serenity health and wellness maumee ohio: Get Your Loved One Sober Robert J Meyers, Brenda L. Wolfe, 2009-07-30 The first general consumer book ever on the powerful, award-winning, scientifically proven new system of intervention that is turning the recovery field on its head. Historically there have been few options available for individuals seeking help for treatment-resistant loved ones suffering from substance abuse. Co-author Dr. Robert Meyers spent ten years developing a treatment program that helps concerned significant others both improve the quality of their lives and learn how to make treatment an attractive option for their partners who are substance abusers. Get Your Loved One Sober describes this multi-faceted program that uses supportive, non-confrontational methods to engage substance abusers into treatment. Called Community Reinforcement and Family Training (CRAFT), the program uses scientifically validated behavioral principles to reduce the loved one's substance use and to encourage him or her to seek treatment. Equally important, CRAFT also helps loved ones reduce personal stress and introduce meaningful, new sources of satisfaction into their life. Key Features: --CRAFT is more effective than other types of interventions. This breakthrough new system is sweeping the recovery field. This is its first introduction to the general public. --Contains simple exercises readers can practice at their own pace, with no costly or heart-breaking interventions. --Proven successful for numerous addictions, not just alcoholism.

serenity health and wellness maumee ohio: Vishoka Meditation Rajmani Tigunait, 2020-07-07 Imagine a life free from pain, sorrow, and negativity and infused with joy and tranquility. The ancient yogis called this state vishoka and insisted that we all can achieve it. The key is a precise set of meditative techniques designed to unite mind and breath and turn them inward, allowing us to heal and rejuvenate ourselves on every level of our being. In Vishoka Meditation: The Yoga of Inner Radiance, Pandit Tigunait makes meditation as practiced by the ancient yoga masters accessible to a modern audience, offering step-by-step instructions to guide us to this illumined state of consciousness. Grounded in the authentic wisdom of a living tradition, the simple--yet profound--practice of Vishoka Meditation is the perfect complement to your existing yoga practice, as well as a powerful stand-alone meditation practice.

serenity health and wellness maumee ohio: HypnoBirthing, Fourth Edition Marie Mongan, 2015-12-08 HypnoBirthing® has gained momentum around the globe as a positive and empowering method of childbirth. In fact, more than 25,000 books were sold in 2014 through the author's website alone, and according to Nielsen BookScan, over 70,000 were sold through reporting retailers since its publication in 2005. Here's why: HypnoBirthing helps women to become empowered by developing an awareness of the instinctive birthing capability of their bodies. It greatly reduces the pain of labor and childbirth; frequently eliminates the need for drugs; reduces the need for caesarian surgery or other doctor-controlled birth interventions; and it also shortens birthing and recovery time, allowing for better and earlier bonding with the baby, which has been proven to be vital to the mother-child bond. What's more, parents report that their infants sleep better and feed more easily when they haven't experienced birth trauma. HypnoBirthing founder Marie Mongan knows from her own four births that it is not necessary for childbirth to be a terribly painful experience. In this book she shows women how the Mongan Method works and how parents they can take control of the greatest and most important event of their lives. So, why is birth such a traumatic event for so many women? And why do more than 40% of births now end in caesarian section, the highest percentage in history? The answer is simple: because our culture teaches women to fear birth as a painful and unsettling experience. Fear causes three physical reactions in the body—tightening of the muscles, reduced blood flow to the birthing muscles, and the release of certain hormones—which increase the pain and discomfort of childbirth. This is not hocus-pocus; this is science.

serenity health and wellness maumee ohio: Einstein & Zen Conrad P. Pritscher, 2010 This book makes a strong case for free schooling, comparing the mind of Albert Einstein - who said much - to Zen conscious practice, which says little but encompasses everything. Examining the work of brain researchers, neuroscientists, physicists, and other scholars to illuminate the commonalities

between Einstein's thought and the Zen practice of paying attention to one's present experience, the book reveals their many similarities, showing the development of self-direction as a key to fostering compassionate consideration of others and to harmonious, semi-effortless learning and living. Examples demonstrate that students who choose to study what is interesting, remarkable, and important for them tend to become more like Einstein than students with the rigid school curricula; students who are free to learn often demonstrate empathy, and less rigid rule-following, while involved in the process of imaginatively becoming their own oracles and self-educators.

serenity health and wellness maumee ohio: *A Secret to Die for* Sierra Dean, 2015-09-08 No one is safe. Secret McQueen, Book 8 Secret McQueen thought she'd seen it all, but that was before she, Desmond and Holden came home to find New York City burning and the streets overwhelmed with the walking dead. Now, in a race against time, she must find out who is responsible for unleashing hell on Earth. For that, she's going to need a whole new team of vampire wardens to help round up the perpetrators, who turn out to be a gang that makes Sons of Anarchy look like toddlers on tricycles. Her quest across the city brings old friends and enemies out of the woodwork and reminds Secret once and for all why mercy and forgiveness are not always prudent. Lives will be lost, sacrifices will be made, and when the dust settles, nothing will ever be the same again. With no time to mourn her losses, the only question remaining is if Secret can survive long enough to stop the apocalypse...or if this is the one challenge that will finally drown her in rivers of undead blood. Warning: The final book in the Secret McQueen series has it all: hot kisses, unexpected guests, and enough tear-jerking moments to require a whole box of tissues. You've been warned.

serenity health and wellness maumee ohio: *Daily Reflections* A a, Aa World Services Inc, 2017-07-27 This is a book of reflections by A.A. members for A.A. members. It was first published in 1990 to fulfill a long-felt need within the Fellowship for a collection of reflections that moves through the calendar year--one day at a time. Each page contains a reflection on a quotation from A.A. Conference-approved literature, such as Alcoholics Anonymous, Twelve Steps and Twelve Traditions, As Bill Sees It and other books. These reflections were submitted by members of the A.A. Fellowship who were not professional writers, nor did they speak for A.A. but only for themselves, from their own experiences in sobriety. Thus the book offers sharing, day by day, from a broad cross section of members, which focuses on the Three Legacies of Alcoholics Anonymous: Recovery, Unity and Service. Daily Reflections has proved to be a popular book that aids individuals in their practice of daily meditation and provides inspiration to group discussions even as it presents an introduction for some to A.A. literature as a whole.

serenity health and wellness maumee ohio: Wake Up Crazy World! Thomas Vincent Murphy, 2014-03-19 Over the years, Hollywood has learned the secret of how to captivate our minds through the art of make-believe. Life in our world has become so unpredictable and uncertain, that it has become hard to distinguish between real-life and make-believe. It's time for God's true people to wake up, and distance themselves as much as possible from the perils of a negative world; and take time to live a life filled with hope and promise. Putting our trust in God, loving and enjoying our families, respecting others and showing appreciation to our friends can put us in the frame of mind to continuously thank God for the precious time He has allowed us on this earth. Thomas Vincent Murphy has been involved in the music industry as a writer, arranger, producer and performer. He has been a major part of many music projects and productions. His peers, the public and the critics have given him high marks; but his desire to please God keeps him humble in a world filled with arrogant people. He has worked closely with radio and television for years by writing jingles, music for television commercials seen worldwide, being music director for a television program, and by hosting and being the executive producer of his own radio programs. His Christian variety program Murph's Positive Reflections is being heard worldwide in individual markets and by advanced satellite technology and the internet. He enjoys broadcasting his 'live weekly program from The Broadcast Center in NW Florida each Sunday; which is a varied version of the worldwide program. As a newspaper columnist, he's able to reach people with positive messages each week through his writings. Thomas is thankful to God for his family, many blessings, gifts and opportunities.

serenity health and wellness maumee ohio: The Majic Bus Douglas Brinkley, 2003-04-15 Professor Douglas Brinkley arranged to teach a six-week experimental class aboard a fully equipped sleeper bus. The class would visit thirty states and ten national parks. They would read twelve books by great American writers. They would see Bob Dylan in Seattle, gamble at a Vegas casino, dance to Bourbon Street jazz in New Orleans, pay homage to Elvis Presley's Graceland and William Faulkner's Rowan Oak, ride the whitewater rapids on the Rio Grande, and experience a California earthquake. Their journey took them to Thomas Jefferson's Monticello, Abraham Lincoln's Springfield, Harry Truman's Independence, and Theodore Roosevelt's North Dakota badlands. And it gave them the unforgettable experience of meeting some of their cultural heroes, including William S. Burroughs and Ken Kesey, who took the gang for a spin in his own psychedelic bus. Driven by Doug Brinkley's energetic prose, The Majic Bus is a spirited travelogue of a unique experience.

And the great thing about it: you can! --Dr. Dawn Kirnon

FOUR out of FOUR Stars from OnlineBookClub.org

I would recommend this book to a friend, however, particularly if this friend wanted to understand how to become a healthier person in every way. A lot of health focuses on physical health, which is important, but ignores mental, emotional, or any other kind of health that a person needs to keep up. I truly appreciate this holistic view. The author also delves into the practical side. Her suggestions are something people can actually do, which is very important when it comes to books about health.
