

thank you for supporting my small business

Thank You for Supporting My Small Business: A Heartfelt Expression of Gratitude

Introduction:

Supporting small businesses is crucial for local economies and fosters unique communities.

Your patronage isn't just a transaction; it's an investment in dreams, innovation, and the heart of your community. This heartfelt message expresses sincere gratitude for your support of my small business and explains why your contribution matters so much. We'll explore the impact of your purchases and offer insights into how you can continue to help small businesses thrive.

Article Outline:

- I. The Significance of Supporting Small Businesses
- II. The Personal Impact Your Support Has on My Business
- III. How Your Purchases Make a Difference
- IV. Ways to Continue Supporting My Business (and Others)
- V. The Future of My Business and Your Role in it

Body:

- I. The Significance of Supporting Small Businesses

Small businesses are the backbone of local economies, creating jobs and fostering community growth.

They often offer unique products and services, contributing to the vibrant tapestry of a community's identity. Unlike large corporations, small businesses are directly invested in their local area, supporting local charities and participating in community events.

Supporting small businesses helps maintain diverse product offerings, preventing market monopolies.

The presence of numerous independent businesses promotes healthy competition, driving innovation and ensuring consumers have a wider variety of choices. This competition keeps prices fair and quality high.

Small businesses often offer personalized customer service, building strong customer relationships.

The owner's direct involvement often translates into a more attentive and personalized experience, fostering a sense of loyalty and trust that is harder to find with large corporations.

II. The Personal Impact Your Support Has on My Business

Every purchase helps me to achieve my business goals and dreams.

Your patronage provides the financial resources necessary for growth, allowing me to invest in inventory, improve my services, and expand my operations. This allows for innovation and improvement of the products and services I provide.

Your support enables me to continue offering high-quality goods and services.

It allows me to source better materials, invest in advanced technology, and ensure the highest levels of customer satisfaction. This ongoing support fuels my commitment to excellence.

Your positive feedback and reviews are invaluable and directly contribute to business growth.

Positive online reviews and word-of-mouth referrals are invaluable for attracting new customers and building a positive reputation. This builds trust and confidence in my business.

III. How Your Purchases Make a Difference

Your purchase directly supports my livelihood and the livelihoods of my employees.

This means providing for my family, paying employee salaries, and supporting my community. Every sale strengthens the entire business ecosystem.

Your purchase contributes to the local economy by generating revenue and employment.

This helps to create a more vibrant and prosperous community for everyone. Small business success directly benefits the wider community.

Your purchase supports ethical and sustainable

practices, depending on the business's values.

Many small businesses prioritize ethical sourcing, sustainable production, and fair labor practices. Your choice to support them directly encourages those values.

IV. Ways to Continue Supporting My Business (and Others)

Consider leaving a review of your experience on online platforms.

Positive reviews are incredibly helpful for increasing visibility and attracting new customers. This simple act significantly helps business growth.

Refer my business to your friends, family, and colleagues.

Word-of-mouth referrals are one of the most effective ways to grow a small business. Spread the word about your positive experience.

Follow my social media accounts and engage with my content.

This helps increase my online visibility and keeps you informed about new products, services, and offers. Social media engagement is vital for smaller businesses.

Purchase gift cards or participate in special promotions.

This provides a boost during slower periods and shows your ongoing support. Gift cards support cash flow and encourage repeat business.

Shop small as often as possible, supporting other local businesses in your community.

This collective effort creates a strong and resilient local economy that benefits everyone. Small business support is a community effort.

V. The Future of My Business and Your Role in it

Your continued support directly influences my ability to expand and innovate.

It allows me to invest in new technologies, develop new products, and create more job opportunities within the community.

Your feedback helps me to continuously improve and adapt to the needs of my customers.

Your suggestions and opinions are invaluable in guiding the direction of my business and ensuring customer satisfaction.

Your loyalty and advocacy are integral to the long-term success and growth of my small business.

Your support is not only appreciated but absolutely critical to my continued success. Thank you for being a valued customer.

Conclusion:

Your support of my small business means the world to me. It's more than just a transaction; it's an investment in a dream, a contribution to the community, and a vote of confidence in my hard work. Thank you for believing in me and my business. Your patronage is what fuels my passion and enables me to continue serving you and my community.

Frequently Asked Questions (FAQs):

Q: How can I find other small businesses to support? A: Look for local shops, farmers' markets, and online directories that showcase local businesses.

Q: What is the best way to provide feedback? A: Contact me directly through email, social media, or leave a review on relevant platforms.

Q: Do you offer any loyalty programs? A: [Insert information about any loyalty programs offered.]

Q: How can I stay updated on new products or services? A: Follow my social media pages and sign up for my email newsletter.

thank you for supporting my small business: *True Sisters* Sandra Dallas, 2012-04-24 Four women seeking the promise of salvation and prosperity in a new land.

thank you for supporting my small business: The Thank You Economy (Enhanced Edition) Gary Vaynerchuk, 2011-03-08 If this were 1923, this book would have been called Why Radio Is Going to Change the Game . . . If it were 1995, it would be Why Amazon Is Going to Take Over the Retailing World . . . The Thank You Economy is about something big, something greater than any single revolutionary platform. It isn't some abstract concept or wacky business strategy—it's real, and every one of us is doing business in it every day, whether we choose to recognize it or not. It's the way we communicate, the way we buy and sell, the way businesses and consumers interact online and offline. The Internet, where the Thank You Economy was born, has given consumers back their voice, and the tremendous power of their opinions via social media means that companies and brands have to compete on a whole different level than they used to.

Gone are the days when a blizzard of marketing dollars could be used to overwhelm the airwaves, shut out the competition, and grab customer awareness. Now customers' demands for authenticity, originality, creativity, honesty, and good intent have made it necessary for companies and brands to revert to a level of customer service rarely seen since our great-grandparents' day, when business owners often knew their customers personally, and gave them individual attention. Here renowned entrepreneur Gary Vaynerchuk reveals how companies big and small can scale that kind of personal, one-on-one attention to their entire customer base, no matter how large, using the same social media platforms that carry consumer word of mouth. The Thank You Economy offers compelling, data-driven evidence that we have entered into an entirely new business era, one in which the companies that see the biggest returns won't be the ones that can throw the most money at an advertising campaign, but will be those that can prove they care about their customers more than anyone else. The businesses and brands that harness the word-of-mouth power from social media, those that can shift their culture to be more customer-aware and fan-friendly, will pull away from the pack and profit in today's markets. Filled with Vaynerchuk's irrepressible candor and wit, as well as real-world examples of companies that are profiting by putting Thank You Economy principles into practice, The Thank You Economy reveals how businesses can harness all the changes and challenges inherent in social media and turn them into tremendous opportunities for profit and growth.

thank you for supporting my small business: *Sports from Hell* Rick Reilly, 2010-05-04 The most popular sports columnist in America puts his life (and dignity) on the line in search of the most absurd sporting event on the planet. What is the stupidest sport in the world? Not content to pontificate from the sidelines, Rick Reilly set out on a global journey—with stops in Australia, New Zealand, Finland, Denmark, England, and even a maximum security prison at Angola, Louisiana—to discover the answer to this enduring question. From the physically and mentally taxing sport of chess boxing to the psychological battlefield that is the rock-paper-scissors championship, to the underground world of illegal jart throwing, to several competitions that involve nudity, Reilly, in his valiant quest, subjected himself to both bodily danger and abject humiliation (or, in the case of ferret legging, both). These fringe sports offer their participants a chance to earn a few bucks and achieve the eternal glory that is winning—even when the victory in question might strike some as pointless, like the ability to sit in an oven-hot sauna for the longest time. It's debatable whether these sports push the body or just human idiocy to the outermost limits, but one thing is for sure: Sports in Hell is laugh-out-loud hilarious and will deliver plenty of unabashed fun.

thank you for supporting my small business: *A Lady Cyclist's Guide to Kashgar* Suzanne Joinson, 2013-01-01 It is 1923 and Evangeline English, keen lady cyclist, arrives with her sister Lizzie and their zealous leader Millicent at the ancient city of Kashgar to establish a mission. As they encounter resistance and calamity, Eva commences work on her Lady Cyclist's Guide to Kashgar...In present-day London, Frieda opens her door to find a man sleeping on the landing. Tayeb, a Yemeni refugee, has arrived in Frieda's life just as she learns that she is next-of-kin to a stranger, a woman whose abandoned flat contains many surprises. The two wanderers embark on a journey that is as great, and as unexpected, as Eva's.

thank you for supporting my small business: *Love and Other Foreign Words* Erin McCahan, 2015-08 Can anyone be truly herself - or truly in love - in a language that's not her own? Sixteen-year-old Josie knows a lot of languages- she speaks High School, College, Friends, Boyfriends, Break-ups, and even the language of Beautiful Girls. But none of these is her native tongue - the only people who speak that are her best friend Stu and her sister, Kate. So when Kate gets engaged to an insufferable guy, how can Josie see it as anything but the mistake of a lifetime? As battles are waged over secrets and semantics, Josie is forced to examine her feelings for the boy who says he loves her, the sister she loves but doesn't always like, and the best friend who hasn't said a word - at least not in a language Josie understands. 'A true-blue lovable weirdo, Josie is the type of character I really enjoy seeing . . . authentically herself, even when being herself gets her into trouble.' Hellogiggles

thank you for supporting my small business: *The Professor Is In* Karen Kelsky, 2015-08-04

The definitive career guide for grad students, adjuncts, post-docs and anyone else eager to get tenure or turn their Ph.D. into their ideal job Each year tens of thousands of students will, after years of hard work and enormous amounts of money, earn their Ph.D. And each year only a small percentage of them will land a job that justifies and rewards their investment. For every comfortably tenured professor or well-paid former academic, there are countless underpaid and overworked adjuncts, and many more who simply give up in frustration. Those who do make it share an important asset that separates them from the pack: they have a plan. They understand exactly what they need to do to set themselves up for success. They know what really moves the needle in academic job searches, how to avoid the all-too-common mistakes that sink so many of their peers, and how to decide when to point their Ph.D. toward other, non-academic options. Karen Kelsky has made it her mission to help readers join the select few who get the most out of their Ph.D. As a former tenured professor and department head who oversaw numerous academic job searches, she knows from experience exactly what gets an academic applicant a job. And as the creator of the popular and widely respected advice site *The Professor is In*, she has helped countless Ph.D.'s turn themselves into stronger applicants and land their dream careers. Now, for the first time ever, Karen has poured all her best advice into a single handy guide that addresses the most important issues facing any Ph.D., including: -When, where, and what to publish -Writing a foolproof grant application -Cultivating references and crafting the perfect CV -Acing the job talk and campus interview -Avoiding the adjunct trap -Making the leap to nonacademic work, when the time is right *The Professor Is In* addresses all of these issues, and many more.

thank you for supporting my small business: *Me and Earl and the Dying Girl* Jesse Andrews, 2012-03-15 The New York Times bestseller that inspired the Sundance Grand Jury Prize-winning film. The funniest book you'll ever read about death. It is a universally acknowledged truth that high school sucks. But on the first day of his senior year, Greg Gaines thinks he's figured it out. The answer to the basic existential question: How is it possible to exist in a place that sucks so bad? His strategy: remain at the periphery at all times. Keep an insanely low profile. Make mediocre films with the one person who is even sort of his friend, Earl. This plan works for exactly eight hours. Then Greg's mom forces him to become friends with a girl who has cancer. This brings about the destruction of Greg's entire life. "Mr. Andrews' often hilarious teen dialogue is utterly convincing, and his characters are compelling. Greg's random sense of humor, terrible self-esteem and general lack of self-awareness all ring true. Like many YA authors, Mr. Andrews blends humor and pathos with true skill, but he steers clear of tricky resolutions and overt life lessons, favoring incremental understanding and growth." —Pittsburgh Post-Gazette "One need only look at the chapter titles ('Let's Just Get This Embarrassing Chapter Out of the Way') to know that this is one funny book." —Booklist (starred review) "Though this novel begs inevitable thematic comparisons to John Green's *The Fault in Our Stars*, it stands on its own in inventiveness, humor and heart." —Kirkus Reviews (starred review)

thank you for supporting my small business: *My Life from Scratch* Gesine Bullock-Prado, 2011-11-30 A former Hollywood insider trades the Hollywood Hills for Green Acres—and lives to tell about it in this hilarious, poignant treat of a memoir. As head of her celebrity sister's production company, Gesine Bullock-Prado had a closet full of designer clothes and the ear of all the influential studio heads, but she was miserable. The only solace she found was in her secret hobby: baking. With every sugary, buttery confection to emerge from her oven, Gesine took one step away from her glittery, empty existence—and one step closer to her true destiny. Before long, she and her husband left the trappings of their Hollywood lifestyle behind, ending up in Vermont, where they started the gem known as Gesine Confectionary. And they never looked back. *Confections of a Closet Master Baker* follows Gesine's journey from sugar-obsessed child to miserable, awkward Hollywood insider to reluctant master baker. Chock-full of eccentric characters, beautifully detailed descriptions of her baking process, ceaselessly funny renditions of Hollywood nonsense, and recipes, the ingredients of her story will appeal to anyone who has ever considered leaving the life they know and completely

starting over.

thank you for supporting my small business: Carter Finally Gets It Brent Crawford, 2010-03-21 Meet Will Carter, but feel free to call him Carter. (Yes, he knows it's a lazy nickname, but he didn't have much say in the matter.) Here are five things you should know about him: 1. He has a stuttering problem, particularly around boobs and belly buttons. 2. He battles Attention Deficit Disorder every minute of every day unless he gets distracted. 3. He's a virgin, mostly because he's no good at talking to girls (see number 1). 4. He's about to start high school. 5. He's totally not ready. Join Carter for his freshman year, where he'll search for sex, love, and acceptance anywhere he can find it. In the process, he'll almost kill a trombone player, face off with his greatest nemesis, suffer a lot of blood loss, narrowly escape death, run from the cops (not once, but twice), get caught up in a messy love triangle, meet his match in the form of a curvy drill teamer, and surprise the hell out of everyone, including himself.

thank you for supporting my small business: Dragons & Disco Socks William Koehler, 2021-05-25 Dragons & Disco Socks takes a deep dive into a two-year quest to rescue an abandoned inner child from the clutches of his nemesis, the Sparkly Man. Through a controversial technique called Eye Movement Desensitization Reprocessing (EMDR), the author is guided by his trusted therapist to discover a part of himself trapped in an agonizing pattern of reliving his past. She helps him resurrect his imaginary childhood friends to form a ragtag band of travelers who help him navigate through distorted memories to set his younger self free.

thank you for supporting my small business: Real Influence Mark Goulston, John Ullmen, John B. Ullmen, 2013 People won't put up with being sold anymore. If they sense they are being pushed, their guard goes up—and even if they do comply, lingering resentment undermines the relationship...maybe forever. Yet, most books on influence still portray it as something you do to someone else to get your way. That out-of-date approach invites resistance or cynicism from those who recognize the techniques. Manipulative tactics might occasionally wear down a colleague's or client's resistance, but they fail to produce the mutual trust that sustains successful relationships. In short, they just won't work in our sophisticated, post-selling world. In this groundbreaking book, authors Mark Goulston and John Ullmen reveal a new model for authentic influence—the kind that creates a strong initial connection and survives long after agreement has been reached. Based on listening, genuine engagement and commitment to win-win outcomes, Real Influence provides a powerful four-step method you can use to: * Examine your priorities * Learn about the key players and what they need * Earn their attention and motivate them to hear more * Add value with your questions and actions Complete with examples of the steps in action and insights from real-world power influencers, this one-of-a-kind guide shows that being straight with everyone means winning for all. www.getrealinfluence.com

thank you for supporting my small business: Ask a Manager Alison Green, 2018-05-01 From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager “A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job

market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green’s Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

thank you for supporting my small business: The Summer of Moonlight Secrets Danette Haworth, 2010-06-01 At The Meriwether, Florida's famous antebellum hotel off of Hope Springs, nothing is quite as it seems. Secret staircases give way to servants' quarters and Prohibition-era speakeasies make for the perfect hide-and-seek spot. Allie Jo Jackson knows every nook and cranny of The Meriwether-she's lived there her whole life-and nothing surprises her, until the first time she spots the enigmatic and beautiful Tara emerging from the springs. Tara's shimmering skin, long flowing hair, and strange penchant for late moonlight swims disguise a mysterious secret-and once Allie Jo and her friend Chase discover Tara's secret, nothing will ever be the same. From the celebrated author of *Violet Raines Almost Got Struck by Lightning* comes another magical summer tale full of memorable characters and a one-of-a-kind setting.

thank you for supporting my small business: Written in Starlight Isabel Ibañez, 2021-01-26 An adventurous South American Tomb Raider! This hotly anticipated companion to *Woven in Moonlight* follows an outcast Condesa, as she braves the jungle to forge an alliance with the lost city of gold. If the jungle wants you, it will have you... Catalina Quiroga is a Condesa without a country. She's lost the Inkasisa throne, the loyalty of her people, and her best friend. Banished to the perilous Yanu Jungle, Catalina knows her chances of survival are slim, but that won't stop her from trying to escape. Her duty is to rule. While running for her life, Catalina is rescued by Manuel, the son of her former general who has spent years searching for allies. With his help, Catalina could find the city of gold that's home to the fierce Illari people and strike a deal with them for an army to retake her throne. But the elusive Illari are fighting a battle of their own—a mysterious blight is corrupting the jungle, laying waste to everything they hold dear. As a seer, Catalina should be able to help, but her ability to read the future in the stars is as feeble as her survival instincts. While searching for the Illari, Catalina must reckon with her duty and her heart to find her true calling, which is key to stopping the corruption before it destroys the jungle completely.

thank you for supporting my small business: Bright We Burn Kiersten White, 2018-07-10 The tumultuous, edge-of-your-seat conclusion to the New York Times bestselling *AND I DARKEN* series--the epic saga that reads like *Game of Thrones* . . . if it were set in the Ottoman Empire. Who will live? Who will die? And who will rule triumphant? Haunted by the sacrifices he made in Constantinople, Radu is called back to the new capital. Mehmed is building an empire, becoming the sultan his people need. But Mehmed has a secret: as emperor, he is more powerful than ever . . . and desperately lonely. Does this mean Radu can finally have more with Mehmed . . . and would he even want it? Lada's rule of absolute justice has created a Wallachia free of crime. But Lada won't rest until everyone knows that her country's borders are inviolable. Determined to send a message of defiance, she has the bodies of Mehmed's peace envoy delivered to him, leaving Radu and Mehmed with no choice. If Lada is allowed to continue, only death will prosper. They must go to war against the girl prince. But Mehmed knows that he loves her. He understands her. She must lose to him so he can keep her safe. Radu alone fears that they are underestimating his sister's indomitable will. Only by destroying everything that came before--including her relationships--can Lada truly build the country she wants. Claim the throne. Demand the crown. Rule the world. Rich . . . A worthy end to a powerful saga. --Booklist Exciting, complex, and faithful to the feelings that drive human beings in love and conflict. . . . Highly recommended. --SLJ An intense, engrossing read. --Kirkus PRAISE FOR *NOW I RISE*: Gorgeous, rich, and rewarding. --Booklist, Starred Review Absolutely devastating in the best way. --Kirkus Reviews, Starred Review A+, 5 knives. --Amie Kaufman, New York Times bestselling coauthor of the *STARBOUND* and *ILLUMINAE FILES* trilogies Fierce, epic, and crazy

fun. --Melissa Albert, New York Times bestselling author of *The Hazel Wood* PRAISE FOR AND I DARKEN: A dark jewel of a story, one that gleams with fierce, cunning characters--absolutely riveting. --Alexandra Bracken, #1 New York Times bestselling author of *Passenger* A dark, gritty, and seriously badass epic that will have you dying for more . . . required reading for every feminist fantasy fan. --BuzzFeed Evocative . . . this book takes no prisoners. --NPR

thank you for supporting my small business: *The Map from Here to There* Emery Lord, 2020-01-09 *The Map from Here to There* is an unforgettable story of identity and the companion novel to the stellar *The Start of Me and You*, which was a Zoella Book Club pick for WHSmith. It's senior year, and Paige Hancock is finally living her best life. She has a fun summer job, great friends, and a super charming boyfriend who totally gets her. But senior year also means big decisions. Feeling the weight of 'the rest of her life' Paige starts to panic. Everything is exactly how she always wanted it to be – how can she leave it all behind next year? In her head, she knows there is so much more to life after high school. But in her heart, is it so terrible to want everything to stay the same forever? Emery Lord's signature storytelling shines with lovable characters and heartfelt exploration of life's most important questions. There will be break-ups, make-ups, a road trip, and even a wedding. Through it all, can Paige figure out what happens in the after part of happily ever after? Fans of Rainbow Rowell, Jennifer Niven and Nicola Yoon should look no further than this unforgettable story of friendship and connection.

thank you for supporting my small business: *Full Brain Marketing for the Small Business* DJ Heckes, 2010-05-01 Why full BRAIN Marketing? Undoubtedly, one of the most often needs in today's business world is determining how to merge traditional, digital and social media marketing in a hypercompetitive environment! Some business owners are even saying: Innovate or Die! Marketing has changed and the way to reach your target audience is changing. The demand for constructive change and the speed of change in today's world is unprecedented. Customers are embracing change and adapting to new product offerings faster than ever and businesses must innovate if they are to have any reasonable chance of growth. But innovating successfully is not easy, especially when marketing that innovation. It can be costly, time consuming and, worst of all, if not done properly, odds are that it will fail. It is no longer a right brain or left brain world; it is the combination for full brain marketing that will work best for businesses in today's competitive intelligence world. Learn the new ways in which to acquire valuable insights into one's customer, ways in which to create game-changing ideas, and methods for reducing risk. 1. Are YOU ready for marketing? 2. Is your company branded? 3. Do you have a Competitive Edge? 4. Do you Tweet or Blog? 5. Are YOU Connected?

thank you for supporting my small business: *HBR Guide to Buying a Small Business* Richard S. Ruback, Royce Yudkoff, 2017-01-17 An all-in-one guide to helping you buy and own your own business. thank you for supporting my small business: *The Joy of Pizza* Dan Richer, 2021-11-09 NEW YORK TIMES BESTSELLER • Learn to make artisan pizza the American way in this accessible, informative guide to the perfect pie from the creator of the best pizza in New York (New York

Times). Pizza is simple: dough, sauce, cheese, toppings. But inside these ordinary ingredients lies a world of extraordinary possibility. With *The Joy of Pizza*, you'll make the best pizza of your life. Dan Richer has devoted his career to discovering the secrets to a transcendent pie. The pizza at his restaurant, Razza, is among the best one can eat in the United States, if not the world. Now, Richer shares all he has learned about baking pizza with a crisp, caramelized rim; a delicate, floral-scented crumb; and a luscious combination of sauce, cheese, and toppings that gets as close to perfection as any mortal may dare. You'll learn how to make Razza specialties such as: Jersey Margherita, a new classic improving on Neapolitan tradition Meatball Pizza, the first time Richer has shared the recipe for Razza's legendary meatballs Project Hazelnut, pairing the rich flavor of the nuts with honey and mozzarella Santo, topped with caramelized fennel sausage and drizzled with chile oil Pumpkin Pie, a cold-weather pie with roasted pumpkin, ricotta salata, and caramelized onions And many more inventive and seasonal pizzas, from Funghi (mushroom) and Montagna (arugula and speck) to Bianca (white pizza) and Rossa (vegan tomato pie) Suited to beginning home bakers and professionals alike, these crusts begin with store-bought yeast as well as sourdough starter. Richer shows how to achieve top results in ordinary home ovens as well as high-temperature ovens such as the Ooni and Rocbox, and even wood-fired outdoor pizza ovens. *The Joy of Pizza* is rich with step-by-step photography, links to instructional videos, and portraits of every pizza before and after it meets the heat of the oven—so you'll know exactly what to do to create superior results. The ingredients are simple. The methods are straightforward. And the results are deliriously delicious.

thank you for supporting my small business: The Million-Dollar, One-Person Business, Revised Elaine Pofeldt, 2018-01-02 The self-employment revolution is here. Learn the latest pioneering tactics from real people who are bringing in \$1 million a year on their own terms. Join the record number of people who have ended their dependence on traditional employment and embraced entrepreneurship as the ultimate way to control their futures. Determine when, where, and how much you work, and by what values. With up-to-date advice and more real-life success stories, this revised edition of *The Million-Dollar, One-Person Business* shows the latest strategies you can apply from everyday people who--on their own--are bringing in \$1 million a year to live exactly how they want.

thank you for supporting my small business: Just Listen Mark Goulston, 2015-03-04 Getting through to someone is a critical, fine art. Whether you are dealing with a harried colleague, a stressed-out client, or an insecure spouse, things will go from bad to worse if you can't break through emotional barricades and get your message thoroughly communicated and registered. Drawing on his experience as a psychiatrist, business consultant, and coach, author Mark Goulston combines his background with the latest scientific research to help you turn the "impossible" and "unreachable" people in their lives into allies, devoted customers, loyal colleagues, and lifetime friends. In *Just Listen*, Goulston provides simple yet powerful techniques you can use to really get through to people including how to: make a powerful and positive first impression; listen effectively; make even a total stranger (potential client) feel understood; talk an angry or aggressive person away from an instinctual, unproductive reaction and toward a more rational mindset; and achieve buy-in--the linchpin of all persuasion, negotiation, and sales. Whether they're coworkers, friends, strangers, or enemies, the first make-or-break step in persuading anyone to do anything is getting them to hear you out. The invaluable principles in *Just Listen* will get you through that first tough step with anyone. With this groundbreaking book, you will be able to master the fine but critical art of effective communication.

thank you for supporting my small business: *The Last King of Texas* Rick Riordan,

2013-12-18 From the #1 New York Times bestselling author of the Percy Jackson and the Olympians series Multiple-award-winning author Rick Riordan brings back smart-mouthed Texas P.I. Tres Navarre for his most dangerous case yet. If you think the academic world is deadly dull, you're half right.... When a controversial English professor is found shot to death, Tres Navarre — P.I. and Ph.D. — is the only local academic crazy enough to accept the emergency opening at the University of Texas at San Antonio. Police assure him they already have a suspect, so while they wrap up the open-and-shut case, all Tres has to do is teach three classes, grade on a curve ... and walk in a dead man's shoes. It should be an easy assignment — but one thing Tres doesn't do is easy. When the evidence in the case starts looking a little too perfect, when the killing doesn't stop, Tres takes on some extracurricular research into the heart of an assassin — and lands in a high-stakes game of gangster honor on the darkest streets of San Antonio's West Side.... Don't miss any of these hotter-than-Texas-chili Tres Navarre novels: BIG RED TEQUILA • THE WIDOWER'S TWO-STEP • THE LAST KING OF TEXAS • THE DEVIL WENT DOWN TO AUSTIN • SOUTHTOWN • MISSION ROAD • REBEL ISLAND

thank you for supporting my small business: *Recalculating* Lindsey Pollak, 2021-03-23 A leading workplace expert provides an inspirational, practical, and forward-looking career playbook for recent grads, career changers, and transitioning professionals looking to thrive in today's rapidly evolving workplace. Covid-19 has heightened career uncertainty in a work landscape dominated by turbulence and change, and it is directly impacting how people are entering—or re-entering—the workplace. But as Lindsey Pollak makes clear, the pandemic merely accelerated career and hiring trends that have been building. Changes that were once slowly spreading have been rapidly implemented across all industries. This means that the old job hunting and career success rules no longer apply. Job seekers of all generations and skill sets must learn how to thrive in this “new normal,” which will include a hybrid of remote and in-person experiences, increased reliance on virtual communication and automation, constant disruption, and renewed employer emphasis on workers' health and well-being. While this new world is complicated and constantly evolving, you won't have to navigate it alone. For twenty years, Pollak has been following the trends and successfully advising young professionals and organizations on workplace success. Now, she guides you through the changes currently happening—and those to come. Combining insights from both experts and professionals across generations, she provides encouraging, strategic, and actionable advice on making lifelong decisions about education; building a resilient personal brand; using virtual communication to remotely interview, network, and work; skilling and reskilling for the future; and maintaining self-care and mental health. Like your personal GPS, Pollak equips you to handle workplace obstacles, helping you see them as challenges to navigate rather than impossible roadblocks. There is no perfect path to a dream career, but with *Recalculating* you'll be prepared with the necessary skills and tools to succeed.

thank you for supporting my small business: Listen, Learn, and Love: Embracing Lgbtq Latter-Day Saints Richard Ostler, 2020-09 Through the power of storytelling, inspired author and former YSA bishop Richard H. Ostler brings to life the experiences of LGBTQ Latter-day Saints in his book *Listen, Learn, and Love: Embracing LGBTQ Latter-day Saints*. In a November 2017 devotional address given at Brigham Young University, President M. Russell Ballard challenged us to Listen to and understand what are our LGBT brothers and sisters are feeling and experiencing. This book, which is supportive of The Church of Jesus Christ of Latter-day Saints, its leaders, and its doctrine, is for all Latter-day Saints. It goes hand-in-hand with the Listen, Learn, and Love podcast, which brings hundreds of stories together in a comprehensive review of the many topics concerning LGBTQs and Latter-day Saints. With the help of this inspired book, we can now better support LGBTQ members in their unique and often difficult road. We can do better in recognizing their gifts and contributions in our wards and families. Listen, Learn, and Love makes a wonderful addition to the spiritual and intellectual curriculum of all members of The Church of Jesus Christ of Latter-day Saints.

thank you for supporting my small business: Duly Noted M. S. H. M. Shander, 2016-05-04 PTSD sucks. Just ask nineteen year-old Aurora. She's dealt with it for the past two years. Effing car crash. Resigned to live a mediocre life with her friends Percocet and Xanax, she's coped on her own. Terrified of stepping beyond her backyard, broken and damaged Aurora doesn't need anyone, anyways. Until she meets - him. Shy but smoking hot, Nate Johnson has a mouth as smart as hers, and can handle every ounce of sass she dishes out. Immediately, he's hooked by Aurora's sarcastic wit. A man on a mission, he wants to help her over her fear of cars. He needs to, if he's ever going to have her as part of his world - a passion he's kept hidden from her. As he succeeds with the impossible goal, he finds he's curing more than just her PTSD, he's healing her heart. But when her fears collide with his passion, it drives Aurora away. From him. From them. From the best thing to ever happen to her. Because sometimes love just isn't enough. However, Nate wants her back and he's willing to give up everything he loves for her. Aurora refuses to have him sacrifice his passion because of her, and dreams up a risky plan to stop him. It's dangerous. It's foolish. And if it doesn't kill her first, it could just save them both.

thank you for supporting my small business: The Knowledge Gap Natalie Wexler, 2020-08-04 The untold story of the root cause of America's education crisis--and the seemingly endless cycle of multigenerational poverty. It was only after years within the education reform movement that Natalie Wexler stumbled across a hidden explanation for our country's frustrating lack of progress when it comes to providing every child with a quality education. The problem wasn't one of the usual scapegoats: lazy teachers, shoddy facilities, lack of accountability. It was something no one was talking about: the elementary school curriculum's intense focus on decontextualized reading comprehension skills at the expense of actual knowledge. In the tradition of Dale Russakoff's *The Prize* and Dana Goldstein's *The Teacher Wars*, Wexler brings together history, research, and compelling characters to pull back the curtain on this fundamental flaw in our education system--one that fellow reformers, journalists, and policymakers have long overlooked, and of which the general public, including many parents, remains unaware. But *The Knowledge Gap* isn't just a story of what schools have gotten so wrong--it also follows innovative educators who are in the process of shedding their deeply ingrained habits, and describes the rewards that have come along: students

who are not only excited to learn but are also acquiring the knowledge and vocabulary that will enable them to succeed. If we truly want to fix our education system and unlock the potential of our neediest children, we have no choice but to pay attention.

thank you for supporting my small business: *Stylish Succulent Designs* Jessica Cain, 2019-10-29 Professional-Quality Succulent Arrangements Made Simple! Add a splash of style to your home or garden with beautiful and lush succulent designs that are simple to make and will last for months. This how-to resource will guide you through 40 unique and creative projects using popular varieties of succulents, air plants and other easy-care botanicals. thank you for supporting my small business: The Remix Lindsey Pollak, 2019-05-07 A Wall Street Journal and Financial Times book of the month Millennials have become the largest generation in the U.S. workforce, and Generation Z workers are right behind them. Leaders and organizations must embrace the new ways of working that appeal to the digital-first generations, while continuing to appeal to Baby Boomers and Generation X, who will likely remain in the workforce for decades to come. Within any organization, team, meeting, or marketing opportunity, you will likely find any combination of generations, each with their own attitudes, expectations, and professional styles. To lead and succeed in business today, you must adjust to how Millennials work, continue to accommodate experienced colleagues and pay attention to the next generations coming up. The Remix shows you how to adapt and win through proven strategies that serve all generations' needs. The result is a workplace that blends the best of each generation's ideas and practices to design a smarter, more inclusive work environment for everyone. As a leading expert on the multigenerational workplace, Lindsey Pollak combines the most recent data with her own original research, as well as detailed case studies from Fortune 500 companies and other top organizations. Pollak outlines the ways businesses, executives, mid-level managers, employees, and entrepreneurs can tackle situations that may arise when diverse styles clash and provides clear strategies to turn generational diversity into business opportunity. Generational change is impacting all industries, all types of organizations, and all leaders. The Remix is an essential guide for anyone looking to navigate today's multigenerational workplace, which is more diverse and varied than ever before.
