PetSmart Wellness Dog Food: A Comprehensive Guide for Discerning Pet Owners

Are you searching for the perfect food to nourish your beloved canine companion? Choosing the right dog food can feel overwhelming, with a seemingly endless array of brands and formulas on the market. If you've landed on PetSmart Wellness dog food, you're already on the right track. This comprehensive guide delves deep into the world of PetSmart Wellness dog food, exploring its various lines, key ingredients, benefits, potential drawbacks, and ultimately, helping you determine if it's the right choice for your furry friend. We'll cover everything you need to know to make an informed decision, so let's dive in!

Understanding the PetSmart Wellness Dog Food Lineup

PetSmart's Wellness brand isn't just one type of dog food; it's a family of products catering to different life stages, breeds, and dietary needs. This range is designed to provide complete and balanced nutrition, but the specifics vary significantly. Understanding these variations is crucial for making the right selection. Here's a breakdown of some of the key Wellness lines available at PetSmart:

Wellness Complete Health: This is often considered the flagship line, focusing on providing a balanced diet with high-quality protein sources, whole grains, and added fruits and vegetables for optimal health and vitality. It's available in various formulas for different life stages (puppy, adult, senior) and sizes (small breed, large breed). Many owners appreciate its focus on natural ingredients and limited artificial additives.

Wellness Simple: As the name suggests, this line emphasizes simplicity. It features limited ingredients, often focusing on a single protein source (like chicken or salmon) and minimizing potential allergens. This makes it ideal for dogs with sensitive stomachs or food allergies. The shorter ingredient list can be attractive to owners prioritizing transparency and reducing potential irritants.

Wellness CORE: This line often boasts a higher protein content and a focus on meat-based ingredients, making it suitable for active dogs or those with higher energy requirements. It often includes ingredients like real meat, poultry, and fish as the primary protein sources, emphasizing a biologically appropriate diet.

Wellness Complete Health Small Breed: Specifically formulated for the unique nutritional needs of small-breed dogs, this line often contains smaller kibble sizes for easier chewing and digestion. Small breeds often have different metabolic rates and caloric needs than larger breeds, making this specialized food crucial for their health.

Key Ingredients and Nutritional Benefits of PetSmart Wellness Dog Food

The specific ingredients vary across the Wellness lines, but several common threads emerge. Many formulas prioritize:

High-quality protein sources: Real meat, poultry, and fish are typically featured prominently, providing essential amino acids crucial for muscle development and overall health.

Whole grains: Many Wellness recipes include whole grains like brown rice and barley, providing fiber for digestive health and sustained energy.

Fruits and vegetables: The addition of fruits and vegetables like cranberries, blueberries, and spinach provides antioxidants and essential vitamins and minerals.

Omega-3 and Omega-6 fatty acids: These essential fatty acids contribute to healthy skin and coat, as well as cognitive function and joint health.

These ingredients contribute to several potential benefits:

Improved digestion: The fiber content and carefully selected ingredients aim for better digestion and reduced instances of upset stomachs.

Enhanced energy levels: The balanced blend of protein and carbohydrates is designed to support active lifestyles.

Healthier skin and coat: The inclusion of omega fatty acids and other nutrients leads to a shinier, healthier coat.

Stronger immune system: Antioxidants and other beneficial ingredients may contribute to a stronger immune response.

Potential Drawbacks and Considerations

While PetSmart Wellness dog food offers many advantages, it's essential to consider potential drawbacks:

Cost: Wellness dog food tends to be on the pricier side compared to some budget brands. This is often a trade-off for the higher quality ingredients and nutritional benefits.

Ingredient variations: The specific ingredients can differ significantly between the various Wellness lines. Carefully check the ingredient list to ensure it aligns with your dog's individual needs.

Potential for allergies: While many dogs tolerate Wellness well, individual sensitivities are always possible. If your dog has known allergies, carefully examine the ingredient list for potential allergens.

Choosing the Right Wellness Dog Food for Your Pet

Selecting the optimal Wellness dog food requires considering your dog's:

Age: Puppy, adult, or senior formulas cater to different nutritional requirements.

Breed size: Small, medium, or large breed formulas are designed to accommodate varying energy levels and body sizes.

Activity level: Highly active dogs may benefit from higher protein formulas like Wellness CORE.

Dietary restrictions or allergies: Choose a formula that avoids known allergens or caters to specific dietary needs.

Conclusion

PetSmart Wellness dog food offers a wide range of options to suit various canine needs. By carefully considering your dog's individual characteristics and the features of each Wellness line, you can make an informed choice that contributes to your pet's health and well-being. Remember to always consult with your veterinarian before making significant changes to your dog's diet.

FAQs

1. Is PetSmart Wellness dog food grain-free? Not all Wellness lines are grain-free. Some formulas incorporate whole grains, while others like Wellness Simple offer grain-free options. Check the specific product label for details.
1. Can I switch my dog to PetSmart Wellness dog food suddenly? It's best to gradually transition your dog to a new food to avoid digestive upset. Mix small amounts of the new food with the old food over several days to allow their system to adjust.
1. Where can I buy PetSmart Wellness dog food? As the name suggests, you can primarily purchase Wellness dog food at PetSmart stores and online through their website.
1. Is PetSmart Wellness dog food good for picky eaters? While Wellness offers delicious and nutritious formulas, picky eating can still be a challenge. Try offering small amounts, varying the feeding method, and ensuring your dog is healthy and hasn't been suffering from any other conditions.
1. How often should I feed my dog PetSmart Wellness dog food? Feeding guidelines are typically found on the packaging and will vary depending on your dog's age, size, breed and activity level. Consult your veterinarian if you're unsure.

petsmart wellness dog food: Celiac and the Beast Erica Dermer, 2013-10 This book details the struggle through misdiagnosis after misdiagnosis, the search for answers to what gluten free really means, additional medical issues along with celiac disease, and a connection between her past life of disordered eating to her new medically restricted diet--Back cover.

petsmart wellness dog food: Care for Your Hamster (RSPCA Pet Guide) RSPCA,

2015-05-07 Published in association with the RSPCA, the UK's leading animal welfare charity, this practical family guide is full of expert advice on how to choose a hamster and how best to look after it.

petsmart wellness dog food: Big Kibble Shawn Buckley, Oscar Chavez, 2020-12-01 A big, inside look at the shocking lack of regulation within the pet food industry, and how readers can dramatically improve the quality of their dogs' lives through diet. What's really going into commercial dog food? The answer is horrifying. Big Kibble is big business: \$75 billion globally. A handful of multi-national corporations dominate the industry and together own as many as 80% of all brands. This comes as a surprise to most people, but what's even more shocking is how lax the regulations and guidelines are around these products. The guidelines—or lack thereof—for pet food allow producers to include ever-cheaper ingredients, and create ever-larger earnings. For example, “legal” ingredients in kibble include poultry feces, saw dust, expired food, and diseased meat, among other horrors. Many vets still don't know that kibble is not the best food for dogs because Big Kibble funds the nutrition research. So far, these corporations have been able to cut corners and still market and promote feed-grade food as if it were healthful and beneficial—until now. Just as you are what you eat, so is your dog. Once you stop feeding your dog the junk that's in kibble or cans, you have taken the first steps to improving your dog's health, behavior and happiness. You know the unsavory side of Big Tobacco and Big Pharma. Now Shawn Buckley, Dr. Oscar Chavez, and Wendy Paris explain all you need to know about unsavory Big Kibble—and offer a brighter path forward for you and your pet.

petsmart wellness dog food: Diseases of Dogs & Cats Veterinary Surgeon, 1893

petsmart wellness dog food: City Dog Cricky Long, 2004-11 Each of these city-specific dog-resource directories takes all of the guesswork out of finding new dog shops, services and places, including dog day cares, boarding facilities, pet sitters, dog parks, dog trainers, pet boutiques, alternative therapies, and neighborhood pet-supply stores. Each listing includes not only the address, phone number, hours of operation, and payment information, but also an original review that offers readers the inside scoop on each business. Also included is an emergency directory that's essential for middle-of-the-night ailments, a dog rescue directory, puppy starter kit, and lost dog help. The listings are arranged in an easy thumb-through layout and the book is perfectly sized to fit in a pocketbook or glove box.

petsmart wellness dog food: Caring for Your Aging Dog Janice Borzendowski, 2007 Today, veterinarians know more about small-animal geriatrics than ever before--making it possible for dogs to live longer, better lives. But science and technology alone aren't enough: we have to do our part, too. And this thorough guide to the older dog teaches us how. It introduces the basics of caring for a senior pet; examines issues of genetics, environment, and nutrition; presents a prevention primer” for forestalling disease and old-age conditions; and explains how to recognize vital signs of change, from cloudy eyes to achy joints. Most important, it offers comforting advice on what to do when your beloved pet does get sick, and how to deal with both the financial and emotional costs. Throughout, dog owners tell their inspiring personal stories.

petsmart wellness dog food: Caring for Your Aging Cat Janice Borzendowski, 2007 Since cats have a natural talent for looking better than they feel, it may surprise owners to learn that felines are considered senior” at 7 and geriatric” at 14. This invaluable guide explains such things as how to help an older cat with grooming, how to recognize the diseases that come with age, and how to tell if the animal is in pain or discomfort. Here, too, are the many different state-of-the-art treatments available—including how much each should cost. End-of-life questions--such as euthanasia and hospice care--are discussed frankly and with compassion for both pet and owner. Full of heartwarming case studies, this is a book for everyone who has the good fortune to live with a cat.

petsmart wellness dog food: Dog Food Logic Linda P. Case, M.S., 2014-02-12 Choosing the right dog food in a world with too many choices
 Walking down the dog food aisle in a pet supply superstore can present you with an overwhelming number of choices. Reading about dog

food on the internet can make your head spin with so many opinions and stories. And judging the content that you find on dog food packaging can be confusing and misleading. How can the average dog owner make an informed choice in accordance with her dog's age, size and condition? In her latest book, author Linda Case describes how to make logical, evidence-based decisions for what to feed your dog amid all the options available.

- You will learn
- How pet food marketers appeal to your emotions to persuade you to buy a particular type of dog food.
- To distinguish between scientific, evidence-based information and the anecdotal evidence which is so pervasive—and often misleading—in the dog food arena.
- Is there a scientific basis for dog foods designed specifically for puppies, senior dogs, canine athletes—even various breeds of dogs?
- How to read and evaluate all of the material included on a typical package of dog food from the ingredients and label claims (“Natural,” “Anti-Oxidant,” “Low Fat”), to the Nutrient Analysis and Nutritional Adequacy statements.
- How to avoid choice paralysis and the cognitive traps that can interfere with clear decision making.

What experts are saying about *Dog Food Logic*

Pet food is like a religion for many—but now those strong emotional ties can be backed up with fact. Linda Case separates fact from fiction, explains the complex terms and offers a guide to pet nutrition in simple to comprehend language. Unlike other books on this topic, there is no agenda here—except to present facts and then allow pet owners to make their own logical conclusions, letting the kibble drop where it may.

Steve Dale, CABC, columnist Tribune Content Agency; radio host Black Dog Radio Productions and WGN Radio (Chicago); contributing editor USA Weekend; special correspondent Cat Fancy; author Good Cat!

Dog Food Logic is the indispensable guide to the science behind canine nutrition that will help us to make wise, well-informed choices about how and what we feed our dogs. It takes the fear out of trying to understand proper nutrition and will empower us to determine what is best for the health of our dogs.

Claudia Kawczynska, Founder and Editor-in-chief of The Bark

Don't read this book if you want someone to tell you what to feed your dog. This is a book for people who want to learn, in a reasoned and thoughtful way, how to figure it out for themselves. *Dog Food Logic* goes way beyond the usual textbook list of nutritional requirements to cover the pet food industry in all its glory: the history, the business, the marketing, and best of all, the science. Case deftly navigates the most controversial topics in pet food and presents the big picture without interjecting judgment about what approach is best. There's something here for everyone: pet care professionals and dog lovers alike will learn something new from this informative, easy to read, and well researched book.

Jessica Vogelsang, DVM, CVJ, author, speaker, and CEO of Pawcurious Media

petsmart wellness dog food: *Run, Spot, Run* Jessica Pierce, 2016-05-06 “A thoughtful book” about how to ensure that the animals we love benefit from the relationship as much as we do (Kirkus Reviews). We feel love for our companions, and happiness that we're providing them with a safe, healthy life. But sometimes we also feel guilt. When we see our cats gazing wistfully out the window, or watch a goldfish swim lazy circles in a bowl, we can't help but wonder: Are we doing the right thing, keeping these independent beings locked up, subject to our control? Is keeping pets actually good for the pets themselves? That's the question that animates Jessica Pierce's powerful *Run, Spot, Run*. A bioethicist and a lover of pets herself (including, over the years, dogs, cats, fish, rats, hermit crabs, and more), Pierce explores the ambiguous ethics at the heart of this relationship, and through a mix of personal stories, philosophical reflections, and scientifically informed analyses of animal behavior and natural history, she puts pet-keeping to the test. Is it ethical to keep pets at all? Are some species more suited to the relationship than others? Are there species one should never attempt to own? And are there ways that we can improve our pets' lives, so that we can be confident that we are giving them as much as they give us? “With gentle humor, clear compelling language, and always in search of the physically and emotionally healthiest lives possible for our animal companions, *Run, Spot, Run* moved me all the more because it's written from the inside looking out. Pierce herself lives with three pets and understands the deep urge so many of us feel to connect across species lines.”—Barbara King, author of *How Animals Grieve*

petsmart wellness dog food: The Best Dog Diet Ever by Caroline Griffith Caroline Griffith, 2012-03-29 This is the book your dog, has been waiting for you to read! petsmart wellness dog food: Unlocking the Canine Ancestral Diet Steve Brown, 2009-12 Ancestors and canine cousins of our dogs didn't eat crunchy kibble or meat 'n gravy in a can. They ate what they found or caught... and it wasn't cooked or enriched either! It was high in protein, with balanced fats, and usually included a few fruits, vegetables and grasses. Steve Brown, an expert on canine nutrition, shows how you can bring the benefits of the canine ancestral diet to your dog by feeding him differently as little as just one day a week. And no, you won't need to lead a pack of dogs on a hunting expedition! Just follow Steve's well-researched and easy to follow ABCs to make improvements to whatever your dog currently eats. BONUS! Raw food or home prepared feeders will learn how to balance nutrients more precisely, especially fats, for optimum health. A dog diet to get wild about! bull; Learn about the latest research on the importance of protein and healthy fats in your dog's diet. bull; Find out why commercial foods can't include these fragile-but-crucial nutrients, and how you can make sure your dog gets them. bull; Just one day a week, or more frequently if you choose, follow the simple recipes that balance the nutrition in the commercial food you are feeding-wet or dry!

petsmart wellness dog food: Lucky G and the Melancholy Quokka Amy Wilinski-Lyman, 2020-10-23 Raves for the Raven Who is a Therapist This book grabs you from the outset and takes you on a hopeful journey: A colorful, spunky raven (with a Ph.D.) travels to Australia to meet a quokka who has lost his true smile, finds it hard to move and isn't hanging out with friends anymore. Dr. G knows that depression is the culprit, and extends a listening ear and helping hand, all the while reassuring the quokka that lots of adults and kids feel depression, too! The illustrations are colorful and whimsical, and the fact that Amy takes us on a journey to Australia provides the novelty that keeps the book captivating and moving right along. I truly enjoyed reading this and I believe children with depression, and their parents, will find acknowledgment, guidance and hope in this little book. Enjoyable, informative and capable of capturing a child's imagination. -- Eliana Gil, Ph.D., Founder, Gil Institute for Trauma Recovery & Education, Fairfax, VA In her latest Lucky G book installment, Wilinski-Lyman makes the concept of play therapy accessible to children and parents. Speaking from experience, and from the heart, she presents therapy as a helpful tool for kids and fights stigma against depression. Her characters are easy to relate to for children and families alike. The vivid and expressive illustrations by Leela Green make this book a visual treat for all ages. -- Marta Manning, former president NAMI Midland, MI chapter (National Alliance on Mental Illness) I liked the whole story. Blue was my favorite character--I would be friends with him. I liked how Blue was sad at the start and then was happy by the end. -- Astor, 7 years old AMY WILINSKI-LYMAN lives in Michigan with her three awesome children: Zach, Drew, and Kendall; and her big fluffy orange cat, Marshall. Amy became a mental health warrior in 2016 after she was diagnosed with bipolar disorder. Through her books and online presence she wants to show parents and children

living with mental illness that there is hope. Learn more at AmyLymanAuthor.com From Loving Healing Press www.LHPress.com

petsmart wellness dog food: Best Life , 2007-09 Best Life magazine empowers men to continually improve their physical, emotional and financial well-being to better enjoy the most rewarding years of their life.

petsmart wellness dog food: Dinner PAWsible Cathy Alinovi, Susan Thixton, 2015-05-19 There's a reason why pets beg at your table—they want real food! Not the kibble manufactured by pet food companies, drained of nutrients. If we are dedicated to preparing healthy meals for ourselves in the comfort and safety of our own kitchens, shouldn't we be doing the same for our pets? Dinner PAWsible is a collection of more than fifty cat and dog food recipes that will teach you how to whip up a fresh, balanced meal for your hungry critters. Written by a veterinarian certified in food therapy and an advocate for pet food safety, these recipes are also based on the National Research Council requirements for dogs and cats. Recipes for Dogs include: Turkey & Oats Lasagna Beef, Egg & Rice Chicken, Shrimp, and Veggies Salmon & Cabbage And more! Recipes for cats include: Turkey Meatloaf Turkey & Salmon Hash Steak & Eggs Fish Salad Gumbo And more! Debunk the myth that pet food companies are the only entities qualified to feed your pets. Instead, beat pet obesity, disease, and sickness by reaching into your pantry or refrigerator, turning on the stove, and starting to cook yourself! Making food at home will also decrease those exorbitant pet food bills. It's time to go back to the table. Know exactly what your pet is eating and serve it a variety of real food that it deserves. Be a responsible pet parent by balancing your pet's diet and pleasing its palate. Cooking for your pet is paws-ible!

petsmart wellness dog food: Mouse Care Tfh Experts, 2005 With quick and easy instructions, Mouse Care provides all the information you need to care for your mice. petsmart wellness dog food: The Canine Thyroid Epidemic W. Jean Dodds, Diana Laverdure, 2011-03 Weight gain, hair loss and behavior changes are symptoms of thyroid problems. Learn how to recognize and get treatment for this under-diagnosed and misunderstood malady. Easy to read text with color photos and case studies to help you help your dog.

petsmart wellness dog food: CANINE NUTRIGENOMICS W. Jean Dodds, DVM, Diana Laverdure, 2014-12-30 Nutrigenomics is the new science of how diet affects gene expression at the cellular level, creating vibrant health or chronic disease. Optimum health begins in the cells—and this book shows you how to achieve it for your dog!

petsmart wellness dog food: Zak George's Dog Training Revolution Zak George, Dina Roth Port, 2016-06-07 A revolutionary way to raise and train your dog, with "a wealth of practical tips, tricks, and fun games that will enrich the lives of many dogs and their human companions" (Dr. Ian Dunbar, veterinarian and animal behaviorist). Zak George is a new type of dog trainer. A dynamic YouTube star and Animal Planet personality with a fresh approach, Zak helps you tailor dog training to your pet's unique traits and energy level—leading to quicker results and a much happier pup. For the first time, Zak has distilled the information from his hundreds of videos and experience with thousands of dogs into this comprehensive dog and puppy training guide that includes: • Choosing the right pup for you • Housetraining and basic training • Handling biting, leash pulling, jumping up, barking, aggression, chewing, and other behavioral issues • Health care essentials like finding a vet and selecting the right food • Cool tricks, traveling tips, and activities to enjoy with your dog • Topics with corresponding videos on Zak's YouTube channel so you can see his advice in action Packed with everything you need to know to raise and care for your dog, this book will help you communicate and bond with one another in a way that makes training easier, more rewarding, and—most of all—fun!

petsmart wellness dog food: Veterinary Secrets Andrew T. Jones, Andrew T Jones DVM, 2014-05-23 This manual draws from Dr Jones' 17 years' experience in veterinary medicine to provide

a comprehensive, step-by-step guide to home pet care and disease remedies. Dr. Jones opens by explaining how he came to question conventional veterinary treatments then began to share his concerns publicly and openly educate pet owners, empowering them to provide their pets with quality, holistic care at home. Eventually, his efforts led to his expulsion from the British Columbia Veterinary College, resulting in a ban from practicing animal medicine.

petsmart wellness dog food: Raising Cats Naturally Michelle T. Bernard, 2004-02-01 It's about time we had a book like this. Michelle Bernard has a rare gift for putting in plain words extraordinarily effective and levelheaded ways to properly care for cats. Steering clear of faddish, dangerous trends-and dissecting the oodles of misinformation that has regrettably become the norm in mainstream advice on animal nutrition-she shines most conspicuously on the issue of a proper feline diet. By giving the reader a common-sense, straightforward strategy for preparing a diet that is based solely on the nutritional requirements of true carnivores, her book is a must-have for anyone committed to building and maintaining glowing good health for cats. Bernard's work on all aspects of caring naturally for cats is based on years of meticulous research and hands-on experience, yet she translates her knowledge into simple, common sense guidelines that anyone can understand and put to use. Her eloquent explanation of homeopathy demystifies this splendid, ancient healing art that is so marvelously suited to cats, giving the reader a valuable awareness about how to build and nurture a cat's health from the inside out. This alone is a refreshing and most welcome approach given the routine over-medication and over-vaccination of cats. If you love your cat, read this book. All of it.

petsmart wellness dog food: The Original Dog Bible Kristin Mehus-Roe, 2011-10-04 The woof-tastic second edition. "This attractive, copiously illustrated easy-to-understand volume covers every aspect of responsible dog ownership." —Library Journal The revised and expanded second edition of the bestselling *The Original Dog Bible* remains the most comprehensive dog lover's resource on the market! petsmart wellness dog food: Kiplinger's Personal Finance, 2004-07 The most trustworthy source of information available today on savings and investments, taxes, money management, home ownership and many other personal finance topics.

petsmart wellness dog food: The Health Benefits of Dog Walking for People and Pets Rebecca Ann Johnson, Alan M. Beck, Sandra K. McCune, 2011 Obesity is a national epidemic in the United States. It is estimated that by 2018 the cost of treating weight-related illnesses will double to almost \$350 billion a year, while a 2010 report by the US Surgeon General estimates that two-thirds of American adults and almost one in three children are now overweight or obese. This volume originated in a special 2009 symposium funded in part by a grant from the Eunice Kennedy Shriver National Institute of Child Health and Human Development (NICHD) and sponsorship from Mars

WalthamA on how human-animal interaction may help fight obesity across the lifespan. The authors present scientific evidence about the benefits of dog walking for improving human and animal health, and case studies of programs that are using this powerful expression of the human-animal bond to combat obesity. The volume is especially valuable as a sourcebook of evidence-based studies for public health professionals treating overweight humans and veterinarians treating obese dogs.

petsmart wellness dog food: Cat Daddy Jackson Galaxy, 2013-05-02 Cat behaviorist and star of Animal Planet's hit television show *My Cat from Hell*, Galaxy, a.k.a. petsmart wellness dog food: The Dog-Eared Diary Diane Wing, 2019 Chrissy digs up clues to help Autumn solve a historical disappearance and a modern-day murder mystery Autumn Clarke is getting her life back to normal with the help of her extraordinary shih tzu, Chrissy, when the death of a local philanthropist reveals the man's dark family secrets, as well as unexpected ties to Autumn. When Chrissy discovers a dog-eared diary in the dead man's family home, Autumn discovers that things in the Clarke family are not quite as they seem. Can Autumn interpret the hidden clues in the dog-eared diary to crack the most puzzling disappearance in Knollwood history? Are the recent murders connected to the past? Is Chrissy more insightful than Autumn realized? I have fallen in love with Chrissy and Autumn and their continuing journey to health while finding themselves in the middle of a murder mystery adventure. My pre-teen daughter and I enjoyed reading *The Dog-Eared Diary* and then discussing the clues, plot twists, and characters. --Antoinette Brickhaus, Maryland Through the relationship between Autumn and Chrissy, Wing also shows the importance of therapy animals and how much they can help those who need them. Add a sweet romance to the intrigue of the mystery and you've got a book that you won't want to put down. -- Melissa Alvarez, Intuitive, animal communicator and author of *Animal Frequency* and Llewellyn's *Little Book of Spirit Animals* Diane Wing has created a wonderfully endearing little character in Chrissy the Shih Tzu. It really shines through that the author is a lover of animals and dogs. I can see these books quickly becoming a cherished addition to the cozy mystery genre. --J. New, author of *The Yellow Cottage* Vintage Mysteries Book #2 in the Chrissy the Shih Tzu Mysteries Learn more at www.DianeWingAuthor.com From Modern History Press www.ModernHistoryPress.com

Virginia truly is for dog lovers. For over 40 years Virginia's tourism slogan has been "Virginia is for lovers," but both resident pooches and visiting Fidos know that it really should be "Virginia is for dog lovers"! Whether they're relaxing on the river, checking out the crabs on Chesapeake Bay, or hiking through the beautiful state and national parks, four-legged visitors are welcomed warmly. After all, Virginia is one of only a handful of states that has an official dog breed, the American Foxhound, a direct descendant of the hounds that George Washington bred to indulge his passion for foxhunting. Virginia's historic love affair with canines continues today, with more than 1,000 pet-friendly hotels, restaurants, attractions, and events that you and your best furry friend (BFF) can explore together. From the Blue Ridge Mountains to the beach, visitors traveling with their BFFs will find fine hotels and inns that offer canine-inspired Southern hospitality, verdant vineyards that beg for a long stroll, battlefields, beaches, and an array of dining and entertainment options that you can enjoy with your best friend. Virginia truly is for dog lovers!

petsmart wellness dog food: *The Cat Bible* Tracie Hotchner, 2007-10-18 The only fully comprehensive guide to all things feline, from the host of Cat Chat on Martha Stewart Living Radio. Finally, a definitive book that delivers many unknown facts about every aspect of caring for and sharing your life with a cat, ranging from proper nutrition and strange behavior to medical care and multi-cat households, to grooming and geriatrics. The Cat Bible explains the mysteries of feline behavior to owners who are devoted to their cats without being able to fully understand them. It offers straightforward solutions to the problems that cause people to give up their cats, many of which are preventable, including litter box avoidance, furniture scratching, and physical ailments. There are more than 90 million American households that count cats as family members, but they are a vastly underserved population, devoted to their kitties, yet bereft of all the public attention, programming, and print devoted to dogs. Now, bestselling author and investigative journalist Tracie Hotchner offers them *The Cat Bible*, with straightforward, fact-filled solutions to health and behavior problems, based on years of research into the real reasons behind these issues. In the same warm, straightforward style that attracts devoted listeners to her radio shows, Tracie tackles controversial topics such as the truth about commercial dry pet foods and their dangers, bringing readers the latest facts on every topic that affects a feline's well-being.

petsmart wellness dog food: *Cesar's Way* Cesar Millan, Melissa Jo Peltier, 2006-08-08 Cesar Millan—nationally recognized dog expert—helps you see the world through the eyes of your dog so you can finally eliminate problem behaviors. From his appearances on *The Oprah Winfrey Show* to his roster of celebrity clients to his reality television series, Cesar Millan is America's most sought-after dog-behavior expert. But Cesar is not a trainer in the traditional sense—his expertise lies in his unique ability to comprehend dog psychology. Tracing his own amazing journey from a clay-walled farm in Mexico to the celebrity palaces of Los Angeles, Cesar recounts how he learned what makes dogs tick. In *Cesar's Way*, he shares this wisdom, laying the groundwork for you to have stronger, more satisfying relationships with your canine companions. Cesar's formula for a

contented and balanced dog seems impossibly simple: exercise, discipline, and affection, in that order. Taking readers through the basics of dog psychology and behavior, Cesar shares the inside details of some of his most fascinating cases, using them to illustrate how common behavior issues develop and, more important, how they can be corrected. You'll learn: • What your dog really needs may not be what you're giving him • Why a dog's natural pack instincts are the key to your happy relationship • How to relate to your dog on a canine level • There are no "problem breeds," just problem owners • How to choose a dog who's right for you and your family • The difference between discipline and punishment • And much more! Filled with fascinating anecdotes about Cesar's longtime clients, and including forewords by the president of the International Association of Canine Professionals and Jada Pinkett Smith, this is the only book you'll need to forge a stronger, more rewarding connection with your four-legged companion.

petsmart wellness dog food: *Food Pets Die for* Ann N. Martin, 2008 The commercial pet food industry has a secret to hide -- and Ann Martin wants to make sure you know it. Her research reveals some startling facts: that the pet food industry conducts animal testing in order to improve their product, and includes euthanized cats and dogs in the mix to heighten protein content. In this revised and updated edition, Martin continues to explore the shocking processes by which commercial pet foods are produced. She offers alternative recipes for feeding pets, nutritional advice, and an exploration of Pet Peeves, in which she explores several scams aimed at pet owners. This groundbreaking book gives us a glimpse into exactly what we are doing when we buy pet food.

petsmart wellness dog food: *The Other End of the Leash* Patricia McConnell, Ph.D., 2009-02-19 Learn to communicate with your dog—using their language “Good reading for dog lovers and an immensely useful manual for dog owners.”—The Washington Post An Applied Animal Behaviorist and dog trainer with more than twenty years' experience, Dr. Patricia McConnell reveals a revolutionary new perspective on our relationship with dogs—sharing insights on how “man's best friend” might interpret our behavior, as well as essential advice on how to interact with our four-legged friends in ways that bring out the best in them. After all, humans and dogs are two entirely different species, each shaped by its individual evolutionary heritage. Quite simply, humans are primates and dogs are canids (as are wolves, coyotes, and foxes). Since we each speak a different native tongue, a lot gets lost in the translation. This marvelous guide demonstrates how even the slightest changes in our voices and in the ways we stand can help dogs understand what we want. Inside you will discover: • How you can get your dog to come when called by acting less like a primate and more like a dog • Why the advice to “get dominance” over your dog can cause problems • Why “rough and tumble primate play” can lead to trouble—and how to play with your dog in ways that are fun and keep him out of mischief • How dogs and humans share personality types—and why most dogs want to live with benevolent leaders rather than “alpha wanna-bes!” Fascinating, insightful, and compelling, *The Other End of the Leash* is a book that strives to help you connect with your dog in a completely new way—so as to enrich that most rewarding of relationships.

petsmart wellness dog food: *Dog-Friendly Dog Training* Andrea Arden, 2007-10-01 Praise for the 1st Edition of *Dog-Friendly Dog Training*: I'm a dog fanatic, read everything I can find on dog behavior, and this book is terrific . . . the methods are clearly spelled out-how to do them, why they work, how they make the doggie-human bond a more loving one. -Amy Tan author of *The Joy Luck Club*, *The Kitchen God's Wife*, and *Saving Fish from Drowning* ... [Arden's] approach is humane, user-friendly, dog-friendly, and guaranteed to produce the desired results. A must-read for owners. -Dr. Nicholas Dodman author of *The Dog Who Loved Too Much* and *Dogs Behaving Badly* The classic dog training guide, now updated and revised This update of the perennially popular guide provides everything you need to know to develop a healthy relationship with a well-behaved dog. With easy-to-understand instructions and helpful illustrations, *Dog-Friendly Dog Training*, 2nd Edition begins with the necessary tools for teaching your dog, and then covers housetraining, socialization, basic manners, and problem solving, all using proven, positive methods. Key updates include information about: Instilling impulse control Training a dog who is safe to handle Teaching the Roll Over exercise safely and humanely

petsmart wellness dog food: How to Be a Financial Grownup Bobbi Rebell, 2016-10-18

Bobbi Rebell, award-winning TV anchor and personal finance columnist at Thomson Reuters, taps into her exclusive network of business leaders to share with you stories of the financial lessons they learned early in their lives that helped them become successful. She then uses these stories as jumping off points to offer specific, actionable advice on how you can become a financial grownup just like them. Financial role models such as Author Tony Robbins, Entrepreneur Ivanka Trump, Shark Tank's Kevin O'Leary, Mad Money's Jim Cramer, Designer Cynthia Rowley, Macy's CEO Terry Lundgren, Zillow's CEO Spencer Rascoff, PwC's CEO Bob Moritz, and twenty others share their stories with you. The book walks you through some of the biggest money decisions you'll make regarding real estate, investing, debt management, careers, friends and money, family finances, and even health and wellness. You're guided by proven examples and given the information you need to make choices that are right for you. How to Be a Financial Grownup will especially appeal to you if you're interested in new ideas to better manage your finances, especially if you're going through life changes where you have to pay more attention to your financial well-being.
