Men's Black Business Casual Shoes: Your Guide to Polished Professionalism

Finding the perfect pair of men's black business casual shoes can be a surprisingly challenging task. The right shoes strike a delicate balance between professional polish and comfortable style, suitable for everything from client meetings to office presentations. This comprehensive guide will delve into the nuances of selecting the ideal black business casual shoes, covering styles, materials, and care tips to ensure you always look and feel your best.

Article Outline:

- I. Understanding Business Casual Dress Codes: Defining the acceptable range of footwear.
- II. Styles of Black Business Casual Shoes: Exploring various options like oxfords, loafers, and Chelsea boots.
- III. Materials Matter: Leather, Suede, and Alternatives: Discussing the pros and cons of different materials.
- IV. Fit and Comfort: Ensuring All-Day Wearability: Guidance on proper sizing and comfort features.
- V. Caring for Your Business Casual Shoes: Cleaning, polishing, and storage tips for longevity.
- VI. Budgeting for Quality: Finding Value in Your Investment: Advice on balancing cost and durability.
- VII. Accessorizing Your Look: Matching shoes with socks and overall attire.

I. Understanding Business Casual Dress Codes

Defining the acceptable range of footwear for business casual settings.

Business casual dress codes can vary significantly between companies and industries. However, generally, they steer clear of overly formal attire like wingtips or highly embellished shoes, while simultaneously avoiding overly casual options like sneakers or sandals. Black business casual shoes typically fall within the acceptable range, providing a level of sophistication appropriate for most professional environments.

II. Styles of Black Business Casual Shoes

Exploring the versatility of oxfords for a classic business casual look.

Black oxfords, with their closed lacing system and sleek profile, are a timeless choice. They project an air of authority and professionalism, making them suitable for a wide array of business casual settings.

Understanding the relaxed yet refined style of loafers.

Loafers, with their slip-on design, offer a more relaxed yet still sophisticated feel. They can range from classic penny loafers to more modern interpretations, providing a slightly less formal yet polished alternative to oxfords.

The contemporary appeal of Chelsea boots in a business casual setting.

Chelsea boots, distinguished by their elastic side panels and ankle-height silhouette, add a touch of contemporary style to business casual attire. Choose a pair in smooth black leather for a refined look that still maintains a degree of individuality.

Considering the sleekness and sophistication of monk strap shoes.

Monk strap shoes, featuring buckles instead of laces, offer a unique and stylish alternative to traditional oxfords and loafers. Their clean lines and sophisticated appearance make them an excellent choice for those looking to make a statement within the confines of business casual dress.

III. Materials Matter: Leather, Suede, and Alternatives

The enduring quality and sophistication of leather business casual shoes.

Leather remains the gold standard for business casual shoes. Its durability, breathability, and ability to develop a rich patina over time make it a worthwhile investment.

The stylish but delicate nature of suede options.

Suede, while offering a luxurious texture and appearance, requires more careful maintenance. It's susceptible to staining and water damage, making it a less practical choice for daily wear in unpredictable weather conditions.

Exploring the practicality and affordability of alternatives to leather.

High-quality alternatives, such as faux leather or PU leather, offer a more budget-friendly option without sacrificing style. Technological advancements have significantly improved the durability and appearance of these materials.

IV. Fit and Comfort: Ensuring All-Day Wearability

The importance of proper shoe sizing for optimal comfort and posture.

Proper fit is paramount. Shoes that are too tight can restrict blood flow and cause discomfort, while shoes that are too loose can lead to blisters and instability. Always try shoes on before purchasing, and consider having your feet professionally measured if you're unsure of your size.

Identifying and utilizing comfort features like cushioning and arch support.

Look for shoes with features designed to enhance comfort, such as cushioned insoles, arch support, and breathable linings. These features can significantly improve all-day wearability, particularly during long days at the office or on your feet.

V. Caring for Your Business Casual Shoes

Regular cleaning and polishing techniques for maintaining the appearance of leather shoes.

Regularly cleaning and polishing your black leather shoes will maintain their appearance and extend their lifespan. Use appropriate cleaning products and polishes designed for leather, avoiding harsh chemicals that can damage the material.

Protecting your shoes from the elements with appropriate weatherproofing treatments.

Applying a protective spray or cream can help shield your shoes from water damage and stains. This is especially important for leather and suede shoes, which are susceptible to damage from moisture.

Proper storage techniques to prevent damage and maintain shape.

Store your shoes in a cool, dry place, away from direct sunlight and heat. Using shoe trees can help maintain their shape and prevent creasing.

VI. Budgeting for Quality: Finding Value in Your Investment

Determining a reasonable price range for high-quality business casual shoes.

While it's possible to find affordable options, investing in a higher-quality pair will generally yield better comfort, durability, and style in the long run. Consider your budget and prioritize features that are essential for your needs and lifestyle.

Balancing cost with durability and longevity in your shoe selection.

Consider the overall value proposition. A slightly more expensive pair of shoes that lasts for several years may ultimately be more cost-effective than a cheaper pair that needs replacing frequently.

VII. Accessorizing Your Look

Matching socks to your shoes and overall outfit for a cohesive appearance.

Pay attention to detail. Choose socks that complement your shoes and overall outfit. Avoid brightly colored or patterned socks with business casual attire; stick to neutral tones like black, navy, or dark gray.

Coordinating your shoes with your suit or other business casual clothing items.

The color of your shoes should generally complement your suit or trousers. Black shoes are versatile and work well with a wide range of outfits.

Conclusion:

Choosing the right pair of men's black business casual shoes is an investment in your professional image and comfort. By considering style, materials, fit, and care, you can

ensure you're making a smart and stylish choice that will serve you well for years to come. Remember to prioritize comfort and quality to ensure you feel confident and professional throughout your workday.

Frequently Asked Questions (FAQs):

Q: Can I wear black business casual shoes with jeans? A: It depends on the style of jeans and the overall context. Dark wash jeans paired with clean, well-maintained black oxfords or loafers can work in some relaxed business casual environments.

Q: How often should I polish my leather shoes? A: It depends on how frequently you wear them, but a good rule of thumb is to polish them every 2-4 weeks, or as needed.

Q: Are all black shoes appropriate for business casual? A: While black is a versatile color, some styles are more appropriate than others. Avoid overly casual styles like sneakers or boots with heavy embellishments.

Q: What are some good brands for men's black business casual shoes? A: Many reputable brands offer high-quality black business casual shoes, including Allen Edmonds, Cole Haan, Florsheim, and Johnston & Murphy. Consider exploring reviews and comparing features to find the best option for your needs and budget.

mens black business casual shoes: *The Parisian Gentleman* Hugo Jacomet, 2018-11-13 In a new compact edition, a luxurious celebration of the elegant craftsmanship behind the timeless French men's fashion and lifestyle labels. Home of haute couture and the world's leading fashion houses, Paris and its inhabitants represent sophistication and refinement to the rest of the world. Debonair Parisian men continue to participate in a centuries-long tradition of sartorial craftsmanship and quality. In its newly accessible compact edition, *The Parisian Gentleman* is like a dream shopping excursion to the leading men's style-makers, from hidden ateliers and little-known studios to internationally renowned labels such as shirtmakers Charvet, shoemakers Berluti, and the recently revived trunk-makers Moynat. The stories behind each house, and the creative minds and artisans who give each brand its unique identity, bring the clothes alive, capturing an unceasing dedication to quality in an era overrun with new, mass-produced trends. Author Hugo Jacomet's portraits of these often-inaccessible marques (or brands) are intimate and illuminating, thanks to his personal connections to many of the leading figures. His text is accompanied by beautifully shot photographs of the designers, studios, garments, and locations, the majority of which were taken exclusively for this book.

mens black business casual shoes: *Clean My Space* Melissa Maker, 2017-03-07 The wildly

popular YouTube star behind Clean My Space presents the breakthrough solution to cleaning better with less effort. Melissa Maker is beloved by fans all over the world for her completely re-engineered approach to cleaning. As the dynamic new authority on home and living, Melissa knows that to invest any of our precious time in cleaning, we need to see big, long-lasting results. So, she developed her method to help us get the most out of our effort and keep our homes fresh and welcoming every day. In her long-awaited debut book, she shares her revolutionary 3-step solution:

- Identify the most important areas (MIAs) in your home that need attention
- Select the proper products, tools, and techniques (PTT) for the job
- Implement these new cleaning routines so that they stick

Clean My Space takes the chore out of cleaning with Melissa's incredible tips and cleaning hacks (the power of pretreating!) her lightning fast 5-10 minute "express clean" routines for every room when time is tightest, and her techniques for cleaning even the most daunting places and spaces. And a big bonus: Melissa gives guidance on the best non-toxic, eco-conscious cleaning products and offers natural cleaning solution recipes you can make at home using essential oils to soothe and refresh. With Melissa's simple groundbreaking method you can truly live in a cleaner, more cheerful, and calming home all the time.

mens black business casual shoes: PreachersNSneakers Ben Kirby, 2021-04-27 Founder of the phenomenon social media account PreachersNSneakers tackles how faith, capitalism, consumerism, and (wannabe) celebrity have collided and asks both believers and nonbelievers alike: how much is too much? What started as a joke account on Instagram has turned into a movement. Through this provocative project, the founder of PreachersNSneakers is helping thousands of Jesus followers wrestle with the inevitable dilemmas created by our Western culture obsessed with image and entertainment. In *PreachersNSneakers: Authenticity in an Age of For-Profit Faith and (Wannabe) Celebrities*, Ben Kirby approaches many of the difficult questions plaguing countless Christians' minds, presenting experiences and input from both sides of difficult questions, such as: Should pastors grow wealthy off of religion, and can their churches ever be too large? Do we really believe that divine blessings are monetary, or is that just religious wallpaper to hide our own greed? Is there space in Christendom for celebrities like Kanye and Bieber to exist without distorting the good news? What about this: Is it wrong for someone—even wrong for author Ben Kirby—to call out faith leaders online and leverage "cancel culture" to affect change? PreachersNSneakers will navigate these challenging questions and many more with humor, wit, candor, and a few never-before-published hijinks. Each chapter will explore the various sides of the debate, holding space for us to make up our own minds. This book is not about finding the perfect, "right" way to do something, but instead learning how to articulate what we believe, why we believe it, and what to do when we want to stand up against cultural norms. This book will doubtlessly become a staple for church small groups, college ministries, and book clubs, emboldening struggling believers who want to live a more genuine faith. After all, the Lord works in mysterious colorways.

mens black business casual shoes: Feet and Footwear Margo DeMello, 2009-09-10 *COSTUME, CLOTHES & FASHION*. This one-of-a-kind, A-to-Z reference work contains over 150 fascinating entries and intriguing sidebars that look at feet and adornment of feet across the many cultures of the world throughout time. A wide range of international and multicultural topics are covered, including footbinding, fetishes, diseases, customs and beliefs, shoe construction, myths and folktales, the history of footwear, iconic brands and types of shoes, removing shoes upon entering a house, covering feet up for social customs, and the types of footwear worn around the world.

mens black business casual shoes: The Professor Is In Karen Kelsky, 2015-08-04 The definitive career guide for grad students, adjuncts, post-docs and anyone else eager to get tenure or turn their Ph.D. into their ideal job. Each year tens of thousands of students will, after years of hard work and enormous amounts of money, earn their Ph.D. And each year only a small percentage of them will land a job that justifies and rewards their investment. For every comfortably tenured professor or well-paid former academic, there are countless underpaid and overworked adjuncts, and many more who simply give up in frustration. Those who do make it share an important asset that separates them from the pack: they have a plan. They understand exactly what they need to do

to set themselves up for success. They know what really moves the needle in academic job searches, how to avoid the all-too-common mistakes that sink so many of their peers, and how to decide when to point their Ph.D. toward other, non-academic options. Karen Kelsky has made it her mission to help readers join the select few who get the most out of their Ph.D. As a former tenured professor and department head who oversaw numerous academic job searches, she knows from experience exactly what gets an academic applicant a job. And as the creator of the popular and widely respected advice site *The Professor is In*, she has helped countless Ph.D.'s turn themselves into stronger applicants and land their dream careers. Now, for the first time ever, Karen has poured all her best advice into a single handy guide that addresses the most important issues facing any Ph.D., including: -When, where, and what to publish -Writing a foolproof grant application -Cultivating references and crafting the perfect CV -Acing the job talk and campus interview -Avoiding the adjunct trap -Making the leap to nonacademic work, when the time is right *The Professor Is In* addresses all of these issues, and many more.

Expanded and updated for a post-pandemic world.

mens black business casual shoes: *Dressing the Man* Alan Flusser, 2002-10-01 *Dressing the Man* is the definitive guide to what men need to know in order to dress well and look stylish without becoming fashion victims. Alan Flusser's name is synonymous with taste and style. With his new book, he combines his encyclopedic knowledge of men's clothes with his signature wit and elegance to address the fundamental paradox of modern men's fashion: Why, after men today have spent more money on clothes than in any other period of history, are there fewer well-dressed men than at any time ever before? According to Flusser, dressing well is not all that difficult, the real challenge lies in being able to acquire the right personalized instruction. Dressing well pivots on two pillars -- proportion and color. Flusser believes that Permanent Fashionability, both his promise and goal for the reader, starts by being accountable to a personal set of physical trademarks and not to any kind of random, seasonally served-up collection of fashion flashes. Unlike fashion, which is obliged to change each season, the face's shape, the neck's height, the shoulder's width, the arm's length, the torso's structure, and the foot's size remain fairly constant over time. Once a man learns how to adapt the fundamentals of permanent fashion to his physique and complexion, he's halfway home. Taking the reader through each major clothing classification step-by-step, this user-friendly guide helps you apply your own specifics to a series of dressing options, from business casual and formalwear to pattern-on-pattern coordination, or how to choose the most flattering clothing silhouette for your body type and shirt collar for your face. A man's physical traits represent his individual road map, and the quickest route toward forging an enduring style of dress is through exposure to the legendary practitioners of this rare masculine art. Flusser has assembled the largest and most diverse collection of stylishly mantled men ever found in one book. Many never-before-seen vintage photographs from the era of Cary Grant, Tyrone Power, and Fred Astaire are employed to help illustrate the range and diversity of authentic men's fashion. *Dressing the Man's* sheer magnitude of options will enable the reader to expand both the grammar and verbiage of his permanent-fashion vocabulary. For those men hoping to find sartorial fulfillment somewhere down the road, tethering their journey to the mind-set of permanent fashion will deliver them earlier rather than later in life.

mens black business casual shoes: *Running with Purpose* Jim Weber, 2022-04-26 Discover how Brooks Running Company CEO Jim Weber transformed a failing business into a billion-dollar brand in the ultracompetitive global running market. *Running with Purpose* is a leadership memoir with insights, inspirational stories, and tangible takeaways for current and aspiring leaders, entrepreneurs, and the 150+ million runners worldwide and those in the broader running community who continually invest in themselves. This leadership memoir starts with Jim Weber's seventh-grade dream to run a successful company that delivered something people passionately

valued. Fast forward to 2001, Jim became the CEO of Brooks and, as the struggling brand's fourth CEO in two years, he faced strong headwinds. A lifelong competitor, Jim devised a one-page strategy that he believed would not only save the company but would also lay the foundation for Brooks to become a leading brand in the athletic, fitness, and outdoor categories. To succeed, he had to get his team to first believe it was possible and then employ the conviction, fortitude, and constancy of purpose to outperform larger brands. Brooks' success was validated when Warren Buffett made it a standalone Berkshire Hathaway subsidiary in 2012. In the pages of *Running with Purpose*, you will find: Brooks' bold strategy and unique brand positioning that fueled its move from the back of the pack to lead. The key to building a purpose-driven brand that is oriented around customer obsession, building trust, competing with heart, and having fun along the way. The six clear leadership lessons Jim has learned along his path and applies at Brooks to develop staff into authentic leaders. How Berkshire Hathaway's support and influence provided a tailwind for Brooks' business and brand to surge. An inside look at the ups and downs of Jim's personal journey, which led to his conviction that life is too short not to enjoy what you do and the people by your side.

mens black business casual shoes: *Men's Style* Russell Smith, 2009-02-24 *Men's Style* is a personal and knowledgeable compendium of tasteful advice for the thinking man on how to dress and shop for clothes in a world of conflicting fashion imperatives. This sophisticated and witty book by the popular *Globe and Mail* columnist combines nuggets of history and the sociology of masculine attire with a practical and supremely useful guide to achieving an elegant and affordable wardrobe for work and play. In chapters and amusing sidebars on shoes, suits, shirts and ties, formal and casual wear, underwear and swimsuits, cufflinks and watches, coats, hats, and scarves, Russell Smith steers a confident course between the hazards of blandness and vulgarity to articulate a philosophy of dress that can take you anywhere. He tells you what the rules are for looking the part at the office, a formal function, or the hippest party, and when you can toss those rules aside. *Men's Style* is supplemented throughout with fifty black-and-white illustrations and diagrams by illustrator Edwin Fotheringham.

mens black business casual shoes: *Men of Style* Josh Sims, 2016-11-15 A style guide with heft. *Men of Style* profiles the best-dressed men of recent centuries: from actors to statesman, playboys to painters, the iconic and the more unexpected. Comprising profiles of their colorful, dapper lives, sartorial and personal, explaining too how they have shaped menswear today. The core focus of the book is not only the story of men's style, but the men who embody it and act as its most inspiring exemplars. A useful for book for students of fashion history, followers of celebrity and stylish men alike.

mens black business casual shoes: *Straight to Hell* John LeFevre, 2015-07-14 The hilarious New York Times bestseller "sharply observes the lives of globe-trotting, overindulging investment bankers" (*Entertainment Weekly*). "Some chick asked me what I would do with 10 million bucks. I told her I'd wonder where the rest of my money went." —@GSElevator For three years, the notorious @GSElevator Twitter feed offered a hilarious, shamelessly voyeuristic look into the real world of international finance. Hundreds of thousands followed the account, Goldman Sachs launched an internal investigation, and when the true identity of the man behind it all was revealed, it created a national media sensation—but that's only part of the story. Where @GSElevator captured the essence of the banking elite with curated jokes and submissions overheard by readers, *Straight to Hell* adds John LeFevre's own story—an unapologetic and darkly funny account of a career as a globe-conquering investment banker spanning New York, London, and Hong Kong. *Straight to Hell* pulls back the curtain on a world that is both hated and envied, taking readers from the trading floors and roadshows to private planes and after-hours overindulgence. Full of shocking lawlessness, boyish antics, and win-at-all-costs schemes, this is the definitive take on the deviant, dysfunctional, and absolutely excessive world of finance. "Shocking and sordid—and so much fun." —Daily News (New York) "LeFevre's workplace anecdotes include tales of nastiness, sabotage, favoritism, sexism, racism, expense-account padding, and legally questionable collusion." —The New Yorker

mens black business casual shoes: *The Style Guy* Glenn O'Brien, 2000 GQ magazine's Style Guy columnist combines razor-sharp wit with solid advice on dress, manners, sex, grooming, and dating—including cigar and cell phone etiquette, tips on ordering wine in restaurants, and the cold, hard facts on cutoff jeans, ribbed tank tops, and black shoes with white socks.

mens black business casual shoes: The Illustrated Art of Manliness Brett McKay, 2017-05-16 An indispensable, hands-on guide dedicated to the lost art of being a man, *The Illustrated Art of Manliness* distills more than 100 practical skills every modern man needs to know into an entertaining, easy-to-follow visual format. Founder of *The Art of Manliness*, Brett McKay and bestselling illustrator Ted Slampyak write brilliantly illustrated articles to help men be the best fathers, brothers, sons, and men they can be. This book features their most essential work alongside dozens of never-before seen guides on subjects ranging from chivalry and self-defense to courage and car repair, including: How to disarm an attacker How to fell a tree and start a fire anywhere How a car engine works, and how to fix it How to use every tool in your toolbox What to wear on a first date and to a job interview How to lead a meeting and command the attention of a room How to dance, fight, shave, shake a hand, pick a lock, and fire a gun And other advice for when you're lost, in danger, or merely confronting a shirt that needs to be ironed. *The Illustrated Art of Manliness* features a classic, timeless package, including full-color illustrations, and will be a perfect gift for you or the man in your life.

mens black business casual shoes: Sneakers Unboxed Alex Powis, 2021-05 This is the first book to gather leading designers, creators and industry insiders to reflect on sneaker design and its ground-breaking impact on popular culture. Contributors provide insights into the evolution of sneakers from sport-wear to style icons, the processes and people involved in sneaker design and its global future. Through conversations with the people directly involved in the creation of sneakers, it

speaks to the the next generation of sneaker designers and wearers by asking: who are the people involved in the design of a sneaker? How do their roles and approaches differ? How does their individual work contribute to the collective effort of making a sneaker? What will the future of sneaker design be? Richly illustrated, it includes iconic sneakers, drawings and sketches, prototypes as well as glimpses in the manufacturing process. Across three chapters - Style and Culture, People and Processes, The Future - the approaches and experience of industry leaders unfold the past, present, and future of sneakers as style icons and cultural facilitators. Contributors turn to the next generation of designers with an open challenge to move the industry towards a more positive direction for both the people and the planet.

mens black business casual shoes: Love Me to Death Allison Brennan, 2010-12-28 "World-class nail-biter . . . [Allison] Brennan is in the groove with this one."—Lee Child Six years ago, Lucy Kincaid was attacked and nearly killed by an online predator. She survived. Her attacker did not. Now Lucy's goal is to join the FBI and fight cyber-crime, but in the meantime, she's volunteering with a victim's rights group, surfing the Web undercover to lure sex offenders into the hands of the law. But when the predators she hunts start turning up as murder victims, the FBI takes a whole new interest in Lucy. With her future and possibly even her freedom suddenly in jeopardy, Lucy discovers she's a pawn in someone's twisted plot to mete out vigilante justice. She

joins forces with security expert and daredevil Sean Rogan, and together they track their elusive quarry from anonymous online chat rooms onto the mean streets of Washington, D.C. But someone else is shadowing them: A merciless stalker has his savage eye on Lucy. The only way for her to escape his brutality may be another fight to the death.

mens black business casual shoes: The End of Fashion Teri Agins, 2010-10-12 A solid, hard-hitting, and uncompromising journalistic look at the fashion industry. The time when fashion was defined by French designers whose clothes could be afforded only by elite has ended. Now designers take their cues from mainstream consumers and creativity is channeled more into mass-marketing clothes than into designing them. Indeed, one need look no further than the Gap to see proof of this. In *The End of Fashion*, Wall Street Journal, reporter Teri Agins astutely explores this seminal change, laying bare all aspects of the fashion industry from manufacturing, retailing, and licensing to image making and financing. Here as well are fascinating insider vignettes that show Donna Karan fighting with financiers, the rivalry between Ralph Lauren and Tommy Hilfiger, and the commitment to haute couture that sent Isaac Mizrahi's business spiraling.

mens black business casual shoes: We Fight Monsters Michael Kurcina, 2020-04-16 Quotes, maxims, short stories to provoke thought and give tired warrior's purpose and direction. The author is the founder of the website Spotterup.com. Spotter Up has 35+ writers who are accomplished former or active duty members of the Special Operations community (Green Berets, Navy SEALs, Rangers, Marine Scout Snipers, S.W.A.T, etc.), master-level shooters, special agents, case officers, athletes, and outdoor enthusiasts who like to share their knowledge with anyone interested in learning more about subjects such as fitness, nutrition, shooting, martial arts, mindset, survival, and far more. The writers of Spotter Up have completed nearly 900+ gear reviews on subjects such as: footwear, body, tactical clothing, armor, optics, and firearms and is known as a credible site for its opinions by the tactical industry. Spotter Up is about spotting a problem and coming up with solutions. Spotter Up promotes the idea of the classical whole man found in ancient texts. For our modern day he is a person who aspires to be the GUNFIGHTER, WRITER, WILDMAN, MONK: Man of Action, Man of Intellect, Man of Emotion, Man of Spirit. Consider the Athenian ideal of a balanced education from the book *Greek Realities: Life and Thought in Ancient Greece*, By Finley Hooper. They could play some flute but should not neglect wrestling. They avoided the excesses of life. They might focus on music or philosophy but spent enough time so that their bodies did not become soft. Spotter Up is for anyone, whether they are military, law-enforcement, emergency response or not, that is searching for ways to become more well-rounded. *We Fight Monsters* is a collection of quotes, maxims, poems and more written and posted by the author originally on Instagram, over a four-year period of time, as a way to provoke thought, and simultaneously inspire men and women. The author of *We Fight Monsters* hopes it helps readers transcend the ordinary world by relishing the unexpected. The book was written because many of the followers of Spotter Up's social media sites stated, the writing got me through some very hard times. The cover illustration is based off the

Greek Hydra and the Hercules myth. Man has an internal struggle after he's battled a beast, and sometimes he must battle the beast within himself. He isn't a demigod. He's just a regular Joe who is a hero to many, that lives to win against evil. Maybe he's a Marine who did several deployments and lost some friends, maybe she's a cop fighting crime on the streets. The illustration symbolizes the brotherhood of man, (men and women), that fight the good fight despite experiencing PTSD, physical injuries, loss of friends, lovers etc. WE FIGHT MONSTERS. I'm not afraid of anything in this world that's been seen. I have scars on the inside. My badges of honor. There's a light inside my heart; it's for others to see. I live to show the way to those lost and in pain. And you? Walk with magnificence. Cock of the walk. Lead the way or follow those who use their pain to fight monsters and the injustices in this world ~Michael Kurcina.

mens black business casual shoes: Elegance G. Bruce Boyer, Tony Kokinos, 1987-01-10 The men's fashion editor for Town & Country examines the current fashions in menswear, garment by garment, offers practical advice on selecting the right clothes, and provides anecdotes on the history of menswear
