sixties trivia questions and answers: *Encyclopaedia Britannica* Hugh Chisholm, 1910 This eleventh edition was developed during the encyclopaedia's transition from a British to an American publication. Some of its articles were written by the best-known scholars of the time and it is considered to be a landmark encyclopaedia for scholarship and literary style.

sixties trivia questions and answers: *Rock 'n' Roll Unravelled* Derek Shelmerdine, 2016-06-01

sixties trivia questions and answers: **Murder Finds A Way** David Schwinger, 2022-11-29 Carl Bayman was a very successful personal-injury attorney until he was found shot to death in his office on a Monday morning in January. The police were making no progress, so one of Carl's grateful former clients hired a smart, sassy, sexy supersleuth, Amy Bell, to try to solve the case. Amy soon discovered that lots of people might want Carl dead. However, none of them had any particular grievance that arose in the weeks prior to the murder, and all of them seemed to have excellent alibis at the time of the murder. Clearly there must be some critical element of the case that everyone was missing. Amy would have to think way out of the box to uncover the shocking truth. Author David Schwinger, when not writing Amy Bell mysteries--there are now fourteen--enjoys composing songs, playing pickleball, and traveling the world with his wife, Sherryl. He first met Sherryl when she was his student in a mathematics class he taught at City College of New York. Their secret romance became the inspiration for his first Amy Bell mystery, *The Teacher's Pet Murders*.

sixties trivia questions and answers: **Carlos Castaneda, Oportunismo Académico Y Los Psíquedélicos Años Sesenta** Jay Courtney Fikes, 2009-02-06 Millones de hispanohablantes consideran verídicos los libros de Carlos Castaneda, probablemente porque la mayoría de ellos no han leído esta traducción al español del libro del profesor Jay Fikes, Carlos Castaneda, oportunismo académico y los psíquedélicos años sesenta. El Dr. Fikes publicó este libro en Canadá en 1993, después de llevar a cabo años de investigación en México y en los Estados Unidos. Ahora dos españoles, Juan Samper y Lourdes Escario, han traducido el libro de Fikes sin retribución económica, convencidos de que será de provecho para todos. La afirmación central de Carlos Castaneda, haber aprendido brujería de un anciano indio yaqui llamado don Juan Matus, se contradice con las pruebas del profesor Jay Fikes. Su investigación revela que los escritos de Castaneda están basados en caricaturas de un huichol llamado Ramón Medina Silva y de otros indios mexicanos que conoció Castaneda. El libro de Fikes expone los elementos más sensacionalistas de la

pseudoetnografía encantadora de Castaneda a la vez que examina quién y qué le ayudó a convertirse en un héroe antropológico y en uno de los padrinos del movimiento New Age. El libro de Fikes inspira respeto por los rituales huicholes de los primeros frutos y por las peregrinaciones del peyote, resume las ceremonias de la Native American Church y repasa los momentos culminantes de los años sesenta, la época turbulenta en la que Castaneda se convirtió en un autor de éxito. Fikes muestra cómo y por qué Aldous Huxley, el Dr. Timothy Leary, Gordon Wasson y varios antropólogos de Los Angeles contribuyeron a crear una audiencia ansiosa por creer que los cuentos chinos de Castaneda eran ciertos. Fikes explica cómo y por qué Castaneda y sus aliados antropólogos de la Universidad de California en Los Angeles hicieron de los huicholes un imán para buscadores de chamanes análogos al maestro de ficción de Castaneda, don Juan, poniendo así en peligro las ancestrales peregrinaciones del peyote de los huicholes. Algunos creyentes en las historias sensacionalistas de Castaneda contribuyeron al trágico fallo del Tribunal Supremo de los Estados Unidos de 1990, que denegaba la libertad religiosa a unos 300.000 miembros de la Native American Church que veneran el peyote. La extensa investigación de Fikes y su experiencia de primera mano con peyote entre los huicholes y en las ceremonias de la Native American Church le cualifican de modo excepcional para desacreditar las absurdas alegaciones de Castaneda sobre chamanes y peyote, entre ellas su afirmación de que el espíritu del peyote ("Mescalito") decretó su aprendizaje con don Juan Matus. El autor del prefacio, Dr. Phil Weigand, es Profesor Investigador del Centro de Estudios Arqueológicos en el Colegio de Michoacán. Ha publicado numerosos libros y artículos académicos sobre los huicholes, cuya historia y cultura empezó a estudiar en 1965 en San Sebastián con su esposa, Acelia Garcia. Los traductores de este libro, Lourdes (Clara) Escario y Juan Samper, son españoles. Lourdes Escario es licenciada en Filología Inglesa y profesora de inglés en un instituto de enseñanza secundaria en Palencia. Juan Samper es veterinario y licenciado en Filosofía. Tanto Juan Samper como Jay Fikes han llevado a cabo peregrinaciones bajo la tutela del mismo chamán huichol Jesús González. Carlos Castaneda's books are accepted as truthful by millions of Spanish speakers, probably because most of them have not read this Spanish translation of Professor Fikes' book, Carlos Castaneda, Academic Opportunism and the Psychedelic Sixties. Dr. Fikes published this book in 1993 in Canada, after completing years of research in Mexico and the United States. Now two Spaniards, Juan Samper and Lourdes Escario, have translated Fikes' book without payment, convinced that it is valuable for everybody. Carlos Castaneda's central claim, to have learned sorcery from an elderly Yaqui Indian named don Juan Matus, is contradicted by Professor Jay Fikes' evidence. Fikes'

sixties trivia questions and answers: *I Know This Much Is True* Wally Lamb, 1998-06-03 With his stunning debut novel, *She's Come Undone*, Wally Lamb won the adulation of critics and readers with his mesmerizing tale of one woman's painful yet triumphant journey of self-discovery. Now, this brilliantly talented writer returns with *I Know This Much Is True*, a heartbreaking and poignant multigenerational saga of the reproductive bonds of destruction and the powerful force of forgiveness. A masterpiece that breathtakingly tells a story of alienation and connection, power and abuse, devastation and renewal--this novel is a contemporary retelling of an ancient Hindu myth. A proud king must confront his demons to achieve salvation. Change yourself, the myth instructs, and you will inhabit a renovated world. When you're the same brother of a schizophrenic identical twin, the tricky thing about saving yourself is the blood it leaves on your hands--the little inconvenience of the look-alike corpse at your feet. And if you're into both survival of the fittest and being your brother's keeper--if you've promised your dying mother--then say so long to sleep and hello to the middle of the night. Grab a book or a beer. Get used to Letterman's gap-toothed smile of the absurd, or the view of the bedroom ceiling, or the influence of random selection. Take it from a godless insomniac. Take it from the uncrazy twin--the guy who beat the biochemical rap. Dominick Birdsey's entire life has been compromised and constricted by anger and fear, by the paranoid schizophrenic twin brother he both deeply loves and resents, and by the past they shared with their adoptive father, Ray, a spit-and-polish ex-Navy man (the five-foot-six-inch sleeping giant who snoozed upstairs weekdays in the spare room and built submarines at night), and their long-suffering mother,

Concettina, a timid woman with a harelip that made her shy and self-conscious: She holds a loose fist to her face to cover her defective mouth--her perpetual apology to the world for a birth defect over which she'd had no control. Born in the waning moments of 1949 and the opening minutes of 1950, the twins are physical mirror images who grow into separate yet connected entities: the seemingly strong and protective yet fearful Dominick, his mother's watchful monkey; and the seemingly weak and sweet yet noble Thomas, his mother's gentle bunny. From childhood, Dominick fights for both separation and wholeness--and ultimately self-protection--in a house of fear dominated by Ray, a bully who abuses his power over these stepsons whose biological father is a mystery. I was still afraid of his anger but saw how he punished weakness--pounced on it. Out of self-preservation I hid my fear, Dominick confesses. As for Thomas, he just never knew how to play defense. He just didn't get it. But Dominick's talent for survival comes at an enormous cost, including the breakup of his marriage to the warm, beautiful Dessa, whom he still loves. And it will be put to the ultimate test when Thomas, a Bible-spouting zealot, commits an unthinkable act that threatens the tenuous balance of both his and Dominick's lives. To save himself, Dominick must confront not only the pain of his past but the dark secrets he has locked deep within himself, and the sins of his ancestors--a quest that will lead him beyond the confines of his blue-collar New England town to the volcanic foothills of Sicily 's Mount Etna, where his ambitious and vengefully proud grandfather and a namesake Domenico Tempesta, the *sostegno del famiglia*, was born. Each of the stories Ma told us about Papa reinforced the message that he was the boss, that he ruled the roost, that what he said went. Searching for answers, Dominick turns to the whispers of the dead, to the pages of his grandfather's handwritten memoir, *The History of Domenico Onofrio Tempesta, a Great Man from Humble Beginnings*. Rendered with touches of magic realism, Domenico's fablelike tale--in which monkeys enchant and religious statues weep--becomes the old man's confession--an unwitting legacy of contrition that reveals the truth's of Domenico's life, Dominick learns that power, wrongly used, defeats the oppressor as well as the oppressed, and now, picking through the humble shards of his deconstructed life, he will search for the courage and love to forgive, to expiate his and his ancestors' transgressions, and finally to rebuild himself beyond the haunted shadow of his twin. Set against the vivid panoply of twentieth-century America and filled with richly drawn, memorable characters, this deeply moving and thoroughly satisfying novel brings to light humanity's deepest needs and fears, our aloneness, our desire for love and acceptance, our struggle to survive at all costs. Joyous, mystical, and exquisitely written, *I Know This Much Is True* is an extraordinary reading experience that will leave no reader untouched.

sixties trivia questions and answers: *The Ultimate Golf Trivia Book* Mike Towle, 1999-03-30 *The Ultimate Golf Trivia Book* is interactive in that each of the eighteen chapters is assigned a par of three, four, or five. Readers can keep score and earn eagles, birdies, pars, bogeys, and double bogeys dependent on the number of correct answers he or she provides for that chapter. Par for this book's course is 72. Golf-savvy readers will love trying to break 80. Scattered throughout the book are interesting sidebars such as top-ten lists, strange-but-true stories, and more than thirty photographs.

sixties trivia questions and answers: *Rod Serling's The Twilight Zone*, 2009 New York City has become almost uninhabitable when continuous sunlight causes unbearable heat, rationing of water and electricity, and swarms of people leaving, looking for cooler weather further north.

sixties trivia questions and answers: Geeks Who Drink Presents: Duh! Christopher D. Short, 2019-09-03 100 hilarious essays, based on blindingly obvious questions, from the creators of Geeks Who Drink—led by six-time Jeopardy! champion, Christopher D. Short. The best trivia questions are usually the ones that are right on the tip of your tongue—so obvious that you may not know the answer offhand, but you should. In Duh, America's foremost masters of pub quiz, Geeks Who Drink, will take trivia lovers on a voyage through 100 of our face-palmiest questions. Along the way, we'll explore the blind hills and corners that make random knowledge so much fun. In hilarious, informative, bite-size essays, we'll explore such not-really-mysteries as: -How many stars are on the Texas state flag? -Odell is the nemesis of what kid book character? -What's the last word in the King James Bible? Even if you already know the "what"—and you might not!—we'll fill in the "why." And the when, where, and how. By the end you may feel dumber, but you'll be smarter. We almost guarantee it! By the way, that would be one (lone) star, Waldo, and "Amen." Duh!

sixties trivia questions and answers: Beginning JavaScript Paul Wilton, 2004-07-12 What is this book about? JavaScript is the language of the Web. Used for programming all major browsers, JavaScript gives you the ability to enhance your web site by creating interactive, dynamic, and personalized pages. Our focus in this book is on client-side scripting, but JavaScript is also hugely popular as a scripting language in server-side environments, a subject that we cover in later chapters. What does this book cover? Beginning JavaScript assumes no prior knowledge of programming languages, but will teach you all the fundamental concepts that you need as you progress. After covering the core JavaScript language, you'll move on to learn about more advanced techniques, including Dynamic HTML, using cookies, debugging techniques, and server-side scripting with ASP. By the end of this book, you will have mastered the art of using JavaScript to create dynamic and professional-looking web pages. Here are a few of the things you'll learn in this book: Fundamental programming concepts Comprehensive practical tutorial in JavaScript Cross-browser scripting, including Netscape 6 Cookie creation and use Plug-ins and ActiveX controls Dynamic HTML Scripting the W3C DOM Server-side JavaScript with ASP Who is this book for? This book is for anyone who wants to learn JavaScript. You will need a very basic knowledge of HTML, but no prior programming experience is necessary. Whether you want to pick up some programming skills, or want to find out how to transfer your existing programming knowledge to the Web, then this book is for you. All you need is a text editor (like Notepad) and a browser, and you're ready to go!

sixties trivia questions and answers: The Jeopardy! Book Alex Trebek, Peter Barsocchini, 1990 Provides background information on the show, anecdotes, and stories on the biggest winners.

sixties trivia questions and answers: The New York Giants Trivia Book Michael Lichtenstein, 2001-08-18 So you think you're a fan of the 2000 NFC champions? sixties trivia questions and answers: The Last of NASA's Original Pilot Astronauts David J. Shayler, Colin Burgess, 2017-06-19 Resulting from the authors' deep research into these two pre-Shuttle astronaut groups, many intriguing and untold stories behind the selection process are revealed in the book. The often extraordinary backgrounds and personal ambitions of these skilled pilots, chosen to continue NASA's exploration and knowledge of the space frontier, are also examined. In April 1966 NASA selected 19 pilot astronauts whose training was specifically targeted

to the Apollo lunar landing missions and the Earth-orbiting Skylab space station. Three years later, following the sudden cancellation of the USAF's highly classified Manned Orbiting Laboratory (MOL) project, seven military astronauts were also co-opted into NASA's space program. This book represents the final chapter by the authors in the story of American astronaut selections prior to the era of the Space Shuttle. Through personal interviews and original NASA documentation, readers will also gain a true insight into a remarkable age of space travel as it unfolded in the late 1960s, and the men who flew those historic missions.

sixties trivia questions and answers: *Vintage Geek* Marshall Julius, 2019-10-10 *Vintage Geek* will not only test your trivia chops, but also celebrates a varied selection of 20th century fandoms, from fifties Sci-Fi cinema, sixties Star Trek, Tom Baker's Doctor Who and eighties Action Classics to Hanna-Barbera, 2000 AD, Star Wars, Spielberg, Disney, Marvel, Atari, The Twilight Zone and much more besides. With a foreword from Emmy Award-winning Simpsons writer and producer Mike Reiss, *Vintage Geek* also features a fabulous fifty celebrity questions from the likes of John Carpenter, George Takei, Sam Neill, Mark Millar, Tom Savini, Mark Hamill, Pat Mills, Yeardley Smith and Sam J. Jones.

sixties trivia questions and answers: *In Search of Trivia* Jeff Rovin, 1984-07

sixties trivia questions and answers: *Financial Mail*, 1985

sixties trivia questions and answers: *The Reshaping of British Railways* British Railway Board, 2013-01-01 *The Reshaping of British Railways* is a piece of railway history every dedicated enthusiast will want in their collection. Bradshaw's Guide has given birth to a wave of nostalgia for our Victorian and Edwardian railway systems. *The Reshaping of British Railways*, another facsimile which will fascinate train buffs, is the document that decimated these systems forever. With the British Rail company's failure, by the early 1960s, to stem the network's huge annual losses, the government turned to Dr Richard Beeching. He was to save money by recommending the cutting of redundant routes and services. His two reports, *The Reshaping of British Railways* (1963) and *The Development of the Major Railway Trunk Routes* (1965), were published by the British Railways Board in 1965, and offer a fascinating snapshot of our nation's railways. In the first part of this historic facsimile, Dr Beeching identifies the 2,363 stations and 5,000 miles (8,000 km) of railway line for closure - over 50% of all stations and 30% of route miles. The second part recommends a small number of major remaining routes for significant investment. Well documented nationwide protests resulted in the saving of some stations and lines, but the majority were closed as planned and Beeching's name is to this day associated with the mass closure of railways and the loss of many local services in the period that followed. Now, for the first time, this iconic piece of railway history is available in its entirety, complete with the original tables and maps of routes deemed fit for closure.

sixties trivia questions and answers: *Radio and Television* Peter K. Pringle, Helen E. Clinton, 1989 Lists almost 1,000 English-language books, booklets, and reports on radio and TV published between 1982 and 1986. Third in a series covering the period 1920-1986, it was preceded by two volumes compiled by the late William E. McCavitt. Entries are organized into six parts, with many subdivisions.

sixties trivia questions and answers: *That Was Then, This Is Now* S. E. Hinton, 2021-05-04 Another classic from the author of the internationally bestselling *The Outsiders* Continue celebrating 50 years of *The Outsiders* by reading this companion novel. *That Was Then, This is Now* is S. E. Hinton's moving portrait of the bond between best friends Bryon and Mark and the tensions that develop between them as they begin to grow up and grow apart. A mature, disciplined novel which excites a response in the reader . . . Hard to forget.—The New York Times

sixties trivia questions and answers: *Custer, the Seventh Cavalry, and the Little Big Horn* Mike O'Keefe, 2012-11-20 Since the shocking news first broke in 1876 of the Seventh Cavalry's disastrous defeat at the Little Big Horn, fascination with the battle—and with Lieutenant George Armstrong Custer—has never ceased. Widespread interest in the subject has spawned a vast outpouring of literature, which only increases with time. This two-volume bibliography of Custer

literature is the first to be published in some twenty-five years and the most complete ever assembled. Drawing on years of research, Michael O'Keefe has compiled entries for roughly 3,000 books and 7,000 articles and pamphlets. Covering both nonfiction and fiction (but not juvenile literature), the bibliography focuses on events beginning with Custer's tenure at West Point during the 1850s and ending with the massacre at Wounded Knee in 1890. Included within this span are Custer's experiences in the Civil War and in Texas, the 1873 Yellowstone and 1874 Black Hills expeditions, the Great Sioux War of 1876-77, and the Seventh Cavalry's pursuit of the Nez Perces in 1877. The literature on Custer, the Battle of the Little Big Horn, and the Seventh Cavalry touches the entire American saga of exploration, conflict, and settlement in the West, including virtually all Plains Indian tribes, the frontier army, railroading, mining, and trading. Hence this bibliography will be a valuable resource for a broad audience of historians, librarians, collectors, and Custer enthusiasts.

sixties trivia questions and answers: The 1960's Themed Crossword Puzzles Miranda Powell, 2021-10-28 Hippies, Star Trek, Twiggy, Miniskirts, Flintstones, The Beatles, Sinatra The 1960's, A Decade of Change is a Themed Crossword Puzzle Book all about the United States culture of the Sixties □ Over 1000 Crossword-Style Clues □ □ 99% of the clues are about the puzzle's theme. sixties trivia questions and answers: Schooled Gordon Korman, 2013-02-01 Capricorn (Cap) Anderson has never watched television. He's never tasted a pizza. Never heard of a wedgie. Since he was little, his only experience has been living on a farm commune and being home-schooled by his hippie grandmother, Rain. But when Rain falls out of a tree while picking plums and has to stay in the hospital, Cap is forced to move in with a guidance counselor and her cranky teen daughter and attend the local middle school. While Cap knows a lot about tie-dying and Zen Buddhism, no education could prepare him for the politics of public school. Right from the beginning, Cap's weirdness makes him a moving target at Claverage Middle School (dubbed C-Average by the students). He has long, ungroomed hair; wears hemp clothes; and practises tai chi on the lawn. Once Zack Powers, big man on campus, spots Cap, he can't wait to introduce him to the age-old tradition at C-Average: the biggest nerd is nominated for class president—and wins.

sixties trivia questions and answers: 33 Questions About American History You're Not Supposed to Ask Thomas E. Woods, Jr., 2007-07-10 Guess what? The Indians didn't save the Pilgrims from starvation by teaching them to grow corn. Thomas Jefferson thought states' rights—an idea reviled today—were even more important than the Constitution's checks and balances. The "Wild" West was more peaceful and a lot safer than most modern cities. And the biggest scandal of the Clinton years didn't involve an intern in a blue dress. Surprised? Don't be. In America, where history is riddled with misrepresentations, misunderstandings, and flat-out lies about the people and events that have shaped the nation, there's the history you know and then there's the truth. In 33 Questions About American History You're Not Supposed to Ask, Thomas E. Woods Jr., the New York Times bestselling author of *The Politically Incorrect Guide to American History*, sets the record straight with a provocative look at the hidden truths about our nation's history—the ones that have been buried because they're too politically incorrect to discuss. Woods draws on real scholarship—as opposed to the myths, platitudes, and slogans so many other "history" books are based on—to ask

and answer tough questions about American history, including: - Did the Founding Fathers support immigration? - Was the Civil War all about slavery? - Did the Framers really look to the American Indians as the model for the U.S. political system? - Was the U.S. Constitution meant to be a “living, breathing” document—and does it grant the federal government wide latitude to operate as it pleases? - Did Bill Clinton actually stop a genocide, as we’re told? You’d never know it from the history that’s been handed down to us, but the answer to all those questions is no. Woods’s eye-opening exploration reveals how much has been whitewashed from the historical record, overlooked, and skewed beyond recognition. More informative than your last U.S. history class, 33 Questions About American History You’re Not Supposed to Ask will have you wondering just how much about your nation’s past you haven’t been told.

sixties trivia questions and answers: e-Pedia: Game of Thrones (season 6) Wikipedia Contributors, 2017-02-22 This carefully crafted ebook is formatted for your eReader with a functional and detailed table of contents. The sixth season of the fantasy drama television series Game of Thrones premiered on HBO on April 24, 2016, and concluded on June 26, 2016. It consists of ten episodes, each of approximately 50–60 minutes, largely of original content not found in George R. R. Martin's A Song of Ice and Fire series. Some material is adapted from the upcoming sixth novel The Winds of Winter and the fourth and fifth novels, A Feast for Crows and A Dance with Dragons. The series was adapted for television by David Benioff and D. B. Weiss. HBO ordered the season on April 8, 2014, together with the fifth season, which began filming in July 2015 primarily in Northern Ireland, Spain, Croatia, Iceland and Canada. Each episode cost over \$10 million. This book has been derived from Wikipedia: it contains the entire text of the title Wikipedia article + the entire text of all the 593 related (linked) Wikipedia articles to the title article. This book does not contain illustrations. e-Pedia (an imprint of e-artnow) charges for the convenience service of formatting these e-books for your eReader. We donate a part of our net income after taxes to the Wikimedia Foundation from the sales of all books based on Wikipedia content.
