movie trivia questions answers: *Reading the Silver Screen* Thomas C. Foster, 2016-09-13 From the New York Times bestselling author of *How to Read Literature Like a Professor* comes an indispensable analysis of our most celebrated medium, film. No art form is as instantly and continuously gratifying as film. When the house lights go down and the lion roars, we settle in to be

shocked, frightened, elated, moved, and thrilled. We expect magic. While we're being exhilarated and terrified, our minds are also processing data of all sorts—visual, linguistic, auditory, spatial—to collaborate in the construction of meaning. Thomas C. Foster's *Reading the Silver Screen* will show movie buffs, students of film, and even aspiring screenwriters and directors how to transition from merely being viewers to becoming accomplished readers of this great medium. Beginning with the grammar of film, Foster demonstrates how every art form has a grammar, a set of practices and if-then propositions that amount to rules. He goes on to explain how the language of film enables movies to communicate the purpose behind their stories and the messages they are striving to convey to audiences by following and occasionally breaking these rules. Using the investigative approach readers love in *How to Read Literature Like a Professor*, Foster examines this grammar of film through various classic and current movies both foreign and domestic, with special recourse to the "AFI 100 Years-100 Movies" lists. The categories are idiosyncratic yet revealing. In *Reading the Silver Screen*, readers will gain the expertise and confidence to glean all they can from the movies they love.

This gripping collection begins with "Rita Hayworth and the Shawshank Redemption," in which an unjustly imprisoned convict seeks a strange and startling revenge—the basis for the Best Picture Academy Award-nominee *The Shawshank Redemption*. Next is "Apt Pupil," the inspiration for the film of the same name about top high school student Todd Bowden and his obsession with the dark and deadly past of an older man in town. In "The Body," four rambunctious young boys plunge through the façade of a small town and come face-to-face with life, death, and intimations of their own mortality. This novella became the movie *Stand By Me*. Finally, a disgraced woman is determined to triumph over death in "The Breathing Method." "The wondrous readability of his work, as well as the instant sense of communication with his characters, are what make Stephen King the consummate storyteller that he is," hailed the Houston Chronicle about *Different Seasons*.

One of Booklist's Top 10 First Novels of the Year One of Roxane Gay's Top 10 Books of the Year After fourteen years in prison, Gerald “Stew Pot” Reeves, age thirty-one, returns home to live with his mom in Parkland, a black middle-class neighborhood on Chicago's South Side. The anxiety only grows when Stew Pot announces that he experienced a religious awakening in prison. Most folks are skeptical, with one notable exception: Mrs. Motley, a widowed retired librarian and the Reeves' next-door neighbor, who loans Stew Pot a Bible, which is seen by him and many in the community as a friendly gesture. With uncompromising fervor (and with a new pit bull named John the Baptist), Stew Pot soon appoints himself the moral judge of Parkland—and starts wreaking havoc on people's lives. Before long, tension and suspicion reign, and this close-knit community must reckon with questions of faith, fear, and forgiveness . . . “[A] novel of epiphanies, tragedies, and transformations . . . perfect for book clubs.” —Booklist, starred review “May slowly builds suspense as he persuasively unfolds the narrative in this work that reads like an Agatha Christie mystery.” —Library Journal “A wonderful urban novel full of vitality and pathos and grit.” —Dennis Lehane

movie trivia questions answers: Trust Me George Kennedy, 2011-10-01 (Applause Books). These are memoirs of a kid born in New York City in 1925. His dad, George Senior, was a pianist, composer, and orchestra leader at Proctor's Vaudeville Theatre, and his mother, Helen, played in a classic dance troupe. Hanky-panky ensued. They married, and I soon was the result... I write like I talk. A long time ago I tried making 'talking and telling the truth' one and the same. That isn't just difficult; it means painfully reviewing things you've been led to believe since you were a child. That's very hard to do. Like many, I have marched along adhering to conventions (sex, color, church, party, gang) without examination. There's a wonderful, protective 'togetherness' in that anonymity. You obey or are damned, less joined together than stuck together. You become an echo rather than a voice. This book is about what happens when you stop fearing and think. I like writing, but warmed-over BS is not on the menu. You are the most important thing in life. Every phrase in the book awkward or not is how I think and question everything. I wrote every word as if we were sitting together. I want you to think, too... George Kennedy, from the preface

movie trivia questions answers: The Film That Changed My Life Robert K. Elder, 2011-01-01 The movie that inspired filmmakers to direct is like the atomic bomb that went off before their eyes. The Film That Changed My Life captures that epiphany. It explores 30 directors' love of a film they saw at a particularly formative moment, how it influenced their own works, and how it made them think differently. Rebel Without a Cause inspired John Woo to comb his hair and talk like James Dean. For Richard Linklater, "something was simmering in me, but Raging Bull brought it to a boil." Apocalypse Now inspired Danny Boyle to make larger-than-life films. A single line from The Wizard of Oz--"Who could ever have thought a good little girl like you could destroy all my beautiful wickedness?"--had a direct impact on John Waters. "That line inspired my life," Waters says. "I sometimes say it to myself before I go to sleep, like a prayer." In this volume, directors as diverse as John Woo, Peter Bogdanovich, Michel Gondry, and Kevin Smith examine classic movies that inspired them to tell stories. Here are 30 inspired and inspiring discussions of classic films that shaped the careers of today's directors and, in turn, cinema history.
