I. The Importance of Business Networking:

Business networking is essential for sustainable growth.

A strong network provides access to resources, information, and opportunities unavailable otherwise. It accelerates progress and expands reach far beyond individual capabilities.

Networking expands your market reach and opens new avenues for growth.

By connecting with individuals across different industries and sectors, businesses gain exposure to wider markets and potential collaborations.

A strong network provides a support system for navigating business challenges.

When facing difficulties, your network can offer advice, mentorship, and emotional support, bolstering resilience and problem-solving.

Networking helps you discover hidden opportunities and stay ahead of the curve.

Through conversations and exchanges, you gain early insights into industry trends, potential partnerships, and emerging market demands.

Strong networks foster innovation and collaborative projects.

Diverse perspectives and expertise within your network encourage creative thinking and lead to the development of innovative solutions and projects.

II. Inspirational Quotes on Networking:

"Your network is your net worth." - Porter Gale

This quote succinctly captures the immense value of building and maintaining a strong professional network. Your connections are a crucial asset in achieving both personal and professional success.

"The best way to find yourself is to lose yourself in the service of others." - Mahatma Gandhi

While not explicitly about business, this quote emphasizes the power of genuine interaction and collaboration. By offering value to others, you build strong relationships and enhance your reputation.

"Networking isn't about just collecting business cards; it's about cultivating relationships." - Unknown

This highlights the crucial difference between superficial networking and genuine relationship-building. Sustainable connections are based on mutual respect and trust.

"The only way to do great work is to love what you do. If you haven't found it yet, keep looking. Don't settle." - Steve Jobs

While not directly about networking, this reinforces the importance of aligning your network with your passions and aspirations. Passion breeds authenticity, which fosters stronger relationships.

"Alone we can do so little; together we can do so much." - Helen Keller

This quote emphasizes the power of collaboration and teamwork, essential elements of successful business networking. Building a supportive network multiplies your potential.

III. Networking Strategies from the Quotes:

Invest in genuine relationships, not just transactions.

Focus on building authentic connections founded on mutual respect and shared interests. Avoid transactional interactions solely focused on immediate gains.

Actively offer value to your network.

Be generous with your knowledge, expertise, and time. Helping others builds trust and strengthens relationships.

Attend industry events and actively participate.

Engage in conversations, share insights, and build connections with people from diverse backgrounds.

Follow up after networking events.

Don't let connections fade. Send personalized emails, maintain communication, and nurture relationships over time.

Leverage your network to find mentors and opportunities.

Seek out individuals who can offer guidance and support, and tap into your network for potential collaborations and career advancement.

IV. Overcoming Networking Challenges:

Fear of rejection is a common hurdle.

Remember that most people are open to building connections. Focus on offering value and building rapport.

It can be time-consuming to build and maintain a network.

Prioritize the relationships that truly matter and allocate time strategically. Quality over quantity is key.

Finding relevant networking opportunities can be challenging.

Attend industry events, join professional organizations, and use online platforms to connect with potential contacts.

Measuring the ROI of networking can be difficult.

Focus on long-term value rather than immediate returns. Building strong relationships has long-lasting benefits.

V. Building Authentic Connections:

Authenticity is key to building strong relationships.

Be genuine, show interest in others, and be yourself. People connect more easily with authentic individuals.

Actively listen and learn from others.

Show genuine interest in their work and experiences. Build rapport by being a good listener.

Share your own experiences and insights generously.

Be open about your challenges and successes to build trust and create a sense of community.

Maintain contact beyond initial interactions.

Nurture relationships through regular communication and shared experiences. Don't let connections wither away.

Be patient and persistent in building your network.

Building meaningful relationships takes time and effort. Don't get discouraged if progress isn't immediate.

Conclusion:

Business networking is not a mere tactic; it's a fundamental strategy for long-term success. By embracing the wisdom shared in these quotes, developing authentic connections, and overcoming common challenges, you can harness the power of your network to achieve your professional goals and contribute to a vibrant and collaborative business ecosystem. The rewards of a strong network are immeasurable, offering access to opportunities, support, and growth that would be unattainable alone.

Frequently Asked Questions (FAQs):

Q: How can I start networking if I'm new to the field?

A: Start by attending industry events, joining professional organizations, and using online platforms like LinkedIn to connect with individuals in your field.

Q: What are some effective networking tips for introverts?

A: Focus on quality over quantity. Prepare some conversation starters, actively listen, and find opportunities for one-on-one interactions rather than large group settings.

Q: Is networking only important for salespeople?

A: No, networking is essential for individuals in all fields and at all levels of their careers. It fosters collaboration, innovation, and access to opportunities.

Q: How do I measure the success of my networking efforts?

quotes about business networking: Your Network Is Your Net Worth Porter Gale, 2013-06-04 An internationally known public speaker, entrepreneur, and marketing executive shares practical, up-to-date tips for mastering the skills of networking. Networking doesn't have to be that frenzied old-school game of calendars packed with stuffy power lunches and sterile evenings at community business gatherings. We've entered a new era, one in which shifting cultural values and the explosion of digital technology enable us to network in vastly more efficient, more focused, and more enjoyable ways. A fresh take on *How to Win Friends and Influence People*, *Your Network Is Your Net Worth* is an entertaining, straightforward guide filled with revealing case studies, hands-on advice, and innovative strategies for building your network. Written by sought-after speaker, entrepreneur, and marketing executive Porter Gale, with a foreword by Apple evangelist and bestselling author Guy Kawasaki, this book shows you how to establish, expand, and nurture your connections both online and off. New ways to network are popping up every day—and Gale tells you how to make the most of them—but even traditional networking opportunities are not the same animals that they once were, and we need to shift our attitudes and approaches accordingly. Networking has evolved from a transactional game to a transformational process. Whereas once it was about power plays, now it's about charting your own course, following your passions, and making meaningful connections, which in turn increase your happiness and productivity. In addition to chronicling her own rise from an ad agency intern to an in-demand consultant, Gale also shares the inspiring stories of so many others who live by this networking model: a military wife who connects with social media communities while her husband is deployed overseas, a young woman blogger battling leukemia, a dyslexic politician who wins elections by telling stories, and the CEO of

a Major League Baseball team who once made a phone call that changed the course of his life. When you focus on your passions and reorganize your networking around your values and beliefs, you will discover the kind of lasting relationships, personal transformation, and, ultimately, tangible wealth that are the foundation for happiness and success. With a message both timely and important, *Your Network Is Your Net Worth* is the definitive handbook to Networking 2.0.

quotes about business networking: Becoming Michelle Obama, 2021-03-02 Now in paperback—the intimate, powerful, and inspiring memoir by the former First Lady of the United States, featuring a new introduction by Michelle Obama, a letter from the author to her younger self, and a book club guide with 20 discussion questions and a 5-question Q&A #1 NEW YORK TIMES BESTSELLER • WATCH THE EMMY-NOMINATED NETFLIX ORIGINAL DOCUMENTARY • OPRAH'S BOOK CLUB PICK • NAACP IMAGE AWARD WINNER • ONE OF ESSENCE'S 50 MOST IMPACTFUL BLACK BOOKS OF THE PAST 50 YEARS In a life filled with meaning and accomplishment, Michelle Obama has emerged as one of the most iconic and compelling women of our era. As First Lady of the United States of America—the first African American to serve in that role—she helped create the most welcoming and inclusive White House in history, while also establishing herself as a powerful advocate for women and girls in the U.S. and around the world, dramatically changing the ways that families pursue healthier and more active lives, and standing with her husband as he led America through some of its most harrowing moments. Along the way, she showed us a few dance moves, crushed Carpool Karaoke, and raised two down-to-earth daughters under an unforgiving media glare. In her memoir, a work of deep reflection and mesmerizing storytelling, Michelle Obama invites readers into her world, chronicling the experiences that have shaped her—from her childhood on the South Side of Chicago to her years as an executive balancing the demands of motherhood and work, to her time spent at the world's most famous address. With unerring honesty and lively wit, she describes her triumphs and her disappointments, both public and private, telling her full story as she has lived it—in her own words and on her own terms. Warm, wise, and revelatory, *Becoming* is the deeply personal reckoning of a woman of soul and substance who has steadily defied expectations—and whose story inspires us to do the same.

quotes about business networking: Networking Is Not Working Derek Coburn, 2014-05-05 Over the last few decades, networking has devolved into an endless series of cattle call events full of open bars and closed fists. Perfect strangers, after a long day at the office, agree to show up and bump into each other, randomly exchanging business pitches for business cards. Needless to say, traditional networking isn't working anymore. For successful 21st century business people, large networking events and the mountains of business cards they produce have become a waste of time and valuable resources. It's time for a new, modern approach to networking. Born out of author Derek Coburn's frustration with having spent thousands of fruitless hours attending traditional networking events, this book offers fresh, effective, unconventional strategies for growing and nurturing a powerful network. These strategies grew Coburn's revenue by 300% in just 18 months and can have a major impact on your business. You will learn how to: * Become the Ultimate Connector * Become the Ultimate Resource * Identify and develop relationships with world-class professionals * Enhance the value you deliver for your best clients * Position yourself for more quality introductions to ideal prospective clients Once you implement the networking strategies in this book, the quality of your clients, your business, and your life will improve dramatically.

quotes about business networking: Lemonade Stand Selling Diane Helbig, 2009 A guide to selling in a small business, with advice on prospecting, presenting, networking, closing, nurturing a client base, and other topics.

quotes about business networking: The Introvert's Edge to Networking Matthew Pollard, 2021-01-19 One of the biggest myths that plagues the business world today is that our ability to network depends on having the “gift-of-gab.” You don't have to be outgoing to be successful at networking. You don't have to become a relentless self-promoter. In fact, you don't have to act like an extrovert at all. The truth is that when introverts are armed with a plan that lets them be their authentic selves, they make the best networkers. Matthew Pollard, an introvert himself, draws on over a decade of research and real-world examples to provide an actionable blueprint for introverted networking. A sequel to Pollard's international bestseller *The Introvert's Edge: How the Quiet and Shy Can Outsell Anyone*, this book masterfully confronts the stigma around the so-called extroverted arena of networking. In *The Introvert's Edge to Networking*, you'll discover how to: Overcome your fear and discomfort when networking Turn networking into a repeatable system Leverage your innate introverted strengths Target and connect with top influencers Leverage the power of virtual and social networking The introvert's roadmap to success doesn't look like the extroverts, we're different and we should embrace that. Whether you're a small business owner struggling to make a living or a professional who's hit a career plateau, *The Introvert's Edge to Networking* is your path to a higher income and a rolodex of powerful connections.

quotes about business networking: *Networking for People Who Hate Networking* Devora Zack, 2010-12-30 Shows how the networking-averse can succeed by working with the very traits that make them hate traditional networking Written by a proud introvert who is also an enthusiastic networker Includes field-tested tips and techniques for virtually any situation Are you the kind of person who would rather get a root canal than face a group of strangers? Does the phrase working a room make you want to retreat to yours? Does traditional networking advice seem like it's in a foreign language? Devora Zack, an avowed introvert and a successful consultant who speaks to thousands of people every year, feels your pain. She found that most networking advice books assume that to succeed you have to become an outgoing, extraverted person. Or at least learn how to fake it. Not at all. There is another way. This book shatters stereotypes about people who dislike networking. They're not shy or misanthropic. Rather, they tend to be reflective - they think before they talk. They focus intensely on a few things rather than broadly on a lot of things. And they need time alone to recharge. Because they've been told networking is all about small talk, big numbers and constant contact, they assume it's not for them. But it is! Zack politely examines and then smashes to tiny fragments the dusty old rules of standard networking advice. She shows how the very traits that ordinarily make people networking-averse can be harnessed to forge an approach that is just as effective as more traditional approaches, if not better. And she applies it to all kinds of situations, not just formal networking events. After all, as she says, life is just one big networking opportunity - a notion readers can now embrace. Networking enables you to accomplish the things that are important to you. But you can't adopt a style that goes against who you are - and you don't have to. I have never met a person who did not benefit tremendously from learning how to network - on his or her own terms, Zack writes. You do not succeed by denying your natural temperament; you succeed by working with your strengths.

quotes about business networking: *Philosophy for Life and Other Dangerous Situations* Jules Evans, 2013-10-03 When philosophy rescued him from an emotional crisis, Jules Evans became fascinated by how ideas invented over two thousand years ago can help us today. He interviewed soldiers, psychologists, gangsters, astronauts, and anarchists and discovered the ways that people are using philosophy now to build better lives. Ancient philosophy has inspired modern communities — Socratic cafés, Stoic armies, Epicurean communes — and even whole nations in the quest for the good life. This book is an invitation to a dream school with a rowdy faculty that includes twelve of the greatest philosophers from the ancient world, sharing their lessons on happiness, resilience, and much more. Lively and inspiring, this is philosophy for the street, for the workplace, for the battlefield, for love, for life.

quotes about business networking: *Superconnector* Scott Gerber, Ryan Paugh, 2018-02-27 Abandon the networking-for-networking's-sake mentality in favor of a more powerful and effective approach to creating and enhancing connections. STOP NETWORKING. Seriously, stop doing it. Now. It is time to ditch the old networking-for networking's-sake mentality in favor of a more powerful and effective approach to creating and enhancing connections. In *Superconnector*, Scott

Gerber and Ryan Paugh reveal a new category of professionals born out of the social media era: highly valuable community-builders who make things happen through their keen understanding and utilization of social capital. Superconnectors understand the power of relationship-building, problem-solve by connecting the dots at high levels, and purposefully cause different worlds and communities to interact with the intention of creating mutual value. How can you become a Superconnector? Gerber and Paugh share instructive anecdotes from a who's who roster of high achievers, revealing how to systematically manage a professional community and maximize its value. Of utmost importance is practicing Habitual Generosity, acting on the knowledge that your greatest returns come when you least expect them, and that by putting others' needs first the good karma will flow back to you tenfold. Gerber and Paugh also explore winning strategies such as The Art of Selectivity, a well-honed ability to define which relationships matter most for you and decide how you will maintain them over time. Full of helpful advice on how to communicate with anyone about anything, Google-proof your reputation, and much more, Superconnector is a must-read for those seeking personal and business success.

quotes about business networking: I'm at a Networking Event--Now What??? It includes information on networking tools and technology that will promote new contacts and connections.

quotes about business networking: The Art of Gathering Priya Parker, 2020-04-14 Hosts of all kinds, this is a must-read! --Chris Anderson, owner and curator of TED From the host of the New York Times podcast Together Apart, an exciting new approach to how we gather that will transform the ways we spend our time together—at home, at work, in our communities, and beyond. In The Art of Gathering, Priya Parker argues that the gatherings in our lives are lackluster and unproductive--which they don't have to be. We rely too much on routine and the conventions of gatherings when we should focus on distinctiveness and the people involved. At a time when coming together is more important than ever, Parker sets forth a human-centered approach to gathering that will help everyone create meaningful, memorable experiences, large and small, for work and for play. Drawing on her expertise as a facilitator of high-powered gatherings around the world, Parker takes us inside events of all kinds to show what works, what doesn't, and why. She investigates a wide array of gatherings--conferences, meetings, a courtroom, a flash-mob party, an Arab-Israeli summer camp--and explains how simple, specific changes can invigorate any group experience. The result is a book that's both journey and guide, full of exciting ideas with real-world applications. The Art of Gathering will forever alter the way you look at your next meeting, industry conference, dinner party, and backyard barbecue--and how you host and attend them.

quotes about business networking: The Effective Executive Peter Drucker, 2018-03-09 The measure of the executive, Peter Drucker reminds us, is the ability to 'get the right things done'. Usually this involves doing what other people have overlooked, as well as avoiding what is unproductive. He identifies five talents as essential to effectiveness, and these can be learned; in fact, they must be learned just as scales must be mastered by every piano student regardless of his natural gifts. Intelligence, imagination and knowledge may all be wasted in an executive job without the acquired habits of mind that convert these into results. One of the talents is the management of time. Another is choosing what to contribute to the particular organization. A third is knowing where and how to apply your strength to best effect. Fourth is setting up the right priorities. And all of them must be knitted together by effective decision-making. How these can be developed forms the main body of the book. The author ranges widely through the annals of business and government to demonstrate the distinctive skill of the executive. He turns familiar experience upside down to see it in new perspective. The book is full of surprises, with its fresh insights into old and seemingly trite situations.

quotes about business networking: *The Savage Truth* Greg Savage, 2022-01-01 *The Savage Truth* is the story of Greg Savage, his stellar career in recruitment and the lessons he has learned on leadership, business and life over a career spanning four decades. *The Savage Truth* is a must-read for next generation leaders and lovers of business biography. It is a book in two parts. The first part covers Greg's early life - the people and events that shaped him - and follows his career path, which took him from his hometown of Cape Town around the world before settling in Sydney, Australia. He gives an honest, open, often humorous account of his experiences, which reflect how much business has changed over the past 40 years. In the second part of the book, Greg distils his learnings into guidance and advice for his successors in the recruitment industry and, more broadly, to anyone working in business. He covers topics including building a personal brand, negotiating fees and margins, people leverage, performance management, 'Savage' leadership skills and preparing for exit towards the end of your career. Throughout his fascinating career, Greg has learned countless lessons in leadership, business and in life. One of his greatest achievements is his success as a communicator. Greg is one of the most highly respected voices across the global recruitment and professional services industries, speaking regularly to audiences around the world. An early adopter of social media for recruiters, Greg's industry blog, *The Savage Truth* (gregsavage.com.au/the-savage-truth), is a must-read in the recruitment industry. In November 2018, he was named one of LinkedIn's 'Top Voices'.

quotes about business networking: *Wit and Wisdom of the American Presidents* Joslyn Pine, 2012-02-29 Over 400 memorable quotes: Coolidge's The chief business of America is business, Carter's Whatever starts in California unfortunately has an inclination to spread, Bush's Read my lips: no new taxes, many more.

quotes about business networking: *Give and Take* Adam Grant, 2014-03-25 A groundbreaking look at why our interactions with others hold the key to success, from the bestselling author of *Think Again* and *Originals* For generations, we have focused on the individual drivers of success: passion, hard work, talent, and luck. But in today's dramatically reconfigured world, success is increasingly dependent on how we interact with others. In *Give and Take*, Adam Grant, an award-winning researcher and Wharton's highest-rated professor, examines the surprising forces that shape why some people rise to the top of the success ladder while others sink to the bottom. Praised by social scientists, business theorists, and corporate leaders, *Give and Take* opens up an approach to work, interactions, and productivity that is nothing short of revolutionary.

quotes about business networking: *Ask a Manager* Alison Green, 2018-05-01 From the creator of the popular website *Ask a Manager* and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for *Ask a Manager* “A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that

you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author’s friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers’ lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green’s Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

quotes about business networking: *Your Next Five Moves* Patrick Bet-David, 2021-06 From the creator of Valuetainment, the #1 YouTube channel for entrepreneurs, and “one of the most exciting thinkers” (Ray Dalio, author of *Principles*) in business today, comes a practical and effective guide for thinking more clearly and achieving your most audacious professional goals. Both successful entrepreneurs and chess grandmasters have the vision to look at the pieces in front of them and anticipate their next five moves. quotes about business networking: *Taking the Work Out of Networking* Karen Wickre, 2019-10-29 “For introverts who panic at the idea of networking, Wickre’s book is a deep, calming breath.” —Sophia Dembling, author of *The Introvert’s Way* Former Google executive, editorial director of Twitter, self-described introvert, and “the best-connected Silicon Valley figure you’ve never heard of” (Walt Mossberg, *Wall Street Journal*), offers networking advice for anyone who has ever canceled a coffee date due to social anxiety. Learn to nurture a vibrant circle of reliable contacts without leaving your comfort zone. Networking has garnered a reputation as a sort of necessary evil. Some people relish the opportunity to boldly work the room, introduce themselves to strangers, and find common career ground—but for many others, the experience is awkward, or even terrifying. The common networking advice for introverts are variations on the theme of overcoming or “fixing” their quiet tendencies. But Karen Wickre is a self-described introvert who has

worked in Silicon Valley for thirty years. She shows you how to embrace your quiet nature and “make genuine connections that last, that we can nurture across the world for all kinds of purposes” (Chris Anderson, head of TED). Karen’s “embrace your quiet side” approach is for anyone who finds themselves shying away from traditional networking activities, or for those who would rather be curled up with a good book on a Friday night than out at a party. With compelling arguments and creative strategies, this “practical, easy-to-use” (Sree Sreenivasan, former chief digital officer of Columbia University) book is a perfect guide.

quotes about business networking: Mind Without Fear Rajat Gupta, 2019-03-24 “A propulsive narrative filled with boldfaced names from business and politics. At times, it is a dishy score settler.”—The New York Times For nine years, Rajat Gupta led McKinsey & Co.—the first foreign-born person to head the world’s most influential management consultancy. He was also the driving force behind major initiatives such as the Indian School of Business and the Public Health Foundation of India. A globally respected figure, he sat on the boards of distinguished philanthropic institutions such as the Gates Foundation and the Global Fund to Fight AIDS, Tuberculosis and Malaria, and corporations, including Goldman Sachs, American Airlines, and Procter & Gamble. In 2011, to the shock of the international business community, Gupta was arrested and charged with insider trading. Against the backdrop of public rage and recrimination that followed the financial crisis, he was found guilty and sentenced to two years in jail. Throughout his trial and imprisonment, Gupta has fought the charges and maintains his innocence to this day. In these pages, Gupta recalls his unlikely rise from orphan to immigrant to international icon as well as his dramatic fall from grace. He writes movingly about his childhood losses, reflects on the challenges he faced as a student and young executive in the United States, and offers a rare inside glimpse into the elite and secretive culture of McKinsey, “the Firm.” And for the first time, he tells his side of the story in the scandal that destroyed his career and reputation. Candid, compelling, and poignant, Gupta’s memoir is much more than a courtroom drama; it is an extraordinary tale of human resilience and personal growth.

quotes about business networking: Fair Play Eve Rodsky, 2021-01-05 AN INSTANT NEW YORK TIMES BESTSELLER • A REESE'S BOOK CLUB PICK Tired, stressed, and in need of more help from your partner? Imagine running your household (and life!) in a new way... It started with the Sh*t I Do List. Tired of being the “shefault” parent responsible for all aspects of her busy household, Eve Rodsky counted up all the unpaid, invisible work she was doing for her family—and then sent that list to her husband, asking for things to change. His response was...underwhelming. Rodsky realized that simply identifying the issue of unequal labor on the home front wasn't enough: She needed a solution to this universal problem. Her sanity, identity, career, and marriage depended on it. The result is Fair Play: a time- and anxiety-saving system that offers couples a completely new way to divvy up domestic responsibilities. Rodsky interviewed more than five hundred men and women from all walks of life to figure out what the invisible work in a family actually entails and how to get it all done efficiently. With 4 easy-to-follow rules, 100 household tasks, and a series of conversation starters for you and your partner, Fair Play helps you prioritize what's important to your family and who should take the lead on every chore, from laundry to homework to dinner. “Winning” this game means rebalancing your home life, reigniting your relationship with your significant other, and reclaiming your Unicorn Space—the time to develop the skills and passions that keep you interested and interesting. Stop drowning in to-dos and lose some of that invisible workload that's pulling you down. Are you ready to try Fair Play? Let's deal you in.

quotes about business networking: Designing Your Life Bill Burnett, Dave Evans, 2016-09-20 #1 NEW YORK TIMES BEST SELLER • At last, a book that shows you how to build—design—a life you can thrive in, at any age or stage • “Life has questions. They have answers.” —The New York Times Designers create worlds and solve problems using design thinking. Look around your office or home—at the tablet or smartphone you may be holding or the chair you are sitting in. Everything in our lives was designed by someone. And every design starts with a problem that a designer or team of designers seeks to solve. In this book, Bill Burnett and Dave Evans show us how design thinking

can help us create a life that is both meaningful and fulfilling, regardless of who or where we are, what we do or have done for a living, or how young or old we are. The same design thinking responsible for amazing technology, products, and spaces can be used to design and build your career and your life, a life of fulfillment and joy, constantly creative and productive, one that always holds the possibility of surprise.
