tool when blending families where children are concerned. The application of numerology in life is endless and provides insightful peeks into potential areas of life that are important to you. For example, when planning a future event, such as choosing a date for a wedding, the chosen date defines the numerology signature of the event and can have a lasting effect upon the marriage union. When applying numerology formulas to birth dates and life events, specific cycles emerge. These cycles can be identified and formulas applied to them that can offer valuable insights that last for the entire cycle of time. The knowledge within this book is everything you will ever need to know to become an expert at numerology!

if you dont take time for your wellness: Homecoming Thema Bryant, Ph.D., 2022-03-15 A road map for dismantling the fear and shame that keep you from living a free and authentic life. In the aftermath of stress, disappointment, and trauma, people often fall into survival mode, even while a part of them longs for more. Juggling multiple demands and responsibilities keeps them busy, but not healed. As a survivor of sexual assault, racism, and evacuation from a civil war in Liberia, Dr. Thema Bryant knows intimately the work involved in healing. Having made the journey herself, in addition to guiding others as a clinical psychologist and ordained minister, Dr. Thema shows you how to reconnect with your authentic self and reclaim your time, your voice, your life. Signs of disconnection from self can take many forms, including people-pleasing, depression, anxiety, and resentment. Healing starts with recognizing and expressing emotions in an honest way and reconnecting with the neglected parts of yourself, but it can't be done in a vacuum. Dr. Thema gives you the tools to meaningfully connect with your larger community, even if you face racism and sexism, heartbreak, grief, and trauma. Rather than shrinking in the face of life's difficulties, you will discover in *Homecoming* the therapeutic approaches and spiritual practices to live a more expansive life characterized by empowerment, healthier relationships, gratitude, and a deeper sense of purpose.

if you dont take time for your wellness: Tackle What's Next Eric Wood, 2022-10-04 Transform the next chapter of your life into the best one yet In *Tackle What's Next: Own Your Story, Stack Wins, and Achieve Your Goals in Business and Life*, NFL veteran and motivational speaker Eric Wood delivers an inspirational and insightful take on how you can prepare for the next big thing in your life. In the book, Wood draws on his own experiences transitioning out of his NFL career and provides you with the tools you need to achieve success in your own circumstances. You'll explore: How to pivot between opportunities when life forces you to unexpectedly change direction Strategies for closely examining what you're good at, what you're great at, and what you can contribute to the world with your unique combination of gifts and talents Ways to adjust your perspective to maintain resilience and toughness in the face of adversity A can't-miss read for anyone looking for proven and straightforward ways to make the next chapter of their life even more exciting than what's come before, *Tackle What's Next* is your own personal handbook to achievement, resilience, and success.

if you dont take time for your wellness: Social Media Wellness Ana Homayoun, 2017-07-27 Solutions for navigating an ever-changing social media world Today's students face a challenging paradox: the digital tools they need to complete their work are often the source of their biggest distractions. Students can quickly become overwhelmed trying to manage the daily confluence of online interactions with schoolwork, extracurricular activities, and family life. Written by noted author and educator Ana Homayoun, *Social Media Wellness* is the first book to successfully decode the new language of social media for parents and educators and provide pragmatic solutions to help students: Manage distractions Focus and prioritize Improve time-management Become more organized and boost productivity Decrease stress and build empathy With fresh insights and a solutions-oriented perspective, this crucial guide will help parents, educators and students work together to promote healthy socialization, effective self-regulation, and overall safety and wellness.

Tips From Teens On Promoting Social Media Wellness Ana Homayoun has written the very book I've yearned for, a must-read for teachers and parents. I have been recommending Ana's work for years, but Social Media Wellness is her best yet; a thorough, well-researched and eloquent resource for parents and teachers seeking guidance about how to help children navigate the treacherous, ever-changing waters of social media and the digital world. —Jessica Lahey, Author of *The Gift of Failure* This is the book I've been waiting for. Ana Homayoun gives concrete strategies for parents to talk with their teens without using judgment and fear as tools. This is a guidebook you can pick up at anytime, and which your teen can read, too. I'll be recommending it to everyone I know. —Rachel Simmons, Author of *The Curse of the Good Girl* Read About Ana Homayoun in the news: *NYTimes*, *The Secret Social Media Lives of Teenagers* *NYTimes*, *How to Help Kids Disrupt 'Bro Culture'* *Pacific Standard*, *Holier Than Thou IPO: Snapchat and Effective Parenting* *Parenttoolkit.com*, *Emojis, Streaks, Stories, and Scores: What Parents Need to Know About Snapchat* *Los Angeles Review of Books*, *Life and Death 2.0: When Your Grandmother Dies Online* *Chicago Tribune*, *Social Media Footprints are Nothing New, So What Were those Harvard Students Thinking?* *Today Show*, *9 Tips to Help Teens Manage Their Social Media Footprint* *5 Ways Parents Can Help Kids Balance Social Media with the Real World*

if you dont take time for your wellness: Stand By Me: Helping Your Teen Through Tough Times John Kirwan, 2014-08-27 Charting John Kirwan's personal experiences as a father, and featuring the real voices of young people today, *Stand By Me* investigates issues around teenage mental health, with a focus on depression and anxiety. I'm a dad and I'm scared. When I say I'm a dad and I'm scared, I really mean: I'm a dad and I'm looking for answers – from the professionals, kids, mums, dads and other caregivers who have been there, holding each other's hands to hell and back. Stand by me. Let's take the journey together. With clinical psychologists Dr Elliot Bell and Kirsty Loudon-Bell, JK confronts the big questions facing parents and teens, highlighting key messages and offering best approaches. *Stand By Me* also draws on the perspectives of teenagers who have been diagnosed with mental health issues and the families who have journeyed with them. In their own words, the young people reflect on their darkest days and recovery, and consider how these experiences have shaped them as they face forward into their adult lives. Intimate, enlightening and impossible to ignore, *Stand By Me* is a window into an all-too-real issue facing New Zealand families, and a powerful tool for anyone concerned about the wellbeing of young people in their care. Also available as an eBook

if you dont take time for your wellness: Health and Wellness Gordon Edlin, Eric Golanty, 2015-08-04 *Health & Wellness, Twelfth Edition* covers many facets of personal health, including physical, emotional, mental, social, environmental, and spiritual perspectives. Written in a personal

and engaging style, the Twelfth Edition encourages students to make the right health choices and gives them the tools and information they need to improve their health habits.

if you dont take time for your wellness: Happy Healthy You KJ Landis, 2017-08-15 The successful life coach and author of Superior Self offers concrete, easy-to-follow strategies for bringing more health and happiness into your life. With our hectic modern lives, it's easy to feel drained and worn down. But when we stop to consider what's tapping our energy most, we discover that old habits, unconscious patterns, and past experiences are dragging us down and blocking our self-growth. In Happy Healthy You, life coach KJ Landis helps identify how, why, and where we get ourselves stuck, and how we can utilize the drama and trauma of the past as a springboard to becoming our most authentic, vibrant selves. We all face a lot of stress in our day to day lives. Over time, those stressors can build into a major obstacle, causing us to retreat into survival mode. And when you're only surviving, you're not thriving. KJ Landis knows the story all too well—because she lived it herself. Now, she provides the playbook for tackling the blockages in our lives and moving beyond them to a life of happiness and health. In this book you will learn: • The root of what keeps us “stuck” in our lives • How to use the Negative Thought Pot to rid ourselves of self-deprecating beliefs • How hormones and epigenetics affect mental and physical wellness • The role of nutrition in our day-to-day health • Therapeutic movement as a mode of healing • The power of self-care through restorative practices • And much, much more!

Doing the exercises and making the changes suggested in the book may lead to a decrease in physical pain, a feeling of being more present in your life, and an increase in your feelings of peace and stability in the world. You will learn how to: • heal your relationships • create stronger boundaries • release stress and anxiety • reach a new level of vibrant health • create a healthier environment • reach your full potential and create a life you love! By working through the healing techniques in this book, you will experience more vibrant health and happiness and have the tools you need to maintain your wellbeing for the rest of your life.

if you dont take time for your wellness: The Astonishing Power of Emotions Esther Hicks, Jerry Hicks, 2007-09-04 A LIFE-CHANGING BOOK FROM #1 NEW YORK TIMES BEST-SELLING AUTHORS OF ASK AND IT IS GIVEN AND THE TEACHINGS OF ABRAHAM MATERIAL THAT INSPIRED THE HIT MOVIE - THE SECRET This leading-edge book by Esther and Jerry Hicks, who present the teachings of Abraham, the loving group consciousness from the non-physical dimension will help you understand and master the emotions that you've been experiencing all of your life. Instead of the out-of-control, knee-jerk reactions that most people have to their ever-changing life experience, this motivational work will put those responses into a broader context. You'll come to understand what emotions are and how to effectively utilize your new awareness of them. As you read, you'll come to appreciate, and make peace with, where you are right now, even though there is so much more that you may desire. Every thought you absorb will bring you to a greater understanding of your own personal value and will show you how to open your own doors to whatever you may wish to be, do, or have. Includes a FREE CD excerpt from a live Art of Allowing Workshop with Abraham! Example Chapters Include: The Value of Your Faith Remembering the Big Picture Your Relationship with Your Inner Being The Universe Continues to Expand Through You Even Without Words, You Are Creating You Are a Vibrational Being Your Emotions Are Absolute Indicators Your Expansion Is Constant It Is All About Aligning Your Thoughts Vibrational Alignment Feels Like Relief Your Inner Being Has Already Become It Emotions Indicate the Degree of Your

Alignment Living the Law of Allowing “These Teachings of Abraham are simply about you continuing to create the joyous, fulfilling life that you have intended to create, while allowing all others to create as they intend. And while there is nothing that we can desire that our abundant, unlimited Universe doesn’t have the capacity to give, we cannot receive that which we do not allow. This book is meant to stand on its own as another comprehensive volume of the Teachings of Abraham There is nothing that pleases Esther or me more than providing a forum where people from diverse environments can gather, lending their unique perspectives, asking Abraham their important questions. To actually feel the evolution and expansion of this message must surely be what Esther and I have been born to do. And the reason we know that is because it feels so very, very good to do it.” — From my heart, Jerry Hicks “Your work isn’t to convince someone to give you something you want; your work is to just find relief from wherever you are. When you get good at finding relief, you’ll begin to flow with your Stream, and these things that have been downstream waiting for you to queue up with them will begin to connect with you with such extraordinary persistence that people who are watching you will wonder what in the world has happened with you. There is great love here for you. And, for now, as always, we remain eternally and happily incomplete.” – Abraham Included is a link to download an audio excerpt from a live Art of Allowing Workshop with Abraham!
