ivy tech accounting: *The Good Life* Erin McGraw, 2014-11-18 A collection of short stories that are "at once laugh-out-loud funny and utterly serious" (Claire Messud, author of *The Burning Girl*).

The happiness they catch glimpses of, though, frequently eludes their grasp . . . McGraw's pitch-perfect dialogue and artful closeups on the telling, trying details of ordinary lives deliver stories that are easy to read but hard to forget." —Publishers Weekly
