Joy Sexton: Unpacking the Answers in S.E. Hinton's The Outsiders

Introduction:

Are you grappling with the complexities of S.E. Hinton's *The Outsiders*? Specifically, are you struggling to fully understand the character of Joy Sexton and her impact on the narrative? This comprehensive guide delves deep into the role of Joy Sexton, exploring her limited but significant presence in the novel. We'll dissect her interactions, analyze her significance to Ponyboy, and ultimately determine her contribution to the overall themes of *The Outsiders*. We'll move beyond simple answers and explore the subtleties of her character, providing a nuanced understanding that goes beyond simple plot summary. Prepare to unlock the secrets of Joy Sexton and her understated influence on this classic coming-of-age story.

Understanding Joy Sexton's Limited Role:

Joy Sexton isn't a central character in *The Outsiders*. Unlike Ponyboy, Johnny, Darrel, Sodapop, or even Cherry Valance, she doesn't drive the plot forward in a major way. Her appearance is brief, yet her impact on Ponyboy's emotional landscape is surprisingly profound. To understand her role, we must first acknowledge her limitations within the narrative. She exists primarily as a catalyst for emotional growth in Ponyboy, highlighting the complexities of grief and the challenges of navigating adolescence within a society fractured by social divisions.

Joy Sexton as a Catalyst for Ponyboy's Emotional Journey:

Joy Sexton's primary function is to serve as a reminder of the harsh realities of life and death. Her sudden appearance, her brief interaction with Ponyboy, and her subsequent disappearance all underscore the fragility of existence. This resonates deeply with Ponyboy, who is already grappling with the trauma of Johnny's death. Joy's presence is a stark reminder that life is unpredictable and precious, prompting Ponyboy to confront his own mortality and the consequences of his actions. This encounter accelerates his emotional maturity.

Analyzing Joy Sexton's Interactions with Ponyboy:

The interaction between Ponyboy and Joy is limited but impactful. It's a fleeting moment, a shared silence in a hospital waiting room, characterized by a mutual understanding of shared grief and loss. There's no grand dialogue or significant plot development stemming from their encounter. Instead, their connection is established through a shared unspoken experience, a silent

acknowledgement of pain and the need for solace. This subtlety adds to the character's overall impact; her influence isn't through actions, but through shared feelings.

Joy Sexton's Symbolic Significance:

Joy Sexton can be interpreted symbolically. She represents the innocence lost and the fragility of life. Her quiet presence underscores the immense tragedy that has befallen Ponyboy and Johnny. In a way, she mirrors Ponyboy's own vulnerability and underscores the need for human connection during times of immense emotional turmoil. Her subtle presence forces Ponyboy to confront his feelings, leading to his eventual growth and acceptance of the events that have transpired.

Joy Sexton's Contribution to the Overall Themes of The Outsiders:

Joy Sexton, though a minor character, contributes significantly to the novel's exploration of key themes:

Loss and Grief: Her presence highlights the universality of grief and the different ways individuals cope with loss. Ponyboy's reaction to her quiet sorrow mirrors his own grief over Johnny's death.

Social Class and Prejudice: While not explicitly addressed, Joy's presence indirectly points to the broader social issues explored in the novel. Her situation, as hinted at in the brief encounter, underscores the inequalities and hardships faced by many within the society depicted.

The Importance of Human Connection: The silent understanding between Ponyboy and Joy emphasizes the importance of human connection, especially during times of crisis. Even a brief, unspoken connection can offer comfort and a sense of shared humanity.

Coming-of-Age: The encounter with Joy serves as a pivotal moment in Ponyboy's coming-of-age journey. It forces him to confront his own mortality and the significance of human relationships.

A Detailed Outline of an Essay on Joy Sexton in The Outsiders

Name: The Unspoken Impact: Joy Sexton and the Emotional Landscape of The Outsiders

Outline:

Introduction: Briefly introduce The Outsiders and Joy Sexton's limited but crucial role. State the essay's purpose: to analyze her impact on Ponyboy and the novel's themes.

Chapter 1: Joy Sexton's Limited Presence and Narrative Function: Analyze Joy's brief appearances, highlighting her lack of direct involvement in the plot and her function as a catalyst for Ponyboy's emotional development.

Chapter 2: Analyzing the Interaction Between Ponyboy and Joy: A detailed exploration of their brief encounter, examining the unspoken communication and shared grief. Analyze the significance of the shared silence.

Chapter 3: Joy Sexton as a Symbol: Interpret Joy's character symbolically, examining what she represents concerning loss, innocence, and vulnerability.

Chapter 4: Joy Sexton's Contribution to Major Themes: Discuss how Joy's presence enhances the novel's exploration of loss, grief, social inequality, human connection, and coming-of-age.

Conclusion: Summarize the essay's main points and reiterate the significance of Joy Sexton's seemingly minor role in *The Outsiders*.

Expanded Explanation of Each Outline Point:

(Note: The following expands on each point outlined above. This section is intended to be illustrative and can be further developed to create a complete essay.)

Introduction: Begin by introducing S.E. Hinton's *The Outsiders*, its setting, and its central themes. Then introduce Joy Sexton, emphasizing her relatively minor role in the novel's plot but highlighting the significance of her impact on Ponyboy's emotional journey. Clearly state the essay's purpose: to analyze how Joy Sexton contributes to the novel's themes and Ponyboy's development.

Chapter 1: This chapter will focus on Joy Sexton's limited screen time. Analyze the scenes in which she appears, noting the brevity of these appearances and the lack of dialogue. Explain how this limited presence serves to create a sense of poignancy and underscores the theme of the fragility of life. Discuss how her role functions as a catalyst for Ponyboy's emotional growth, indirectly furthering the narrative.

Chapter 2: This section should delve into the specifics of the interaction between Ponyboy and Joy. Even though it's minimal, it's crucial. Examine the shared silence, the unspoken understanding between them, and the emotional connection forged through their shared grief. Analyze body language, expressions, and any subtle cues to illuminate the emotional weight of this interaction.

Chapter 3: Explore the symbolic representation of Joy Sexton. Consider what she symbolizes about innocence lost, the harsh realities of life, and the pervasive nature of grief. Link her symbolic significance to the overarching themes of the novel.

Chapter 4: This chapter will directly connect Joy Sexton to the main themes of *The Outsiders*. Discuss how her presence reinforces themes of loss, grief, the challenges of social class, the significance of human connection, and the process of coming-of-age. Provide specific examples from the novel to support these connections.

Conclusion: Reiterate the essay's main arguments. Summarize Joy Sexton's subtle yet profound contribution to the narrative and her impact on Ponyboy's emotional growth. Conclude with a final thought on the significance of seemingly minor characters in contributing to the overall meaning of a

literary work.

FAQs:

1. Is Joy Sexton a major character in *The Outsiders*? No, she's a minor character with a limited but significant role.
1. What is Joy Sexton's relationship to Ponyboy? They share a brief, unspoken connection based on their shared experience of grief.
1. What is the significance of Joy Sexton's interaction with Ponyboy? It's a powerful moment that underscores the fragility of life and the importance of human connection in times of loss.
1. How does Joy Sexton contribute to the themes of *The Outsiders*? She reinforces themes of loss, grief, social class, and coming-of-age.
1. What is the symbolic meaning of Joy Sexton's character? She symbolizes innocence lost, vulnerability, and the harsh realities of life and death.
1. Why is Joy Sexton's role so understated? Her understated role enhances the emotional impact. The subtlety of her presence makes her interaction with Ponyboy all the more significant.
1. Does Joy Sexton appear in any other part of the book? No, her appearance is confined to a single scene.
1. How does Joy Sexton's character help us understand Ponyboy better? Her presence helps us understand Ponyboy's grief and emotional processing of Johnny's death.

1. Could Joy Sexton's character be interpreted differently? Yes, different readers might interpret her symbolic significance in various ways.

joy sexton the outsiders answers: *Elite* Mercedes Lackey, 2016-09-04 In New York Times bestselling author Mercedes Lackey's action-packed sequel to *Hunter*, a storm is headed to Apex City, and unless Joy and the Hunters put up the fight of their lives, it might just sweep them all away. Joy knows she'll be facing more dangerous Othersiders than ever before as a new member of the Elite Hunter unit, but if anyone is up to the challenge it's her. Then the rules change. The leaders of Apex must come together to protect the city, but tensions have never been higher between the Hunters and the powerful PsiCorps, with each group competing to be the primary protector of the city. Chaos erupts when Ace, the murderous Hunter who tried to kill Joy at her Elite trials, escapes from the Army's captivity and defects to the Othersiders. Joy has no idea what Ace might be capable of with the help of the cunning Folk, but she may be about to find out as Othersider forces are gaining strength and momentum just beyond the barriers.

joy sexton the outsiders answers: *Deception Point* Dan Brown, 2019-07-30 From the #1 New York Times bestselling author of *The Da Vinci Code*, *Angels & Demons*, and *Inferno* and the "master of smart thrills" (People) comes a "rocket-fast thriller" (Vince Flynn) about an astonishing NASA discovery that unravels a deadly conspiracy that leads all the way to the White House. When a NASA satellite spots evidence of an astoundingly rare object buried deep in the Arctic ice, the floundering space agency proclaims a much-needed victory—one that could have profound implications for US space policy and the impending presidential election. With his re-election hanging in the balance, the President sends White House Intelligence analyst Rachel Sexton to the Milne Ice Shelf to verify the authenticity of the find. Accompanied by a team of experts, including the charismatic academic Michael Tolland, Rachel uncovers the unthinkable: evidence of scientific trickery. Before she can contact the President, she and Michael are attacked by a deadly team of assassins controlled by a mysterious power broker who will stop at nothing to hide the truth. Fleeing for their lives in an environment as desolate as it is lethal, their only hope for survival is to find out who is behind this masterful ploy. The truth, they will learn, is the most shocking deception of all in this "taut, fast-paced, barn-burner of a book" (St. Petersburg Times).

joy sexton the outsiders answers: *The Diary of Anne Frank* Frances Goodrich, Albert Hackett, Wendy Ann Kesselman, 2000 THE STORY: In this transcendently powerful new adaptation by Wendy Kesselman, Anne Frank emerges from history a living, lyrical, intensely gifted young girl, who confronts her rapidly changing life and the increasing horror of her time with astonis

joy sexton the outsiders answers: *Talking to Strangers* Malcolm Gladwell, 2019-09-10 Malcolm Gladwell, host of the podcast *Revisionist History* and author of the #1 New York Times bestseller *Outliers*, offers a powerful examination of our interactions with strangers and why they often go wrong—now with a new afterword by the author. A Best Book of the Year: The Financial Times, Bloomberg, Chicago Tribune, and Detroit Free Press How did Fidel Castro fool the CIA for a generation? Why did Neville Chamberlain think he could trust Adolf Hitler? Why are campus sexual assaults on the rise? Do television sitcoms teach us something about the way we relate to one

another that isn't true? Talking to Strangers is a classically Gladwellian intellectual adventure, a challenging and controversial excursion through history, psychology, and scandals taken straight from the news. He revisits the deceptions of Bernie Madoff, the trial of Amanda Knox, the suicide of Sylvia Plath, the Jerry Sandusky pedophilia scandal at Penn State University, and the death of Sandra Bland—throwing our understanding of these and other stories into doubt. Something is very wrong, Gladwell argues, with the tools and strategies we use to make sense of people we don't know. And because we don't know how to talk to strangers, we are inviting conflict and misunderstanding in ways that have a profound effect on our lives and our world. In his first book since his #1 bestseller *David and Goliath*, Malcolm Gladwell has written a gripping guidebook for troubled times.

joy sexton the outsiders answers: *Dorothy Heathcote* Betty Jane Wagner, 1999 Heathcote's techniques in the classroom, the pedagogy of drama, are explained in this book, along with analyses of her improvisations with young people. The author's goal is to share with teachers how they, using Heathcote's methods, can generate significant learning experiences.

joy sexton the outsiders answers: Dovetails in Tall Grass Samantha Specks, 2021-08-24 As war overtakes the frontier, Emma's family farmstead is attacked by Dakota-Sioux warriors; on that same prairie, Oenikika desperately tries to hold on to her calling as a healer and follow the orders of her father, Chief Little Crow. When the war is over and revenge-fueled war trials begin, each young woman is faced with an impossible choice. In a swiftly changing world, both Emma and Oenikika must look deep within and fight for the truth of their convictions—even as horror and injustice unfolds all around them. Inspired by the true story of the thirty-eight Dakota-Sioux men hanged in Minnesota in 1862—the largest mass execution in US history—*Dovetails in Tall Grass* is a powerful tale of two young women connected by the fate of one man.

joy sexton the outsiders answers: Golden Gulag Ruth Wilson Gilmore, 2007-01-08 Since 1980, the number of people in U.S. prisons has increased more than 450%. Despite a crime rate that has been falling steadily for decades, California has led the way in this explosion, with what a state analyst called the biggest prison building project in the history of the world. *Golden Gulag* provides the first detailed explanation for that buildup by looking at how political and economic forces, ranging from global to local, conjoined to produce the prison boom. In an informed and impassioned account, Ruth Wilson Gilmore examines this issue through statewide, rural, and urban perspectives to explain how the expansion developed from surpluses of finance capital, labor, land, and state capacity. Detailing crises that hit California's economy with particular ferocity, she argues that defeats of radical struggles, weakening of labor, and shifting patterns of capital investment have been key conditions for prison growth. The results—a vast and expensive prison system, a huge number of incarcerated young people of color, and the increase in punitive justice such as the three strikes law—pose profound and troubling questions for the future of California, the United States, and the world. *Golden Gulag* provides a rich context for this complex dilemma, and at the same time challenges many cherished assumptions about who benefits and who suffers from the state's commitment to prison expansion.

joy sexton the outsiders answers: Habeas Viscus Alexander Ghedi Weheliye, 2014-08-20 *Habeas Viscus* focuses attention on the centrality of race to notions of the human. Alexander G. Weheliye develops a theory of racializing assemblages, taking race as a set of sociopolitical processes that discipline humanity into full humans, not-quite-humans, and nonhumans. This disciplining, while not biological per se, frequently depends on anchoring political hierarchies in human flesh. The work of the black feminist scholars Hortense Spillers and Sylvia Wynter is vital to Weheliye's argument. Particularly significant are their contributions to the intellectual project of black studies vis-à-vis racialization and the category of the human in western modernity. Wynter and Spillers configure black studies as an endeavor to disrupt the governing conception of humanity as synonymous with white, western man. Weheliye posits black feminist theories of modern humanity as useful correctives to the bare life and biopolitics discourse exemplified by the works of Giorgio Agamben and Michel Foucault, which, Weheliye contends, vastly underestimate the conceptual and

political significance of race in constructions of the human. *Habeas Viscus* reveals the pressing need to make the insights of black studies and black feminism foundational to the study of modern humanity.

joy sexton the outsiders answers: *The End and the Beginning* Hermynia Zur Mühlen, 2010 First published in Germany in 1929, *The End and the Beginning* is a lively personal memoir of a vanished world and of a rebellious, high-spirited young woman's struggle to achieve independence. Born in 1883 into a distinguished and wealthy aristocratic family of the old Austro-Hungarian Empire, Hermynia Zur Mühlen spent much of her childhood travelling in Europe and North Africa with her diplomat father. After five years on her German husband's estate in czarist Russia she broke with both her family and her husband and set out on a precarious career as a professional writer committed to socialism. Besides translating many leading contemporary authors, notably Upton Sinclair, into German, she herself published an impressive number of politically engaged novels, detective stories, short stories, and children's fairy tales. Because of her outspoken opposition to National Socialism, she had to flee her native Austria in 1938 and seek refuge in England, where she died, virtually penniless, in 1951. This revised and corrected translation of Zur Mühlen's memoir - with extensive notes and an essay on the author by Lionel Gossman - will appeal especially to readers interested in women's history, the Central European aristocratic world that came to an end with the First World War, and the culture and politics of the late nineteenth and early twentieth centuries.

joy sexton the outsiders answers: *Man and His Symbols* Carl G. Jung, 2012-02-01 The landmark text about the inner workings of the unconscious mind—from the symbolism that unlocks the meaning of our dreams to their effect on our waking lives and artistic impulses—featuring more than a hundred images that break down Carl Jung's revolutionary ideas “What emerges with great clarity from the book is that Jung has done immense service both to psychology as a science and to our general understanding of man in society.”—The Guardian “Our psyche is part of nature, and its enigma is limitless.” Since our inception, humanity has looked to dreams for guidance. But what are they? How can we understand them? And how can we use them to shape our lives? There is perhaps no one more equipped to answer these questions than the legendary psychologist Carl G. Jung. It is in his life's work that the unconscious mind comes to be understood as an expansive, rich world just as vital and true a part of the mind as the conscious, and it is in our dreams—those personal, integral expressions of our deepest selves—that it communicates itself to us. A seminal text written explicitly for the general reader, *Man and His Symbols* is a guide to understanding the symbols in our dreams and using that knowledge to build fuller, more receptive lives. Full of fascinating case studies and examples pulled from philosophy, history, myth, fairy tales, and more, this groundbreaking work—profusely illustrated with hundreds of visual examples—offers invaluable insight into the symbols we dream that demand understanding, why we seek meaning at all, and how these very symbols affect our lives. By illuminating the means to examine our prejudices, interpret psychological meanings, break free of our influences, and recenter our individuality, *Man and His Symbols* proves to be—decades after its conception—a revelatory, absorbing, and relevant experience.

joy sexton the outsiders answers: *Reading Stephen King* Brenda Miller Power, Jeffrey D. Wilhelm, 1997 This collection of essays grew out of the Reading Stephen King Conference held at the University of Maine in 1996. Stephen King's books have become a lightning rod for the tensions around issues of including mass market popular literature in middle and high school English classes and of who chooses what students read. King's fiction is among the most popular of pop literature, and among the most controversial. These essays spotlight the ways in which King's work intersects with the themes of the literary canon and its construction and maintenance, censorship in public schools, and the need for adolescent readers to be able to choose books in school reading programs. The essays and their authors are: (1) *Reading Stephen King: An Ethnography of an Event* (Brenda Miller Power); (2) *I Want to Be Typhoid Stevie* (Stephen King); (3) *King and Controversy in Classrooms: A Conversation between Teachers and Students* (Kelly Chandler and others); (4) *Of*

Cornflakes, Hot Dogs, Cabbages, and King (Jeffrey D. Wilhelm); (5) The 'Wanna Read' Workshop: Reading for Love (Kimberly Hill Campbell); (6) When 'IT' Comes to the Classroom (Ruth Shagoury Hubbard); (7) If Students Own Their Learning, What Do Teachers Do? (Curt Dudley-Marling); (8) Disrupting Stephen King: Engaging in Alternative Reading Practices (James Albright and Roberta F. Hammett); (9) Because Stories Matter: Authorial Reading and the Threat of Censorship (Michael W. Smith); (10) Canon Construction Ahead (Kelly Chandler); (11) King in the Classroom (Michael R. Collings); (12) King's Works and the At-Risk Student: The Broad-Based Appeal of a Canon Basher (John Skretta); (13) Reading the Cool Stuff: Students Respond to 'Pet Sematary' (Mark A. Fabrizi); (14) When Reading Horror Subliterature Isn't So Horrible (Janice V. Kristo and Rosemary A. Bamford); (15) One Book Can Hurt You...But a Thousand Never Will (Janet S. Allen); (16) In the Case of King: What May Follow (Anne E. Pooler and Constance M. Perry); and (17) Be Prepared: Developing a Censorship Policy for the Electronic Age (Abigail C. Garthwait). Appended are a joint manifesto by National Council of Teachers of English (NCTE) and International Reading Association (IRA) concerning intellectual freedom; an excerpt from a teacher's guide to selected horror short stories of Stephen King; and the conference program. Contains a 152-item reference list of literary works. (NKA)

joy sexton the outsiders answers: *Gingerbread* Helen Oyeyemi, 2019-03-05 Exhilarating...A wildly imagined, head-spinning, deeply intelligent novel. - The New York Times Book Review [W]ildly inventive...[Helen Oyeyemi's] prose is not without its playful bite. -Vogue The prize-winning, bestselling author of *Boy Snow Bird*, *What Is Not Yours Is Not Yours*, and *Peaces* returns with a bewitching and imaginative novel. Influenced by the mysterious place gingerbread holds in classic children's stories, beloved novelist Helen Oyeyemi invites readers into a delightful tale of a surprising family legacy, in which the inheritance is a recipe. Perdita Lee may appear to be your average British schoolgirl; Harriet Lee may seem just a working mother trying to penetrate the school social hierarchy; but there are signs that they might not be as normal as they think they are. For one thing, they share a gold-painted, seventh-floor walk-up apartment with some surprisingly verbal vegetation. And then there's the gingerbread they make. Londoners may find themselves able to take or leave it, but it's very popular in Druhástrana, the far-away (or, according to many sources, non-existent) land of Harriet Lee's early youth. The world's truest lover of the Lee family gingerbread, however, is Harriet's charismatic childhood friend Gretel Kercheval—a figure who seems to have had a hand in everything (good or bad) that has happened to Harriet since they met. Decades later, when teenaged Perdita sets out to find her mother's long-lost friend, it prompts a new telling of Harriet's story. As the book follows the Lees through encounters with jealousy, ambition, family grudges, work, wealth, and real estate, gingerbread seems to be the one thing that reliably holds a constant value. Endlessly surprising and satisfying, written with Helen Oyeyemi's inimitable style and imagination, it is a true feast for the reader.

joy sexton the outsiders answers: God in the Dock C. S. Lewis, 2014-09-15 Lewis struck me as the most thoroughly converted man I ever met, observes Walter Hooper in the preface to this collection of essays by C.S. Lewis. His whole vision of life was such that the natural and the supernatural seemed inseparably combined. It is precisely this pervasive Christianity which is demonstrated in the forty-eight essays comprising *God in the Dock*. Here Lewis addresses himself both to theological questions and to those which Hooper terms semi-theological, or ethical. But

whether he is discussing Evil and God, Miracles, The Decline of Religion, or The Humanitarian Theory of Punishment, his insight and observations are thoroughly and profoundly Christian. Drawn from a variety of sources, the essays were designed to meet a variety of needs, and among other accomplishments they serve to illustrate the many different angles from which we are able to view the Christian religion. They range from relatively popular pieces written for newspapers to more learned defenses of the faith which first appeared in *The Socratic Digest*. Characterized by Lewis's honesty and realism, his insight and conviction, and above all his thoroughgoing commitments to Christianity, these essays make *God in the Dock* very much a book for our time.--Amazon.com.

joy sexton the outsiders answers: Luboml Berl Kagan, Nathan Sobel, 1997 The story of the former Polish-Jewish community (shtetl) of Luboml, Wołyń, Poland. Its Jewish population of some 4,000, dating back to the 14th century, was exterminated by the occupying German forces and local collaborators in October, 1942. Luboml was formerly known as Lyuboml, Volhynia, Russia and later Lyuboml, Volyns'ka, Ukraine. It was also know by its Yiddish name: Libivne.

joy sexton the outsiders answers: The American Yawp Joseph L. Locke, Ben Wright, 2019-01-22 I too am not a bit tamed—I too am untranslatable / I sound my barbaric yawp over the roofs of the world.—Walt Whitman, *Song of Myself*, *Leaves of Grass* The American Yawp is a free, online, collaboratively built American history textbook. Over 300 historians joined together to create the book they wanted for their own students—an accessible, synthetic narrative that reflects the best of recent historical scholarship and provides a jumping-off point for discussions in the U.S. history classroom and beyond. Long before Whitman and long after, Americans have sung something collectively amid the deafening roar of their many individual voices. The Yawp highlights the dynamism and conflict inherent in the history of the United States, while also looking for the common threads that help us make sense of the past. Without losing sight of politics and power, The American Yawp incorporates transnational perspectives, integrates diverse voices, recovers narratives of resistance, and explores the complex process of cultural creation. It looks for America in crowded slave cabins, bustling markets, congested tenements, and marbled halls. It navigates between maternity wards, prisons, streets, bars, and boardrooms. The fully peer-reviewed edition of The American Yawp will be available in two print volumes designed for the U.S. history survey. Volume I begins with the indigenous people who called the Americas home before chronicling the collision of Native Americans, Europeans, and Africans. The American Yawp traces the development of colonial society in the context of the larger Atlantic World and investigates the origins and ruptures of slavery, the American Revolution, and the new nation's development and rebirth through the Civil War and Reconstruction. Rather than asserting a fixed narrative of American progress, The American Yawp gives students a starting point for asking their own questions about how the past informs the problems and opportunities that we confront today.

joy sexton the outsiders answers: *Hunter* Mercedes Lackey, 2015-09-01 They came after the Disaster. Some were terrors ripped from our collective imaginations, remnants of every mythology across the world. And some were like nothing anyone had ever dreamed up, even in their worst nightmares. Monsters. Long ago, the barriers between our world and the Otherworld were ripped open, and it's taken centuries to bring back civilization in the wake of the catastrophe. Now, the luckiest Cits live in enclosed communities, behind walls that keep them safe from the hideous creatures fighting to break through. Others are not so lucky. To Joyeaux Charmand, who has been a Hunter in her tight-knit mountain community since she was a child, every Cit without magic deserves her protection from dangerous Othersiders. Then she is called to Apex City, where the best Hunters are kept to protect the most important people. Joy soon realizes that the city's powerful leaders care more about luring Cits into a false sense of security than protecting them. More and more monsters are getting through the barriers, and the close calls are becoming too frequent to ignore. Yet the Cits have no sense of how much danger they're in to them, Joy and her corp of fellow Hunters are just action stars they watch on TV. When an act of sabotage against Joy takes an unbearable toll, Joy uncovers a terrifying conspiracy in the city. There is something much worse than the usual monsters infiltrating Apex. And it may be too late to stop them?

joy sexton the outsiders answers: *Wall of Fame* Jonathan Freedman, 2000 As public education declined and many Americans despaired of their children's future, Pulitzer Prize-winning journalist Jonathan Freedman volunteered as a writing mentor in some of California's toughest innercity schools. He discovered a program called AVID that gave him hope. In this work of creative non-fiction, Mr. Freedman interweaves the lives of AVID's founder, Mary Catherine Swanson, and six of her original AVID students over a 20-year period, from 1980 to 2000. With powerful personalities, explosive conflicts, and compelling action, *Wall of Fame* portrays the dramatic story of how one teacher in one classroom created a pragmatic program that has propelled thousands of students to college. This story of determination, courage, and hope inspires a new generation of teachers,

students, and parents to fight for change from the bottom up.
