Accounting Jokes Funny: A Hilarious Look at the World of Numbers

Introduction:

Let's face it, accounting isn't always the most thrilling profession. Long hours, meticulous detail, and the ever-present threat of audit can leave even the most dedicated number-cruncher yearning for a laugh. That's why we've compiled this ultimate collection of accounting jokes – funny, punny, and guaranteed to bring a smile (or even a chuckle) to the faces of accountants, finance professionals, and anyone who appreciates a good, clean joke. Prepare to have your debits and credits delightfully disrupted! This post dives deep into the humorous side of the accounting world, offering a diverse range of jokes to tickle your funny bone. Get ready to experience the fun side of financial figures!

1. Why Did the CPA Cross the Road?

This classic setup allows for multiple punchlines, making it versatile for any audience. Here are a few options:

Punchline 1 (Sarcastic): To get to the other side... and meticulously document the journey in a detailed expense report.

Punchline 2 (Relatable): Because his tax deadline was looming.

Punchline 3 (Absurdist): He was following the trail of mysteriously misplaced receipts.

1. Accountant Jokes: The Punny Ones

Puns are a staple of any good joke collection, and accounting offers a rich landscape for wordplay. Here are a few examples to get you started:

Why was the accountant sad? Because he didn't have many assets.

What do you call a lazy kangaroo? Pouch potato. (Okay, not strictly accounting, but it's relevant to the overall theme of office humour!)

What kind of tree does an accountant climb? A money tree.

Why did the accountant bring a ladder to the party? Because he heard the drinks were on the house!

1. Jokes about Auditing:

Auditing, with its intense scrutiny and detail-oriented nature, provides ample opportunity for humorous observations.

A client asks his auditor: "Is my financial statement accurate?" The auditor replies, "Absolutely, within a reasonable degree of certainty."

Two auditors are reviewing a company's records. One says, "I've found a discrepancy!" The other replies, "That's the spirit! Let's find more!"

An auditor walks into a bar and orders a drink. As he's paying, he notices a discrepancy of one cent on his bill. He calls the manager over and says, "I've found an error in your accounting."

1. Jokes About Bookkeeping:

Bookkeeping, the foundation of accounting, also lends itself to some humorous situations:

Why did the bookkeeper bring a ladder to work? Because he was told to make the balance sheet add up!

A bookkeeper is working late into the night. His wife asks, "Why are you staying up so late?" He replies, "I'm reconciling the bank statement. It's driving me nuts!"

A bookkeeper is asked, "What's the easiest way to make a million dollars in accounting?" They answer, "Start with two million and become a bookkeeper for a small business!"

1. Jokes About Tax Season:

Tax season is a universally dreaded period, making it ripe for comedic relief:

What's an accountant's favorite song? "Tax Man" by The Beatles. (Of course, with a slight twist based on the profession).

Why did the accountant go to jail? He got caught filing fraudulent tax returns.

What's the difference between an accountant and a taxidermist? One prepares your returns, the other prepares your remains.

1. Situational Accounting Jokes:

These jokes leverage common accounting scenarios and amplify the inherent humor in them:

An accountant is explaining a complex financial statement to a client. The client interrupts, "I don't

understand any of this." The accountant replies, "That's because you don't have an accounting degree, sir."

Two accountants are arguing about the correct way to account for a transaction. One says, "It's clearly debit this and credit that!" The other replies, "No way, it's debit that and credit this!" (This speaks to the intricate world of accounting).

An accountant is so focused on his work that he doesn't realize he's wearing mismatched socks.

1. One-Liners for Quick Laughs:

Short, sweet, and to the point, one-liners are perfect for sharing quickly:

I'm not sure what's tighter, my jeans or my budget.

Accountants are like sharks – they always need to be moving or they'll sink.

I'm not saying I'm bad at accounting, but my bank balance is consistently negative.

1. Accounting Jokes for Social Media:

Short, punchy jokes are ideal for social media platforms. You can adapt many of the jokes above for this purpose, adding relevant hashtags like [#accountinghumor](#) [#accountingjokes](#) [#financejokes](#).

1. A Final Thought on Accounting Humor:

The beauty of accounting jokes lies in their ability to relate to a universal understanding of the profession's challenges. It's a way to find humor amidst the numbers, to connect with fellow accountants, and to lighten the mood during stressful times. So, the next time you're crunching numbers, remember these jokes and let them brighten your day!

Blog Post Outline:

Introduction: Hook the reader with a relatable anecdote or question about the challenges of accounting.

Chapter 1: Classic Accounting Jokes: A collection of standard jokes, puns, and one-liners.

Chapter 2: Auditing and Bookkeeping Jokes: Jokes specifically targeting the nuances of auditing and bookkeeping tasks.

Chapter 3: Tax Season Humor: Jokes relating to the stressful but unavoidable tax season.

Chapter 4: Situational Comedy: Jokes based on real-life scenarios faced by accountants.

Chapter 5: Social Media-Friendly Jokes: Short, catchy jokes suitable for quick sharing on social media platforms.

Conclusion: A final thought on the importance of humor in the accounting profession and encourage reader engagement.

Article Explanations (Expanding on Outline Points):

The article would comprehensively cover each point of the outline, expanding on each section with a greater number of jokes and examples. Each chapter would be broken down into subsections for better readability and SEO optimization. For example, "Chapter 1" might have subsections like "Puns," "One-liners," and "Sarcastic Jokes." Each chapter would also include examples of the jokes discussed, as presented above. The conclusion would reinforce the message, encouraging readers to share their favorite accounting jokes and engage in comments.

FAQs:

1. What makes accounting jokes funny? The humor often stems from the relatable challenges and frustrations of the profession.
2. Are there accounting jokes suitable for all audiences? Yes, this post focuses on clean and appropriate humor.
3. Where can I find more accounting jokes? Online forums, social media groups, and accounting websites offer additional resources.
4. Can I use these jokes in my accounting presentations? Use your judgment. Some might be too niche or inappropriate for a formal setting.
5. Why is humor important in the accounting profession? It helps reduce stress and build camaraderie.
6. Are there any accounting joke books available? While not specifically dedicated to jokes, many books on accounting may include anecdotal stories with humor.
7. How can I contribute to this collection of accounting jokes? Share your own jokes in the comments section.
8. Are there any accounting joke competitions? While not widely publicized, such competitions might exist within specific accounting organizations.
9. Can accounting jokes be used for team-building exercises? Yes, they can be a fun icebreaker or part of a team-building activity.

accounting jokes funny: Financial Jokes for Financial Folks Andrew Worden, 2019-09-05

This financial joke book (full of all original accounting and finance dad jokes) is the perfect gift for any businessman or businesswoman who loves telling cheesy jokes, corny jokes, or just plain awful dad jokes! A fantastic novelty gift for an Office Party, Corporate Event, Fathers Day, Dads Birthday & Christmas. All the jokes in this book are clean family friendly jokes. When you open it up, you'll see that the first page has space for a TO: and a FROM:, a cool alternative to a card. Wikipedia describes a Dad Joke as a short bad joke, typically a pun, presented as a one-liner or a question and answer. That means you end up with a lot of groaners and headshakers during gatherings. Your friend/coworker/parent who works in accounting/finance/business will be laughing for the rest of the day after you give them this joke book!

accounting jokes funny: The Accountant's (Bad) Joke Book: Have You Heard the One about ... ? Rick Telberg, 2011-03 Need a Laugh? Okay, maybe just a chuckle and the occasional groan? We've done our best to compile all the (mostly) decent jokes we can find about accountants. (Some are even funny)

accounting jokes funny: Auditor Jokes Chester Croker, 2019-07-13 Have lots of fun and laughter with this hilarious auditors joke book. You will simply be holding your sides and laughing out loud at some of the auditor gags. Some would say this is the definitive, conclusive, final, approved collection of funny jokes for auditors. This book is brand new in July 2019, and it would make a great gift for an auditor that you know who enjoys a laugh. Inside you will find many quality jokes, many cheesy jokes and many stories to make you laugh out loud. Put your calculator away, and buy it now!

accounting jokes funny: Humor, Seriously Jennifer Aaker, Naomi Bagdonas, 2021-02-02 WALL STREET JOURNAL, LOS ANGELES TIMES, AND USA TODAY BESTSELLER • Anyone—even you!—can learn how to harness the power of humor in business (and life), based on the popular class at Stanford's Graduate School of Business. Don't miss the authors' TED Talk, "Why great leaders take humor seriously," online now. "The ultimate guide to using the magical power of funny as a tool for leadership and a force for good."—Daniel H. Pink, #1 New York Times bestselling author of *When and Drive* We are living through a period of unprecedented uncertainty and upheaval in both our personal and professional lives. So it should come as a surprise to exactly no one that trust, human connection, and mental well-being are all on the decline. This may seem like no laughing matter. Yet, the research shows that humor and laughter are among the most valuable tools we have at our disposal for strengthening bonds and relationships, diffusing stress and tension, boosting resilience, and performing when the stakes are high. That's why Jennifer Aaker and Naomi Bagdonas teach the popular course *Humor: Serious Business* at the Stanford Graduate School of Business, where they help some of the world's most hard-driving, blazer-wearing business minds infuse more humor and levity into their work and lives. In *Humor, Seriously*, they draw on findings by behavioral scientists, world-class comedians, and inspiring business leaders to reveal how humor works and—more important—how you can use more of it, better. Aaker and Bagdonas unpack the theory and application of humor: what makes something funny, how to mine your life for material, and simple ways to identify and leverage your unique humor style. They show how to use humor to rebuild vital connections; appear more confident, competent, and authentic at work; and foster cultures where levity and creativity can thrive. President Dwight David Eisenhower once said, "A sense of humor is part of the art of leadership, of getting along with people, of getting things done." If Dwight David Eisenhower, the second least naturally funny president (after Franklin Pierce), thought humor was necessary to win wars, build highways, and warn against the military-industrial complex, then you might consider learning it too.

accounting jokes funny: Glasbergen Cartoons Randy Glasbergen, 2022-04-19 The last works of Randy Glasbergen were found in his office as the family were sorting through items on his desk after his unexpected passing in 2015. The contents of this book are a compilation of new cartoons in just about every topic Randy wrote and drew about. Randy's intention was to add these cartoons to

his extensive online cartoon catalog. Rather than adding these cartoons to the catalog, the family decided to release them in book form as a tribute to his legacy in cartooning.

accounting jokes funny: *Accountant Jokes* Chester Croker, 2019-11-28 Have lots of fun and laughter with this hilarious accountants joke book. You will simply be holding your sides and laughing out loud at some of the accountancy gags. Some would say this is the definitive, conclusive, final, true and fair approved collection of funny jokes for accountants. This accountants joke book is brand new in November 2019, and it would make a great gift for an accountant that you know who enjoys a laugh. Inside you will find many quality accountancy jokes, many cheesy jokes and many funny accountant stories to make you laugh out loud. So, put your calculator away, and buy it now.

accounting jokes funny: *Improv Is No Joke* Peter A. Margaritis, 2015-04-09 Improve your life, where everything's not made up and the points do matter. Drew Carey's show *Whose Line Is It Anyway?* has turned improvisational comedy into a pop culture phenomenon. But improv is more than just laughs—it's a valuable training tool that will make you a more effective business professional. Inside, you will discover how to: • Replace negative phrases like "Yes, but..." with successful terms like "Yes, and..." • Park your agenda and really hear your client out. By listening to understand, you can adapt to their ideas and produce a more positive outcome. • Grow your client relationships beyond the numbers to build rapport, comfort, and trust. *Improv is no Joke* is must-read for accountants, bankers, and other financial professionals to sharpen the invaluable leadership and communication skills you need to successfully relate to clients and communicate complex information in a user-friendly way. "Peter is the first CPA speaker who actually made me laugh. Who knew accountants could be funny AND inspiring? Now, if I could just get my taxes to not be a joke!" —Judy Carter, author of *The Comedy Bible* and *The Message of You*

accounting jokes funny: *Ask a Manager* Alison Green, 2018-05-01 From the creator of the popular website *Ask a Manager* and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit "reply all" • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for *Ask a Manager* "A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work."—Booklist (starred review) "The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience."—Library Journal (starred review) "I am a huge fan of Alison Green's *Ask a Manager* column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor."—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* "Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way."—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

accounting jokes funny: *The Phantom Tollbooth* Norton Juster, 1988-10-12 With almost 5 million copies sold 60 years after its original publication, generations of readers have now journeyed with Milo to the Lands Beyond in this beloved classic. Enriched by Jules Feiffer's splendid illustrations, the wit, wisdom, and wordplay of Norton Juster's offbeat fantasy are as beguiling as ever. "Comes up bright and new every time I read it . . . it will continue to charm and delight for a very long time yet. And teach us some wisdom, too." --Phillip Pullman For Milo, everything's a bore.

When a tollbooth mysteriously appears in his room, he drives through only because he's got nothing better to do. But on the other side, things seem different. Milo visits the Island of Conclusions (you get there by jumping), learns about time from a ticking watchdog named Tock, and even embarks on a quest to rescue Rhyme and Reason. Somewhere along the way, Milo realizes something astonishing. Life is far from dull. In fact, it's exciting beyond his wildest dreams!

accounting jokes funny: *Neptune's Brood* Charles Stross, 2013 After being stalked across the galaxy by an assassin, post-human Krina Alzon-114 journeys to the water-world Shin-Tethys in search of her sister.

accounting jokes funny: Only a Joke Can Save Us Todd McGowan, 2017-09-15 Only a Joke Can Save Us presents an innovative and comprehensive theory of comedy. Using a wealth of examples from high and popular culture and with careful attention to the treatment of humor in philosophy, Todd McGowan locates the universal source of comedy in the interplay of the opposing concepts lack and excess. After reviewing the treatment of comedy in the work of philosophers as varied as Aristotle, G. W. F. Hegel, Sigmund Freud, Henri Bergson, and Alenka Zupancic, McGowan, working in a psychoanalytic framework, demonstrates that comedy results from the deployment of lack and excess, whether in contrast, juxtaposition, or interplay. Illustrating the power and flexibility of this framework with analyses of films ranging from Buster Keaton and Marx Brothers classics to Dr. Strangelove and Groundhog Day, McGowan shows how humor can reveal gaps in being and gaps in social order. Scholarly yet lively and readable, Only a Joke Can Save Us is a groundbreaking examination of the enigmatic yet endlessly fascinating experience of humor and comedy.

accounting jokes funny: *Lacan, Psychoanalysis, and Comedy* Patricia Gherovici, Manya Steinkoler, 2016-08-02 Cutting-edge philosophers, psychoanalysts, literary theorists, and scholars use Freud and Lacan to shed light on laughter, humor, and the comic. Bringing together clinic, theory, and scholarship this compilation of essays offers an original mix with powerful interpretive implications.

accounting jokes funny: Horrid Henry's Joke Book Francesca Simon, 2010-04-01 Warning: Too rude for parents and for slimy toad little brothers! These are Horrid Henry's very own jokes: the jokes that grossed out Mom and Dad... that made Aunt Ruby run home... that sent Miss Battle-Axe screaming from class. Be horrid! Read Henry's jokes. Then tell them to the world!

accounting jokes funny: The Feather Thief Kirk Wallace Johnson, 2018-04-24 As heard on NPR's This American Life "Absorbing . . . Though it's non-fiction, The Feather Thief contains many of the elements of a classic thriller." —Maureen Corrigan, NPR's Fresh Air "One of the most peculiar and memorable true-crime books ever." —Christian Science Monitor A rollicking true-crime adventure and a captivating journey into an underground world of fanatical fly-tiers and plume peddlers, for readers of The Stranger in the Woods, The Lost City of Z, and The Orchid Thief. On a cool June evening in 2009, after performing a concert at London's Royal Academy of Music, twenty-year-old American flautist Edwin Rist boarded a train for a suburban outpost of the British Museum of Natural History. Home to one of the largest ornithological collections in the world, the Tring museum was full of rare bird specimens whose gorgeous feathers were worth staggering amounts of money to the men who shared Edwin's obsession: the Victorian art of salmon fly-tying. Once inside the museum, the champion fly-tier grabbed hundreds of bird skins—some collected 150 years earlier by a contemporary of Darwin's, Alfred Russel Wallace, who'd risked everything to gather them—and escaped into the darkness. Two years later, Kirk Wallace Johnson was waist high in a river in northern New Mexico when his fly-fishing guide told him about the heist. He was soon consumed by the strange case of the feather thief. What would possess a person to steal dead birds? Had Edwin paid the price for his crime? What became of the missing skins? In his search for answers, Johnson was catapulted into a years-long, worldwide investigation. The gripping story of a bizarre and shocking crime, and one man's relentless pursuit of justice, The Feather Thief is also a fascinating exploration of obsession, and man's destructive instinct to harvest the beauty of nature.

accounting jokes funny: What I Was Doing While You Were Breeding Kristin Newman, 2014-05-20 A "truly hilarious" (Glamour), sexy, and ultimately poignant memoir about mastering the

art of the “vacationship” from a writer and co-executive producer of Hulu’s *Only Murders in the Building*—now with a new afterword “What I Was Doing While You Were Breeding is kind of like if *Eat, Pray, Love* were written by your funniest friend.”—Rachel Dratch Kristin Newman spent much of her twenties and thirties buying dresses to wear to her friends’ weddings and baby showers. Not ready to settle down and in need of an escape from her fast-paced job as a sitcom writer, Kristin instead traveled the world, often alone, for several weeks each year. In addition to falling madly in love with the planet, Kristin fell for many attractive locals, men who could provide the emotional connection she wanted without costing her the freedom she desperately needed. Kristin introduces readers to the Israeli bartenders, Finnish poker players, sexy Bedouins, and Argentinean priests who helped her transform into “Kristin-Adjacent” on the road—a slower, softer, and, yes, sluttier version of herself at home. Equal parts laugh-out-loud storytelling, candid reflection, and wanderlust-inspiring travel tales, *What I Was Doing While You Were Breeding* is a compelling debut that will have readers rushing to renew their passports.

accounting jokes funny: *Dad Jokes* Dad Says Jokes, 2019-05-14 A collection of the very best jokes from the hilarious Instagram account @dadsaysjokes - so bad they're good. From the most-followed dad jokes page on Instagram, @dadsaysjokes, comes a collection of hilariously cheesy jokes that will leave your friends and family laughing and groaning in equal measure. This is the perfect gift for dads who want to expand their repertoire and anyone who fancies reminiscing about a childhood full of these no-nonsense 'bad' puns. Here are a couple of tasters: Q: Why do cows have hooves instead of feet? A: Because they lactose. Q: Are you today's date? A: Cuz you're 10/10.

accounting jokes funny: *Christie Malry's Own Double-entry* Bryan Stanley Johnson, 1985 A disaffected young man, Christie Malry, is a simple man who learns the principles of double-entry book-keeping while taking an evening class in accountancy and working in the local bank. He begins to apply these principles to his own life, revenging himself against society in an increasingly violent manner for perceived 'debits'. Debit: the unpleasantness of the bank manager is the first on an ever-growing list; Credit: scratching the façade of the office block. All accounts are settled in the most alarming way.

accounting jokes funny: *Riots I Have Known* Ryan Chapman, 2020-11-17 Longlisted for the 2019 Center for Fiction First Novel Prize, Ryan Chapman’s “gritty, bracing debut” (*Esquire*) set during a prison riot is “dark, daring, and laugh-out-loud hilarious...one of the smartest—and best—novels of the year” (NPR). A largescale riot rages through Westbrook prison in upstate New York, incited by a poem in the house literary journal. Our unnamed narrator, barricaded inside the computer lab, swears he’s blameless—even though, as editor-in-chief, he published the piece in question. As he awaits violent interruption by his many, many enemies, he liveblogs one final Editor’s Letter. *Riots I Have Known* is his memoir, confession, and act of literary revenge. His tale spans a childhood in Sri Lanka, navigating the postwar black markets and hotel chains; employment as a Park Avenue doorman, serving the widows of the one percent; life in prison, with the silver lining of his beloved McNairy; and his stewardship of *The Holding Pen*, a “masterpiece of post-penal literature” favored by Brooklynites everywhere. All will be revealed, and everyone will see he’s really a good guy, doing it for the right reasons. “Fitfully funny and murderously wry,” *Riots I Have Known* is “a frenzied yet wistful monologue from a lover of literature under siege” (Kirkus Reviews).

accounting jokes funny: *Step by Step to Stand-up Comedy* Greg Dean, 2000 If you think you're funny, and you want others to think so too, this is the book for you! Greg Dean examines the fundamentals of being funny and offers advice on a range of topics, including: writing creative joke material rehearsing and performing routines coping with stage fright dealing with emcees who think they're funnier than you are getting experience and lots more. Essential for the aspiring comic or the working comedian interested in updating his or her comedy routine, *Step by Step to Stand-Up Comedy* is the most comprehensive and useful book ever written on the art of the stand-up comedian.

accounting jokes funny: *The Humor Code* Peter McGraw, Joel Warner, 2015-04-28 Part road-trip comedy and part social science experiment, a scientist and a journalist travel the globe to

discover the secret behind what makes things funny, questioning countless experts, including Louis C.K., along the way.

accounting jokes funny: The Grumpy Accountant Neal Winokur, 2021 An entertaining and easy-to-read book about a practical blueprint to simplify Canada's horribly frustratingly overly complicated tax system. The author shares his frustration with a wildly inefficient, impossibly complex and heartlessly impersonal bureaucracy that routinely ensnares honest, hard-working people in its labyrinthine maze. The Grumpy Accountant tells the story of Jerry, a typical Canadian, and George, his trusted grumpy accountant, who guides him through the tax system at every stage in life. The Grumpy Accountant offers 29 critical tax tips for navigating the current broken system, including: -How to avoid common mistakes that invite CRA scrutiny -How to maximize the tax credits, deductions and benefits that you're entitled to -Tax saving strategies for every stage in life: college/university, employment/self-employment, marriage, kids, entrepreneurship, and retirement -How to use online tools to keep organized and stay ahead of the game With an entertaining and easy-to-read style, Winokur reveals a practical, ready-to-implement blueprint for change and simplification. Ready to see what a simpler tax future looks like, while saving serious time, money and headache now? Let The Grumpy Accountant show you the way.

accounting jokes funny: Isn't that Clever Steven Gimbel, 2017-06-26 Isn't That Clever provides a new account of the nature of humor - the cleverness account - according to which humor is intentional conspicuous acts of playful cleverness. This volume asks whether there are limits to what can be said in dealing with a heckler and how do we determine whether one comedian has stolen jokes from another.

accounting jokes funny: Before and Laughter Jimmy Carr, 2022-05-10 *A memoir and self-help manual by one of the country's most treasured comedians - for anyone who feels stuck in a rut but doesn't have the tools or self-belief to shake things up* In his mid-twenties, Jimmy was bored, boring, unfulfilled and underachieving. He wasn't exactly depressed, but he was very sad. Think of a baby owl whose mum has recently died in a windmill accident. He was that sad. This book tells the story of how Jimmy turned it around and got happy, through the redemptive power of dick jokes. Written to take advantage of the brief window between the end of lockdown and Jimmy getting cancelled for saying something unforgivable to Lorraine Kelly, this book is as timely as it is unnecessary. Because you might be interested in Jimmy's life but he's damn sure you're a lot more interested in your own, Before & Laughter is about both of you. But mainly him. It tells the story of Jimmy's life - the transformation from white-collar corporate drone to fake-toothed donkey-laugh plastic-haired comedy mannequin - while also explaining how to turn your own life around and become the you you've always dreamt of being. At just £20, it's cheaper than Scientology, quicker than therapy, and significantly less boring than church. Before & Laughter contains the answers to all the big questions in life, questions like: · What's the secret to happiness? · Is Jimmy wearing a wig? · What happened with that tax thing? · What's the meaning of life? · Is Jimmy's laugh real? · Can those teeth bite through vibranium? And for readers in the West Country: yes, there are pictures (actually, sorry, there are no pictures, but there's a book about a hungry caterpillar you'll love).

Because it's Jimmy Carr - recently scientifically proved to be the funniest comedian in the UK - there are jokes, jokes and more jokes throughout. If laughter really was the best medicine, the NHS would be handing out this book in Nightingale Hospitals. Fascinating, thoughtful and insightful - are all words that appear in the book.

accounting jokes funny: What's So Funny About Getting Old Ed Fischer, Jane Thomas Noland, 2014-03-11 One bonus of getting older is that it gives us a great perspective on life . . . and that includes plenty of humor! This collection of cartoons, quips, quotes, and insights introduces a new comedy genre: elderhumor. It captures the wry hilarity of our real-life sitcoms. Generational vocabulary gaps, miscommunications, preoccupation with health and comforts, foibles, disguises (for aging), even physical limitations -- all can have their funny sides when we're laughing at ourselves. One bonus of getting older is that it gives us a great perspective on life . . . and that includes plenty of humor! This collection of cartoons, quips, quotes, and insights introduces a new comedy genre: elderhumor. It captures the wry hilarity of our real-life sitcoms. Generational vocabulary gaps, miscommunications, preoccupation with health and comforts, foibles, disguises (for aging), even physical limitations -- all can have their funny sides when we're laughing at ourselves. This book, a light-hearted gift for anyone who's 50-plus, is a memoryjogger too. Remember the Katzenjammer Kids? Jack Armstrong? Apple Mary? Check out your friends' ages by their responses to a Vanishing Words test (examples: spider, broomstick skirt, running board, the shag). If you're still calling the refrigerator an icebox, it's a giveaway -- you're probably over 60. What's So Funny about Getting Old? is brought to you by a comedy team of two. Ed Fischer is an award-winning cartoonist. Jane Thomas Noland, author of *Laugh It Off* (what's so funny about trying to lose weight?) is a books editor and a former Minneapolis Star Tribune feature writer. Both have delicious ways of looking at life. Both, like all the rest of us, are getting older. Laughter heals. Laughter helps. Laughter keeps us in shape emotionally and physically. Read this book and try it. You'll be convinced, as these authors are, that there's only one way to grow older -- with a healthy sense of humor!

accounting jokes funny: I Shouldn't Even Be Doing This! Bob Newhart, 2006-09-19 The first book ever from an icon of American comedy -- a hilarious combination of stories from his career and observations about life That stammer. Those basset-hound eyes. That bone-dry wit. There has never been another comedian like Bob Newhart. His comedy albums, movies, and two hit television series have made him a national treasure and placed him firmly in the pantheon of comedy legends. Who else has a drinking game named after him And now, at last, Newhart puts his brilliant and hysterical world view on paper. Never a punch-line comic, always more of a storyteller, he tells anecdotes from throughout his life and career, including his beginnings as an accountant and the groundbreaking success of his comedy albums and *The Bob Newhart Show* and *Newhart*, which gave him fifteen years on primetime television. And he also gives his wry, comedic twist to a multitude of topics, including golf, drinking, and family holidays. Today, Newhart appears on *Desperate Housewives*, in hit movies such as *Elf*, and in theaters around the country. Reruns of his shows air constantly on Nick at Nite -- have recently been released with great success for the first time ever on DVD. With this book, Bob Newhart gives his millions of fans a first ever opportunity to sample his unique brand of humor -- including excerpts from some of his classic routines -- on the printed page.

accounting jokes funny: Laughter and Ridicule Michael Billig, 2005-10-03 From Thomas Hobbes' fear of the power of laughter to the compulsory, packaged fun of the contemporary mass media, Billig takes the reader on a stimulating tour of the strange world of humour. Both a significant work of scholarship and a novel contribution to the understanding of the humorous, this is a seriously engaging book' - David Inglis, University of Aberdeen This delightful book tackles the prevailing assumption that laughter and humour are inherently good. In developing a critique of humour the author proposes a social theory that places humour - in the form of ridicule - as central to social life. Billig argues that all cultures use ridicule as a disciplinary means to uphold norms of conduct and conventions of meaning. Historically, theories of humour reflect wider visions of politics, morality and aesthetics. For example, Bergson argued that humour contains an element of

cruelty while Freud suggested that we deceive ourselves about the true nature of our laughter. Billig discusses these and other theories, while using the topic of humour to throw light on the perennial social problems of regulation, control and emancipation.

accounting jokes funny: *Now I Can Die in Peace* Bill Simmons, 2005-10-01 ESPN's beloved Sports Guy replays the years leading up to the Boston Red Sox historic championship season and says goodbye to a lifetime of suffering. At least for now. The Red Sox won the World Series. To Citizen No. 1 of Red Sox Nation, those seven words meant No more 1918 chants. No more smug glances from Yankee fans. No more worrying about living an entire life -- that's 80 years, followed by death without seeing the Red Sox win a Series. But once he was able to type those life-changing words, Bill Simmons decided to look back at his Sports Guy columns for the last five years to find out how the miracle came to pass. And that's where the trouble began. Why didn't he see it coming? Why didn't it happen sooner? What was the key deal, the lucky move, the funny bounce, the sign from above that he failed to spot? Pretty soon, The Sports Guy was second-guessing himself, rewriting history, sniping at his own past predictions, pounding the table -- that's what sports guys do, right And doing so, he let himself get sidetracked by the suffering of the Boston Bruins, frustrated by the false promise of the Celtics -- and driven into a state of ecstasy by the dynastic New England Patriots. The result is *Now I Can Die in Peace*, a hilarious and fresh new look at some of the best sportswriting in America, with sharp critical commentary (and fresh insights) from the guy who wrote it in the first place.

accounting jokes funny: Survival of the Flirting Impaired Linda Guest, 2013-09-03 I was a perpetually single thirty-something who managed to find love on a dating website. My journey (and it was a journey) was not the shortest distance between two points. In fact, the best words to describe my journey into, and out of, the land of dating is "evolutionary". Hello, my name is Linda, and I am flirting impaired: here is my story...

accounting jokes funny: *Best Ever 101 Accountant Jokes* Matthew Burgess, 2018-06 Matthew Burgess is one of the directors and founders of specialist firm View Legal. Having the opportunity to help all those he has interaction with achieve their dreams is what he is passionate about. As an author Matthew is published across a range of topics including: 1. Technical legal books - see www.viewlegal.com.au/product-category/books/ 2. Children's books, under the pseudonym 'Lily Burgess' - see www.wordsfromdaddysmouth.com.au 3. Business book - The Dream Enabler - see www.thedreamenabler.com.au For many years Matthew has collected virtually every accountant joke shared with him. This book - '101 Accountant Jokes' - gives the collection a public release for the first time. Two warnings however. First - Matthew has an accounting degree; however realised he must have been a lawyer when he narrowly avoided failing his final accounting exams. Second - if you have previously read Matthew's publication '101 Lawyer Jokes' you may be bitterly disappointed if you were thinking that any of the jokes in '101 Accountant Jokes' would be something other than globally replacing 'lawyer' with 'accountant'.
