Missouri Compromise Map Activity Answer Key: A Comprehensive Guide

Introduction

Are you struggling to find the perfect answer key for your Missouri Compromise map activity? Look no further! This comprehensive guide will provide you with everything you need to understand and complete this historical assignment. We will delve into the key points of the Missouri Compromise, offer a step-by-step approach to completing the map activity, and provide a detailed answer key to ensure your success.

Understanding the Missouri Compromise

The Missouri Compromise was a significant event in American history that temporarily resolved the sectional tensions over slavery in the United States. Passed in 1820, the compromise admitted Missouri as a slave state and Maine as a free state, maintaining the balance of power between the North and South. Additionally, it established a geographical line dividing the Louisiana Territory into free and slave regions.

Completing the Missouri Compromise Map Activity

To successfully complete the Missouri Compromise map activity, follow these steps:

1. Gather your materials:** Ensure you have a blank map of the United States, a copy of the Missouri Compromise text, and a pen or pencil.
2. Identify key locations:** Locate the states of Missouri and Maine on your map.
3. Draw the geographical line:** Using the information provided in the Missouri Compromise text, draw the line dividing the Louisiana Territory into free and slave regions.
4. Label states and regions:** Label the states of Missouri and Maine, as well as the free and slave regions.
5. Answer any accompanying questions:** If your activity includes additional questions, use the information from the Missouri Compromise text to provide accurate answers.

Answer Key

Note:** The specific details of your map activity may vary slightly. However, the following general

answer key should provide a solid foundation for completing the assignment.

- Free States:** Maine, all states north of the 36°30' latitude line (excluding Missouri)
- Slave States:** Missouri, all states south of the 36°30' latitude line (excluding Maine)
- Geographic Line:** A horizontal line drawn at 36°30' latitude, extending from the Mississippi River to the Rocky Mountains.

Conclusion

By following the steps outlined in this guide and using the provided answer key, you should be able to successfully complete your Missouri Compromise map activity. Remember to carefully read the instructions and use the information from the Missouri Compromise text to ensure accuracy.
