Online Health and Wellness Coach: Your Guide to a Healthier, Happier You

Are you ready to take control of your health and well-being but feeling overwhelmed by conflicting information and a lack of personalized guidance? An online health and wellness coach can be the key to unlocking your potential and achieving your health goals. This comprehensive guide dives deep into the world of online health coaching, exploring its benefits, how to find the right coach for you, and what to expect from this transformative journey. We'll cover everything you need to know to embark on a path towards a healthier, happier, and more fulfilling life.

What is an Online Health and Wellness Coach?

An online health and wellness coach is a certified professional who guides individuals towards achieving their health and wellness objectives through personalized strategies and support. Unlike traditional healthcare providers, coaches focus on holistic well-being, addressing physical, mental, and emotional aspects. They work with clients remotely, utilizing technology such as video conferencing, email, and messaging apps to provide personalized guidance, motivation, and accountability. They don't diagnose or treat illnesses, but instead empower clients to make informed choices and build sustainable healthy habits.

The Benefits of Hiring an Online Health and Wellness Coach

The convenience and flexibility of an online health and wellness coach are undeniable. But the advantages extend far beyond just accessibility:

Personalized Plans: Unlike generic diet plans or workout routines, an online coach creates a customized plan tailored to your individual needs, goals, preferences, and limitations. This ensures you're working towards achievable targets in a way that feels manageable and sustainable.

Increased Accountability: Having a coach provides consistent motivation and accountability. Regular check-ins and progress tracking keep you on track, preventing you from falling off the wagon.

Improved Self-Awareness: A good coach helps you understand your habits, triggers, and patterns to address the root causes of unhealthy behaviors. This self-awareness is crucial for long-term success.

Enhanced Motivation and Support: The personalized support and encouragement of an online coach can make a significant difference, especially when facing challenges or setbacks. They offer ongoing guidance and celebrate your successes, boosting your confidence and commitment.

Holistic Approach: Many online health and wellness coaches take a holistic approach, considering your physical, mental, and emotional well-being. This integrated perspective recognizes the interconnectedness of these aspects and promotes comprehensive health improvements.

Accessibility and Flexibility: Perhaps the most significant advantage is the convenience and flexibility. You can access your coach from anywhere with an internet connection, fitting coaching sessions into your busy schedule.

Finding the Right Online Health and Wellness Coach for You

Choosing the right online health and wellness coach is crucial for your success. Here's how to find a good fit:

Define Your Goals: Before searching, identify your specific health and wellness objectives. Are you looking to lose weight, improve your diet, manage stress, or boost your energy levels? Clarifying your goals helps you target coaches with relevant expertise.

Check Credentials and Certifications: Look for coaches with recognized certifications in health coaching, nutrition, or a related field. Verify their qualifications and experience to ensure you're working with a qualified professional.

Read Reviews and Testimonials: Online reviews and testimonials can offer valuable insights into a coach's approach, effectiveness, and client experience.

Schedule a Consultation: Most coaches offer free introductory calls or consultations. This allows you to discuss your goals, ask questions, and determine if their approach and personality align with your needs.

Consider Your Budget: Online health coaching services vary in price. Set a realistic budget and find a coach whose services fit within your financial constraints.

What to Expect from Your Online Health and Wellness Coaching Journey

Working with an online health and wellness coach is a collaborative process. You can expect:

Initial Assessment: This involves discussing your goals, current health status, lifestyle, and challenges.

Personalized Plan Development: Based on the assessment, your coach will create a customized plan, including actionable steps and strategies.

Regular Check-ins: You'll have scheduled sessions with your coach to track progress, address challenges, and adjust the plan as needed.

Ongoing Support and Motivation: Your coach will provide ongoing support, encouragement, and accountability to keep you motivated and focused.

Accountability and Progress Tracking: Consistent monitoring and evaluation of progress ensure you stay on track and make necessary adjustments along the way.

Conclusion

Investing in an online health and wellness coach is an investment in your overall well-being. The personalized support, accountability, and holistic approach offered by these professionals can be transformative, empowering you to achieve your health goals and live a more fulfilling life. By carefully selecting a coach who aligns with your needs and actively participating in the process, you can unlock your potential and embark on a journey towards a healthier, happier you.

FAQs

Q1: How much does an online health and wellness coach cost?

A1: The cost varies greatly depending on the coach's experience, qualifications, and the type of program offered. Prices can range from a few hundred dollars to several thousand dollars per year. Many coaches offer different package options to cater to various budgets.

Q2: Do I need a doctor's referral to work with an online health and wellness coach?

A2: No, you generally don't need a doctor's referral to hire an online health and wellness coach. However, it's always advisable to discuss your plans with your physician, especially if you have any pre-existing health conditions.

Q3: How often will I meet with my online health and wellness coach?

A3: The frequency of sessions varies depending on the coach and your individual needs. Some coaches offer weekly sessions, while others may schedule bi-weekly or monthly check-ins. This will be discussed during your initial consultation.

Q4: What if I miss a session with my online health and wellness coach?

A4: Most coaches have policies regarding missed sessions. It's best to discuss this with your coach upfront. They may offer rescheduling options or have a system for catching up on missed material.

Q5: Can an online health and wellness coach help me with specific health conditions?

A5: While online health and wellness coaches cannot diagnose or treat medical conditions, they can help you manage certain aspects of your health, such as weight management, stress reduction, or improving sleep quality. However, for specific medical concerns, it's essential to consult with a qualified healthcare professional.

online health and wellness coach: *CLEAN 7* Alejandro Junger, 2019-12-03 The definitive program on detoxification just got easier, thanks to multiple New York Times bestselling author Dr. Alejandro Junger's detailed, personalized, and medically proven seven-day plan that helps us begin

to rid our bodies of the multitude of toxins that infiltrate our systems every day. Each day, too many of us struggle unnecessarily with debilitating health issues, such as colds or viruses, allergies or hay fever, stubborn extra pounds, poor sleep, recurrent indigestion, constipation, or irritable bowel syndrome, itchy rashes, acne or other skin conditions, depression, anxiety, or frequent fatigue. But we don't have to suffer any longer. In his bestseller *Clean*, the international leader in the field of integrative medicine revealed how many of these common ailments are the direct result of toxic build-up in our systems accumulated through daily living, and offered solutions for combatting them. Now, with *Clean 7*, Dr. Junger makes his groundbreaking program easier and more accessible than ever before. *Clean 7* is his medically proven seven-day regimen that provides all the necessary tools to support and reactivate our bodies' detoxification system to its fullest capabilities. In one week, you can begin addressing those nagging health issues by discovering the foods that harm you and the foods that heal you, lose extra weight, and start to experience what it truly means to be well. The first seven days of any program are the most critical. Undertaking a new routine is stressful, and tests our commitment, willpower, and focus. Understanding exactly what's going on in your body—why you might feel fatigue on day two or cravings on day five—is the key to success. A doctor who's helped millions, Dr. Junger personally guides you through the process, offering a clear, day-by-day, meal-by-meal exploration of what's happening in your body to keep you focused on your goals. Filled with the latest science on the brain, and featuring delicious, nutritious recipes, and details on everything from prepping your kitchen to prepping your mind, *Clean 7* revolutionizes the detoxification process. If you have been searching for a book or program to help you take that next step for your overall health, *Clean 7* is the answer. Discover what it truly means to be healthy.

online health and wellness coach: Wellness Coaching for Lasting Lifestyle Change

Michael Arloski, 2014 Arloski blends the wisdom of the wellness field with the proven processes of the coaching profession to create an easy-to-use training tool. The result is the perfect training tool for wellness professionals of all kinds: disease management professionals, professional coaches, EAP professionals, counselors, and therapists.

online health and wellness coach: How to Be a Health Coach Meg Jordan, 2013-08-29 This step-by-step manual offers the essentials of health coaching methodology, along with integrative wellness principles, theoretical frameworks, evidence-based models, coaching session formats, and practice tools. Readers also learn effective mind-body techniques to become extraordinary health coaches.

online health and wellness coach: Masterful Health and Wellness Coaching Michael Arloski, 2021-08 In *Masterful Health & Wellness Coaching* Dr. Arloski focuses on advancing the reader's understanding of the process of coaching in the health and wellness setting and guides the reader to a comprehensive level of expertise. Honing the craft as wellness coaches is the goal. *Masterful Health & Wellness Coaching* offers tools to become a true master of the history, research, scholarship, and techniques of wellness coaching at its highest level. *Masterful Health & Wellness Coaching* is divided into three parts, beginning with a foundation that great coaching is about transformation. Changing behavior needs to be viewed not through a unitary lens, but in the context of growth and development. Arloski reveals how this can be done for the client, for the coach, and for the growing profession of wellness coaching. The second part focuses on *How to Be*, that is, a coaches presence and way of being in the world and with a client, and the powerful effect this has upon the coaching process. Part Three takes a deeper dive into the craft of wellness coaching. Throughout Dr. Arloski references what can be learned from relevant theory and research. *Masterful Health & Wellness Coaching* is tailored to coaches who want to go beyond the basics of SMART Goals and accountability, beyond tracking calories and sit-ups. It is for: - Coaches who want to become scholars of coaching. - Coaches who want to develop a greater understanding of the process of behavioral change. - Coaches who want to learn more about wellness. - Coaches who want to master what the entire field of health promotion has discovered about being well. - Coaches who want to become skilled craftspeople. - Coaches who want to meet their clients with understanding, empathy, and non-judgment. Dr. Arloski believes that coaching isn't about all the things a client is

doing wrong and how grim their situation is. It's about what is needed to ensure a successful future. Masterful Health & Wellness Coaching gives you the tools to start your client on the path to success and to coach him or her until their healthy-living skills are second nature. The root of the word coach can be traced to a village in Hungary, Kocs, where carriages were made in the 1500's. Coaches love metaphors and what is better than this one: A coach takes you from where you are at to where you want to go. Perfect. The client is the one with the reins and it is the coaching process that facilitates the journey.

online health and wellness coach: Wellpreneur Amanda Cook, 2017-02-23 Why do some wellness entrepreneurs find freedom, flexibility and a healthy income online - while others get stuck spinning their wheels, never finding clients or making sales? It's not about who has the best website, or who spends more time on social media. The secret is in the system. Wellpreneurs who find clients online have a system in place that failing wellpreneurs don't. This system brings more of the right people to your website, and turns them into paying clients. It's this proven, step-by-step system you'll learn in this book. Wellpreneur is a guide to nailing your niche and finding more clients online, written just for wellness entrepreneurs. If you're a health coach, yoga teacher, personal trainer, nutritionist or other wellness professional, you'll: Get total clarity on your target market, so you know exactly who you're serving (and why). Learn the proven five-step Organic Growth System to attract ideal prospects to your website and turn them into paying clients. Peek inside the businesses of successful wellpreneurs, to learn how they grew profitable wellness businesses online. Streamline your online marketing, so you can spend less time marketing, and more time doing work you love!

online health and wellness coach: Coaching Psychology Manual Margaret Moore, Erika Jackson, Bob Tschannen-Moran, 2015-09-02 This second edition of the Coaching Psychology Manual helps health, wellness, lifestyle, positive psychology, and personal coaches work with clients to achieve their health, well-being, and life goals. Endorsed by the ACSM, packed with examples and scenarios, and now in vibrant full color, this comprehensive guide covers techniques and concepts for supporting clients in changing the behaviors and mindsets needed to thrive, in all areas of wellness, including fitness, nutrition, weight, mind/body, stress, and management of life issues that impact well-being.

online health and wellness coach: Lifestyle Wellness Coaching James Gavin, Madeleine McBrearty, 2018-11-07 Lifestyles have changed dramatically over the past quarter century. Along with these changes come exciting opportunities, including new career paths in the professional domain of health and wellness coaching. Centered on an evidence-based process for guiding change, Lifestyle Wellness Coaching, Third Edition With Web Resource, offers a systematic approach to helping clients achieve enduring changes in their personal health and wellness behaviors through a supportive and forward-moving coaching relationship. Lifestyle Wellness Coaching has been thoroughly revised and updated to keep pace with the rapidly evolving field of wellness coaching. It is complemented by discussions, case studies, reflective opportunities, and practical aids and engages readers through multiple approaches to learning: The reader is encouraged to gauge comprehension and application of the content by reflecting on personal experiences within the context of coaching. Sample dialogues offer real-world examples of coaching situations and strategies. The International Coach Federation's 11 core competencies are thoroughly examined to prepare readers for certification in the profession of coaching. A new web resource houses easy-to-use forms, plans, and assessments that professionals can use immediately with clients. Lifestyle Wellness Coaching examines real coaching conversations to assess key considerations, such as the types of questions to ask, how to provide feedback effectively, and how to facilitate action planning. The text presents communication strategies to motivate, guide, inform, and support clients' processes toward personal change with a holistic approach. It addresses boundaries of care and advice appropriate to coaching relationships. Other issues explored include developing a trusting relationship, creating goals that are aligned with coaching processes, unblocking clients' energy and discovering resources for change, and generating forward movement through the skillful use of the International Coach Federation's 11 core competencies. Lifestyle Wellness Coaching

introduces readers to models that clearly identify clients' progress through the stages of change. First, the text explores the popular transtheoretical model (TTM) of health-related behavior change and its delineation of six stages of clients' readiness to change. The discussion of TTM includes strategies appropriate to clients in various stages of readiness to change. The text also presents the learning-through-change model (LCM), revealing the deep layers beneath each phase of client movement toward change. Readers are offered a map for coaching clients toward goal achievement. The authors' unique flow model of coaching illustrates how professional coaches can help clients navigate the sometimes turbulent events of a person's life in order to change habitual patterns of behavior. The companion web resource offers a complete kit of assessment tools to help establish a strong framework for successful coaching. A welcome packet, coaching readiness index, introductory session form, and between-sessions questionnaire benefit both the professional and client in laying the groundwork. Other supplemental resources, such as a social and emotional intelligence assessment and a goal setting form, support the journey. *Lifestyle Wellness Coaching, Third Edition*, is the definitive resource for those seeking to embrace wellness coaching and propel clients to healthy, effective change.

online health and wellness coach: The Earth Diet Liana Werner-Gray, 2014-10-28 The ultimate guide book to assist people in transforming their health through a natural lifestyle. Beauty queen Miss Earth Australia Liana Werner-Gray got a wake-up call at the age of 21, when she was diagnosed with a precancerous tumor in her throat. Realizing that health issues were holding her back, including in her entertainment career, she decided to change her lifestyle. Through juicing and using the whole-food recipes shared in this book, Liana healed herself in only three months. This success inspired Liana to create the Earth Diet and make information on the incredible power of plant-based and natural food available to others. She has since used her recipes to help thousands of people with cancer, diabetes, acne, addictions, obesity, and more. When you get the essential vitamins, minerals, and micronutrients your body needs, you can't help but feel better. In this book, you'll find more than 100 nutrient-dense, gluten-free recipes that provide proper nutrition, tips for shifting out of toxic habits, and lifestyle recipes for household and personal-care products to help you heal in all areas of your life. The Earth Diet is inclusive, with recipes for every person, ranging from raw vegans to meat eaters to those following a gluten-free diet. It also features specific guidelines for weight loss, boosting the immune system, increasing your energy, juice cleansing, and more. If you're looking for great-tasting recipes to help you live your healthiest life ever, then this book is for you.

online health and wellness coach: The Primal Blueprint Mark Sisson, 2019 The New Primal Blueprint serves as the ultimate road map for anyone wishing to make the shift from flawed conventional wisdom about diet and exercise to a healthy, happy empowering lifestyle patterned after the evolutionary-tested behaviors of our hunter-gatherer ancestors. The book details the ten immutable Primal Blueprint lifestyle laws that enable empower you to reprogram your genes to direct in the direction of weight loss, health, and longevity. The Primal Blueprint laws are validated by two million years of human evolution as well as an ever-expanding body of contemporary scientific research. Sisson's philosophy was originally met with skepticism as he aggressively challenged numerous mainstream health tenets. Eight years later, mainstream medical and health science are validating the Primal Blueprint tenets assertions that a high-carb, grain-based diet will make you fat, tired, and sick; that a consistent routine of medium-to-difficult cardiovascular workouts can actually compromise your health and longevity and increase risk of heart disease; and that consuming (whole food sources of) fat and cholesterol does not lead to heart disease as we have been led to believe, but rather offers many health benefits. --

online health and wellness coach: Well Nourished Andrea Lieberstein, 2017-07-01 You don't have to turn to food in difficult times. Well Nourished shows you how to develop a mindful relationship with food as you nourish yourself emotionally. There is much more to nourishing yourself than simply eating food. After a long day of feeling run down and exhausted, what you're likely really hungering for are other forms of nourishment. Well Nourished is here to show you how

to live a life where you can feel nourished emotionally, intellectually, physically, socially, and creatively. This is your chance to be mindfully present as you receive, experience, and engage in the nourishing activities and moments that will sustain you on levels other than what your stomach is telling you. You will learn to maintain an inner sense of balance and nourishment even when the waters of life are pitching you around like a ship in a storm. Well Nourished gives you the tools and practices to accomplish all of this when you might otherwise turn to food in these difficult times. With Well Nourished, you will develop a mindful relationship to food and craft your well-nourished life.

online health and wellness coach: How to Incorporate Wellness Coaching into Your Therapeutic Practice Laurel Alexander, 2011-08-15 Wellness coaching is an emerging and vibrant area of healthcare. It takes healing beyond the curing of symptoms and empowers clients to take their health back into their own hands. This book provides therapists with the knowledge and skills to rejuvenate their therapeutic practice by incorporating wellness coaching techniques into their range of services. Laurel Alexander redefines wellness as an integrated lifestyle and mindset process and shows that wellness coaching can be a profound and practical way to help clients make meaningful changes to their health and outlook. The book offers a wellness coaching toolbox, explaining key skills such as how to create an organic personal wellness plan, how to build client rapport and give constructive feedback, and how to apply different coaching models effectively. Practical steps and examples make it easy for any therapist or counsellor to pick up the reins of wellness coaching for themselves. Exciting new developments such as wellness diagnostic services, preventative healthcare, customised treatments and DIY healthcare are explored. With shrewd advice and useful insights, this book is an essential resource for complementary therapists and counsellors looking to update their existing practice and tap into the rapidly expanding wellness market.

online health and wellness coach: Re-Imagining the End of Life Janet Booth, 2019-04-18 What does it mean to be prepared for the last part of our lives? One of the many lessons author and end-of-life nurse coach Janet Booth learned at the bedside of dying people is how painful it is to come unprepared to the end of life, whether it is our own or that of our loved ones. Much of the suffering we experience seems to come from our unfamiliarity with the journey at end of life and our not knowing how to prepare for it. So there is a need for a different kind of conversation about serious illness and dying in our country. Nurses are trusted professionals who are present with people through all of life's transitions. How might they take more leadership in these conversations? The purpose of this handbook is to provide nurses, coaches, and other health care professionals with opportunities for reflection and inspiration in their work. As nurses and health care professionals, many of us have seen firsthand that the process of navigating serious illness and death within our complex health care system is often confusing, isolating, crisis-driven, and dis-heartening. What outcomes might be possible if instead: * we reimagined the end of life as a vital, purposeful stage of human development? * practices of healing - forgiveness, gratitude, and letting go - became essential parts of our care plans? * wisdom instead of fear informed our challenging decision points? * we prepared for death in order to live more fully the time that we have? * the hard work of caregiving was sustainable and meaningful for both family and professional caregivers? In this book you will find fresh ideas, tools, and reflective practices that encourage you to explore your personal beliefs and values about aging, advanced illness, and dying. It is intended to inspire you to reimagine the end of life as a vital part of how we become fully human - a time of life that holds value, meaning, and purpose.

online health and wellness coach: Wellness for the Glory of God John Dunlop, 2014 This book encourages older Christians to embrace aging as a gift from God, incorporating the physical, mental, social, financial, spiritual, and emotional aspects of a person's life into a holistic definition of wellness.

online health and wellness coach: Energy 4 Life Caroline Shola Arewa, 2010 Do you want more Energy and vitality in your life? One of the major health issues affecting people today is lack of

energy. Most people want enough energy and vitality to live life to the full. We don't want to feel drained, exhausted and stressed out all the time. We are in need of regularly topped up, high quality energy for optimum health and wellbeing. Energy 4 Life offers a health and conscious living programme that activates your core energy. It works with the Chakras and Human Energy System. This powerful energetic approach offers the skills needed to live a Healthy, Happy and Successful life in the midst of a changing world. This is an uplifting and informative book that makes balancing the demands of 21st century life manageable.

online health and wellness coach: Let Your Fears Make You Fierce Koya Webb, 2019-06-11 An inspiring, practical guide to release the fears that are holding you back and achieve your ideal life. Everyone experiences fear in life--fear of failure, fear of ridicule, fear of the unknown. These fears hold us back from living our truth and achieving our full potential. They prevent us from growing and moving forward after a minor setback or major disappointment. But if we can transform those fears, anything is possible. We can connect with our authentic self, listen to our soul's desires, and start living our dreams. In this book, celebrity holistic health coach and yoga instructor Koya Webb shares the ways she has lived in fear and the tools she's used to get herself to a more confident and fierce place, moving through life in alignment with everything she believes in. Koya's own personal story of triumph over a career-halting injury, depression, self-sabotage, and other limiting beliefs will inspire readers to meet their challenges head on, and transform their greatest fears and obstacles into positive energy that can launch them forward. If you are tired of feeling overwhelmed, unappreciated, and burned out, this is the book for you. Using breathing techniques, yoga, meditation, journaling, mantras, prayer, and more, Koya shows how you can shift from fear-based living to fierce living! No matter who you are, or where you are at, or what you have been through, these are universal tools that help every human being get un-stuck and be able to live the most fulfilling life possible!

online health and wellness coach: 52 Simple Ways to Health Carol A. Phillips, 2014-10-30 Readers who want to make healthy lifestyle changes, without turning their lives upside down, have come to the right place. 52 Simple Ways to Health offers manageable steps to help you become healthier and happier. Don't miss out on this gem. -Jack Canfield, co-author of the Chicken Soup for the Soul series

online health and wellness coach: The Durable Runner Alison Heilig, 2019-11-01 Part sport and part exercise, running boosts health, longevity, and mental well-being. However, running is a demanding activity that can potentially tax the runner's body and mind. Therefore, possessing durability for running--a fusion of toughness and flexibility--is desirable to enhance a runner's physical and mental experience. This book--the first of its kind to combine corrective exercise, self-myofascial release, and yoga--empowers runners with measures to avoid unnecessary pain, injury, and burnout. It is a comprehensive guide to creating a simple and efficient system of personalized supplemental training in which runners learn to identify and address areas of imbalance and overuse. These training methods increase strength, stability, mobility, and resiliency, and require as little as 15 minutes per day to implement. (For each technique, the author has produced a video, and live links are included in the enhanced ebook edition.) Runners can decrease the risk of injury, improve running performance, and maintain joint health. The result: a more durable body and mind that will support your running--and your life--for years to come.

online health and wellness coach: Prime-Time Health William Sears, 2010-01-06 Twelve years ago, renowned physician and author Dr. William Sears was diagnosed with cancer. He, like so many people, wanted -- and needed -- to take control of his health. Dr. Sears created a comprehensive, science based, head-to-toe program for living a long, fit life -- and it worked. Now at the peak of health, Dr. Sears shares his program in Prime-Time Health. This engaging and deeply informative book will motivate readers to make crucial behavior and lifestyle changes. Dr. Sears explores how to keep each body system healthy and delay those usual age-related changes. Written in Dr. Sears's wise, accessible, and entertaining voice, Prime-Time Health is a practical program to help you live your best life possible--pain-free, disease-free, stress-free, and medication-free.

online health and wellness coach: ROAR Stacy T. Sims, PhD, Selene Yeager, 2016-07-05 “Dr. Sims realizes that female athletes are different than male athletes and you can’t set your race schedule around your monthly cycle. ROAR will help every athlete understand what is happening to her body and what the best nutritional strategy is to perform at her very best.”—Evie Stevens, Olympian, professional road cyclist, and current women’s UCI Hour record holder Women are not small men. Stop eating and training like one. Because most nutrition products and training plans are designed for men, it’s no wonder that so many female athletes struggle to reach their full potential. ROAR is a comprehensive, physiology-based nutrition and training guide specifically designed for active women. This book teaches you everything you need to know to adapt your nutrition, hydration, and training to your unique physiology so you can work with, rather than against, your female physiology. Exercise physiologist and nutrition scientist Stacy T. Sims, PhD, shows you how to be your own biohacker to achieve optimum athletic performance. Complete with goal-specific meal plans and nutrient-packed recipes to optimize body composition, ROAR contains personalized nutrition advice for all stages of training and recovery. Customizable meal plans and strengthening exercises come together in a comprehensive plan to build a rock-solid fitness foundation as you build lean muscle where you need it most, strengthen bone, and boost power and endurance. Because women’s physiology changes over time, entire chapters are devoted to staying strong and active through pregnancy and menopause. No matter what your sport is—running, cycling, field sports, triathlons—this book will empower you with the nutrition and fitness knowledge you need to be in the healthiest, fittest, strongest shape of your life.

online health and wellness coach: The Wellness Revelation Alisa Keeton, 2017-08-08 What would it take for you to make a change? Weight loss can sometimes be a very self-focused endeavor. Maybe you have struggled with your weight your entire life, riding a constant roller coaster of numbers that go up and down. Or maybe you are finding yourself more stressed out by the world and all its demands. Perhaps you just don’t feel as well in your body as you do in your spirit. In *The Wellness Revelation*, certified fitness professional Alisa Keeton will challenge you to get fit with God so that He can free you to complete your purpose. She teaches that when we get fit physically as well as spiritually, we will be better equipped to love and serve others. *The Wellness Revelation* will change the way you perceive yourself and the way that you live your life. Each week in this eight-week journey includes a teaching from Alisa, weekly assignments, Bible study, small-group questions, and more. Alisa will encourage you to love God, get healthy, and serve others; and she will provide you with the tools to spread the gospel with courage, confidence, kindness, and freedom. It’s time to make a change from the inside out.

online health and wellness coach: Keep Your Wits About You Vonetta M. Dotson, 2022-03-08 Science tells us that by keeping our brain as healthy as possible, we can optimize our cognitive abilities, mental health, and physical functioning at any age. Healthy behaviors, such as staying physically, mentally, and socially active, maintaining a healthy diet, and getting good sleep, are the most powerful tools we have to maintain healthy brains. This book provides science-based facts and practical tools for the reader to achieve and maintain a healthy brain.

online health and wellness coach: Mila's Meals Catherine Barnhoorn, 2021-11 *Mila's Meals* is part cookbook, part whole-food nutrition encyclopaedia covering The Beginning of your child's lifelong relationship with food and The Basics of feeding yourself food that is medicine.

online health and wellness coach: Integrative Women's Health Victoria Maizes, Tieraona Low Dog, 2010-02-26 Women have made it clear that they desire a broader, integrative approach to their care. Here, for the first time, *Integrative Women's Health* weaves together the best of conventional treatments with mind-body interventions, nutritional strategies, herbal therapies, dietary supplements, acupuncture, and manual medicine, providing clinicians with a roadmap for practicing comprehensive integrative care. Presenting the best evidence in a concise, accessible format, and written exclusively by female clinicians, this text addresses many aspects of women's health, including feminine perspectives on aging, spirituality and sexuality, specific recommendations for the treatment of cardiovascular disease, rheumatoid arthritis, HIV, headaches,

multiple sclerosis, depression, anxiety, and cancer, as well as integrative approaches to premenstrual syndrome, pregnancy, menopause, fibroids, and endometriosis. Homeopathic, Ayurvedic and traditional Chinese medicine practitioners provide insight into the ways in which these systems manage reproductive conditions. As leading educators in integrative medicine, editors Dr. Maizes and Dr. Low Dog demonstrate how clinicians can implement their recommendations in practice, but they also go beyond practical care to examine how to motivate patients, enhance a health history, and understand the spiritual dimensions of healing.

online health and wellness coach: *Free to Heal* Shaunna Menard, 2020-01-07 A woman who went from burned-out doctor to blissed-out health coach shares simple steps that help others move in the direction of their coaching dreams. Many health coaches have a dream to make a greater difference in healing with their own signature soul-satisfying programs, without putting their family at risk. But they have no idea how to do that—until now. Shaunna Menard, MD, knows what it looks like to see someone destroy their health before her eyes. In *Free to Heal*, she shares how she was able to break free and make an even greater difference with her own soul-satisfying health coaching practice. In *Free to Heal*, health coaches learn how to: Use self-healing principles that clearly and confidently deliver exponential results for their patients and clients Awaken to what they really want without having to choose between “making a living” and living Break free from a medical career to create their own signature wellness program without putting their family at risk Determine what influencers are sabotaging them and keeping them stuck

online health and wellness coach: *The Memory of Health* Edie Summers, 2016-02-26 What is your journey to well-being? Do you suffer from health issues or a chronic condition? Do you have M.E., CFS, or chronic fatigue? Is stress affecting your well-being? Do you have chronic fatigue or a chronic condition? Are you seeking answers? If you have chronic fatigue for any reason (M.E., CFS, burnout, another chronic condition, on-going stress, trauma, etc.) check this book out! *The Memory of Health* is a memoir and a guide to living well. It is also a comprehensive resource on chronic fatigue, possible solutions, and on how self-care and lifestyle medicine may help you. What makes you thrive, even in the face of great odds? What makes you come alive? At the age of 22, Edie developed chronic fatigue after having surgery for a ski accident. While physical therapy was helpful, she had to seek alternative treatment to regain full use of her knee. In the course of seeking answers to her health challenges, she discovered the power of mindful living and became a conscious consumer. Whether you like mainstream, alternative, or integrative medicine as your solution for health and well-being, be conscious of the choices you make, because they matter. #cfs #chronicfatigue #chronicillness #booksonhealth #M.E. #booksonfatigue #booksonchronicfatigue #howtogetmoreenergy #adrenalinsufficiency #burnout #trauma #energy #moreenergy #theoriesofcfs #theoriesofchronicfatigue #howtoimprovenenergylevels

online health and wellness coach: *Authentic Happiness* Martin Seligman, 2011-01-11 In this important, entertaining book, one of the world's most celebrated psychologists, Martin Seligman, asserts that happiness can be learned and cultivated, and that everyone has the power to inject real joy into their lives. In *Authentic Happiness*, he describes the 24 strengths and virtues unique to the human psyche. Each of us, it seems, has at least five of these attributes, and can build on them to identify and develop to our maximum potential. By incorporating these strengths - which include kindness, originality, humour, optimism, curiosity, enthusiasm and generosity -- into our everyday lives, he tells us, we can reach new levels of optimism, happiness and productivity. *Authentic Happiness* provides a variety of tests and unique assessment tools to enable readers to discover and deploy those strengths at work, in love and in raising children. By accessing the very best in ourselves, we can improve the world around us and achieve new and lasting levels of authentic contentment and joy.

'Wim is a legend of the power ice has to heal and empower' BEAR GRYLLS 'Thor-like and potent...Wim has radioactive charisma' RUSSELL BRAND

online health and wellness coach: Thrive Arianna Huffington, 2014-03-25 In *Thrive*, Arianna Huffington makes an impassioned and compelling case for the need to redefine what it means to be successful in today's world. Arianna Huffington's personal wake-up call came in the form of a broken cheekbone and a nasty gash over her eye--the result of a fall brought on by exhaustion and lack of sleep. As the cofounder and editor-in-chief of the Huffington Post Media Group--one of the fastest growing media companies in the world--celebrated as one of the world's most influential women, and gracing the covers of magazines, she was, by any traditional measure, extraordinarily successful. Yet as she found herself going from brain MRI to CAT scan to echocardiogram, to find out if there was any underlying medical problem beyond exhaustion, she wondered is this really what success feels like? As more and more people are coming to realize, there is far more to living a truly successful life than just earning a bigger salary and capturing a corner office. Our relentless pursuit of the two traditional metrics of success--money and power--has led to an epidemic of burnout and stress-related illnesses, and an erosion in the quality of our relationships, family life, and, ironically, our careers. In being connected to the world 24/7, we're losing our connection to what truly matters. Our current definition of success is, as *Thrive* shows, literally killing us. We need a new way forward. In a commencement address Arianna gave at Smith College in the spring of 2013, she likened our drive for money and power to two legs of a three-legged stool. They may hold us up temporarily, but sooner or later we're going to topple over. We need a third leg--a third metric for defining success--to truly thrive. That third metric, she writes in *Thrive*, includes our well-being, our ability to draw on our intuition and inner wisdom, our sense of wonder, and our capacity for compassion and giving. As Arianna points out, our eulogies celebrate our lives very differently from the way society defines success. They don't commemorate our long hours in the office, our promotions, or our sterling PowerPoint presentations as we relentlessly raced to climb up the career ladder. They are not about our resumes--they are about cherished memories, shared adventures, small kindnesses and acts of generosity, lifelong passions, and the things that made us laugh. In this deeply personal book, Arianna talks candidly about her own challenges with managing time and prioritizing the demands of a career and raising two daughters--of juggling business deadlines and family crises, a harried dance that led to her collapse and to her aha moment. Drawing on the latest groundbreaking research and scientific findings in the fields of psychology, sports, sleep, and physiology that show the profound and transformative effects of meditation, mindfulness, unplugging, and giving, Arianna shows us the way to a revolution in our culture, our thinking, our workplace, and our lives.

online health and wellness coach: Life Coaching Michael Neenan, Windy Dryden, 2013-06-26 The way we think profoundly influences the way we feel, so learning to think differently can enable us to feel and act differently. The first edition of *Life Coaching* successfully showed how to tackle self-defeating thinking and replace it with a problem-solving outlook, providing clear and helpful advice on: Dealing with troublesome emotions Overcoming procrastination Becoming assertive Tackling poor time management Persisting at problem solving Handling criticism constructively Taking risks and making better decisions. The new edition retains the key features, while offering a brand new chapter on the emerging topic of resilience as well updates throughout. It will continue to be invaluable to all those who are interested in becoming more personally effective in their everyday lives, and also to counsellors in practice and training.

online health and wellness coach: Body Thrive Cate Stillman, 2019-03-05 Discover an innovative new curriculum for smarter, naturally rejuvenating daily habits through Ayurveda and yoga "This is the next frontier of Ayurveda." —Mark Hyman, MD, medical director at Cleveland Clinic's Center for Functional Medicine and 11-time New York Times bestselling author The habits you choose over time create your day-to-day thrive. What habits have you been choosing? Are they

helping you—or holding you back? Evolving your habits doesn't have to be a struggle. In *Body Thrive*, wellness expert Cate Stillman guides you into 10 critical daily routines based on Ayurveda that will rejuvenate you by aligning your daily schedule with natural biorhythms. Rather than presenting a rigid checklist of scheduled tasks, Cate encourages easy and steady progress through small actions. Including access to dozens of downloadable worksheets to help you chart your progress through the habits, *Body Thrive* provides step-by-step instruction for developing aligned action in your daily routine. Here you will learn: The immediate advantages of lighter, earlier dinners Why you should listen to your body clock and go to bed before 10 PM How to set up a vibrant, energized day with an intentional morning routine Coordinating your workout with the intelligence of the breath The satisfaction and abundance of eating a locally sourced, plant-based diet Techniques for invigorating self-massage How to properly sit in contemplative silence Healthy eating guidelines that will leave you feeling nourished and fulfilled Methods for heeding and maintaining the wisdom of your senses How to choose ease and spaciousness instead of stress and constriction “You only get one body,” writes Cate. “What habits are you going to mold it with?” With *Body Thrive*, you'll discover how to catalyze more energy, improve your digestion, hone your fitness routine, cultivate peace of mind, and shift your own habits toward lifelong health and wellness.

online health and wellness coach: *The End of Alzheimer's* Dale Bredeisen, 2017-08-22 The instant New York Times and Wall Street Journal bestseller A groundbreaking plan to prevent and reverse Alzheimer's Disease that fundamentally changes how we understand cognitive decline. Everyone knows someone who has survived cancer, but until now no one knows anyone who has survived Alzheimer's Disease. In this paradigm shifting book, Dale Bredeisen, MD, offers real hope to anyone looking to prevent and even reverse Alzheimer's Disease and cognitive decline. Revealing that AD is not one condition, as it is currently treated, but three, *The End of Alzheimer's* outlines 36 metabolic factors (micronutrients, hormone levels, sleep) that can trigger downsizing in the brain. The protocol shows us how to rebalance these factors using lifestyle modifications like taking B12, eliminating gluten, or improving oral hygiene. The results are impressive. Of the first ten patients on the protocol, nine displayed significant improvement with 3-6 months; since then the protocol has yielded similar results with hundreds more. Now, *The End of Alzheimer's* brings new hope to a broad audience of patients, caregivers, physicians, and treatment centers with a fascinating look inside the science and a complete step-by-step plan that fundamentally changes how we treat and even think about AD.

online health and wellness coach: *A Compromised Generation* Beth Lambert, Victoria Koblin, 2010 The media has called attention to new “epidemics” of chronic illness in children, including ADHD, autism, food allergies, asthma, and obesity. Are they real, and if so, why are so many children getting sick? This book, rooted in scientific literature, answers these questions for parents. Many children considered healthy by their pediatricians show subtle signs of ill health. The author explains how to prevent these illnesses, and how to help those who are already ill.

online health and wellness coach: *FASTER Way to Fat Loss* Amanda Tress, 2019-05-20 Are you one of the millions of individuals who have tried every fad diet on the market, and still can't meet your goals? Or maybe you're killing yourself at the gym, spending hours on the treadmill to maintain the perfect number on the scale. Regardless of your failing strategy, you're feeling exhausted, discouraged, and uninspired. Enter *The FASTER Way to Fat Loss*, a behind-the-scenes look at the lifestyle sweeping the health and wellness industry. Since the creation of the program in 2016, the FASTER Way has helped tens of thousands of men and women lose fat and regain confidence. Through the book, Amanda Tress, author and creator of the FASTER Way to Fat Loss, details the core components of the FASTER Way and dives into the science that backs them up. Please note: Purchasing this book does NOT include participation in the official FASTER Way to Fat Loss program. Program registration must be purchased separately at www.fasterwaytofatloss.com.

online health and wellness coach: *Unconventional Medicine* Chris Kresser, 2017-09-06 The world is facing the greatest healthcare crisis it has ever seen. Chronic disease is shortening our lifespan, destroying our quality of life, bankrupting governments, and threatening the health of future generations. Sadly, conventional medicine, with its focus on managing symptoms, has failed to address this challenge. The result is burned-out physicians, a sicker population, and a broken healthcare system. In *Unconventional Medicine*, Chris Kresser presents a plan to reverse this

dangerous trend. He shows how the combination of a genetically aligned diet and lifestyle, functional medicine, and a lean, collaborative practice model can create a system that better serves the needs of both patients and practitioners. The epidemic of chronic illness can be stopped, if patients and practitioners can adapt.
