Lady Macbeth Analysis: A Deep Dive into Shakespeare's Ambitious Queen

Introduction:

Shakespeare's *Macbeth* isn't just a tale of ambition and regicide; it's a chilling psychological study, and at its heart lies Lady Macbeth, a woman whose ambition eclipses even her husband's. This in-depth analysis will dissect Lady Macbeth's character, exploring her motivations, her descent into madness, and her lasting impact on the play's tragic trajectory. We'll examine her pivotal scenes, analyze her language, and delve into the complex interplay between her ambition and her conscience, ultimately offering a nuanced understanding of one of Shakespeare's most compelling and terrifying characters. This comprehensive guide will serve as your ultimate resource for understanding Lady Macbeth, going beyond superficial interpretations to uncover the depths of her psychological complexity.

1. The Catalyst of Ambition: Lady Macbeth's Initial Drive

Lady Macbeth's ambition isn't inherent; it's ignited by the news of the witches' prophecy. Unlike Macbeth, initially hesitant and plagued by moral qualms, Lady Macbeth immediately grasps the potential for power. Her initial soliloquy ("Come, you spirits / That tend on mortal thoughts, unsex me here...") reveals a willingness to shed her femininity, perceived as a weakness, to pursue her ambition ruthlessly. This isn't merely a desire for power; it's a deep-seated craving for control, a desire to shape destiny rather than be subjected to it. She actively manipulates Macbeth, exploiting his insecurities and ambitions to push him towards regicide. Her strategic use of language, emphasizing masculinity and strength, underscores her calculated approach to achieving her goals.

2. The Manipulation Master: Lady Macbeth's Influence on Macbeth

Lady Macbeth is a master manipulator. She doesn't force Macbeth; rather, she subtly undermines his resolve, playing on his pride and his desire for recognition. Her famous "Are you a man?" line isn't a simple insult; it's a carefully crafted jab at his masculinity, subtly suggesting weakness and indecisiveness. She expertly weaves a narrative that portrays regicide as a necessary step towards greatness, effectively silencing his conscience. This manipulation isn't brute force; it's a sophisticated psychological warfare that highlights her understanding of human weakness and her ability to exploit it for her own gain.

3. The Crumbling Facade: Lady Macbeth's Descent into Madness

The murder of Duncan marks a turning point. While Macbeth struggles with guilt, Lady Macbeth initially appears unaffected, projecting an image of unwavering strength. However, the weight of her actions and the constant threat of discovery gradually erode her composure. Her sleepwalking scenes are crucial in revealing her inner turmoil. The fragmented imagery and guilt-ridden pronouncements ("Out, damned spot! Out, I say!") vividly depict the breakdown of her mental state. This descent into madness isn't simply a consequence of guilt; it reflects the devastating impact of suppressing her conscience and the ultimate failure of her ambition to bring lasting happiness.

4. Gender Roles and Expectations: A Feminist Reading of Lady Macbeth

A feminist interpretation of Lady Macbeth challenges conventional views of her as simply a villainous temptress. Her ambition can be seen as a rebellion against the restrictive gender roles of her time. By rejecting traditional feminine traits and embracing masculine strength, she attempts to exert control in a patriarchal society. However, her ultimate downfall highlights the limitations and inherent contradictions of this rebellion. She achieves power by adopting masculine characteristics, yet ultimately pays the price, suggesting that the very system she seeks to conquer ultimately defeats her.

5. The Tragic Irony: Lady Macbeth's Unfulfilled Ambitions

Despite her initial success in manipulating Macbeth and seizing power, Lady Macbeth's ambition remains tragically unfulfilled. The kingdom descends into chaos, marked by paranoia, betrayal, and violence. The very power she craved brings her nothing but misery and madness. The tragic irony lies in the fact that her relentless pursuit of ambition leads to her complete destruction, highlighting the destructive nature of unchecked ambition and the impossibility of escaping the consequences of one's actions.

6. Language and Imagery: Deconstructing Lady Macbeth's Rhetoric

Lady Macbeth's language is a powerful tool in her arsenal. She utilizes sharp, concise imagery, often employing metaphors related to darkness, blood, and the supernatural to exert control and manipulate others. The contrast between her outwardly strong demeanor and the underlying anxieties revealed through her language creates a compelling psychological portrait. Analyzing her specific word choices and the imagery she uses provides crucial insight into her motivations, her state of mind, and the evolution of her character throughout the play.

7. Lady Macbeth and Masculinity: A Re-evaluation

Lady Macbeth's relentless pursuit of masculinity is a key element of her character. Her rejection of feminine attributes and her appropriation of masculine traits are not simply a means to an end; they represent a profound critique of gender roles and the societal constraints placed upon women. By examining her actions and language through this lens, we can gain a deeper understanding of the social context of the play and the limitations imposed on women in Shakespeare's time. This analysis moves beyond simple villainization and invites a more nuanced exploration of her character within its historical context.

8. Comparing Lady Macbeth to Other Shakespearean Female

Characters:

Comparing Lady Macbeth to other strong female characters in Shakespeare's works, such as Cleopatra or Rosalind, reveals both similarities and stark differences. While all exhibit strength and agency, Lady Macbeth's ambition is uniquely ruthless and destructive. This comparative analysis enriches our understanding of her character by placing her within a broader context of Shakespearean female representation, allowing for a more nuanced appreciation of her unique complexities.

9. Lady Macbeth's Legacy and Enduring Relevance:

Lady Macbeth's character transcends the confines of Elizabethan England. Her ambition, her descent into madness, and her ultimate demise continue to resonate with modern audiences. Her story serves as a cautionary tale about the dangers of unchecked ambition and the corrosive effects of power. Her enduring appeal lies in the timeless exploration of human nature, the complex interplay between ambition and conscience, and the enduring struggle for control.

A Sample Essay Outline: Lady Macbeth: A Study in Ambition and Ruin

I. Introduction:

Brief overview of Macbeth and Lady Macbeth's role.

Thesis statement: Lady Macbeth's ambition, though initially powerful, ultimately leads to her tragic downfall, revealing the destructive nature of unchecked desire and the inescapable consequences of morally reprehensible actions.

II. The Catalyst of Ambition:

Analysis of Lady Macbeth's initial soliloquies and her response to the witches' prophecy.

Examination of her manipulation of Macbeth and her exploitation of his vulnerabilities.

III. The Descent into Madness:

Exploration of the psychological toll of regicide on Lady Macbeth.

Detailed analysis of the sleepwalking scene and its symbolic significance.

Discussion of the contrast between her public persona and her inner turmoil.

IV. Gender and Power:

Feminist interpretation of Lady Macbeth's rejection of traditional femininity.

Analysis of the societal constraints that shape her ambition and ultimate downfall.

V. Conclusion:

Restatement of thesis in light of the analysis presented.

Summary of Lady Macbeth's significance as a complex and enduring character.

Reflection on the timeless relevance of her story.

(The essay itself would expand on each of these points with detailed textual evidence and critical analysis.)

9 Unique FAQs:

1. What motivates Lady Macbeth's ambition? Her ambition stems from a desire for power and control, fueled by the witches' prophecy and a perceived lack of agency within a patriarchal society.

1. How does Lady Macbeth manipulate Macbeth? She uses psychological manipulation, playing on his ambition and insecurities, to persuade him to commit regicide.

1. What is the significance of Lady Macbeth's sleepwalking scene? This scene reveals her inner turmoil, guilt, and the disintegration of her mental state.

1. Is Lady Macbeth a feminist icon or a villain? She's a complex character that defies simple categorization. Her actions challenge traditional gender roles, but her methods are ruthless and her ultimate fate tragic.

1. How does Lady Macbeth's language contribute to her characterization? Her use of imagery and rhetoric reflects her strength, ambition, and subsequent descent into madness.

1. What is the tragic irony of Lady Macbeth's ambition? Her relentless pursuit of power ultimately leads to her ruin and unhappiness.

1. How does Lady Macbeth compare to other Shakespearean female characters? While strong female characters are prevalent in Shakespeare, Lady Macbeth stands out for her ruthlessness and the extreme consequences of her ambition.

1. What is the enduring relevance of Lady Macbeth's story? Her character resonates with modern audiences because of her exploration of ambition, guilt, and the destructive nature of unchecked power.

1. What are some critical interpretations of Lady Macbeth's character? Critical interpretations vary, from viewing her as a purely evil villain to recognizing her complexity and the societal factors that shaped her actions.

lady macbeth analysis: Lady Macbeth Susan Fraser King, 2008-02-12 From towering crags to misted moors and formidable fortresses, Lady Macbeth transports readers to the heart of eleventh-century Scotland, painting a bold, vivid portrait of a woman much maligned by history. Lady Gruadh—Rue—is the last female descendant of Scotland's most royal line. Married to a

powerful northern lord, she is widowed while still carrying his child and forced to marry her husband's murderer: a rising warlord named Macbeth. As she encounters danger from Vikings, Saxons, and treacherous Scottish lords, Rue begins to respect the man she once despised. When she learns that Macbeth's complex ambitions extend beyond the borders of the vast northern region, she realizes that only Macbeth can unite Scotland. But his wife's royal blood is the key to his ultimate success. Determined to protect her son and a proud legacy of warrior kings and strong women, Rue invokes the ancient wisdom and secret practices of her female ancestors as she strives to hold her own in a warrior society. Finally, side by side as the last Celtic king and queen of Scotland, she and Macbeth must face the gathering storm brought on by their combined destiny. This is Lady Macbeth as you've never seen her.

lady macbeth analysis: The Lady Macbeth of the Mtsensk District Nikolai Leskov, 2020-12-17 The Lady Macbeth of the Mtsensk District deals with the theme of the subordinate role expected from women in 19th-century European society. Also it revolves around adultery, provincial life and the planning of murder by a woman, hence the title inspired by the Shakespearean character Lady Macbeth from his play Macbeth.

lady macbeth analysis: *Is This a Dagger Which I See Before Me?* William Shakespeare, 2016-03-03 'And when I shall die, Take him and cut him out in little stars.' This collection of Shakespeare's soliloquies, including both old favourites and lesser-known pieces, shows him at his dazzling best. One of 46 new books in the bestselling Little Black Classics series, to celebrate the first ever Penguin Classic in 1946. Each book gives readers a taste of the Classics' huge range and diversity, with works from around the world and across the centuries - including fables, decadence, heartbreak, tall tales, satire, ghosts, battles and elephants.

lady macbeth analysis: Shakespeare's "Macbeth" - Analysis of the influence of evil on the mainprotagonist Macbeth Jessica Hecht, 2003-04-14 Seminar paper from the year 2002 in the subject English Language and Literature Studies - Literature, grade: very good, Ruhr-University of Bochum (FB Anglistics), language: English, abstract: In this paper I am going to analyse the influence of evil on the mainprotagonist of Shakespeare's tragedy "Macbeth". In order to do this it is necessary to point out the way of analysis I prefer. First I will present some needed background information about the author himself and the Elizabethan World Picture. The next part introduces the reader to the play "Macbeth" and its actions. This is in order to lead over to the proper analysis where I will try to identify the play's spirit of evil with its personifications in nature and other protagonists and special regard to its influence on Macbeth until he is finally destroyed by it. This analysis will be supported by further focus on the imagery and the language which Shakespeare has used. To understand and to be able to interpret Shakespeare it is necessary to know some important facts about the way of life and thoughts at Shakespeare's lifetime. The Elizabethan Era was characterised by hierarchy and thoughts of extreme order. People thought that everything in the universe had got its own specific position in their strict order. You can find this world of ideas in the assemblage of the universe as well. This cosmological constellation hasn't told only about the order and the position of the human being in this cosmos but also about the relations of the interconnected creation and the relation between cosmos and God (cf. picture 1 on p. 15) The ideas of this world picture can already be found in the antiquity but it was improved in all its details by the scholastic philosophy. In this chapter of my paper I am going to introduce you to one of the three main forms of the Elizabethan World Pictures: the chain of being. The whole universe is divided into a ladder. At its ground there are the non-living elements and at its top there is God. At first you can find the elements, liquids, metals, then vegetation and the animals. The human beings stand over the animals because of their reason. The angels follow the human beings as non-materialistic and spiritual creatures. God is at the top as the creator of this chain. lady macbeth analysis: The Hysteria of Lady Macbeth Isador Henry Coriat, 1912

lady macbeth analysis: Macbeth Jo Nesbo, 2018-04-10 A NEW YORK TIMES NOTABLE BOOK

OF 2018 Shakespeare's dark and tragic play retold in a heart-pounding New York Times bestselling thriller from the author of *The Snowman* and *The Thirst*. Set in the 1970s in a run-down, rainy industrial town, Jo Nesbo's *Macbeth* centers around a police force struggling to shed an incessant drug problem. Duncan, chief of police, is idealistic and visionary, a dream to the townspeople but a nightmare for criminals. The drug trade is ruled by two drug lords, one of whom—a master of manipulation named Hecate—has connections with the highest in power, and plans to use them to get his way. Hecate's plot hinges on steadily, insidiously manipulating Inspector Macbeth: the head of SWAT and a man already susceptible to violent and paranoid tendencies. What follows is an unputdownable story of love and guilt, political ambition, and greed for more, exploring the darkest corners of human nature, and the aspirations of the criminal mind.

lady macbeth analysis: King Lear Jeffrey Kahan, 2008-04-18 Is King Lear an autonomous text, or a rewrite of the earlier and anonymous play King Leir? Should we refer to Shakespeare's original quarto when discussing the play, the revised folio text, or the popular composite version, stitched together by Alexander Pope in 1725? What of its stage variations? When turning from page to stage, the critical view on King Lear is skewed by the fact that for almost half of the four hundred years the play has been performed, audiences preferred Naham Tate's optimistic adaptation, in which Lear and Cordelia live happily ever after. When discussing King Lear, the question of what comprises 'the play' is both complex and fragmentary. These issues of identity and authenticity across time and across mediums are outlined, debated, and considered critically by the contributors to this volume. Using a variety of approaches, from postcolonialism and New Historicism to psychoanalysis and gender studies, the leading international contributors to *King Lear: New Critical Essays* offer major new interpretations on the conception and writing, editing, and cultural productions of King Lear. This book is an up-to-date and comprehensive anthology of textual scholarship, performance research, and critical writing on one of Shakespeare's most important and perplexing tragedies. Contributors Include: R.A. Foakes, Richard Knowles, Tom Clayton, Cynthia Clegg, Edward L. Rocklin, Christy Desmet, Paul Cantor, Robert V. Young, Stanley Stewart and Jean R. Brink

lady macbeth analysis: Shakespeare the Thinker Anthony David Nuttall, 2007-01-01 Offers a critical analysis of the themes, ideas, and preoccupation exemplified in the body of Shakespeare's work, including the nature of motive, cause, personal identity and relation, the status of imagination, ethics and subjectivity, and language and its capacity to occlude and communicate, in a study that

emphasizes the link between great literature and its social and historical matrix.

lady macbeth analysis: The Third Witch Rebecca Reisert, 2002-03-02 Rebecca Reisert's mesmerizing first novel re-imagines Macbeth, Shakespeare's classic tragedy of power and madness, through the eyes of a mysterious young woman on a dangerous quest for vengeance. For the girl called Gilly, life in the wilds of Birnam Wood is little more than a desperate struggle for survival. Seven long years have passed since she was first taken in and sheltered by Nettle and Mad Helga, the hut-dwelling wise-women whose inscrutable powers of alchemy and prophecy are feared and reviled throughout good King Duncan's kingdom. Living under the threat of deadly persecution by witch-hunting villagers, the threesome ekes out a life by peddling potions and elixirs, scavenging for food, and robbing the bloodied corpses of Scotland's battle-scarred hills for precious metals and weapons. But Gilly is haunted by recollections of a much brighter life. She clings to fading memories of a time when she was contented and adored -- until tragedy swept all that happiness away and young Gilly's life was changed forever. I have made my life an arrow, and His heart is my home. I have made my heart a blade, and His heart is my sheath....Obsessed with avenging her loss and putting out the fire that still rages in her heart, Gilly has dedicated herself to destroying Macbeth, the boundlessly ambitious man who took away her childhood, and his goading wife. Disguising herself as a poor servant boy, she insinuates herself into their lives and, as she bears horrified witness to Macbeth's violent path to power, Gilly subtly begins to take a hand in the forces governing his fate. But as the culmination of her revenge draws near, Gilly finds her own life at risk when she confronts the troubling legacy of a long-concealed heritage. *The Third Witch* is a brilliantly imagined, wonderfully satisfying novel. In a riveting story of ruthlessness and revenge, debut author Rebecca Reisert demonstrates a profound understanding of the Bard's timeless drama -- and of the real-life Macbeth upon whom Shakespeare's incarnation is modeled.

lady macbeth analysis: *The Merchant of Venice* William Shakespeare, 1917

lady macbeth analysis: *Julius Caesar* William Shakespeare, 2010-02-12 What actions are justified when the fate of a nation hangs in the balance, and who can see the best path ahead? Julius Caesar has led Rome successfully in the war against Pompey and returns celebrated and beloved by the people. Yet in the senate fears intensify that his power may become supreme and threaten the welfare of the republic. A plot for his murder is hatched by Caius Cassius who persuades Marcus Brutus to support him. Though Brutus has doubts, he joins Cassius and helps organize a group of conspirators that assassinate Caesar on the Ides of March. But, what is the cost to a nation now erupting into civil war? A fascinating study of political power, the consequences of actions, the meaning of loyalty and the false motives that guide the actions of men, *Julius Caesar* is action packed theater at its finest.

lady macbeth analysis: *Daemonologie* King James, 2018-05-26 *Daemonologie*-in full *Daemonologie*, In Forme of a Dialogue, Divided into three Books: By the High and Mighty Prince, James &c.-was written and published in 1597 by King James VI of Scotland (later also James I of England) as a philosophical dissertation on contemporary necromancy and the historical relationships between the various methods of divination used from ancient black magic. This included a study on demonology and the methods demons used to bother troubled men while touching on topics such as werewolves and vampires. It was a political yet theological statement to educate a misinformed populace on the history, practices and implications of sorcery and the reasons for persecuting a witch in a Christian society under the rule of canonical law. This book is believed to be one of the main sources used by William Shakespeare in the production of *Macbeth*. Shakespeare attributed many quotes and rituals found within the book directly to the Weird Sisters, yet also attributed the Scottish themes and settings referenced from the trials in which King James was involved.

lady macbeth analysis: *An Essay on the Character of Macbeth* William Shakespeare, 1846

lady macbeth analysis: *Sonnets* William Shakespeare, 2014-12-16 Among the most enduring poetry of all time, William Shakespeare's 154 sonnets address such eternal themes as love, beauty, honesty, and the passage of time. Written primarily in four-line stanzas and iambic pentameter, Shakespeare's sonnets are now recognized as marking the beginning of modern love poetry. The sonnets have been translated into all major written languages and are frequently used at romantic celebrations. Known as "The Bard of Avon," William Shakespeare is arguably the greatest English-language writer known. Enormously popular during his life, Shakespeare's works continue to resonate more than three centuries after his death, as has his influence on theatre and literature. Shakespeare's innovative use of character, language, and experimentation with romance as tragedy served as a foundation for later playwrights and dramatists, and some of his most famous lines of dialogue have become part of everyday speech. HarperPerennial Classics brings great works of literature to life in digital format, upholding the highest standards in ebook production and celebrating reading in all its forms. Look for more titles in the HarperPerennial Classics collection to build your digital library.

lady macbeth analysis: AQA English Language Paper 1 Practice Papers Grainne Hallahan, Andrew Bruff, 2019-03-08 If you're at this point, you must be getting ready for your English language exams, so we have a few words of advice for you: Exams aren't bad. They're your opportunity to show off just how much you know about English--and you have been studying it since you were five, so you definitely know a thing or two! Don't worry about your exams--worry never changes anything--instead, try and see them as an opportunity to show off what you know. Practising exam papers is a good way to revise and, because this exam is still relatively new, there aren't that many past papers out there. The papers in this book have been created to try and replicate the exam experience for you. Some people might suggest using your literature texts for practice, but the whole point of this exam is that it is unseen: it's best to work on extracts you've never read before. There is more than one way to tackle an exam paper. You could sit it in one go and complete it in exam conditions from start to finish. You could go at the papers gently, with modelled examples in front of you to help (check out the videos at [youtube.com/mrbruff](https://www.youtube.com/mrbruff)). Another method is to try three question themes all in a row, slide tackling your way through the paper. You might want to complete all of the Section B questions before beginning Section A. However you do it, take your time, and use the indicative content at the end to check your work. The indicative content isn't everything. You might make a point that we haven't included. Marking your own work is quite difficult so, although these are good to practise on, you should share with someone who understands the marking system to mark your work and give you feedback. This book is not a guide to the exam: it is a set of practice papers. For a detailed question-by-question guide to AQA English language, you should pick up a copy of 'Mr Bruff's Guide to GCSE English Language' in paperback on Amazon, or eBook at [mrbruff.com](https://www.mrbruff.com). Please note: we are not endorsed by or affiliated to the AQA exam board. We are simply two experienced teachers creating resources.

lady macbeth analysis: The Different Representations of Lady Macbeth's Character in Shakespeare's Tragedy and in Kurzels Adaptation Elli Elsan, 2021-07-16 Seminar paper from the year 2019 in the subject English Language and Literature Studies - Literature, grade: 1.7, University of Bonn, language: English, abstract: This term paper will focus on Kurzels adaptation, more precisely it will focus on one of Shakespeare's most controversial characters: Lady Macbeth. Reading Shakespeare offers the reader the opportunity to interpret Lady Macbeth in different ways. While some adaptations present Lady Macbeth as an evil woman who has a masculine side, others present her more as a potent person and give her an empowering touch, there are also people who might see her as a victim of her devotion to her husband. Focusing on the female gender, this paper

will analyse and compare how Lady Macbeth is presented and illustrated in Shakespeare's original play and in Kurzel's Adaptation. First, the paper is going to give a general overview on 'Feminist Theory' by introducing key terms that are significant for the analysis. Then it will give a short overview of the characteristics of an ideal Elizabethan woman. The main part will focus on two scenes in which Lady Macbeth is actively present. After deconstructing the selected Lady Macbeth scenes, in the source text and in the adaptation, it will compare them to each other. Therefore, the main part of this paper will analyse the character of Lady Macbeth by focusing on the female gender and comparing how she is represented in the book and in the movie. It will pay attention to the historical context, speech, gestures and mimics, but also on costumes and setting. William Shakespeare was an English poet and playwright, who wrote his poems and plays during the Renaissance. He is known for his various works of literature. "Sonnet 18", Romeo and Juliet and Hamlet are only a few examples of his famous works. His unique plays are dealing with different topics, showing wide knowledge of human behavior, expressed through a vast range of characters. Shakespeare's works are still read and taught not only in school and university but also play a role in our daily lives; his topics are still relevant today. According to the Guinness Book of World Records, Shakespeare's plays and sonnets have been adapted into more than 420 films and TV-Movie versions. Macbeth was filmed 37 times. The most recent Macbeth adaptation is from 2015 by Justin Kurzel.

lady macbeth analysis: William Shakespeare: an analysis of Macbeth's character Alessandro De Vivo, 2007-04-27 Seminar paper from the year 2002 in the subject English Language and Literature Studies - Literature, grade: 2.0, University of Education Ludwigsburg, language: English, abstract: I would like to base my essay on the protagonist Macbeth. Probably composed in late 1606 or early 1607, Macbeth is the last of Shakespeare's tragedies, the others being Hamlet, King Lear and Othello. If Hamlet is the grandest of Shakespeare's plays, Macbeth is from a tragic standpoint the most sublime and the most impressive as an active play. If we just consider the plot, Macbeth is a relatively simple play. In fact like Richard III and numerous pre-Shakespearean plays, it deals with a traditional form: the rise and fall of a great man. In the first part of the play we read about Macbeth's rise to power; then he manages to become king of Scotland. From this moment on he begins with a period of tyranny that will end with Macbeth's death and the accession to the throne of the legitimate king. For this reason he can be considered as the epitome of a tragic hero. In the course of the play we notice a great development of Macbeth's character. At the beginning he is a man much honoured by his countrymen for his leading and courageous part in defence of his good king and native land. During many conflicts he showed his great courage and he continues showing this personal quality also when he becomes king and he has to take a lot of difficult decisions. But this first description about Macbeth's character is not the definitive one: in fact as soon as we meet him, we find out also his negative qualities, for example that he is both ambitious and murderous. It happens when the two Scottish generals, Macbeth and his friend Banquo,

returning victorious from the great battle against a rebel army assisted by the troops of Norway, meet three witches in the middle of the road. They begin to speak to Macbeth: the first of them greets him with the title of Thane of Glaning (so it is in the reality); the second follows by giving him the title of Thane of Cawdor, to which honour he has no pretensions; the third predicts that Macbeth will be king of Scotland. Then turning to Banquo, they prophesy that his son will be king of Scotland. So they turn into the air and vanish. After a while Macbeth and his friend are stopped by some messengers of the king, who are empowered by him to confer upon Macbeth the dignity of Thane of Cawdor: an event so miraculously corresponding with the predictions of the witches astonishes Macbeth, who begins to think about the other and more important prophecy...

lady macbeth analysis: *William Shakespeare Complete Plays* William Shakespeare, 2012 The complete plays of Shakespeare are often considered among the greatest works in all of English literature. Replete with great characters, from the portly and funny Falstaff to the hesitant and obsessive Hamlet, the plays present us with the entire gamut of human personality. They give us an unparalleled look at love and humour, death and tragedy, history and magic. These plays represent the peak of genius and art from the English language's greatest writer.
