Surterra Wellness Palm Coast: Your Guide to a Holistic Wellness Experience

Are you searching for a reliable and reputable wellness center in Palm Coast, Florida? Look no further than Surterra Wellness. This comprehensive guide dives deep into everything you need to know about Surterra Wellness Palm Coast, from their product offerings and services to customer reviews and directions. Whether you're a seasoned cannabis user or just curious about exploring the potential benefits of holistic wellness, this post will equip you with all the information you need to make an informed decision about visiting Surterra Wellness Palm Coast.

Understanding Surterra Wellness' Commitment to Holistic Wellness

Surterra Wellness isn't just another dispensary; it's a company dedicated to providing a holistic wellness experience. They understand that wellness encompasses more than just physical health. Their approach integrates various elements, aiming to support the overall well-being of their customers. This commitment extends to their product selection, staff training, and overall customer service. They strive to create a welcoming and informative environment where customers feel comfortable exploring their options and finding the right products to meet their individual needs.

Product Range at Surterra Wellness Palm Coast

Surterra Wellness Palm Coast boasts a diverse range of products, carefully curated to cater to a broad spectrum of needs and preferences. Their offerings include:

High-Quality Cannabis Flower: A selection of strains, each with its unique terpene profile and potential effects, allowing customers to choose based on desired outcomes, whether it's relaxation, pain relief, or energy boost. They carefully source their flower to ensure potency and quality.

Concentrates: For those seeking a more potent experience, Surterra offers a variety of concentrates, including shatter, wax, and oils, providing a highly concentrated dose of cannabinoids. Information on the potency and terpene profiles of each concentrate is readily available.

Edibles: A discreet and convenient option, Surterra's edibles range from gummies and chocolates to other infused treats, offering a slower-acting and longer-lasting experience. Dosage information is clearly marked on all products.

Topicals: For targeted relief from aches and pains, Surterra's topicals are designed for localized application, offering relief without the psychoactive effects of other cannabis products. These are perfect for addressing specific muscle soreness or skin conditions.

CBD Products: Recognizing the growing demand for CBD, Surterra offers a range of CBD-infused products, including oils, creams, and capsules, ideal for those seeking the potential therapeutic benefits of CBD without the THC.

The Surterra Wellness Palm Coast Experience: Atmosphere and Service

Stepping into Surterra Wellness Palm Coast is an experience in itself. The dispensary is designed with a focus on creating a calm and welcoming atmosphere. The staff is well-trained, knowledgeable, and passionate about helping customers find the right products to meet their individual needs. They take the time to understand your concerns and provide personalized recommendations based on your specific requirements and preferences. This personalized approach distinguishes Surterra from other dispensaries. They prioritize education, ensuring customers are fully informed about the products they are purchasing.

Location, Hours, and Contact Information for Surterra Wellness Palm Coast

Finding Surterra Wellness Palm Coast is easy! Their location offers convenient access for residents of Palm Coast and surrounding areas. You can easily find their address, phone number, and hours of operation on their website. Additionally, online reviews and ratings provide additional insights into customer experiences.

Customer Reviews and Testimonials

Online reviews consistently highlight Surterra Wellness Palm Coast's exceptional customer service and high-quality products. Customers praise the knowledgeable staff, the wide selection of products, and the welcoming atmosphere. These positive reviews reflect Surterra's commitment to providing a superior customer experience. Checking online reviews before your visit is highly recommended.

Finding the Right Product: Tips and Considerations

Choosing the right cannabis product can feel overwhelming. Surterra Wellness' staff is there to guide you, but having some preliminary knowledge can help. Consider these factors:

Your desired outcome: Are you looking for relaxation, pain relief, increased energy, or something else?

Your experience level: Are you a seasoned cannabis user or a newcomer? This will influence the potency and type of product you choose.

Method of consumption: Do you prefer smoking, vaping, edibles, or topicals? Each method has its advantages and disadvantages.

Don't hesitate to ask questions! The staff at Surterra Wellness Palm Coast are happy to help you navigate the options and find the perfect product for your needs.

Conclusion

Surterra Wellness Palm Coast offers a superior wellness experience, combining high-quality products with exceptional customer service. Their commitment to holistic wellness and personalized attention sets them apart in the industry. Whether you are a long-time cannabis user or a curious newcomer, a visit to Surterra Wellness Palm Coast is highly recommended.

FAQs

1. Does Surterra Wellness Palm Coast accept all forms of payment? It's best to check their website or call ahead to confirm their accepted payment methods as policies can change.
1. Do I need a medical marijuana card to shop at Surterra Wellness Palm Coast? Florida's laws regarding medical and recreational cannabis vary; check Florida's state regulations to determine if a medical card is required for your purchases.
1. What are the age restrictions for entering Surterra Wellness Palm Coast? You must be of legal age to purchase and consume cannabis products in Florida; check local regulations for the exact age limit.
1. Does Surterra Wellness Palm Coast offer delivery services? Check their website or contact them directly to see if they offer delivery to your location. Delivery options are often location-dependent.
1. What kind of loyalty programs or discounts does Surterra Wellness Palm Coast offer? It's always a good idea to check their website or inquire in-store for details on any current loyalty programs or discounts they may have. These programs are often subject to change.

surterra wellness palm coast: Grass Roots Emily Dufton, 2017-12-05 How earnest hippies, frightened parents, suffering patients, and other ordinary Americans went to war over marijuana In the last five years, eight states have legalized recreational marijuana. To many, continued progress seems certain. But pot was on a similar trajectory forty years ago, only to encounter a fierce backlash. In *Grass Roots*, historian Emily Dufton tells the remarkable story of marijuana's crooked path from acceptance to demonization and back again, and of the thousands of grassroots activists who made changing marijuana laws their life's work. During the 1970s, pro-pot campaigners with roots in the counterculture secured the drug's decriminalization in a dozen states. Soon, though, concerned parents began to mobilize; finding a champion in Nancy Reagan, they transformed pot into a national scourge and helped to pave the way for an aggressive war on drugs. Chastened marijuana advocates retooled their message, promoting pot as a medical necessity and eventually declaring legalization a matter of racial justice. For the moment, these activists are succeeding -- but marijuana's history suggests how swiftly another counterrevolution could unfold.

surterra wellness palm coast: Swine Not? Jimmy Buffett, 2008-05-13 Bestselling writer Jimmy Buffett weaves an irresistible tale filled with colorful characters, wry humor, and the pursuit of a very clever pig. When Southern belle Ellie McBride moves her twins from Vertigo, to New York City, they wouldn't dream of leaving behind the family pig Rumpy. But the posh hotel where Ellie has found work (and living space) has No Pets writ large on its portal. So hiding Rumpy from the hotel staff -- especially the ultra-carnivorous hotel chef, who would like nothing better than to transform their pet into pork roast -- becomes imperative.

surterra wellness palm coast: Jacksonville on Wheels: A Car Culture Retrospective Dorothy K. Fletcher, 2018 Jacksonville has long been a mecca for car enthusiasts and collectors, due in part to the city's unique automotive history. Bystanders gazed in wonder as John Einig drove Florida's very first steam-powered horseless carriage through the streets in 1889. Fred Gilbert opened the first automobile dealership in 1903, just before the city's first automobile parade, and people were soon clamoring to buy cars of their own. Claude Nolan, whose local dealership has been in business for well over a century, gained fame for racing his Cadillac against an airplane at the Jacksonville Fairgrounds. NASCAR held races at the Jacksonville Speedway in the '50s and '60s. Author Dorothy K. Fletcher explores the rich history and memories of car culture in the River City.

surterra wellness palm coast: Excellent Letters For Every Occasion Excellent Letters For Every Occasion Derek Hall,

surterra wellness palm coast: Novel Gene Therapy Approaches Ming Wei, David Good, 2013-02-13 Gene therapy has the potential to be a tailor-made therapeutic with increased specificity and decreased side effects that can offer a cure for many disorders. The aim of this book is to provide up-to-date reviews of the rapidly growing field of gene therapy. Chapters cover a large range of topics including methods of gene delivery, and identification of targets with several papers on cancer gene therapy. If more people become aware of the true nature and potential of gene therapy, perhaps we can achieve the full benefit of such an innovative approach for the treatment of a range of diseases, including cancer.

surterra wellness palm coast: The Federal Student Aid Information Center, 1997

surterra wellness palm coast: Buying Gay David K. Johnson, 2019-03-12 In 1951, a new type of publication appeared on newsstands—the physique magazine produced by and for gay men. For many men growing up in the 1950s and 1960s, these magazines and their images and illustrations of nearly naked men, as well as articles, letters from readers, and advertisements, served as an initiation into gay culture. The publishers behind them were part of a wider world of “physique entrepreneurs”: men as well as women who ran photography studios, mail-order catalogs, pen-pal services, book clubs, and niche advertising for gay audiences. Such businesses have often been seen

as peripheral to the gay political movement. In this book, David K. Johnson shows how gay commerce was not a byproduct but rather an important catalyst for the gay rights movement. Offering a vivid look into the lives of physique entrepreneurs and their customers, and presenting a wealth of illustrations, *Buying Gay* explores the connections—and tensions—between the market and the movement. With circulation rates many times higher than the openly political “homophile” magazines, physique magazines were the largest gay media outlets of their time. This network of producers and consumers helped foster a gay community and upend censorship laws, paving the way for open expression. Physique entrepreneurs were at the center of legal struggles, especially against the U.S. Post Office, including the court victory that allowed full-frontal male nudity and open homoeroticism. *Buying Gay* reconceives the history of the gay rights movement and shows how consumer culture helped create community and a site for resistance.

surterra wellness palm coast: Mementiousness Jason Leclerc, 2013-12-24 Since they first named it, attention deficit disorder (ADD) has been a marker for the American generation who came of age between Ronald Reagan and Bill Clinton, with Prince or the Beastie Boys playing in the background while the Mario Brothers and the Golden Girls battled in the foreground. Back then, education, football, and Hollywood were wrapped in capitalism and sentimentality. Embracing distraction and fighting with concentration, *Mementiousness* captures the spirit and literary needs of this generation and its heirs with its spurious connections and tangential relationships. Loosely lassoing the possibilities enabled by the digital evolution toward boundless search, this novel collection first establishes the you and then proceeds to obliterate the I in multiple dimensions. Nibble on this new literary form obsessively perched between collection and novel as it wanders along a least-squares path from moment to moment, from singularity to communion. Here, find stories from arbitrage to zombies, Chicago to Columbia, dark to energy about love and disappointment, science and spirits, and life, death, and the undead. Feast upon this antidote to the mundane as it irreverently exalts the soul of an ADD generation like a collection of first kisses: nostalgic and sweet, sensuous and raw, tenuously related, and well wrought.

surterra wellness palm coast: Pride Leadership Steven Yacovelli, 2019-05-16 As a member of the LGBTQ+ Community, did you know that you naturally have some amazing leadership skills inside you, based upon your experience, that you may not be capitalizing on? Now, it's not to say that our straight brothers and sisters don't have the potential to be rock star leaders, but--through many of our shared experiences being LGBTQ+ folks--we've had the opportunity to truly develop such skills as leveraging empathy, shaping our culture, being courageous, and being authentic. These skills are some of the most sought-after leadership competencies in the workplace today ... and they're already inside you, dear LGBTQ+ professional! Based upon over twenty-five years' experience in the leadership development, change management, and diversity and inclusion consulting space, Dr. Steve Yacovelli identifies the six leadership traits--being authentic, leading with courage, having empathy, effective communication, building relationships, and influencing organizational culture--that can greatly increase any LGBTQ+ Leader's effectiveness, and ways in which you as an LGBTQ+ Leader can increase your own leadership potential through cultivating these six leadership competencies. Whether you're a seasoned senior executive or a just-starting-out shiny new leader, *Pride Leadership* is your stop to hone your natural LGBTQ+ leadership awesomeness, gather a few kernels of wisdom to immediately apply in your workplace, and amp up your leadership-self to be just that much better-er. In short: you'll be a more effective, impactful, and inclusive leader after reading this book. Oh, and you'll have a good time learning along the way, too!

surterra wellness palm coast: Union Health and Welfare Plans ... United States. Bureau of Labor Statistics, 1947

surterra wellness palm coast: Disaster Health Management Gerry FitzGerald, Mike Tarrant, Marie Fredriksen, Peter Aitken, 2016-09-13 Disaster health is an emerging field that focuses on developing prevention, preparation, response and recovery systems for dealing with health problems that result from a disaster. As disasters worldwide differ in their nature, scope and cultural context, a thorough understanding of the fundamental tenets of sound disaster health

management is essential for both students and practitioners to participate confidently and effectively in the field. Disaster Health Management is the first comprehensive textbook to provide a standard guide to terminology and management systems across the entire spectrum of disaster health. Authored by experienced educators, researchers and practitioners in disaster health management, this textbook provides an authoritative overview of: The conceptual basis for disaster management Systems and structures for disaster management Managing disasters through the continuum of preparedness, response and recovery The variations associated with both natural and technological disasters The strategic considerations associated with leadership, research, education and future directions. Using Australasian systems and structures as examples of generic principles which will find application globally, Disaster Health Management is an essential text for both undergraduate and postgraduate students, as well as for professionals involved in all aspects of disaster management.

surterra wellness palm coast: The Oxford Companion to Spirits and Cocktails David Wondrich, Noah Rothbaum, 2021-10-20 The Oxford Companion to Spirits and Cocktails presents an in-depth exploration of the world of spirits and cocktails in a ground-breaking synthesis. The Companion covers drinks, processes, and techniques around the world as well as those in the US and Europe. It provides clear explanations of the different ways that spirits are produced, including fermentation, distillation and ageing, alongside a wealth of new detail on the emergence of cocktails and cocktail bars, including entries on key cocktails and influential mixologists and cocktail bars.

surterra wellness palm coast: Going All City Stefano Bloch, 2019-11-14 “We could have been called a lot of things: brazen vandals, scared kids, threats to social order, self-obsessed egomaniacs, marginalized youth, outsider artists, trend setters, and thrill seekers. But, to me, we were just regular kids growing up hard in America and making the city our own. Being ‘writers’ gave us something to live for and ‘going all city’ gave us something to strive for; and for some of my friends it was something to die for.” In the age of commissioned wall murals and trendy street art, it’s easy to forget graffiti’s complicated and often violent past in the United States. Though graffiti has become one of the most influential art forms of the twenty-first century, cities across the United States waged a war against it from the late 1970s to the early 2000s, complete with brutal police task forces. Who were the vilified taggers they targeted? Teenagers, usually, from low-income neighborhoods with little to their names except a few spray cans and a desperate need to be seen—to mark their presence on city walls and buildings even as their cities turned a blind eye to them. *Going All City* is the mesmerizing and painful story of these young graffiti writers, told by one of their own. Prolific LA writer Stefano Bloch came of age in the late 1990s amid constant violence, poverty, and vulnerability. He recounts vicious interactions with police; debating whether to take friends with gunshot wounds to the hospital; coping with his mother’s heroin addiction; instability and homelessness; and his dread that his stepfather would get out of jail and tip his unstable life into full-blown chaos. But he also recalls moments of peace and exhilaration: marking a fresh tag; the thrill of running with his crew at night; exploring the secret landscape of LA; the dream and success of going all city. Bloch holds nothing back in this fierce, poignant memoir. *Going All City* is an unflinching portrait of a deeply maligned subculture and an unforgettable account of what writing on city walls means to the most vulnerable people living within them.

surterra wellness palm coast: *A Lime and a Shaker* Tad Carducci, Paul Tanguay, 2015-04-21 A delicious collection of vibrant mezcal- and tequila-based recipes from renowned drinks experts The Tippling Bros. With over fifty years of combined experience in the beverage industry, the authors of this book have put together 72 exciting recipes that go way beyond the classic margarita to celebrate Mexico’s cocktail culture. Included are traditional, craft, and spicy drinks such as the Blood-Orange-Cinnamon Margarita, San Fresa Frizz, and Smokey Pablo. The authors also cover the history of tequila, explain the difference between different tequilas, and offer bonus recipes for aguas frescas, syrups, salts, and some of their favorite Mexican dishes. With color photos throughout, this is the must-have book on the subject, perfect for home cooks, bartenders, and those who just want to know more about tequila and mezcal. “*A Lime and a Shaker* showcases the full

spectrum of flavors you can achieve when mixing with agave spirits.” —Jim Meehan, author of The PDT Cocktail Book

surterra wellness palm coast: *It's Great to Create* Jon Burgerman, 2017-08-01 Draw, doodle, make, and have fun! There are no mistakes in this wild and wonderful world from doodle artist and illustrator Jon Burgerman. Packed with prompts for 101 unexpected art projects, *It's Great to Create* offers artists of all ages loads of fun ways to get inspired and kick-start the creative process. From drawing with your eyes closed or doodling on your clothes to putting faces on your condiments or finding colors that rhyme, every page offers a new opportunity to embrace creativity and make something awesome. This unique ebook invites readers to lower their artistic inhibitions and offers a glimpse into the mind of a truly original artist.

surterra wellness palm coast: *Who Thought This Was a Good Idea?* Alyssa Mastromonaco, 2017-03-21 If your funny older sister were the former deputy chief of staff to President Barack Obama, her behind-the-scenes political memoir would look something like this . . . Alyssa Mastromonaco worked for Barack Obama for almost a decade, and long before his run for president. From the then-senator's early days in Congress to his years in the Oval Office, she made Hope and Change happen through blood, sweat, tears, and lots of briefing binders. But for every historic occasion -- meeting the queen at Buckingham Palace, bursting in on secret climate talks, or nailing a campaign speech in a hailstorm -- there were dozens of less-than-perfect moments when it was up to Alyssa to save the day. Like the time she learned the hard way that there aren't nearly enough bathrooms at the Vatican. Full of hilarious, never-before-told stories, *Who Thought This Was a Good Idea?* is an intimate portrait of a president, a book about how to get stuff done, and the story of how one woman challenged, again and again, what a White House official is supposed to look like. Here Alyssa shares the strategies that made her successful in politics and beyond, including the importance of confidence, the value of not being a jerk, and why ultimately everything comes down to hard work (and always carrying a spare tampon). Told in a smart, original voice and topped off with a couple of really good cat stories, *Who Thought This Was a Good Idea?* is a promising debut from a savvy political star.

surterra wellness palm coast: *Le Pigeon* Gabriel Rucker, Meredith Erickson, Lauren Fortgang, Andrew Fortgang, 2013-09-17 This debut cookbook from James Beard Rising Star Chef Gabriel Rucker features a serious yet playful collection of 150 recipes from his phenomenally popular Portland restaurant. In the five years since Gabriel Rucker took the helm at Le Pigeon, he has catapulted from culinary school dropout to award-winning chef. Le Pigeon is offal-centric and meat-heavy, but by no means dogmatic, offering adventures into delicacies unknown along with the chance to order a vegetarian mustard greens quiche and a Miller High Life if that's what you're craving. In their first cookbook, Rucker and general manager/sommelier Andrew Fortgang celebrate high-low extremes in cooking, combining the wild and the refined in a unique and progressive style. Featuring wine recommendations from sommelier Andrew Fortgang, stand-out desserts from pastry chef Lauren Fortgang, and stories about the restaurant's raucous, seat-of-the-pants history by writer Meredith Erickson, *Le Pigeon* combines the wild and the refined in a unique, progressive, and delicious style.

surterra wellness palm coast: *Eleanor Roosevelt: In Her Words* Nancy Woloch, 2017-09-05 This illustrated, first of its kind collection of excerpts from Eleanor Roosevelt's newspaper columns, radio talks, speeches, and correspondence speaks directly to the challenges we face today. Acclaimed for her roles in politics and diplomacy, first lady Eleanor Roosevelt was also a prolific author, journalist, lecturer, broadcaster, educator, and public personality. Using excerpts from her books, columns, articles, press conferences, speeches, radio talks, and correspondence, *Eleanor Roosevelt: In Her Words* tracks her contributions from the 1920s, when she entered journalism and public life; through the White House years, when she campaigned for racial justice, the labor movement, and the forgotten woman; to the postwar era, when she served at the United Nations and shaped the Universal Declaration of Human Rights. Selections touch on Roosevelt's early entries in women's magazines (*Ten Rules for Success in Marriage*), her insights on women in politics (*Women*

Must Learn to Play the Game As Men Do), her commentary on World War II (What We Are Fighting For), her work for civil rights (The Four Equalities), her clash with Soviet delegates at the UN (These Same Old Stale Charges), and her advice literature (If You Ask Me). Surprises include her unique preparation for leadership, the skill with which she defied critics and grasped authority, her competitive stance as a professional, and the force of her political messages to modern readers. Scorning the America First mindset, Eleanor Roosevelt underlined the interdependence of people and of nations. Eleanor Roosevelt: In Her Words illuminates her achievement as a champion of civil rights, human rights, and democratic ideals.

surterra wellness palm coast: Be Fierce Gretchen Carlson, 2017-10-17 A groundbreaking manifesto from journalist Gretchen Carlson about how women can protect themselves from sexual harassment in the workplace and reclaim their power against abuse or injustice. In BE FIERCE, Gretchen shares her own experiences, as well as powerful and moving stories from women in many different careers and fields who decided they too weren't ready to shut up and sit down. Gretchen became a voice for the voiceless. In this revealing and timely book, Gretchen shares her views on what women can do to empower and protect themselves in the workplace or on a college campus, what to say when someone makes suggestive remarks, how an employer's Human Resources department may not always be your friend, and how forced arbitration clauses in work contracts often serve to protect companies rather than employees. Her groundbreaking message encourages women to stand up and speak up in every aspect of their lives. Gretchen also discusses why this fight will require both women and men working together to ensure that our daughters and sons will have a brighter future. BE FIERCE is a cultural movement and a motivating testament to what we can accomplish if we collectively decide to become warriors in the path for a better future. The time is now. Take back your life, your career, and your dignity. Twitter: @GretchenCarlson Facebook: @GretchenCarlsonInstagram: @therealgretchencarlson A portion of each book sale will go towards Gretchen's Gift of Courage fund. Using your voice and speaking your truth is a step toward freedom. Be a 'Fierce' force because that's what it takes to change the world.--Maria Shriver, Emmy and Peabody Award-winning journalist, New York Times bestselling author, and founder of The Women's Alzheimer's Movement

surterra wellness palm coast: From the Tip of My Tongue Cindy Hutson, Jen Karetnick, 2015-06 Inspired by Hutson's expansive culinary journeys, from the delis and restaurants of Hutson's New Jersey hometown, through her time as a charter-boat captain, to the streets and mountainsides of her beloved, adopted Jamaica, these dishes offer highly flavorful fare that ranges from casual meals that Hutson's family enjoys at home to the creative and exotic plates that she, Delius and manager/daughter Ashley serve in their three restaurants.

surterra wellness palm coast: In Trump We Trust Ann Coulter, 2016-08-23 Donald Trump won the presidency by being a one-man wrecking ball against our dysfunctional and corrupt establishment. Now Ann Coulter, with her unique insight, candor, and sense of humor, makes the definitive case for why we should all join his revolution. The media have twisted themselves in knots, trying to grasp how Donald Trump won over millions of Americans and what he'll be like as president. But Ann Coulter isn't puzzled. She knows why Trump was the only one of seventeen GOP contenders who captured the spirit of our time. She gets the power of addressing the pain of the silent majority and saying things the PC Thought Police considers unspeakable. She argues that a bull in the china shop is exactly what we need to make America great again. In this powerful book, Coulter explains why conservatives, moderates, and even disgruntled Democrats should set aside their doubts and embrace Trump: ·He's putting America first in our trade deals and alliances, rather than pandering to our allies and enemies. ·He's abandoned the GOP's decades-long commitment to a bellicose foreign policy, at a time when the entire country is sick of unnecessary wars. ·He's ended GOP pandering to Hispanic activists with his hard-line policy on immigration. Working class Americans finally have a champion against open borders and cheap foreign labor. ·He's overturned the media's traditional role in setting the agenda and defining who gets to be considered presidential. ·He's exposed political consultants as grifters and hacks, most of whom don't know real

voters from a hole in the ground. If you're already a Trump fan, Ann Coulter will help you defend and promote your position. If you're not, she might just change your mind.

surterra wellness palm coast: *Disaster and Society*, 2017

surterra wellness palm coast: **Meandering Down The Highway** Nick Russell, 2001-01-01

Join two overworked, over-stressed baby boomers as they run away from their workaholic lifestyle and find a new life and new careers wandering America's highways and back roads in search of adventure.

surterra wellness palm coast: **Overlooked Florida** Nick Russell, 2012-03-15 From the Panhandle to the Key West, Florida is filled with wonderful attractions that most visitors never get to see. Frontier forts, wildlife refuges, historical museums, Cracker homesteads, and fishing towns are all waiting for you away from the glitter and glitz of Orlando and Disney World. Come explore with this handy guidebook!

surterra wellness palm coast: Big Lake Nick Russell, 2012 When an armored car hijacking leaves two men dead, Arizona Sheriff Jim Weber takes the crime personally, because one of the dead men is his brother-in-law. His hunt for the killers leads him into a world of sordid sex, deceit, and violence, with a suspect list that includes jilted women, a family of anti-government survivalists, and the beautiful wife of the richest man in town. With a plot that has more twists and turns than an Arizona mountain road, a cast of characters you won't soon forget, and a shocking ending that shakes the town of Big Lake to its very foundation, this first book in the Big Lake series will keep you turning pages to the very end

surterra wellness palm coast: **Asphalt Warrior** Kurt Boone, 2011 In New York City business districts, billions of dollars are traded everyday and power deals are closed every minute. Within the hundreds of skyscrapers there are dedicated messenger centers that insure and time to the minute the delivery of business documents used to completed deals large and small. Kurt Boone spent over 14 years rushing through out the city in all weather conditions picking up and delivering these documents. In Asphalt Warrior, Kurt Boone tells his story as one of the fastest messengers in the city and his experiences in the now world famous messenger culture lifestyles of parties, alleycat racing, riding fixed gear bicycles and carrying messengers bags.

surterra wellness palm coast: *Unbelievable* Katy Tur, 2017-09-12 NEW YORK TIMES BESTSELLER "Compelling... this book couldn't be more timely." - Jill Abramson, New York Times Book Review From the Recipient of the 2017 Walter Cronkite Award for Excellence in Journalism Called disgraceful, third-rate, and not nice by Donald Trump, NBC News correspondent Katy Tur reported on—and took flak from—the most captivating and volatile presidential candidate in American history. Katy Tur lived out of a suitcase for a year and a half, following Trump around the country, powered by packets of peanut butter and kept clean with dry shampoo. She visited forty states with the candidate, made more than 3,800 live television reports, and tried to endure a gazillion loops of Elton John's Tiny Dancer—a Trump rally playlist staple. From day 1 to day 500, Tur documented Trump's inconsistencies, fact-checked his falsities, and called him out on his lies. In return, Trump repeatedly singled Tur out. He tried to charm her, intimidate her, and shame her. At one point, he got a crowd so riled up against Tur, Secret Service agents had to walk her to her car. None of it worked. Facts are stubborn. So was Tur. She was part of the first women-led politics team in the history of network news. The Boys on the Bus became the Girls on the Plane. But the circus remained. Through all the long nights, wild scoops, naked chauvinism, dodgy staffers, and fevered debates, no one had a better view than Tur. Unbelievable is her darkly comic, fascinatingly bizarre, and often scary story of how America sent a former reality show host to the White House. It's also the story of what it was like for Tur to be there as it happened, inside a no-rules world where reporters were spat on, demeaned, and discredited. Tur was a foreign correspondent who came home to her most foreign story of all. Unbelievable is a must-read for anyone who still wakes up and wonders, Is this real life?

surterra wellness palm coast: **Organized Innovation** Steven C. Currall, Ed Frauenheim, Sara Jansen Perry, Emily M. Hunter, 2014-01-07 Organized and innovation are words rarely heard

together. But an organized approach to innovation is precisely what America needs today. This book presents a blueprint for coordinating technology breakthroughs to advance America's global competitiveness and prosperity. That prosperity is at risk. As other nations bolster technology innovation efforts, America's research, development, and commercialization enterprise is falling behind. An innovation gap has emerged in recent decades, where US universities focus on basic research and industry concentrates on incremental product development. The country has failed to address the innovation gap because of three myths--innovation is about lone geniuses, the free market, and serendipity. These myths blind us from recognizing our dysfunctional system of unorganized innovation. In *Organized Innovation*, Currall, Frauenheim, Perry and Hunter provide a framework for optimizing the way America creates, develops, and commercializes technology breakthroughs. A roadmap for universities, business, and government, the book is grounded in the authors' seminal study of the National Science Foundation's Engineering Research Center program, which has returned to the US economy more than ten times the funding invested in it. For too long, our approach to technology innovation has been unorganized. The authors enable us to turn the page. They show us how to organize innovation for a more prosperous, hopeful future.

surterra wellness palm coast: *The Frugal Rver* Nick Russell, 2004-06 Learn little known secrets about free and low cost campgrounds, boondocking and dry camping, traveling for less, equipping your RV for low cost camping, alternative energy for your RV, communicating by phone and e-mail for less, cutting your food costs, free entertainment and much more to help you save money as you travel.--Cover.

surterra wellness palm coast: *The Scribe's Daughter* Stephanie Churchill, 2015-09-04 Kassia is a thief and a soon-to-be oath breaker. Armed with only a reckless wit and sheer bravado, seventeen-year-old Kassia barely scrapes out a life with her older sister in a back-alley of the market district of the Imperial city of Corium. When a stranger shows up at her market stall, offering her work for which she is utterly unqualified, Kassia cautiously takes him on. Very soon however, she finds herself embroiled in a mystery involving a usurped foreign throne and a vengeful nobleman. Most intriguing of all, she discovers a connection with the disappearance of her father three years prior. When Kassia is forced to flee her home, suffering extreme hardship, danger and personal trauma along the way, she feels powerless to control what happens around her. Rewarding revelations concerning the mysteries of her family's past are tempered by the reality of a future she doesn't want. In the end, Kassia discovers an unyielding inner strength, and that contrary to her prior beliefs, she is not defined by external things -- she discovers that she is worthy to be loved.

surterra wellness palm coast: *The Last Madam* Chris Wiltz, 2014-07-01 The "raunchy, hilarious, and thrilling" true story of the incomparable Norma Wallace, proprietor of a notorious 1920s New Orleans brothel (NPR). Norma Wallace grew up fast. In 1916, at fifteen years old, she went to work as a streetwalker in New Orleans' French Quarter. By the 1920s, she was a "landlady"—or, more precisely, the madam of what became one of the city's most lavish brothels. It was frequented by politicians, movie stars, gangsters, and even the notoriously corrupt police force. But Wallace acquired more than just repeat customers. There were friends, lovers . . . and also enemies. Wallace's romantic interests ran the gamut from a bootlegger who shot her during a fight to a famed bandleader to the boy next door, thirty-nine years her junior, who became her fifth husband. She knew all of the Crescent City's dirty little secrets, and used them to protect her own interests—she never got so much as a traffic ticket, until the early 1960s, when District Attorney Jim Garrison decided to clean up vice and corruption. After a jail stay, Wallace went legitimate as successfully as she had gone criminal, with a lucrative restaurant business—but it was love that would undo her in the end. *The Last Madam* combines original research with Wallace's personal memoirs, bringing to life an era in New Orleans history rife with charm and decadence, resurrecting "a secret world, like those uncovered by Luc Sante and James Ellroy" (Publishers Weekly). It reveals the colorful, unforgettable woman who reigned as an underworld queen and "capture[s] perfectly the essential, earthy complexity of the most fascinating city on this continent" (Robert Olen Butler).

surterra wellness palm coast: *Courageous Women of the Civil War* M. R. Cordell, 2016-08-01

At the outbreak of the Civil War, nearly everybody was caught up in patriotic fervor—men and women, Union and Confederate. Many women supported soldiers through knitting and sewing needed items, growing food, making bandages, gathering medical supplies, and more. But others wished they could be closer to the fight. These women defied society's expectations and bravely chose to take on more dangerous, unconventional roles. *Courageous Women of the Civil War* reveals the exploits of 16 of these remarkable women who served as medics, spies, battlefield helpers, and even soldiers on the front lines. Meet fascinating figures such as Maria Lewis, a former slave who fought with the Union cavalry as it swept through Virginia. Disguised as a white male soldier, she put the fear of Hell into Confederate enemies. Kady Brownell supported her husband's Rhode Island regiment as a vivandière, training with the soldiers, fighting in battle, and helping the injured. Mary Carroll, a Missouri rebel, forged a copy of a jail cell key to break her brother out before his scheduled execution. These and other little-known stories are told through gripping narrative, primary source documents, and contextualizing sidebars. Civil War history is woven throughout, offering readers a clear overview of the era and the war. Also including numerous historic photos, source notes, and a bibliography, *Courageous Women of the Civil War* is an invaluable resource for any student's or history buff's bookshelf.

surterra wellness palm coast: Cops and Writers Patrick J O'Donnell, 2019-06-20 Looking to add an authentic edge to your crime fiction?
