This comprehensive guide provides a detailed analysis of "[Book Title Here]," enabling readers to engage with its intricate arguments and appreciate its lasting contribution to the ongoing conversation around [Specific Topic]. Remember to replace the bracketed information with specifics related to your chosen book.

no easy answers book: No Easy Answers Brown, Brooks, 2022-06-10 On April 20, 1999, Dylan Klebold and Eric Harris, two seniors at Columbine High School in Littleton, Colorado, walked into their school and shot to death twelve students and one teacher, and wounded many others. It was the worst single act of murder at a school in U.S. history. Few people knew Dylan Klebold or Eric Harris better than Brooks Brown. Brown and Klebold were best friends in grade school, and years later, at Columbine, Brown was privy to some of Harris and Klebold's darkest fantasies and most troubling revelations. After the shootings, Brown was even accused by the police of having been in on the massacre—simply because he had been friends with the killers. Brown with journalist Rob Merritt tells his full version of the story. He describes the warning signs that were missed or ignored, and the evidence that was kept hidden from the public after the murders. He takes on those who say that rock music or video games caused Klebold and Harris to kill their classmates and explores what it might have been that pushed these two young men, from supposedly stable families, to harbor such violent and apocalyptic dreams. Shocking as well as inspirational and insightful, *No Easy Answers* is an authentic wake-up call for all the psychologists, authorities, parents, and law enforcement personnel who have attempted to understand the murders at Columbine High School. As the title suggests, the book offers no easy answers, but instead presents the unvarnished facts about growing up as an alienated teenager in America today. This edition contains a new afterword that describes what has happened in the United States since Columbine, and provides updates on the aftermath of the massacre.

no easy answers book: No Easy Answers Donald R. Gallo, 2011-04-13 This anthology features stories about individuals who find themselves in situations that test their strength of character. They are called upon to make moral choices, face the consequences of their actions, and consider what it means to do the right thing. From computer blackmail, peer pressure, and gang violence to drug use, unwanted pregnancy, guilt and atonement, these characters face decisions that may affect the rest of their lives. There are many tough choices; there are no easy answers.

no easy answers book: Leadership Without Easy Answers Ronald A. Heifetz, 2009-07-01 The economy uncertain, education in decline, cities under siege, crime and poverty spiraling upward, international relations roiling: we look to leaders for solutions, and when they don't deliver, we simply add their failure to our list of woes. In doing so, we do them and ourselves a grave disservice. We are indeed facing an unprecedented crisis of leadership, Ronald Heifetz avows, but it stems as much from our demands and expectations as from any leader's inability to meet them. His book gets at both of these problems, offering a practical approach to leadership for those who lead as well as those who look to them for answers. Fitting the theory and practice of leadership to our extraordinary times, the book promotes a new social contract, a revitalization of our civic life just

when we most need it. Drawing on a dozen years of research among managers, officers, and politicians in the public realm and the private sector, among the nonprofits, and in teaching, Heifetz presents clear, concrete prescriptions for anyone who needs to take the lead in almost any situation, under almost any organizational conditions, no matter who is in charge. His strategy applies not only to people at the top but also to those who must lead without authority—activists as well as presidents, managers as well as workers on the front line.

no easy answers book: Columbine Dave Cullen, 2009-04-06 Ten years in the works, a masterpiece of reportage, this is the definitive account of the Columbine massacre, its aftermath, and its significance, from the acclaimed journalist who followed the story from the outset. The tragedies keep coming. As we reel from the latest horror . . . So begins a new epilogue, illustrating how Columbine became the template for nearly two decades of spectacle murders. It is a false script, seized upon by a generation of new killers. In the wake of Newtown, Aurora, and Virginia Tech, the imperative to understand the crime that sparked this plague grows more urgent every year. What really happened April 20, 1999? The horror left an indelible stamp on the American psyche, but most of what we know is wrong. It wasn't about jocks, Goths, or the Trench Coat Mafia. Dave Cullen was one of the first reporters on scene, and spent ten years on this book—widely recognized as the definitive account. With a keen investigative eye and psychological acumen, he draws on mountains of evidence, insight from the world's leading forensic psychologists, and the killers' own words and drawings—several reproduced in a new appendix. Cullen paints raw portraits of two polar opposite killers. They contrast starkly with the flashes of resilience and redemption among the survivors. Expanded with a New Epilogue

no easy answers book: No Easy Answers William Lane Craig, 1990

no easy answers book: No Easy Answer Sally Smith, 1995-02-01 Parents and teachers of learning disabled children have turned to Sally Smith's *No Easy Answers* for information, advice, and comfort for more than fifteen years. In this revised, trade paperback edition of the latest information on learning disabilities in a clear, honest, and accessible way. This completely updated edition contains new chapters on Attention Deficit Disorder and Attention Deficit Hyperactivity Disorder, and on the public laws that guarantee an equal education for learning disabled children. There is also an entirely new section on learning disabled adults and the laws that protect them. Sally Smith, the parent of a learning disabled child herself, guides parents along every step of the way, from determining if their child is learning disabled to challenging the school system to provide special services. Drawing on more than twenty-five years of experience at her own nationally acclaimed school, she also offers valuable strategies to teachers who are anxious or discouraged as they struggle with learning disabled students. Although there are no easy answers, Sally Smith's experience, wealth of information, and sense of humor provide essential support.

no easy answers book: No Easy Answers Calvin Craig Miller, 2005 Bayard Rustin was born in Pennsylvania in the early part of the twentieth century, the grandson of a former slave. A talented singer and musician and a good student, Rustin moved to New York City, where he attended college, became enmeshed in the exciting Harlem Renaissance, and began working as an activist and organizer for the burgeoning Civil Rights Movement. Today, Rustin is remembered as a tireless force, a man who lived his life working for the cause he so fervently believed in, and who struggled to bear two crosses—being black and being homosexual—at a time when one was more than enough. *No Easy Answers: Bayard Rustin and the Civil Rights Movement* explores the life and remarkable times of this brave man.

no easy answers book: When There Are No Easy Answers John Feinberg, 2016

no easy answers book: Comprehending Columbine Ralph W Larkin, 2007-01-12 On April 20, 1999, two Colorado teenagers went on a shooting rampage at Columbine High School. That day, Eric Harris and Dylan Klebold killed twelve fellow students and a teacher, as well as wounding twenty-four other people, before they killed themselves. Although there have been other books written about the tragedy, this is the first serious, impartial investigation into the cultural, environmental, and psychological causes of the massacre. Based on first-hand interviews and a

thorough reading of the relevant literature, Ralph Larkin examines the complex of factors that led the two young men to plan and carry out their deed. For Harris and Klebold, Larkin concludes, the carnage was an act of revenge against the jocks who had harassed and humiliated them, retribution against evangelical students who acted as if they were morally superior, an acting out of the mythology of right-wing paramilitary organization members to die in a blaze of glory, and a deep desire for notoriety. Rather than simply looking at Columbine as a crucible for all school violence, Larkin places the tragedy in its proper context, and in doing so, examines its causes and meaning.

no easy answers book: No Easy Answers Carolyn Hart, 2013-06 Bart Hastings was born into a military family; his Army colonel father has devoted his life to defending his country and Bart's brother lost his life while fighting in a war that Bart is no longer sure he supports. But when his father is accused of treason, Bart finds himself entangled in a fight of his own as he tries to save his father's career and reputation. No Easy Answers is a fast-paced tale of espionage and murder set in the tumultuous and divisive years of the Vietnam War.

no easy answers book: The Hard Thing About Hard Things Ben Horowitz, 2014-03-04 Ben Horowitz, cofounder of Andreessen Horowitz and one of Silicon Valley's most respected and experienced entrepreneurs, offers essential advice on building and running a startup—practical wisdom for managing the toughest problems business school doesn't cover, based on his popular ben's blog. While many people talk about how great it is to start a business, very few are honest about how difficult it is to run one. Ben Horowitz analyzes the problems that confront leaders every day, sharing the insights he's gained developing, managing, selling, buying, investing in, and supervising technology companies. A lifelong rap fanatic, he amplifies business lessons with lyrics from his favorite songs, telling it straight about everything from firing friends to poaching competitors, cultivating and sustaining a CEO mentality to knowing the right time to cash in. Filled with his trademark humor and straight talk, The Hard Thing About Hard Things is invaluable for veteran entrepreneurs as well as those aspiring to their own new ventures, drawing from Horowitz's personal and often humbling experiences.

no easy answers book: The New Answers Book 1 Ken Ham, 2008 Christians live in a culture with more questions than ever - questions that affect one's acceptance of the Bible as authoritative and trustworthy. Now, discover easy-to-understand answers that reach core truths of the Christian faith and apply the biblical worldview to a wide variety of subjects.

no easy answers book: A Mother's Reckoning Sue Klebold, 2016 The mother of one of the two shooters at Columbine High School draws on personal recollections, journal entries and video recordings to piece together what led to her son's unpredicted breakdown and share insights into how other families might recognize warning signs,--NoveList.

no easy answers book: The Red Parts Maggie Nelson, 2016-04-05 Late in 2004, Maggie Nelson was looking forward to the publication of her book Jane: A Murder, a narrative in verse about the life and death of her aunt, who had been murdered thirty-five years before. The case remained unsolved, but Jane was assumed to have been the victim of an infamous serial killer in Michigan in 1969. Then, one November afternoon, Nelson received a call from her mother, who announced that the case had been reopened; a new suspect would be arrested and tried on the basis of a DNA match. Over the months that followed, Nelson found herself attending the trial with her mother and reflecting anew on the aura of dread and fear that hung over her family and childhood—an aura that derived not only from the terrible facts of her aunt's murder but also from her own complicated journey through sisterhood, daughterhood, and girlhood. The Red Parts is a memoir, an account of a trial, and a provocative essay that interrogates the American obsession with violence and missing white women, and that scrupulously explores the nature of grief, justice, and empathy.

no easy answers book: The Inside Story of Columbine Randy Brown, 2020-06-14 This is the behind the scenes story of the Columbine tragedy, from a year before the killings and through the entire story, to twenty years after the killings. This book covers many of the unknown details, the cover-ups, the lies, the secrets and the real life story of the family involved in Columbine. If you think you know the story of Columbine, you are wrong. This is the real story of the tragedy, from the point

of view of the family at the center of the tragedy.

no easy answers book: The Geography of Bliss Eric Weiner, *The Geography of Bliss* membawa pembaca melanglangbuana ke berbagai negara, dari Belanda, Swiss, Bhutan, hingga Qatar, Islandia, India, dan Amerika ... untuk mencari kebahagiaan. Buku ini adalah campuran aneh tulisan perjalanan, psikologi, sains, dan humor. Ditulis tidak untuk mencari makna kebahagiaan, tapi di mana. Apakah orang-orang di Swiss lebih bahagia karena negara mereka paling demokratis di dunia? Apakah penduduk Qatar, yang bergelimang dolar dari minyak mereka, menemukan kebahagiaan di tengah kekayaan itu? Apakah Raja Bhutan seorang pengkhayal karena berinisiatif memakai indikator kebahagiaan rakyat yang disebut Gross National Happiness sebagai prioritas nasional? Kenapa penduduk Asheville, Carolina Utara, sangat bahagia? Kenapa penduduk di Islandia, yang suhunya sangat dingin dan jauh dari mana-mana, termasuk negara yang warganya paling bahagia di dunia? Kenapa di India kebahagiaan dan kesengsaraan bisa hidup berdampingan? Dengan wawasan yang dalam dan ditulis dengan kocak, Eric Wiener membawa pembaca ke tempat-tempat yang aneh dan bertemu dengan orang-orang yang, anehnya, tampak akrab. Sebuah bacaan ringan yang sekaligus memancing pemikiran pembaca. "Lucu, mencerahkan, mengagumkan." —Washington Post Book World "Tulisan yang menyentuh ...mendalam ...buku yang hebat!" —National Geographic "Selalu ada pencerahan di setiap halaman buku ini." —Los Angeles Times [Mizan, Mizan Publishing, Qanita, Petualangan, Perjalanan, Dunia, Dewasa, Indonesia]

no easy answers book: An American Summer Alex Kotlowitz, 2019-03-05 2020 J. ANTHONY LUKAS PRIZE WINNER From the bestselling author of *There Are No Children Here*, a richly textured, heartrending portrait of love and death in Chicago's most turbulent neighborhoods. The numbers are staggering: over the past twenty years in Chicago, 14,033 people have been killed and another roughly 60,000 wounded by gunfire. What does that do to the spirit of individuals and community? Drawing on his decades of experience, Alex Kotlowitz set out to chronicle one summer in the city, writing about individuals who have emerged from the violence and whose stories capture the capacity--and the breaking point--of the human heart and soul. The result is a spellbinding collection of deeply intimate profiles that upend what we think we know about gun violence in America. Among others, we meet a man who as a teenager killed a rival gang member and twenty years later is still trying to come to terms with what he's done; a devoted school social worker struggling with her favorite student, who refuses to give evidence in the shooting death of his best friend; the witness to a wrongful police shooting who can't shake what he has seen; and an aging former gang leader who builds a place of refuge for himself and his friends. Applying the close-up, empathic reporting that made *There Are No Children Here* a modern classic, Kotlowitz offers a piercingly honest portrait of a city in turmoil. These sketches of those left standing will get into your bones. This one summer will stay with you.

no easy answers book: Return to Sender Julia Alvarez, 2009-01-13 After Tyler's father is injured in a tractor accident, his family hires migrant Mexican workers to help save their Vermont farm from foreclosure. Tyler isn't sure what to make of these workers. Are they undocumented? And what about the three daughters, particularly Mari, the oldest, who is proud of her Mexican heritage but also increasingly connected her American life. Her family lives in constant fear of being discovered by the authorities and sent back to the poverty they left behind in Mexico. Can Tyler and Mari find a way to be friends despite their differences? In a novel full of hope, but no easy answers, Julia Alvarez weaves a beautiful and timely story that will stay with readers long after they finish it.

no easy answers book: Hard Hit Ann Warren Turner, 2006 A rising high school baseball star faces his most difficult challenge when his father is diagnosed with pancreatic cancer.

no easy answers book: Surviving Columbine Liz Carlston, 2004-03 Three students who survived the shootings at Columbine High School describe their experiences and relate how their Mormon faith helped them to cope with the aftermath of the shootings and find inner peace.

no easy answers book: Choosing to Live, Choosing to Die Nikki Tate, 2019-09-17 □ "Tate's sprawling work is a fascinating guide that belongs in all middle school, high school, and public libraries. This resource will help tweens and teens looking to better understand death and dying for

personal or academic purposes.”—School Library Journal, starred review With many jurisdictions considering whether or not to implement new assisted-death legislation, *Choosing to Live, Choosing to Die* is a timely look at the subject for teen readers who may not yet have had much experience with death and dying. Readers are introduced to the topic of assisted dying through the author's own story. The issue continues to be hotly debated in families, communities and countries around the world, and there are no easy answers. *Choosing to Live, Choosing to Die* looks at the issue from multiple perspectives and encourages readers to listen with an open mind and a kind heart and reach their own conclusions.

no easy answers book: Brave Teaching Love, Sarah, 2018-04-21 In this companion volume to *Brave Parenting*, Krissy Pozatek, author of *e Parallel Process*, employs the skills she learned in wilderness therapy to show how teachers can build emotional resilience and regulation and mindfulness in their students, as well as nurture their ability to problem-solve and develop life-skills. With examples drawn from the practical experiences of Sarah Love, a fourth-grade teacher, Krissy demonstrates how educators can create a dynamic and engaged student body, communicate effectively, and manage emotions and expectations in contemporary classrooms, schools, and in parent-teacher relationships.

no easy answers book: The Sky Blues Robbie Couch, 2021-04-06 Sky's small town turns absolutely claustrophobic when his secret promposal plans get leaked to the entire school in this witty, heartfelt, and ultimately hopeful debut novel for fans of *What if it's Us?* and *I Wish You All the Best*. Sky Baker may be openly gay, but in his small, insular town, making sure he was invisible has always been easier than being himself. Determined not to let anything ruin his senior year, Sky decides to make a splash at his high school's annual beach bum party by asking his crush, Ali, to prom—and he has thirty days to do it. What better way to start living loud and proud than by pulling off the gayest promposal Rock Ledge, Michigan, has ever seen? Then, Sky's plans are leaked by an anonymous hacker in a deeply homophobic e-blast that quickly goes viral. He's fully prepared to drop out and skip town altogether—until his classmates give him a reason to fight back by turning his thirty-day promposal countdown into a school-wide hunt to expose the e-blast perpetrator. But what happens at the end of the thirty days? Will Sky get to keep his hard-won visibility? Or will his small-town blues stop him from being his true self?

no easy answers book: Things We Found When the Water Went Down Tegan Nia Swanson, 2022-12-06 In this dark and ethereal debut novel, a young woman tries to make sense of strange artifacts and unsettling memories in an effort to find her mother—missing since being accused of murder When brutish miner Hugo Mitchum is found murdered on the frozen shore of a North Country lake, the local officials and town gossips of Beau Caelais are quick to blame Marietta Abernathy, outspoken environmental activist and angry, witchy recluse. But Marietta herself has disappeared under mysterious circumstances. Living on an isolated island with her father, Marietta's sixteen-year-old daughter, Lena, begins sifting through her mother's journals and collected oddities in an attempt to find her. While her father's grief threatens to consume him and her adoptive aunt Bea reckons with guilt and acceptance, it is the haunting town outcast Ellis Olsen who might have the most to lose if Lena fails to find her mother. A Nordic eco-noir shot through with magical realism, *Things We Found When the Water Went Down* examines power, identity, and myth in a story that asks us to explore what it means to heal—or not—after violence.

no easy answers book: The Sacred Lies of Minnow Bly Stephanie Oakes, 2016-11-01 ****THE BOOK THAT INSPIRED SACRED LIES, DEBUTING JULY 27 ON FACEBOOK WATCH**** A hard-hitting and hopeful story about the dangers of blind faith—and the power of having faith in yourself. Finalist for the Morris Award. The Kevinian cult has taken everything from seventeen-year-old Minnow: twelve years of her life, her family, her ability to trust. And when she rebelled, they took away her hands, too. Now their Prophet has been murdered and their camp set aflame, and it's clear that Minnow knows something—but she's not talking. As she languishes in juvenile detention, she struggles to un-learn everything she has been taught to believe, adjusting to a life behind bars and recounting the events that led up to her incarceration. But when an FBI

detective approaches her about making a deal, Minnow sees she can have the freedom she always dreamed of—if she's willing to part with the terrible secrets of her past. Gorgeously written, breathlessly page-turning and sprinkled with moments of unexpected humor, this harrowing debut is perfect for readers of Emily Murdoch's *If You Find Me* and Nova Ren Suma's *The Walls Around Us*, as well as for fans of *Orange Is the New Black*.

no easy answers book: Open Season C. J. Box, 2002-05-07 Don't miss the JOE PICKETT series—now streaming on Paramount+ The first novel in the thrilling series featuring Wyoming game warden Joe Pickett from #1 New York Times bestselling author C. J. Box. Joe Pickett is the new game warden in Twelve Sleep, Wyoming, a town where nearly everyone hunts and the game warden—especially one like Joe who won't take bribes or look the other way—is far from popular. When he finds a local hunting outfitter dead, splayed out on the woodpile behind his state-owned home, he takes it personally. There had to be a reason that the outfitter, with whom he's had run-ins before, chose his backyard, his woodpile to die in. Even after the outfitter murders, as they have been dubbed by the local press after the discovery of the two more bodies, are solved, Joe continues to investigate, uneasy with the easy explanation offered by the local police. As Joe digs deeper into the murders, he soon discovers that the outfitter brought more than death to his backdoor: he brought Joe an endangered species, thought to be extinct, which is now living in his woodpile. But if word of the existence of this endangered species gets out, it will destroy any chance of InterWest, a multi-national natural gas company, building an oil pipeline that would bring the company billions of dollars across Wyoming, through the mountains and forests of Twelve Sleep. The closer Joe comes to the truth behind the outfitter murders, the endangered species and InterWest, the closer he comes to losing everything he holds dear.

no easy answers book: The Knitting Answer Book Margaret Radcliffe, 2005-01-01 Discusses subjects ranging from needle sizes and yarn weights to curling edges, chart reading, tight ribbing, and dropped stitches, in a question-and-answer format.

no easy answers book: Cowboy Graves: Three Novellas Roberto Bolaño, 2021-04-27 One more journey to the literary universe of Roberto Bolaño, an essential voice of contemporary Latin American literature Roberto Bolaño's boundless imagination and seemingly inexhaustible gift for shaping the chaos of his reality into enduring fiction is unmistakable in these three exhilarating novellas. In 'Cowboy Graves', Arturo Belano - Bolaño's alter ego - returns to Chile after the coup to fight with his comrades for socialism. 'French Comedy of Horrors' takes the reader to French Guiana on the night after an eclipse where a seventeen-year-old answers a pay phone and finds himself recruited into the Clandestine Surrealist Group, a secret society of artists based in the sewers of Paris. And in 'Fatherland', a young poet reckons with the fascist overthrow of his country, as the woman he is obsessed with disappears in the ensuing violence and a Third Reich fighter plane mysteriously writes her poetry in the sky overhead. *Cowboy Graves* is an unexpected treasure from the vault of a master of contemporary fiction. These three fiercely original tales bear the signatures of Bolaño's extraordinary body of work, echoing the strange characters and uncanny scenes of his great triumphs, while deepening our understanding of his profound gifts.

no easy answers book: No Place Todd Strasser, 2014-01-28 When Dan and his family go from middle class to homeless, issues of injustice rise to the forefront in this relatable, timely novel from Todd Strasser that VOYA calls "poignant," "darkly humorous," and "exceptionally thought-provoking." It seems like Dan has it all. He's a baseball star who is part of the popular crowd and dates the hottest girl in school. Then his family loses their home. Forced to move into the town's Tent City, Dan feels his world shifting. His friends try to pretend that everything's cool, but they're not the ones living among the homeless. As Dan struggles to adjust to his new life, he gets involved with the people who are fighting for better conditions and services for the residents of Tent City. But someone wants Tent City gone, and will stop at nothing until it's destroyed...

no easy answers book: Hard Choices, Easy Answers R. Michael Alvarez, John Brehm, 2020-10-06 Those who seek to accurately gauge public opinion must first ask themselves: Why are certain opinions highly volatile while others are relatively fixed? Why are some surveys affected by

question wording or communicative medium (e.g., telephone) while others seem immune? In *Hard Choices, Easy Answers*, R. Michael Alvarez and John Brehm develop a new theory of response variability that, by reconciling the strengths and weaknesses of the standard approaches, will help pollsters and scholars alike better resolve such perennial problems. Working within the context of U.S. public opinion, they contend that the answers Americans give rest on a variegated structure of political predispositions--diverse but widely shared values, beliefs, expectations, and evaluations. Alvarez and Brehm argue that respondents deploy what they know about politics (often little) to think in terms of what they value and believe. Working with sophisticated statistical models, they offer a unique analysis of not just what a respondent is likely to choose, but also how variable those choices would be under differing circumstances. American public opinion can be characterized in one of three forms of variability, conclude the authors: ambivalence, equivocation, and uncertainty. Respondents are sometimes ambivalent, as in attitudes toward abortion or euthanasia. They are often equivocal, as in views about the scope of government. But most often, they are uncertain, sure of what they value, but unsure how to use those values in political choices.

no easy answers book: *The Book of Aron* Jim Shepard, 2015-05-12 By National Book Award finalist Jim Shepard, a deeply affecting novel that will join the shortlist of classics about the Holocaust and the children whose lives were caught up in it. For readers of Anne Frank's *The Diary of a Young Girl*, Kenneally's *Schindler's List*; Szpilman's *The Pianist*; Anne Michaels' *Fugitive Pieces*; Markus Zusack's *The Book Thief*; the works of Pimo Levi and Elie Weisel and Michael Chabon. When we meet Aron, he is a beguiling and perceptive and not always happy young boy coming into awareness of himself and his family's struggles. When soon they are driven from the countryside into Warsaw, their lives are changed forever. Aron and a group of boys and girls risk their lives scuttling around the ghetto, smuggling and trading things through the quarantine walls to keep their people alive, while they are hunted by blackmailers and Jewish and Polish and German police, as gradually things catastrophically worsen, people begin to disappear, and survival is threatened on all sides. Eventually, Aron comes to know Janusz Korczak, a Jewish-Polish doctor famous for his advocacy of children's rights, whose orphanage was relocated to the ghetto once the Nazis swept in. In the end, he and the children he takes care of, Aron among them, are brought to the station to be put on a train to Treblinka. *The Book of Aron* is a breathtaking novel of extraordinary craft, humanity, and masterful storytelling. Fearless, and devoid of sentimentality, it looks squarely into the face of unspeakable suffering, evil and lawlessness, revealing the persistence and strength of the human spirit despite all odds and the redemptive power of love. It is nothing less than a masterpiece.

no easy answers book: *Vaquita* Brooke Bessesen, 2018-09-11 Intrepid conservation detective story. --Nature A lucid, informed, and gripping account...a must-read. --Science Passionate...a heartfelt and alarming tale. --Publishers Weekly Gripping...a well-told and moving tale of environmentalism and conservation. --Kirkus Compelling. --Library Journal In 2006, vaquita, a diminutive porpoise making its home in the Upper Gulf of California, inherited the dubious title of world's most endangered marine mammal. Vaquita have been in decline for decades, dying in illegal gillnets intended for a giant fish, totoaba. Author Brooke Bessesen takes us to the Upper Gulf region in search of answers to a heart-wrenching dilemma. When diplomatic efforts to save the porpoise failed, Bessesen followed a scientific team in a binational effort to capture remaining vaquita and breed them in captivity--the only hope for their survival. In this fast-paced, soul-searing tale, she learned that there are no easy answers when extinction is profitable.

no easy answers book: *A Soldier's Play* Charles Fuller, 1981 In a Louisiana army camp in 1944 Capt. Taylor, the white C.O., has a problem. He commands a Black company whose sergeant has been murdered. He is worried the murderer may be a white officer or the local Klan. A Black captain, Richard Davenport, is assigned to investigate. Taylor tries to discourage him because he feels the assignment of a Black investigator means the case is to be swept under the rug. Capt. Davenport perseveres and, as he probes deeper, he finds the Black soldiers are as corrupted with hatred as the whites. Each one had a motive for the killing. Davenport solves the case and the truth is even more shocking than the murder itself.

no easy answers book: *The Thousand Autumns of Jacob de Zoet* David Mitchell, 2010-06-29 By the New York Times bestselling author of *The Bone Clocks* and *Cloud Atlas* | Longlisted for the Man Booker Prize In 2007, Time magazine named him one of the most influential novelists in the world. He has twice been short-listed for the Man Booker Prize. The New York Times Book Review called him simply “a genius.” Now David Mitchell lends fresh credence to The Guardian’s claim that “each of his books seems entirely different from that which preceded it.” *The Thousand Autumns of Jacob de Zoet* is a stunning departure for this brilliant, restless, and wildly ambitious author, a giant leap forward by even his own high standards. A bold and epic novel of a rarely visited point in history, it is a work as exquisitely rendered as it is irresistibly readable. The year is 1799, the place Dejima in Nagasaki Harbor, the “high-walled, fan-shaped artificial island” that is the Japanese Empire’s single port and sole window onto the world, designed to keep the West at bay; the farthest outpost of the war-ravaged Dutch East Indies Company; and a de facto prison for the dozen foreigners permitted to live and work there. To this place of devious merchants, deceitful interpreters, costly courtesans, earthquakes, and typhoons comes Jacob de Zoet, a devout and resourceful young clerk who has five years in the East to earn a fortune of sufficient size to win the hand of his wealthy fiancée back in Holland. But Jacob’s original intentions are eclipsed after a chance encounter with Orito Aibagawa, the disfigured daughter of a samurai doctor and midwife to the city’s powerful magistrate. The borders between propriety, profit, and pleasure blur until Jacob finds his vision clouded, one rash promise made and then fatefully broken. The consequences will extend beyond Jacob’s worst imaginings. As one cynical colleague asks, “Who ain’t a gambler in the glorious Orient, with his very life?” A magnificent mix of luminous writing, prodigious research, and heedless imagination, *The Thousand Autumns of Jacob de Zoet* is the most impressive achievement of its eminent author. Praise for *The Thousand Autumns of Jacob de Zoet* “A page-turner . . . [David] Mitchell’s masterpiece; and also, I am convinced, a masterpiece of our time.”—Richard Eder, *The Boston Globe* “An achingly romantic story of forbidden love . . . Mitchell’s incredible prose is on stunning display. . . . A novel of ideas, of longing, of good and evil and those who fall somewhere in between [that] confirms Mitchell as one of the more fascinating and fearless writers alive.”—Dave Eggers, *The New York Times Book Review* “The novelist who’s been showing us the future of fiction has published a classic, old-fashioned tale . . . an epic of sacrificial love, clashing civilizations and enemies who won’t rest until whole family lines have been snuffed out.”—Ron Charles, *The Washington Post* “By any standards, *The Thousand Autumns of Jacob de Zoet* is a formidable marvel.”—James Wood, *The New Yorker* “A beautiful novel, full of life and authenticity, atmosphere and characters that breathe.”—Maureen Corrigan, NPR

no easy answers book: *Loitering with Intent* Muriel Spark, 2014-05-27 Where does art start or reality end? Happily loitering about London, c. 1949, with the intent of gathering material for her writing, Fleur Talbot finds a job “on the grubby edge of the literary world” at the very peculiar Autobiographical Association. Mad egomaniacs writing their memoirs in advance — or poor fools ensnared by a blackmailer? When the association’s pompous director steals Fleur’s manuscript, fiction begins to appropriate life.

no easy answers book: *Things We Couldn't Say* Jay Coles, 2021-09-21 From one of the brightest and most acclaimed new lights in YA fiction, a fantastic new novel about a bi Black boy finding first love . . . and facing the return of the mother who abandoned his preacher family when he was nine. There's always been a hole in Gio's life. Not because he's into both guys and girls. Not because his father has some drinking issues. Not because his friends are always bringing him their drama. No, the hole in Gio's life takes the shape of his birth mom, who left Gio, his brother, and his father when Gio was nine years old. For eight years, he never heard a word from her . . . and now, just as he's started to get his life together, she's back. It's hard for Gio to know what to do. Can he forgive her like she wants to be forgiven? Or should he tell her she lost her chance to be in his life? Complicating things further, Gio's started to hang out with David, a new guy on the basketball team. Are they friends? More than friends? At first, Gio's not sure . . . especially because he's not sure what he wants from anyone right now. There are no easy answers to love -- whether it's family love

or friend love or romantic love. In *Things We Couldn't Say*, Jay Coles, acclaimed author of *Tyler Johnson Was Here*, shows us a guy trying to navigate love in all its ambiguity -- hoping at the other end he'll be able to figure out who is and who he should be.

no easy answers book: Ask a Manager Alison Green, 2018-05-01 From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit "reply all" • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager "A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work."—Booklist (starred review) "The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience."—Library Journal (starred review) "I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor."—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* "Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way."—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

no easy answers book: Allies Shakirah Bourne, Dana Alison Levy, 2021-09-14 This book is for everyone. Because we can all be allies. As an ally, you use your power—no matter how big or small—to support others. You learn, and try, and mess up, and try harder. In this collection of true stories, 17 critically acclaimed and bestselling YA authors get real about being an ally, needing an ally, and showing up for friends and strangers. From raw stories of racism and invisible disability to powerful moments of passing the mic, these authors share their truths. They invite you to think about your own experiences and choices and how to be a better ally. There are no easy answers, but this book helps you ask better questions. Self-reflection prompts, resources, journaling ideas, and further reading suggestions help you find out what you can do. Because we're all in this together. And we all need allies. A portion of the proceeds from this book goes to supporting charities.

no easy answers book: A Play for the End of the World Jai Chakrabarti, 2021-09-07 A dazzling novel—set in early 1970's New York and rural India—the story of a turbulent, unlikely romance, a harrowing account of the lasting horrors of World War II, and a searing examination of one man's search for forgiveness and acceptance. "Looks deeply at the echoes and overlaps among art, resistance, love, and history ... an impressive debut." —Meg Wolitzer, best-selling author of *The Female Persuasion* New York City, 1972. Jaryk Smith, a survivor of the Warsaw Ghetto, and Lucy Gardner, a southerner, newly arrived in the city, are in the first bloom of love when they receive word that Jaryk's oldest friend has died under mysterious circumstances in a rural village in eastern India. Travelling there alone to collect his friend's ashes, Jaryk soon finds himself enmeshed in the chaos of local politics and efforts to stage a play in protest against the government—the same play that he performed as a child in Warsaw as an act of resistance against the Nazis. Torn between the survivor's guilt he has carried for decades and his feelings for Lucy (who, unbeknownst to him, is pregnant with his child), Jaryk must decide how to honor both the past and the present, and how to accept a happiness he is not sure he deserves. An unforgettable love story, a provocative exploration of the role of art in times of political upheaval, and a deeply moving reminder of the power of the

past to shape the present, *A Play for the End of the World* is a remarkable debut from an exciting new voice in fiction.

no easy answers book: *Heather Has Two Mommies* Leslea Newman, 2015-03-11 Candlewick relaunches a modern classic for this generation with a beautifully illustrated edition. Heather's favorite number is two. She has two arms, two legs, and two pets. And she also has two mommies. When Heather goes to school for the first time, someone asks her about her daddy, but Heather doesn't have a daddy. Then something interesting happens. When Heather and her classmates all draw pictures of their families, not one drawing is the same. It doesn't matter who makes up a family, the teacher says, because "the most important thing about a family is that all the people in it love one another." This delightful edition for a new generation of young readers features fresh illustrations by Laura Cornell and an updated story by Lesléa Newman.
