larry duncan family business: The Family Business 6 Carl Weber, La Jill Hunt, 2023-01-24

New York Times bestselling author Carl Weber and Essence bestseller La Jill Hunt return with a story of love, money, power, and respect in the next addition of the popular Family Business series. Five years ago, Orlando Duncan created the perfect drug in HEAT. It made the Duncans more than two hundred and fifty million dollars and was on its way to making them billionaires. However, they abruptly stopped manufacturing the drug when it was proven to cause cancer in rats. Yes, even as drug distributors, they still had a moral compass, placing lives over profit despite the overwhelming demand. When Orlando is awakened by an alarm in his old lab, he discovers that not only have all his computers, equipment, and notes been stolen, but the robbers have also taken over a million tabs of HEAT that he'd left behind for future experiments—tabs that he had sworn to his family he would destroy. Dr. Brandi Richardson is one of the most brilliant research chemists in the world, but her propensity for cutting corners led to her firing from both Dow Chemicals and Dupont. She's now

working at CVS as a clerk, but things are about to change for her in a big way. Billionaire Alexander Cora is known as the Moor by business associates and enemies. His company, Cora International, is a publicly traded EU defense contractor. It is also a front for one of the largest weapons, drugs, and illegal contraband smuggling rings in the world. For some reason, he has set his sights on the Duncan family. That can't be good, because Alexander plays for keeps, and he has not been known to lose. Niles Monroe, the handsome hit man and Paris Duncan's one true love, is back from the dead, and it's only a matter of time before he comes looking for her. These rich and powerful people are on a collision course. When the dust settles, who will still be alive, and who will be on top?

larry duncan family business: *Grand Opening 2* Carl Weber, La Jill Hunt, 2017-08-29 For some, love starts with a smile, grows with a kiss, and ends in tears. For four friends from Queens, it's about to get complicated... Best friends Terrance, Trey, Ash, and Devin grew up together in Queens, New York. While bonded by friendship, can they count on each other when life gets heavy and their complex love lives threaten the very essence of their being? Terrance married young, leaving behind his player days for unconditional love. After five years of marriage, the hard-working family man feels that his world is perfect—until he discovers otherwise. Trey is a ladies' man who wants to have his cake and eat it too. Old habits die hard, but will he ever experience the happiness he deeply desires, or will he keep the carousel spinning? Meanwhile, Ash is coming home from prison. He has a lot of catching up to do—with the ladies, that is—and he wants his boys to join him for the ride, just like the good old days. Devin believes in monogamy—not loving a thousand different women, but loving your woman a thousand different ways. He's in love with Danielle and believes he's found true love. Is it real, or merely an illusion?

larry duncan family business: *The Family Business* Carl Weber, Eric Pete, 2012-02-01
By day, the Duncans are an upstanding family who run a thriving car dealership in Queens. By night, they live a dangerous secret life! Carl Weber and Eric Pete deliver a thrilling underworld drama in *The Family Business*. L.C. Duncan, patriarch of the family, is at the age when he's starting to think about retirement in sunny Florida. But the recession is taking a bite out of the business and, worrying more, he has to decide which of his children should take over. When his workaholic son Orlando gets the nod, Orlando's siblings—including the favorite son Vegas, conniving daughter London, glamorous party girl Paris and flamboyant nightclub owner Rio—are up in arms. But so are the Zunigas, a rival family whose fragile business alliance with the Duncans may explode at any moment. When Vegas suddenly breaks away from the family, London's lawyer husband, Harris, makes a play for the company and all hell breaks loose. Selling cars, it turns out, is only a small part of the Duncans' family business. Each member of the family has a secret expertise to reveal. And now, under siege from the Mafia, Mexican drug cartels and the Zunigas, the Duncans will have to stick together—or die separately!

larry duncan family business: *I Love Jesus, But I Want to Die* Sarah J. Robinson, 2021-05-11
A compassionate, shame-free guide for your darkest days “A one-of-a-kind book . . . to read for yourself or give to a struggling friend or loved one without the fear that depression and suicidal thoughts will be minimized, medicalized or over-spiritualized.”—Kay Warren, cofounder of Saddleback Church What happens when loving Jesus doesn't cure you of depression, anxiety, or suicidal thoughts? You might be crushed by shame over your mental illness, only to be told by well-meaning Christians to “choose joy” and “pray more.” So you beg God to take away the pain, but nothing eases the ache inside. As darkness lingers and color drains from your world, you're left wondering if God has abandoned you. You just want a way out. But there's hope. In *I Love Jesus, But I Want to Die*, Sarah J. Robinson offers a healthy, practical, and shame-free guide for Christians struggling with mental illness. With unflinching honesty, Sarah shares her story of battling depression and fighting to stay alive despite toxic theology that made her afraid to seek help outside the church. Pairing her own story with scriptural insights, mental health research, and simple practices, Sarah helps you reconnect with the God who is present in our deepest anguish and discover that you are worth everything it takes to get better. Beautifully written and full of hard-won wisdom, *I Love Jesus, But I Want to Die* offers a path toward a rich, hope-filled life in Christ, even when healing doesn't look like what you expect.

larry duncan family business: Yappy Days Bernadette Duncan, 2016-06-30 Bernadette Duncan spent twenty-six years as a radio talk show producer. In *Yappy Days: Behind the Scenes with Newsers, Schmoozers, Boozers and Losers*, she vividly recounts her adventures in the trenches of big-time talk radio during its most dynamic decades set against the dramatically changing backdrop of America's pre- and post-9/11 realities. This candidly told story includes Bernadette's firsthand impressions of the sometimes quirky celebrity talk show hosts whom she served as a producer during her career. In talk radio, a producer does a wide variety of tasks in facilitating a show, including booking the guests, screening the listener phone calls, occasionally engineering the program, and most important, holding the hands, supporting, consoling, encouraging, and simply trying to get along with some of the most egotistical, egocentric, neurotic, insecure, demanding, opinionated, sometimes horrible, but oftentimes wonderful and always remarkably talented human beings to talk across the face of the earth. They include some of the biggest in the business: Larry King, Sally Jessy Raphael, Gil Gross, Tom Snyder, Lou Dobbs, Charles Osgood, and more. Bernadette also collected a number of insightful anecdotes interacting with hundreds of high-profile guests during those caffeine-charged years, from media, show business, and politics many as quirky, ego-driven, and neurotic as her talk show host bosses. *Yappy Days: Behind the Scenes with Newsers, Schmoozers, Boozers and Losers* is a fun, breezy, informative, and gently analytical look at the media, journalism, and the complex nature of ego.

larry duncan family business: The Family Business 5 Carl Weber, La Jill Hunt, 2020-01-28 New York Times bestselling author Carl Weber and Essence bestseller La Jill Hunt return with a story of love, betrayal and racism in the next addition to the wildly popular *Family Business* series. From the time he was a boy in Georgia, LC Duncan, patriarch and leader of the Duncan clan, has battled racism. Even now that he and his family are truly successful, the racism can still be in-your-face. Maybe it's the political climate or perhaps it's just bad timing, but LC and the rest of the Duncans are being challenged by the ultimate power-hungry racist, Sheriff KD Shrugs. Nevada Duncan is at that age when girls and sex are always on his mind. His handsome face and superior intellect attract Kia, the beautiful "Blasian" call girl who tempts him into running away to a place where the Duncans are definitely not wanted—El Paso, Texas, the home of KD Shrugs. What is the worst thing that can happen to a handsome, rich millennial? Rio Duncan would say it's mistaken identity after being beat down in a nightclub by someone who thinks he's Roman Johnson, a stickup kid who happens to be Rio's doppelganger. What happens next will open up the biggest can of worms the Duncans have ever had to deal with. Get ready for another roller coaster ride with the Duncan family.

larry duncan family business: Faggots Larry Kramer, 2000 Thirty-nine-year-old Fred Lemish had always hoped that love would find him by the age of forty, and with four days to go, he begins a compulsive, yet humorous, search for that love and commitment, in a classic novel of gay life. Reprint.

larry duncan family business: Searching for Caleb Anne Tyler, 2011-02-23 The beloved bestselling, Pulitzer Prize-winning author brings us a novel that is "funny and lyric and true (*The New Yorker*). Through the syncopated rhythms of the ragtime era to the thumping, rocking beats of the 1970s, generations of Pecks have maintained a determined steadiness. Adamantly middle class—Peck-proud, as the family slogan goes—they are quick to sweep under the rug those members who do not live up to their standards. Maybe that's why Caleb Peck took off with his violincello as a boy? Sixty years later, his brother Daniel is still wondering. No longer willing to live without answers, he turns to his daughter-in-law, Justine, another Peck family eccentric. A studied tarot card reader, Justine comes across one message over and over in the cards: change is coming. With Daniel's help, she's hoping to find the courage to embrace whatever happens next. An unlikely pair struggling against a stifling family, Daniel and Justine believe they'll find freedom in just the right mix of magic, music, and mystery.

larry duncan family business: Strengthening Forensic Science in the United States National Research Council, Division on Engineering and Physical Sciences, Committee on Applied

and Theoretical Statistics, Policy and Global Affairs, Committee on Science, Technology, and Law, Committee on Identifying the Needs of the Forensic Sciences Community, 2009-07-29 Scores of talented and dedicated people serve the forensic science community, performing vitally important work. However, they are often constrained by lack of adequate resources, sound policies, and national support. It is clear that change and advancements, both systematic and scientific, are needed in a number of forensic science disciplines to ensure the reliability of work, establish enforceable standards, and promote best practices with consistent application. Strengthening Forensic Science in the United States: A Path Forward provides a detailed plan for addressing these needs and suggests the creation of a new government entity, the National Institute of Forensic Science, to establish and enforce standards within the forensic science community. The benefits of improving and regulating the forensic science disciplines are clear: assisting law enforcement officials, enhancing homeland security, and reducing the risk of wrongful conviction and exoneration. Strengthening Forensic Science in the United States gives a full account of what is needed to advance the forensic science disciplines, including upgrading of systems and organizational structures, better training, widespread adoption of uniform and enforceable best practices, and mandatory certification and accreditation programs. While this book provides an essential call-to-action for congress and policy makers, it also serves as a vital tool for law enforcement agencies, criminal prosecutors and attorneys, and forensic science educators.

larry duncan family business: *China's Influence and American Interests* Larry Diamond, Orville Schell, 2019-08-01 While Americans are generally aware of China's ambitions as a global economic and military superpower, few understand just how deeply and assertively that country has already sought to influence American society. As the authors of this volume write, it is time for a wake-up call. In documenting the extent of Beijing's expanding influence operations inside the United States, they aim to raise awareness of China's efforts to penetrate and sway a range of American institutions: state and local governments, academic institutions, think tanks, media, and businesses. And they highlight other aspects of the propagandistic "discourse war" waged by the Chinese government and Communist Party leaders that are less expected and more alarming, such as their view of Chinese Americans as members of a worldwide Chinese diaspora that owes undefined allegiance to the so-called Motherland. Featuring ideas and policy proposals from leading China specialists, *China's Influence and American Interests* argues that a successful future relationship requires a rebalancing toward greater transparency, reciprocity, and fairness. Throughout, the authors also strongly state the importance of avoiding casting aspersions on Chinese and on Chinese Americans, who constitute a vital portion of American society. But if the United States is to fare well in this increasingly adversarial relationship with China, Americans must have a far better sense of that country's ambitions and methods than they do now.

larry duncan family business: *Lookin' For Luv* Carl Weber, 2014-08-26 A Man's World Novel Can four guys find love in New York City? Kevin left behind a chance at the NBA to coach delinquents, but his toughest assignment is finding a girl who won't make his mama's church group fall into praying mode. . .A teacher and a poet, Antoine can make a sister feel beautiful—or want to beat him with a blow dryer. . .Tyrone has talent, attitude, and a crush on his boss's wife. . .And Maurice is all that, if that means rude, arrogant, and dishonest. Kevin's got the looks. Antoine's got heart and soul. Tyrone's got the skills. And Maurice has player moves. They got it all, except for the one thing that matters most—the love of a good woman. What they find when they try a dating service is a riotous trip through religious freaks, hootchie mamas, chicken heads, gold diggers, and some serious Brides of Funkenstein. One thing's for certain—when you play the game of love, you've got to be ready for anything.

larry duncan family business: Daughters of Eve Lois Duncan, 2011-10-03 The girls at Modesta High School feel like they're stuck in some anti-feminist time warp—they're faced with sexism at every turn, and they've had enough. Sponsored by their new art teacher, Ms. Stark, they band together to form the Daughters of Eve. It's more than a school club—it's a secret society, a sisterhood. At first, it seems like they are actually changing the way guys at school treat them. But Ms. Stark urges them to take more vindictive action, and it starts to feel more like revenge—brutal revenge. Blinded by their oath of loyalty, the Daughters of Eve become instruments of vengeance. Can one of them break the spell before real tragedy strikes?

larry duncan family business: Truestory Catherine Simpson, 2024-06-11 A mother tethered to her home—by an autistic son who's tethered to his computer—yearns for freedom in this “sharply observed” novel: “A terrific read.” —The Herald Alice's life is dictated by her autistic son, Sam, who refuses to leave their remote Lancashire farm. Her only escape is two hours in Lancaster on Tuesday afternoons. Then one day, her husband brings rootless wanderer Larry to the farm to embark on a money-making scheme. Alice is hostile—but Larry beguiles Sam with tales of travel in the outside world and, soon, Alice begins to fall for him, too. By turns blackly comic, heartbreaking, and heartwarming, Truestory looks at what happens when sacrifice slithers towards martyrdom, and how even when we feel trapped in our lives, we sometimes have more options than we realise. “Moving but never mawkish, and ultimately hopeful, providing a sympathetic portrait of a family struggling with autism in straitened times. Sam's on-line interactions with a motley group of friends are laugh-out-loud funny.” —Sunday Mirror “[Simpson's] writing is vivid, perceptive and acute.” —James Robertson, Walter Scott Prize-winning author of *News of the Dead*

larry duncan family business: Without Separation Larry Dane Brimner, 2021-09-14 Here is the story of Roberto Alvarez, whose court battle against racism and school segregation in Lemon Grove, CA, is considered the first time an immigrant community used the courts to successfully fight injustice. Roberto Alvarez's world changed the day he could no longer attend Lemon Grove Grammar School in the small, rural community where he lived near San Diego, California. He and the other Mexican American students were told they had to go to a new, separate school. A school just for them. A school where they would not hold back the other students. But Roberto and the other students and their families believed the new school's real purpose was to segregate, to separate. They didn't think that was right, or just, or legal. This historical fiction picture book by Sibert award-winning author Larry Dane Brimner and Pura Belpré award-winning illustrator Maya Gonzalez follows Roberto and the other immigrant families on their journey in 1931 as they battle against separation and prejudice in one of America's landmark segregation cases.

larry duncan family business: Psychic Connections Lois Duncan, William George Roll, 1995 A few centuries ago, said Bill Roll, natural science museums threw out their collections of meteorites, because astronomers were convinced there were no stones in the sky. And it wasn't too long ago that physicists asserted that the atom was the smallest bit of matter. Now there is a whole science called quantum physics based on the study of subatomic particles. It's incredible the number of 'miracles' we accept today without question that yesterday's teachers of science told us were impossible. When I considered that statement, I realized he was right. There was a time when the idea of the telephone seemed impossible, yet today few people are without one. The same holds true of a radio. And as a child I would have found the concept of television too ridiculous even to contemplate, yet now I take it for granted that, at the punch of a button, a blank screen will come alive with all sorts of activity. If we can accept our ability to communicate with friends from a distance through the use of telephones and radios, and the fact that a picture can be broken into bits and transported invisibly through space to reassemble itself in our living room, why should we find it hard to accept the possibility that a thought might be transmitted from one mind to another as in telepathy? --Lois Duncan, from *Psychic Connections: A Journey into the Mysterious World Of Psi* Past our ability to obtain information by using the five basic senses--sight, hearing, smell, touch, and taste--lies...what? *Psychic Connections: A Journey into the Mysterious World of Psi* is a nonfiction work about parapsychology which introduces readers to the fascinating world of ESP, or

extrasensory perception. Based on laboratory research and documented case histories, it addresses such subjects as astral projection (out-of-body experiences); NDEs (near-death experiences); apparitions and hauntings; poltergeists; psychokinesis; channeling and mediumship; clairvoyance; levitation; precognition; telepathy; psychic healing; and practical applications of ESP, such as the use of psychic detectives by law enforcement agencies. Containing photographs, a glossary, an index, and a list of sources, *Psychic Connections* is the basic book on parapsychology. Compelling and thought-provoking, it belongs on every thinking person's bookshelf.

larry duncan family business: *Guantánamo Diary* Mohamedou Ould Slahi, 2017-10-17 The acclaimed national bestseller, the first and only diary written by a Guantánamo detainee during his imprisonment, now with previously censored material restored. When GUANTÁNAMO DIARY was first published--heavily redacted by the U.S. government--in 2015, Mohamedou Ould Slahi was still imprisoned at the detainee camp in Guantánamo Bay, Cuba, despite a federal court ruling ordering his release, and it was unclear when or if he would ever see freedom. In October 2016, he was finally released and reunited with his family. During his 14-year imprisonment, the United States never charged him with a crime. Now for the first time, he is able to tell his story in full, with previously censored material restored. This searing diary is not merely a vivid record of a miscarriage of justice, but a deeply personal memoir--terrifying, darkly humorous, and surprisingly gracious. GUANTÁNAMO DIARY is a document of immense emotional power and historical importance.

larry duncan family business: *Why Should the Devil Have All the Good Music?* Gregory Thornbury, 2018-03-20 The riveting, untold story of the "Father of Christian Rock" and the conflicts that launched a billion-dollar industry at the dawn of America's culture wars. In 1969, in Capitol Records' Hollywood studio, a blonde-haired troubadour named Larry Norman laid track for an album that would launch a new genre of music and one of the strangest, most interesting careers in modern rock. Having spent the bulk of the 1960s playing on bills with acts like the Who, Janis Joplin, and the Doors, Norman decided that he wanted to sing about the most countercultural subject of all: Jesus. *Billboard* called Norman "the most important songwriter since Paul Simon," and his music would go on to inspire members of bands as diverse as U2, The Pixies, Guns 'N Roses, and more. To a young generation of Christians who wanted a way to be different in the American cultural scene, Larry was a godsend--spinning songs about one's eternal soul as deftly as he did ones critiquing consumerism, middle-class values, and the Vietnam War. To the religious establishment, however, he was a thorn in the side; and to secular music fans, he was an enigma, constantly offering up Jesus to problems they didn't think were problems. Paul McCartney himself once told Larry, "You could be famous if you'd just drop the God stuff," a statement that would foreshadow Norman's ultimate demise. In *Why Should the Devil Have all the Good Music?*, Gregory Alan Thornbury draws on unparalleled access to Norman's personal papers and archives to narrate the conflicts that defined the singer's life, as he crisscrossed the developing fault lines between Evangelicals and mainstream American culture--friction that continues to this day. What emerges is a twisting, engrossing story about ambition, art, friendship, betrayal, and the turns one's life can take when you believe God is on your side.

Bansak, 2003-10-09 *Cat People* (1942) and *I Walked with a Zombie* (1943) established Val Lewton's hauntingly graceful style where suggestion was often used in place of explicit violence. His stylish B thrillers were imitated by a generation of filmmakers such as Richard Wallace, William Castle, and even Walt Disney in his

animated Adventures of Ichabod and Mr. Toad (1949). Through interviews with many of Lewton's associates (including his wife and son) and extensive research, his life and output are thoroughly examined.

larry duncan family business: *The Intent to Live* Larry Moss, 2005-12-27 "I call this book *The Intent to Live* because great actors don't seem to be acting, they seem to be actually living." -Larry Moss, from the Introduction When Oscar-winning actors Helen Hunt and Hilary Swank accepted their Academy Awards, each credited Larry Moss's guidance as key to their career-making performances. There is a two-year waiting list for his advanced acting classes. But now everyone—professionals and amateurs alike—can discover Moss's passionate, in-depth teaching. Inviting you to join him in the classroom and onstage, Moss shares the techniques he has developed over thirty years to help actors set their emotions, imagination, and behavior on fire, showing how the hard work of preparation pays off in performances that are spontaneous, fresh, and authentic. From the foundations of script analysis to the nuances of physicalization and sensory work, here are the case studies, exercises, and insights that enable you to connect personally with a script, develop your character from the inside out, overcome fear and inhibition, and master the technical skills required for success in the theater, television, and movies. Far more than a handbook, *The Intent to Live* is the personal credo of a master teacher. Moss's respect for actors and love of the actor's craft enliven every page, together with examples from a wealth of plays and films, both current and classic, and vivid appreciations of great performances. Whether you act for a living or simply want a deeper understanding of acting greatness, *The Intent to Live* will move, instruct, and inspire you.

larry duncan family business: The Comic Offense from Vaudeville to Contemporary Comedy Rick DesRochers, 2014-07-31 The Comic Offense from Vaudeville to Contemporary Comedy examines how contemporary writer/performers are influenced by the comedic vaudevillians of the early 20th century. By tracing the history and legacy of the vaudeville era and performance acts, like the Marx Brothers and The Three Keatons, and moving through the silent and early sound films of the early 1930s, the author looks at how comic writer/performers continue to sell a brand of themselves as a form of social commentary in order to confront and dispel stereotypes of race, class, and gender. The first study to explore contemporary popular comic culture and its influence on American society from this unique perspective, Rick DesRochers analyzes stand-up and improvisational comedy writing/performing in the work of Larry David, Tina Fey, Stephen Colbert, and Dave Chappelle. He grounds these choices by examining their evolution as they developed signature characters and sketches for their respective shows Curb Your Enthusiasm, 30 Rock, The Colbert Report, and Chappelle's Show.
