Spiked Spin & Wellness Co.: Your Holistic Hub for Fitness and Wellbeing

Are you searching for a fitness experience that goes beyond the typical gym workout? Do you crave a space that nourishes your mind, body, and spirit? Then buckle up, because Spiked Spin & Wellness Co. is about to become your new favorite destination for holistic health and invigorating fitness. This blog post dives deep into what makes Spiked Spin & Wellness Co. unique, exploring its offerings, philosophy, and the overall experience it provides. We'll cover everything from the exhilarating spin classes to the calming wellness treatments, ensuring you have a complete picture before your first visit.

The Energy of Spiked Spin: More Than Just a Workout

Spiked Spin & Wellness Co. isn't just another spin studio; it's a vibrant community centered around high-energy, motivating cycling classes. Forget monotonous routines – our instructors are passionate, experienced professionals who design dynamic rides tailored to all fitness levels. Whether you're a seasoned cyclist or a complete beginner, you'll find a class that challenges and inspires you. Our state-of-the-art bikes are equipped with performance tracking, allowing you to monitor your progress and push your limits safely and effectively. Beyond the physical benefits, our spin classes are designed to be a mental escape, a powerful way to de-stress and release endorphins. The carefully curated playlists and motivating instructors create an immersive experience that leaves you feeling energized and empowered.

Beyond the Bike: Exploring the Wellness Sanctuary

Spiked Spin & Wellness Co. understands that true wellness encompasses more than just physical fitness. That's why we've created a sanctuary dedicated to nurturing your mind and body through a range of complementary therapies. Our wellness offerings include:

Yoga & Pilates: Find your inner peace and build strength and flexibility with our expertly led yoga and Pilates classes. We offer various styles, from gentle restorative flows to challenging power vinyasa.

Massage Therapy: Unwind and release tension with our professional massage therapists. Choose from a variety of modalities, including Swedish massage, deep tissue massage, and sports massage, to target your specific needs.

Meditation & Mindfulness Workshops: Learn techniques to manage stress, improve focus, and cultivate a greater sense of self-awareness through our regular meditation and mindfulness workshops. These workshops are designed to be accessible to all levels, from beginners to experienced practitioners.

Infrared Sauna: Experience the detoxifying and therapeutic benefits of our infrared sauna. Infrared heat penetrates deeper than traditional saunas, promoting relaxation, muscle recovery, and improved circulation.

The Spiked Spin & Wellness Co. Community: More Than Just Members, We're Family

We believe that fitness and wellness are best achieved within a supportive and encouraging community. At Spiked Spin & Wellness Co., you'll find a welcoming and inclusive environment where everyone feels comfortable and supported. Our members are diverse, driven, and passionate about their health and wellbeing, creating a positive and uplifting atmosphere. We regularly host social events and workshops to foster connections and build lasting relationships among our members. This sense of community is a vital part of what sets us apart.

The Spiked Spin & Wellness Co. Experience: Holistic Wellbeing, Achieved Together

From the moment you step into Spiked Spin & Wellness Co., you'll feel the difference. Our meticulously designed space is calming and inviting, creating an atmosphere where you can truly relax and rejuvenate. Our commitment to excellence extends to every aspect of your experience, from the quality of our equipment and instructors to the personalized attention you receive from our staff. We strive to create a holistic wellness journey that empowers you to achieve your personal best, both physically and mentally. Whether you're looking to boost your fitness levels, de-stress, or simply connect with a supportive community, Spiked Spin & Wellness Co. offers a unique and transformative experience. We invite you to explore what we offer and join us on your journey to a healthier, happier you.

Conclusion

Spiked Spin & Wellness Co. is more than a fitness studio; it's a holistic wellness haven designed to empower you to achieve your best self. With a combination of exhilarating spin classes and a range of rejuvenating wellness treatments, we offer a complete approach to health and wellbeing. Join our vibrant community today and experience the difference.

FAQs

Q1: What is the cost of a single spin class at Spiked Spin & Wellness Co.?

A1: The price varies depending on whether you purchase a single class or a package. Check our website or contact us directly for the most up-to-date pricing.

Q2: Do I need to be a certain fitness level to participate in spin classes?

A2: No, our spin classes are designed to accommodate all fitness levels. Our instructors will guide you through modifications to ensure you can participate comfortably and safely.

Q3: What forms of payment do you accept?

A3: We accept all major credit cards, debit cards, and cash. We may also offer payment plan options; please inquire with the studio.

Q4: What is your cancellation policy?

A4: Our cancellation policy allows for cancellations up to 24 hours before a class without penalty. Cancellations within 24 hours may be subject to a fee. Please review the full policy on our website.

Q5: Do you offer any packages or memberships?

A5: Yes, we offer a variety of packages and memberships to suit different needs and budgets. These packages often provide a significant discount compared to single-class purchases. Visit our website or contact us for more information.

spiked spin wellness co: Eat, Move, Think Shaun Francis, 2018-12-25 Eat, Move, Think is the essential guide to living a longer, more active, and more fulfilled life—full of answers to your most pressing health and wellness questions. Doctors everywhere have the same goal: healthier and happier lives for their patients. And yet, no two medical professionals give the same advice. How much coffee is too much? What's better for your fitness: cardio or weights? What is mindfulness, and how can you practice it? Finally, there are answers to all of those questions and more. Eat, Move, Think breaks down the fundamentals of living a long and healthy life into three sections: nutrition, physical activity, and mental health. Francis addresses the questions that we all grapple with: How much meat should I eat? Is it okay to sit all day if I work out afterwards? How does sleep affect my mental health? Drawing upon the expert advice of world-renowned doctors and medical professionals, this book captures the innovative strategies of the world's highest performers—Navy SEALs, cutting-edge researchers, professional athletes—in one handy illustrated guide to everyday healthy living. Honest, straightforward, and accessible, Eat, Move, Think will empower and educate you, showing you the simple, achievable steps you can take to transform your health and your life.

spiked spin wellness co: *Wellness Worksheets* Paul M. Insel, 2012

spiked spin wellness co: The Circle Dave Eggers, 2013-10-08 INTERNATIONAL BESTSELLER

- A bestselling dystopian novel that tackles surveillance, privacy and the frightening intrusions of technology in our lives—a “compulsively readable parable for the 21st century” (Vanity Fair). When Mae Holland is hired to work for the Circle, the world's most powerful internet company, she feels she's been given the opportunity of a lifetime. The Circle, run out of a sprawling California campus, links users' personal emails, social media, banking, and purchasing with their universal operating system, resulting in one online identity and a new age of civility and transparency. As Mae tours the open-plan office spaces, the towering glass dining facilities, the cozy dorms for those who spend nights at work, she is thrilled with the company's modernity and activity. There are parties that last through the night, there are famous musicians playing on the lawn, there are athletic activities and clubs and brunches, and even an aquarium of rare fish retrieved from the Marianas Trench by the CEO. Mae can't believe her luck, her great fortune to work for the most influential company in the world—even as life beyond the campus grows distant, even as a strange encounter with a colleague leaves her shaken, even as her role at the Circle becomes increasingly public. What begins as the captivating story of one woman's ambition and idealism soon becomes a heart-racing novel of suspense, raising questions about memory, history, privacy, democracy, and the limits of human knowledge.

spiked spin wellness co: SPIN , 2010-01 From the concert stage to the dressing room, from the recording studio to the digital realm, SPIN surveys the modern musical landscape and the culture around it with authoritative reporting, provocative interviews, and a discerning critical ear. spiked spin wellness co: The Financial Crisis Inquiry Report Financial Crisis Inquiry

Commission, 2011-05-01 The Financial Crisis Inquiry Report, published by the U.S. Government and the Financial Crisis Inquiry Commission in early 2011, is the official government report on the United States financial collapse and the review of major financial institutions that bankrupted and failed, or would have without help from the government. The commission and the report were implemented after Congress passed an act in 2009 to review and prevent fraudulent activity. The report details, among other things, the periods before, during, and after the crisis, what led up to it, and analyses of subprime mortgage lending, credit expansion and banking policies, the collapse of companies like Fannie Mae and Freddie Mac, and the federal bailouts of Lehman and AIG. It also discusses the aftermath of the fallout and our current state. This report should be of interest to anyone concerned about the financial situation in the U.S. and around the world. THE FINANCIAL CRISIS INQUIRY COMMISSION is an independent, bi-partisan, government-appointed panel of 10 people that was created to examine the causes, domestic and global, of the current financial and economic crisis in the United States. It was established as part of the Fraud Enforcement and Recovery Act of 2009. The commission consisted of private citizens with expertise in economics and finance, banking, housing, market regulation, and consumer protection. They examined and reported on the collapse of major financial institutions that failed or would have failed if not for exceptional assistance from the government. News Dissector DANNY SCHECHTER is a journalist, blogger and filmmaker. He has been reporting on economic crises since the 1980's when he was with ABC News. His film In Debt We Trust warned of the economic meltdown in 2006. He has since written three books on the subject including Plunder: Investigating Our Economic Calamity (Cosimo Books, 2008), and The Crime Of Our Time: Why Wall Street Is Not Too Big to Jail (Disinfo Books, 2011), a companion to his latest film Plunder The Crime Of Our Time. He can be reached online at www.newsdissector.com.

spiked spin wellness co: Instinct T. D. Jakes, 2014-05-06 Tap into your God-given intuition and start achieving ultimate success with this inspiring #1 New York Times bestseller from Bishop T.D. Jakes. If you have ever felt misaligned, this book is for you. If you have lost the rhythm, the passion, or the thrill of living in alignment, then keep reading. As He did with the very cells that comprise our bodies and the dry bones that were joined together for new life, God has given us deeper instincts to be attracted to those things that fit a higher and better purpose. Never settle for less than God's best for your life. Some people have the courage to move beyond the ordinary, from the methodical mediocre into the revolutionary realization of where they belong. You can have this sense of belonging only when you connect to your core calling. The calling to creativity, the calling to teach, to give, to build, are all part of allowing your instinct to guide you to the something more that you suspect is out there. If you are ready to break through the confines of where you are and discover where you are meant to be, then Instinct is your key!--EndFragment--

spiked spin wellness co: Principles of Management David S. Bright, Anastasia H. Cortes, Eva Hartmann, 2023-05-16 Black & white print. Principles of Management is designed to meet the scope and sequence requirements of the introductory course on management. This is a traditional approach to management using the leading, planning, organizing, and controlling approach. Management is a broad business discipline, and the Principles of Management course covers many management areas such as human resource management and strategic management, as well as behavioral areas such as motivation. No one individual can be an expert in all areas of management, so an additional benefit of this text is that specialists in a variety of areas have authored individual chapters.

spiked spin wellness co: The 4-Hour Body Timothy Ferriss, 2010-12-14 #1 NEW YORK TIMES BESTSELLER • The game-changing author of The 4-Hour Workweek teaches you how to reach your peak physical potential with minimum effort. "A practical crash course in how to reinvent yourself."—Kevin Kelly, Wired Is it possible to reach your genetic potential in 6 months? Sleep 2 hours per day and perform better than on 8 hours? Lose more fat than a marathoner by bingeing? Indeed, and much more. The 4-Hour Body is the result of an obsessive quest, spanning more than a decade, to hack the human body using data science. It contains the collective wisdom of hundreds of

elite athletes, dozens of MDs, and thousands of hours of jaw-dropping personal experimentation. From Olympic training centers to black-market laboratories, from Silicon Valley to South Africa, Tim Ferriss fixated on one life-changing question: For all things physical, what are the tiniest changes that produce the biggest results? Thousands of tests later, this book contains the answers for both men and women. It's the wisdom Tim used to gain 34 pounds of muscle in 28 days, without steroids, and in four hours of total gym time. From the gym to the bedroom, it's all here, and it all works. You will learn (in less than 30 minutes each): • How to lose those last 5-10 pounds (or 100+ pounds) with odd combinations of food and safe chemical cocktails • How to prevent fat gain while bingeing over the weekend or the holidays • How to sleep 2 hours per day and feel fully rested • How to produce 15-minute female orgasms • How to triple testosterone and double sperm count • How to go from running 5 kilometers to 50 kilometers in 12 weeks • How to reverse "permanent" injuries • How to pay for a beach vacation with one hospital visit And that's just the tip of the iceberg. There are more than 50 topics covered, all with real-world experiments, many including more than 200 test subjects. You don't need better genetics or more exercise. You need immediate results that compel you to continue. That's exactly what *The 4-Hour Body* delivers.

spiked spin wellness co: Introduction to Business Lawrence J. Gitman, Carl McDaniel, Amit Shah, Monique Reece, Linda Koffel, Bethann Talsma, James C. Hyatt, 2024-09-16 *Introduction to Business* covers the scope and sequence of most introductory business courses. The book provides detailed explanations in the context of core themes such as customer satisfaction, ethics, entrepreneurship, global business, and managing change. *Introduction to Business* includes hundreds of current business examples from a range of industries and geographic locations, which feature a variety of individuals. The outcome is a balanced approach to the theory and application of business concepts, with attention to the knowledge and skills necessary for student success in this course and beyond. This is an adaptation of *Introduction to Business* by OpenStax. You can access the textbook as pdf for free at openstax.org. Minor editorial changes were made to ensure a better ebook reading experience. Textbook content produced by OpenStax is licensed under a Creative Commons Attribution 4.0 International License.

Smith, 2010-01-28 Learn to raise goats and start reaping the benefits of owning these fun and useful animals *Raising goats* is a major part of human life (and survival) around the world. The movement has increased in popularity in recent years as consumers embrace a more sustainable lifestyle, reject commercialism, move to organic food options, and raise concerns about industrial agriculture practices. *Raising Goats For Dummies* provides you with an introduction to all aspects of owning, caring for, and the day-to-day benefits of raising goats. Breaks down the complicated process of choosing and purchasing the right goat breed to meet your needs and getting facilities for your goat set up. Provides in-depth information on proper grooming, handling, feeding, and milking Covers the basics of goat health and nutrition Offers tips and advice for using your goat to produce milk, meat, fiber, and more You'll quickly understand what makes these useful and delightful creatures so popular and gain the knowledge and skills to properly care for and utilize their many offerings with help from *Raising Goats For Dummies*.

spiked spin wellness co: Prince Of Cats Ronald Wimberly, 2016-10-26 *PRINCE OF CATS* is the B side to Shakespeare's *Romeo and Juliet*, played at an eighties block party in an NY where underground sword dueling blossomed alongside hip-hop, punk, disco, and no wave. It's the story of the minor players with Tybalt at the center. The definitive printing of RONALD WIMBERLY's critically-acclaimed first work, presented as intended for the first time.

spiked spin wellness co: Good Food, Bad Diet Abby Langer, 2021-01-05 In this science-based book, registered dietitian Abby Langer tackles head-on the negative effects of diet culture and offers advice to help you enjoy food and lose weight without guilt or shame. There are so many diets out there, but what if you want to eat well and lose weight without dieting, counting, or restricting? What if you want to love your body, not punish it? Registered dietitian Abby Langer is here to help. In her first-ever book, Abby takes on our obsession with being thin and the diets that are sucking the

life, sometimes literally, out of us. For the past twenty years, she has worked with clients from all walks of life to free them from restrictive diets and help them heal their relationship with food. Because all food is good for us—yes, even carbs and fats. All diets are bad. Diets are like Band-Aids for what's really bothering us: Although we might lose weight, they prey on our insecurities, rob us of time and money, and often leave us with the same negative views of food and our bodies that we've always had. When the weight comes back, we still haven't solved the real issues behind our eating habits—our “why.” This book is different. Chapter by chapter, Abby helps readers uncover the “why” behind their desire to lose weight and their relationship with food, and make lasting, meaningful change to the way they see food, nutrition, themselves, and the world around them. In this book, you'll learn how guilt and shame affect your food choices, how fullness and satisfaction aren't the same feeling, why it's important to quiet your “diet voice” and enjoy food, and what the best way to eat is according to science. Empowering, inclusive, smart, and a must-have, Good Food, Bad Diet will give you the tools to reject diets, repair your relationship with food, and lose weight so you can move on with your life.

spiked spin wellness co: Spicebox Kitchen Linda Shiue, 2021-03-16 A renowned chef and physician shares her secrets to a healthy life in this cookbook filled with healthy recipes that will fuel and energize your body and mind. I like to think of a spicebox as the cook's equivalent of a doctor's bag--containing the essential tools to use in the art of cooking. Learning to use spices is the best way to add interest and vibrancy to simple home cooking.—from the Introduction In her first cookbook, chef and physician Linda Shiue puts the phrase let food be thy medicine to the test. With 175 vegetarian and pescatarian recipes curated from her own kitchen, Dr. Shiue takes you on a journey of vibrant, fresh flavors through a range of spices from amchar masala to za'atar. With a comprehensive Healthy Cooking 101 chapter, lists of the healthiest ingredients out there, and tips for prevention, Spicebox Kitchen is a culinary wellness trip you can take in your own kitchen.

spiked spin wellness co: Men's Health , 2008-01 Men's Health magazine contains daily tips and articles on fitness, nutrition, relationships, sex, career and lifestyle.

spiked spin wellness co: Developing Agility and Quickness NSCA -National Strength & Conditioning Association, Jay Dawes, Mark Roozen, 2011-10-10 The ball handler who fakes and then drives past a defender for an easy score. A pass rusher who leaves a would-be blocker in his wake on the way to sacking the quarterback. A setter who manages to maneuver both body and ball in the blink of an eye to make the perfect pass for the kill and match-winning point. These are all reasons agility and quickness are such prized physical attributes in modern sport. Efforts to become markedly quicker or more agile, however, aren't always successful. Genetic limitations, technical deficiencies, and inferior training activities are among the major obstacles. Developing Agility and Quickness helps athletes blow past those barriers thanks to the top sport conditioning authority in the world, the National Strength and Conditioning Association. NSCA hand-picked its top experts to present the best training advice, drills, and programs for optimizing athletes' linear and lateral movements. Make Developing Agility and Quickness a key part of your conditioning program, and get a step ahead of the competition.

spiked spin wellness co: Soul Success Megan McCann, 2020-06-12 From late night diaper changes to blueprints for how to succeed in business, Soul Success is a collection of memoirs from inspirational women who have overcome impossible circumstances to achieve success. Using irreverent humor and specific action steps, author Megan McCann introduces the battles she faced throughout her life as a little girl and woman who dared to dream. McCann takes you first through her journey bringing to light common themes of unhealthy female competition and why it's our duty now more than ever, as women, to lock arms. From being bullied in school by her teacher and her peers, to being at war with other women in business, you'll explore the common themes that led to failure in her career and personal life. After meeting the women highlighted in this book, you'll come to understand the mission behind the book is not just about women rising together, but after reading the memoirs, you'll also leave with a toolkit for how to turn sh*t into gold. Be ready to laugh, snort, cry, and feel good all at the same time. Contributing authors include: Sara Connell, Jennifer

Ludington, Dr. Kathryn Guylay, Jamie Green, Leah Warshawski, Jaime Rivetts, Pirie Grossman, Barbara Kamba-Nyathi, Rose Jubbs, Jesse Johnson, Kathy Haan, and Jaya Rose.

spiked spin wellness co: Principles of Nutrigenetics and Nutrigenomics Raffaele De Caterina, J. Alfredo Martinez, Martin Kohlmeier, 2019-09-22 Principles of Nutrigenetics and Nutrigenomics: Fundamentals for Individualized Nutrition is the most comprehensive foundational text on the complex topics of nutrigenetics and nutrigenomics. Edited by three leaders in the field with contributions from the most well-cited researchers conducting groundbreaking research in the field, the book covers how the genetic makeup influences the response to foods and nutrients and how nutrients affect gene expression. spiked spin wellness co: The Ultimate College Student Health Handbook Jill Grimes, 2020-05-05 2022 Bookauthority: Best College Ebooks of All Time: Winner 2022 American Writing Awards Nonfiction Health Category: Winner 2022 IAN Book of the Year Outstanding Non-Fiction Health/Medicine: Winner 2022 International Impact Book Award Winner 2021 Gold Medal Florida Authors & Publishers Association Presidents Award: Health Category 2021 Gold Medal Winner of the International Book Award: Health Category 2021 Silver Medal Winner of the Nautilus Award: Health, Healing, Wellness & Vitality 2021 Independent Press Award Distinguished Favorite: Health & Fitness 2021 New York City Big Book Award Distinguished Favorite in the Health & Fitness category 2021 Firebird Speak Up Talk Radio Winner 2021 Readers' Favorite Gold Medal: Young Adult Nonfiction 2020 Gold Medal Winner of the Literary Titan Award 2020 American Book Fest Best Book Awards Winner: College Guides Consider this College Health 101—an award-winning guide to what students really want (or need) to know about their mental and physical health when they're away from home. College students facing their first illness, accident, or anxiety away from home often flip-flop between wanting to handle it themselves and wishing their parents could swoop in and fix everything. Advice from peers and “Dr. Google” can be questionable. The Ultimate College Student Health Handbook provides accurate, trustworthy, evidence-based medical information (served with a dose of humor) to reduce anxiety and stress and help set appropriate expectations for more than fifty common issues. What if you can't sleep well (or can't sleep at all) in your dorm room? What if a pill “gets stuck” in your throat? What if your roommate falls asleep (or passes out) wearing contacts, and wakes up with one painfully stuck? Your friend's terrible sore throat isn't Strep or Mono? What else could it be? What should you do for food poisoning? When do you really need

X-rays for a sprained ankle or injured toe? What helps severe test anxiety or fear of public speaking? Dr. Jill Grimes has the answer to these questions and many more. Her guidebook is designed to help you: Decide if and when to seek medical help Know what to expect when you get there Plan for the worst-case scenario if you don't seek help Learn how you can prevent this in the future Realize what you can do right now, before you see a doctor Understand the diagnostic and treatment options Got questions about tattoos, smoking, vaping, pot, and piercings? No worries, Dr. Grimes has covered those topics, too, as well as a few things you might not know about the use and abuse of stimulant (ADD) prescription medications. Pair this book with the DIY First Aid Kit detailed in the bonus section to help you, your roommates, and your friends have a healthier, happier semester!

spiked spin wellness co: Cosby Mark Whitaker, 2014-09-16 The first major biography of an American icon, comedian Bill Cosby. Based on extensive research and in-depth interviews with Cosby and more than sixty of his closest friends and associates, it is a frank, fun and fascinating account of his life and historic legacy. Far from the gentle worlds of his routines or TV shows, Cosby grew up in a Philadelphia housing project, the son of an alcoholic, largely absent father and a loving but overworked mother. With novelistic detail, award winning journalist Mark Whitaker tells the story of how, after dropping out of high school, Cosby turned his life around by joining the Navy, talking his way into college, and seizing his first breaks as a stand-up comedian. Published on the 30th anniversary of *The Cosby Show*, the book reveals the behind-the-scenes story of that groundbreaking sitcom as well as Cosby's bestselling albums, breakout role on *I Spy*, and pioneering place in children's TV. But it also deals with professional setbacks and personal dramas, from an affair that sparked public scandal to the murder of his only son, and the private influence of his wife of fifty years, Camille Cosby. Whitaker explores the roots of Cosby's controversial stands on race, as well as "the Cosby effect" that helped pave the way for a black president. For any fan of Bill Cosby's work, and any student of American television, comedy, or social history, *Cosby: His Life and Times* is an essential read.

spiked spin wellness co: Beastie Boys Book Michael Diamond, Adam Horovitz, 2018-10-30
#1 NEW YORK TIMES BESTSELLER • A panoramic experience that tells the story of Beastie Boys, a book as unique as the band itself—by band members ADROCK and Mike D, with contributions from Amy Poehler, Colson Whitehead, Wes Anderson, Luc Sante, and more. The inspiration for the Emmy-nominated Apple TV+ "live documentary" *Beastie Boys Story*, directed by Spike Jonze
NAMED ONE OF THE BEST BOOKS OF THE YEAR BY Rolling Stone • The Guardian • Paste Formed as a New York City hardcore band in 1981, Beastie Boys struck an unlikely path to global hip hop superstardom. Here is their story, told for the first time in the words of the band. Adam "ADROCK" Horovitz and Michael "Mike D" Diamond offer revealing and very funny accounts of their transition from teenage punks to budding rappers; their early collaboration with Russell Simmons and Rick Rubin; the debut album that became the first hip hop record ever to hit #1, *Licensed to Ill*—and the album's messy fallout as the band broke with Def Jam; their move to Los Angeles and rebirth with the genre-defying masterpiece *Paul's Boutique*; their evolution as musicians and social activists over the course of the classic albums *Check Your Head*, *Ill Communication*, and *Hello Nasty* and the Tibetan Freedom Concert benefits conceived by the late Adam "MCA" Yauch; and more. For more than thirty years, this band has had an inescapable and indelible influence on popular culture. With a style as distinctive and eclectic as a Beastie Boys album, *Beastie Boys Book* upends the typical music memoir. Alongside the band narrative you will find rare photos, original illustrations, a cookbook by chef Roy Choi, a graphic novel, a map of Beastie Boys' New York, mixtape playlists, pieces by guest contributors, and many more surprises. Praise for *Beastie Boys Book* "A fascinating, generous book with portraits and detail that float by in bursts of color . . . As with [the band's] records, the book's structure is a lyrical three-man weave. . . . Diamond's voice is lapidary, droll. Horovitz comes on like a borscht belt comedian, but beneath that he is urgent, incredulous, kind of vulnerable. . . . Friendship is the book's subject as much as music, fame and New York."—The New York Times Book Review "Wild, moving . . . resembles a Beastie Boys LP in its wild variety of styles."—Rolling Stone

spiked spin wellness co: Girl Decoded Rana el Kaliouby, Carol Colman, 2020-04-21 In a captivating memoir, an Egyptian American visionary and scientist provides an intimate view of her personal transformation as she follows her calling—to humanize our technology and how we connect with one another. **ONGLISTED FOR THE PORCHLIGHT BUSINESS BOOK AWARD** • “A vivid coming-of-age story and a call to each of us to be more mindful and compassionate when we interact online.”—Arianna Huffington **NAMED ONE OF THE BEST BOOKS OF THE YEAR BY PARADE** Rana el Kaliouby is a rarity in both the tech world and her native Middle East: a Muslim woman in charge in a field that is still overwhelmingly white and male. Growing up in Egypt and Kuwait, el Kaliouby was raised by a strict father who valued tradition—yet also had high expectations for his daughters—and a mother who was one of the first female computer programmers in the Middle East. Even before el Kaliouby broke ground as a scientist, she broke the rules of what it meant to be an obedient daughter and, later, an obedient wife to pursue her own daring dream. After earning her PhD at Cambridge, el Kaliouby, now the divorced mother of two, moved to America to pursue her mission to humanize technology before it dehumanizes us. The majority of our communication is conveyed through nonverbal cues: facial expressions, tone of voice, body language. But that communication is lost when we interact with others through our smartphones and devices. The result is an emotion-blind digital universe that impairs the very intelligence and capabilities—including empathy—that distinguish human beings from our machines. To combat our fundamental loss of emotional intelligence online, she cofounded Affectiva, the pioneer in the new field of Emotion AI, allowing our technology to understand humans the way we understand one another. *Girl Decoded* chronicles el Kaliouby’s journey from being a “nice Egyptian girl” to becoming a woman, carving her own path as she revolutionizes technology. But decoding herself—learning to express and act on her own emotions—would prove to be the biggest challenge of all.

spiked spin wellness co: The Enchantress Michael Scott, 2012-05-22 Nicholas Flamel appeared in J.K. Rowling’s *Harry Potter*—but did you know he really lived? And his secrets aren’t safe! Discover the truth in book six of Michael Scott’s New York Times bestselling series *the Secrets of the Immortal Nicholas Flamel*. The Location: The home of the Elders. The Time: The last day of Nicholas and Perenelle Flamel’s long existence. The two that are one must become the one that is all. One to save the world, one to destroy it. Sophie and Josh Newman traveled ten thousand years into the past following Dr. John Dee and Virginia Dare to the home of the Elders at Danu Talis. But this is no ordinary island—it is the legendary city of Atlantis, and Scathach, Prometheus, Palamedes, Shakespeare, Saint-Germain, and Joan of Arc are also there. Here, as the Flamels take their final breaths, the battle for the world begins and ends. Except no one is sure what—or who—the twins will be fighting for. “*The Secrets of the Immortal Nicholas Flamel* has everything you loved about *Harry Potter*, including magic, mystery, and a constant battle of good versus evil.”—Bustle Read the whole series! *The Alchemyst The Magician The Sorceress The Necromancer The Warlock The Enchantress*

spiked spin wellness co: High-Performance Training for Sports David Joyce, Daniel Lewindon, 2014-06-09 *High-Performance Training for Sports* changes the landscape of athletic conditioning and sports performance. This groundbreaking work presents the latest and most effective philosophies, protocols and programmes for developing today’s athletes. *High-Performance Training for Sports* features contributions from global leaders in athletic performance training, coaching and rehabilitation. Experts share the cutting-edge knowledge and techniques they’ve used with

Olympians as well as top athletes and teams from the NBA, NFL, MLB, English Premier League, Tour de France and International Rugby. Combining the latest science and research with proven training protocols, *High-Performance Training for Sports* will guide you in these areas: • Optimise the effectiveness of cross-training. • Translate strength into speed. • Increase aerobic capacity and generate anaerobic power. • Maintain peak conditioning throughout the season. • Minimise the interference effect. • Design energy-specific performance programmes. Whether you are working with high-performance athletes of all ages or with those recovering from injury, *High-Performance Training for Sports* is the definitive guide for developing all aspects of athletic performance. It is a must-own guide for any serious strength and conditioning coach, trainer, rehabilitator or athlete.

spiked spin wellness co: Mama Doc Medicine Wendy Sue Swanson, 2014 Presents evidence-based advice on raising children, enhancing a collection of the author's blog posts with statistics, charts, and summaries to discuss four themes--prevention, social-emotional support, immunizations, and work-life balance.--

spiked spin wellness co: On Food and Cooking Harold McGee, 2007-03-20 A kitchen classic for over 35 years, and hailed by Time magazine as a minor masterpiece when it first appeared in 1984, *On Food and Cooking* is the bible which food lovers and professional chefs worldwide turn to for an understanding of where our foods come from, what exactly they're made of, and how cooking transforms them into something new and delicious. For its twentieth anniversary, Harold McGee prepared a new, fully revised and updated edition of *On Food and Cooking*. He has rewritten the text almost completely, expanded it by two-thirds, and commissioned more than 100 new illustrations. As compulsively readable and engaging as ever, the new *On Food and Cooking* provides countless eye-opening insights into food, its preparation, and its enjoyment. *On Food and Cooking* pioneered the translation of technical food science into cook-friendly kitchen science and helped birth the inventive culinary movement known as molecular gastronomy. Though other books have been written about kitchen science, *On Food and Cooking* remains unmatched in the accuracy, clarity, and thoroughness of its explanations, and the intriguing way in which it blends science with the historical evolution of foods and cooking techniques. Among the major themes addressed throughout the new edition are: · Traditional and modern methods of food production and their influences on food quality · The great diversity of methods by which people in different places and times have prepared the same ingredients · Tips for selecting the best ingredients and preparing them successfully · The particular substances that give foods their flavors, and that give us pleasure · Our evolving knowledge of the health benefits and risks of foods *On Food and Cooking* is an invaluable and monumental compendium of basic information about ingredients, cooking methods, and the pleasures of eating. It will delight and fascinate anyone who has ever cooked, savored, or wondered about food.

spiked spin wellness co: Handbook of Sports Medicine and Science Jonathan C. Reeser, Roald Bahr, 2008-04-15 This addition to the Handbook series is presented in five sections. The first sections covers basic and applied science, including biomechanics, the physiologic demands of volleyball, conditioning and nutrition. The second section looks at the role of the medical professional in volleyball, covering team physicians, pre-participation examination, medical equipment at courtside and emergency planning. The third section looks at injuries - including prevention, epidemiology, upper and lower limb injuries and rehabilitation. The next section looks at those volleyball players who require special consideration: the young, the disabled, and the elite, as well as gender issues. Finally, section five looks at performance enhancement.

spiked spin wellness co: I Quit Sugar Sarah Wilson, 2014-04-08 NEW YORK TIMES BESTSELLER • A week-by-week guide to quitting sugar to lose weight, boost energy, and improve your mood and overall health, with 108 sugarfree recipes. "Life without sugar is much sweeter than I ever imagined it would be."—Shauna Ahern, *Gluten-Free Girl* Sarah Wilson thought of herself as a relatively healthy eater. She didn't realize how much sugar was hidden in her diet, or how much it was affecting her well-being. When she learned that her sugar consumption could be the source of a lifetime of mood swings, fluctuating weight, sleep problems, and thyroid disease, she knew she had

to make a change. What started as an experiment to eliminate sugar—both the obvious and the hidden kinds—soon became a way of life, and now Sarah shows you how you can quit sugar too: • Follow a flexible and very doable 8-week plan. • Overcome cravings. • Make food you're excited to eat with these 108 recipes for detox meals, savory snacks, and sweet treats from Sarah Wilson and contributors including Gwyneth Paltrow, Curtis Stone, Dr. Robert Lustig (The Fat Chance Cookbook), Sarma Melngailis (Raw Food/Real World), Joe "the Juicer" Cross, and Angela Liddon (Oh She Glows). I Quit Sugar makes it easy to kick the habit for good, lose weight, and feel better than ever before. When you are nourished with delicious meals and treats, you won't miss the sugar for an instant.

spiked spin wellness co: The Paleo Cure Chris Kresser, 2013-12-31 An effective and practical program based on the Paleo lifestyle, customized to fit your needs! As the Paleo movement sweeps the nation, the health benefits of following the lifestyle of our hunter-gatherer forebears are undeniable. But what happens when we hit a wall and weight loss stalls, energy flags, or we're tired of restricted eating? We're not cavemen anymore, so why should we follow a strict caveman diet? In Your Personal Paleo Code, Chris Kresser uses the Paleo diet as a baseline from which you can tailor the ideal three-step program-Reset, Rebuild, Revive-to fit your lifestyle, body type, genetic blueprint, and individual needs. Kresser helps further personalize your prescription for specific health conditions, from heart disease and high blood pressure to thyroid disorders and digestive problems. Along with a 7-day meal plan and delectable, nutritious recipes, Your Personal Paleo Code offers natural solutions and an avalanche of groundbreaking advice on how to restore a healthy gut and immune system; how to eliminate toxins; which fats to eat liberally; how to choose the healthiest proteins; and much more. Best of all, you only have to follow the program 80% of the time; there's room to indulge in moderation while still experiencing dramatic results. Based on cutting-edge scientific research, Your Personal Paleo Code is designed to be flexible and user-friendly, with helpful charts, quizzes, and effective action steps to help you lose weight, reverse disease, and stay fit and healthy for life.

spiked spin wellness co: PEMF - The Fifth Element of Health Bryant A. Meyers, 2013-08-19 You probably know that food, water, sunlight, and oxygen are required for life, but there is a fifth element of health that is equally vital and often overlooked: The Earth's magnetic field and its corresponding PEMFs (pulsed electromagnetic fields). The two main components of Earth's PEMFs, the Schumann and Geomagnetic frequencies, are so essential that NASA and the Russian space program equip their spacecrafts with devices that replicate these frequencies. These frequencies are absolutely necessary for the human body's circadian rhythms, energy production, and even keeping the body free from pain. But there is a big problem on planet earth right now, rather, a twofold problem, as to why we are no longer getting these life-nurturing energies of the earth. In this book we'll explore the current problem and how the new science of PEMF therapy (a branch of energy medicine), based on modern quantum field theory, is the solution to this problem, with the many benefits listed below: • eliminate pain and inflammation naturally • get deep, rejuvenating sleep • increase your energy and vitality • feel younger, stronger, and more flexible • keep your bones strong and healthy • help your body with healing and regeneration • improve circulation and heart health • plus many more benefits

spiked spin wellness co: The Wellness Syndrome Carl Cederström, Andre Spicer, 2015-02-04 Not exercising as much as you should? Counting your calories in your sleep? Feeling ashamed for not being happier? You may be a victim of the wellness syndrome. In this ground-breaking new book, Carl Cederström and André Spicer argue that the ever-present pressure to maximize our wellness has started to work against us, making us feel worse and provoking us to withdraw into ourselves. The Wellness Syndrome follows health freaks who go to extremes to find the perfect diet, corporate athletes who start the day with a dance party, and the self-trackers who monitor everything, including their own toilet habits. This is a world where feeling good has become indistinguishable from being good. Visions of social change have been reduced to dreams of individual transformation, political debate has been replaced by insipid moralising, and scientific evidence has been traded for

new-age delusions. A lively and humorous diagnosis of the cult of wellness, this book is an indispensable guide for everyone suspicious of our relentless quest to be happier and healthier.

spiked spin wellness co: Fundamentals of Biomechanics Duane Knudson, 2013-04-17

Fundamentals of Biomechanics introduces the exciting world of how human movement is created and how it can be improved. Teachers, coaches and physical therapists all use biomechanics to help people improve movement and decrease the risk of injury. The book presents a comprehensive review of the major concepts of biomechanics and summarizes them in nine principles of biomechanics. Fundamentals of Biomechanics concludes by showing how these principles can be used by movement professionals to improve human movement. Specific case studies are presented in physical education, coaching, strength and conditioning, and sports medicine.

spiked spin wellness co: The Movement Made Us David J. Dennis Jr., David J. Dennis Sr., 2022-05-10 SOUTHERN INDEPENDENT BOOKSELLERS ALLIANCE BESTSELLER “The Movement Made Us takes literature to a momentous Southern Black space to which I honestly never thought a book could take us. This is literally the Movement that made us and both Davids love us whole here with a creation that is as ingenious as it is soulfully sincere. Stunning.”—Kiese Laymon, author of Heavy A dynamic family exchange that pivots between the voices of a father and son, The Movement Made Us is a unique work of oral history and memoir, chronicling the extraordinary story of the Civil Rights Movement of the 1960s and its living legacy embodied in Black Lives Matter. David Dennis Sr, a core architect of the movement, speaks out for the first time, swapping recollections both harrowing and joyful with David Jr, a journalist working on the front lines of change today. Taken together, their stories paint a critical portrait of America, casting one nation’s image through the lens of two individual Black men and their unique relationship. Playful and searching, anxious and restorative, fearless and driving, this intimate memoir features scenes from across David Sr’s life, as he becomes involved in the movement, tries to move beyond it, and ultimately returns to it to find final solace and new sense of self—revealing a survivor who travels eternally with a cabal of ghosts. A crucial addition to Civil Rights history, The Movement Made Us is the story of a nation reckoning with change and the hopes, struggles, setbacks, and triumphs of modern Black life. This is it: the extant chronicle of why we live, why we move, and for what we are made.

spiked spin wellness co: Revelations Alvin Ailey, A. Peter Bailey, 1995 World-class choreographer Alvin Ailey was a pioneer in the world of dance. Now, the intensely private man opens up to tell his own story in his own words. It is a revelation that will astound even those who think they knew Alvin Ailey--the man who forever changed the face and the rhythm of the world of dance. photographs.
