j vernon mcgee questions and answers: The Ephesian Letter Lewis Chafer, 2015-04-29 These lectures on the Ephesian Letter were first published in Revelation magazine in a series of fifteen articles, afterward appearing in book form in 1935. This book is affectionately dedicated to my brother, Rev. Rollin Thomas Chafer, D.D., whose life-long companionship, wise counsel, and tireless faithfulness in a great partnership service for God has gone far toward securing for it that measure of achievement which under divine favor has been wrought. Preface But for a slight revision in the text, the material presented in this volume was first published in the Revelation Magazine. The fifteen sections into which the book is divided correspond with the fifteen magazine articles and are published by the permission of the owners of Revelation. No skeleton or outline of the Ephesian Letter is presented in this book other than that which is set forth in the Contents. The all-important features of the structure of the Ephesian Letter are, (1) The discovery of the precise message and character of the first division, Chapters 1-3, and (2) the logical relation which exists between the first division and that which follows. Many books have been written on the Ephesian Letter. Some have been exegetical and some devotional. The distinctive aim of this treatment is doctrinal and as this Letter has not been thus developed by writers generally it is hoped that the book may serve some worthwhile purpose and be, in some measure, to the praise of the glory of his grace. j vernon mcgee questions and answers: Living By Faith J. Vernon McGee, 2004-04-19 Dr. J. Vernon McGee turns to the Epistle of James to present very practical lessons on Christian living. The subject of James is faith. The Epistle of James pinches, says Dr. McGee. It hurts you because he gets right down to where we are living-or, more accurately, to where we're not living. He challenges believers to a faith that works and walks in shoe leather. Because James emphasizes the ethics of the Christian faith, Dr. McGee uses the metaphor of God's University. When life presents us with quizzes or tests, Dr. McGee explains, the believer need not worry because James has provided us not only with the test questions, but also the answers. Chapters cover such relevant topics as: gossiping, worldly versus heavenly wisdom, the testing of faith through trials, God's condemnation of class distinctions, confession and forgiveness of sins, effective prayer, faith versus works, resisting the devil, and finding the meaning of life.
