The Flesh and the Spirit: Anne Bradstreet's Enduring Struggle - A Deep Dive Analysis

Introduction:

Anne Bradstreet, a pioneering figure in American literature, grapples with profound internal conflict in her poem "The Flesh and the Spirit." This isn't just a simple allegory; it's a complex exploration of the human condition, reflecting the spiritual anxieties and earthly temptations of a Puritan woman navigating a new world. This in-depth analysis delves into the poem's symbolism, its historical context, and its enduring relevance to contemporary readers. We'll unravel the intricate dance between the earthly desires of "the flesh" and the spiritual aspirations of "the spirit," examining Bradstreet's masterful use of imagery and metaphor to illuminate this internal battle. Prepare to embark on a journey into the heart of a seventeenth-century Puritan soul, revealing a surprisingly modern struggle that continues to resonate centuries later.

I. Historical Context: Puritanism and the Inner Life

Understanding "The Flesh and the Spirit" requires contextualizing it within the rigid framework of Puritan society in 17th-century New England. Puritanism emphasized a strict moral code, emphasizing self-discipline, piety, and the constant striving for spiritual purity. The internal struggle between worldly desires and spiritual devotion was a central theme in Puritan thought. Bradstreet's poem reflects this tension, mirroring the internal battles faced by many within this intensely religious community. The harsh realities of their new world – the challenges of survival, the separation from loved ones, and the ever-present fear of divine judgment – intensified these internal conflicts, making Bradstreet's exploration particularly poignant. Her willingness to articulate this internal struggle, even in a poem intended for a relatively private audience, reveals a courageous honesty uncommon for the time.

II. The Personification of Flesh and Spirit: Contrasting Voices

Bradstreet masterfully personifies the "Flesh" and the "Spirit," giving each distinct voices and motivations. The "Flesh" is represented as alluring and seductive, advocating for earthly pleasures and immediate gratification. Its language is sensual and evocative, focusing on the tangible joys of the world: beauty, comfort, and social acceptance. In contrast, the "Spirit" represents the soul's yearning for spiritual transcendence. Its language is elevated and austere, emphasizing the importance of faith, piety, and eternal salvation. This dramatic personification allows Bradstreet to vividly portray the conflict between these two powerful forces within herself. The poem becomes a dialogue, a dramatic internal debate reflecting the internal struggles of a soul torn between two opposing desires.

III. Symbolism and Imagery: A Rich Tapestry of Meaning

Bradstreet's poem is rich in symbolism and evocative imagery. The "highway fair" symbolizes the path of worldly pleasures, alluring yet ultimately leading to destruction. The "wilderness" and "deserts" represent the challenges and hardships of the spiritual journey. The contrasting descriptions of the "Flesh" and the "Spirit" – one adorned with earthly finery and the other clad in simple, spiritual raiment – further highlight the opposing forces at play. Her use of metaphorical language elevates the poem beyond a simple allegory, enriching it with layers of meaning and prompting continued contemplation and interpretation.

IV. Themes of Temptation, Redemption, and the Human Condition

"The Flesh and the Spirit" explores timeless themes that continue to resonate with readers today. The poem portrays the constant struggle against temptation, the allure of earthly pleasures, and the difficulty of maintaining spiritual commitment. It also speaks to the complexities of human nature, acknowledging the simultaneous presence of both spiritual aspiration and earthly desire. Ultimately, the poem offers a message of hope, suggesting the possibility of redemption and spiritual triumph through faith and perseverance. The poem's conclusion, though not explicitly declaring a definitive victory for the Spirit, leaves the reader with a sense of the ongoing, yet hopeful, nature of this internal struggle.

V. Bradstreet's Poetic Style and its Impact

Bradstreet's poetic style is characterized by its directness, clarity, and emotional honesty. While adhering to the formal structures of the time, her use of personal experience and emotional vulnerability allows the poem to transcend its formal constraints. The poem's conversational tone and its detailed imagery create a sense of intimacy, inviting the reader into Bradstreet's internal world. This immediacy, coupled with the poem's powerful themes, contributes to its lasting appeal and its enduring relevance to readers across generations.

VI. The Poem's Enduring Legacy and Modern Interpretations

"The Flesh and the Spirit" is not just a historical artifact; it's a powerful work of literature that continues to inspire and challenge readers. Its exploration of the internal conflict between spiritual aspiration and earthly desire is a universal theme that transcends time and cultural context. Modern interpretations of the poem often focus on its relevance to contemporary issues such as the tension between secular and religious values, the challenges of balancing personal desires with societal expectations, and the complexities of human morality. The poem's enduring power lies in its ability to articulate these fundamental human experiences in a way that remains both compelling and relevant.

VII. Conclusion: A Timeless Struggle for the Soul

In conclusion, "The Flesh and the Spirit" stands as a testament to Anne Bradstreet's literary genius and her unflinching honesty. Her exploration of the internal conflict between the earthly and the spiritual provides a profound insight into the human condition, a struggle that continues to resonate with readers centuries after its composition. The poem's enduring power lies in its exploration of

universal themes, its masterful use of literary devices, and its poignant portrayal of a woman grappling with deeply personal and deeply human challenges within the confines of a rigid societal structure. It serves as a powerful reminder of the ongoing and often challenging journey towards spiritual fulfillment.

Book Outline: "Unraveling Anne Bradstreet: A Deep Dive into 'The Flesh and the Spirit'"

Introduction: Overview of Anne Bradstreet's life, context of Puritanism, and introduction to "The Flesh and the Spirit."

Chapter 1: Historical Context and Puritan Thought: Exploring the socio-religious landscape of 17th-century New England.

Chapter 2: Personification and Dialogue: Analyzing the contrasting voices of the Flesh and the Spirit.

Chapter 3: Symbolism and Imagery: Deconstructing the metaphorical language and imagery in the poem.

Chapter 4: Themes and Interpretations: Exploring themes of temptation, redemption, and the human condition.

Chapter 5: Bradstreet's Poetic Style and Technique: Examining her use of meter, rhyme, and other poetic devices.

Chapter 6: Critical Reception and Literary Significance: Examining the poem's place in literary history and its critical reception.

Chapter 7: Modern Interpretations and Relevance: Exploring contemporary perspectives on the poem's themes.

Conclusion: Synthesizing the key findings and highlighting the poem's enduring legacy.

(Detailed explanation of each chapter point would require a separate document of considerable length. The outline above provides a structural framework for a comprehensive book on this topic.)

FAQs:

1. Who was Anne Bradstreet? Anne Bradstreet was a 17th-century Puritan poet, considered one of the first significant American poets.

1. What is the central conflict in "The Flesh and the Spirit"? The central conflict is the internal struggle between earthly desires ("the Flesh") and spiritual aspirations ("the Spirit").

1. What literary devices does Bradstreet use in the poem? She uses personification, metaphor, allegory, and vivid imagery.

1. What is the significance of the "highway fair" in the poem? It symbolizes the path of worldly

pleasures, ultimately leading to destruction.

1. What is the poem's overall message or theme? The poem explores the ongoing struggle between temptation and spiritual devotion, ultimately suggesting the possibility of redemption.
1. How does the poem reflect Puritan beliefs? It reflects the Puritan emphasis on self-discipline, piety, and the importance of spiritual purity.
1. What makes Bradstreet's poem unique for its time? Her willingness to openly express internal conflict and personal struggles was unusual for a Puritan woman.
1. How is the poem relevant to contemporary readers? Its exploration of the tension between earthly desires and spiritual aspirations resonates with universal human experiences.
1. Where can I find more information about Anne Bradstreet and her work? Scholarly articles, biographies, and literary anthologies focusing on early American literature are excellent resources.

the flesh and the spirit anne bradstreet analysis: *Morte d'Arthur* Alberto Sangorski,
the flesh and the spirit anne bradstreet analysis: Homage to Mistress Bradstreet John Berryman, 2014-10-21 This volume represents the first appearance in paperback of one of America's most outstanding poets, John Berryman. It contains, besides the long title poem, Homage to Mistress Bradstreet, the major portion of Short Poems; a selection from The Dispossessed, which drew on two earlier collections; some poems from His Thought Made Pockets & The Plane Buckt; and one poem from Sonnets. It seems to me the most distinguished long poem by an American since The Waste Land. - Edmund Wilson

the flesh and the spirit anne bradstreet analysis: Biblical Ideas in Anne Bradstreet's the Flesh and the Spirit Christoph Aschoff, 2011-02 Seminar paper from the year 2007 in the subject English Language and Literature Studies - Literature, grade: 1,3, Saarland University (Anglistik, Amerikanistik und anglophone Kulturen), course: Proseminar: An Introduction to American Poetry, language: English, abstract: I believe in the flesh and the appetites, proclaimed the well-known American poet Walt Whitman in his famous Song of Myself in 1855. About two centuries earlier, the Puritan poet Anne Bradstreet also dealt with the topic of her belief and the flesh in her poem The Flesh and the Spirit (1678), but from quite a different perspective and with very different associations. According to Joseph McElrath and Allan P. Robb it is known from autobiographical material that Bradstreet started to read the Bible at the very early age of six (xvi). He also states that . . . her thorough familiarity with the Bible artfully manifests itself in virtually everything she wrote (xix). Therefore I argue that as a work of Puritan poetry Anne Bradstreet's The Flesh and the Spirit is mainly inspired by biblical ideas. In my paper, I intend to identify the basic ideas derived from the Bible in the poem and the allusions to books of the New but also the Old Testament. For this purpose, I will examine which central concepts in Bradstreet's poem stem from the Scripture and explain their meaning in the context of the Bible. Thus, the meaning of the poem itself should become clearer. For the analysis, I will use the knowledge I acquired by reading the Bible for several years and studying Protestant theology. In addition, I will consult a Bible concordance and linguistic critical literature.

the flesh and the spirit anne bradstreet analysis: What Work Is Philip Levine, 2011-08-31 Winner of the National Book Award in 1991 "This collection amounts to a hymn of praise for all the workers of America. These proletarian heroes, with names like Lonnie, Loo, Sweet Pea, and Packy, work the furnaces, forges, slag heaps, assembly lines, and loading docks at places with unglamorous names like Brass Craft or Feinberg and Breslin's First-Rate Plumbing and Plating. Only Studs Terkel's Working approaches the pathos and beauty of this book. But Levine's characters are also significant for their inner lives, not merely their jobs. They are unusually artistic, living 'at the borders of dreams.' One reads The Tempest 'slowly to himself'; another ponders a diagonal chalk line drawn by his teacher to suggest a triangle, the roof of a barn, or the mysterious separation of 'the dark from the dark.' What Work Is ranks as a major work by a major poet . . . very accessible and utterly American in tone and language." —Daniel L. Guillory, Library Journal

the flesh and the spirit anne bradstreet analysis: The Poems of Anne Bradstreet Anne Bradstreet, 2021 I wist not what to wish, yet sure thought I, If so much excellence abide below, How excellent is he that dwells on high? Whose power and beauty by his works we know. Sure he is goodness, wisdom, glory, light, That hath this under world so richly dight. More Heaven than Earth was here, no winter and no night. Anne Bradstreet, Contemplations. Anne Bradstreet came to fame when someone published her poetry as The Tenth Muse Lately Sprung Up in America. Anne Bradstreet was a Puritan who had crossed the ocean to help found the new colony in America. She lived on the frontier and lived a fairly uneventful life loving her husband and children. However, she was also a well-educated and imaginative woman whose poetry continues to be admired to this day. This collection of her poems is a forgotten classic that we would be well advised to read. A real sense of calm pervades [Bradstreet's] poetry. She has genuine affection for the things she writes about, whether that be family, or the vistas of nature, or her husband, or the pleasant things lost in the house fire, and so in no way does she come across as a pinched ascetic. But neither does she come across as someone who is in frantic pursuit of worldly goods. From Douglas Wilson's Introduction--

the flesh and the spirit anne bradstreet analysis: A Handbook of New Testament Exegesis Craig L. Blomberg, Jennifer Foutz Markley, 2010-11-01 This handbook provides a one-stop-shopping guide to the New Testament exegetical method. Brief and approachable, it offers both a broad overview of the exegetical process and a step-by-step approach to studying the New Testament in depth, helping students and pastors understand the text and appropriate it responsibly. The book is chock-full of illustrations of New Testament texts where the method under discussion truly makes a difference. A wonderfully clear and accessible handbook for New Testament exegesis. Exegetically rigorous, theologically informed, and practically useful.--Thomas R. Schreiner, Southern Baptist Theological Seminary

the flesh and the spirit anne bradstreet analysis: Holy Feast and Holy Fast Caroline Walker

Bynum, 1988-01-07 In the period between 1200 and 1500 in western Europe, a number of religious women gained widespread veneration and even canonization as saints for their extraordinary devotion to the Christian eucharist, supernatural multiplications of food and drink, and miracles of bodily manipulation, including stigmata and inedia (living without eating). The occurrence of such phenomena sheds much light on the nature of medieval society and medieval religion. It also forms a chapter in the history of women. Previous scholars have occasionally noted the various phenomena in isolation from each other and have sometimes applied modern medical or psychological theories to them. Using materials based on saints' lives and the religious and mystical writings of medieval women and men, Caroline Walker Bynum uncovers the pattern lying behind these aspects of women's religiosity and behind the fascination men and women felt for such miracles and devotional practices. She argues that food lies at the heart of much of women's piety. Women renounced ordinary food through fasting in order to prepare for receiving extraordinary food in the eucharist. They also offered themselves as food in miracles of feeding and bodily manipulation. Providing both functionalist and phenomenological explanations, Bynum explores the ways in which food practices enabled women to exert control within the family and to define their religious vocations. She also describes what women meant by seeing their own bodies and God's body as food and what men meant when they too associated women with food and flesh. The author's interpretation of women's piety offers a new view of the nature of medieval asceticism and, drawing upon both anthropology and feminist theory, she illuminates the distinctive features of women's use of symbols. Rejecting presentist interpretations of women as exploited or masochistic, she shows the power and creativity of women's writing and women's lives.

the flesh and the spirit anne bradstreet analysis: Narrative of the Captivity and Restoration of Mrs. Mary Rowlandson Rowlandson, 2018-08-20 Classic Books Library presents this brand new edition of the "Narrative of the Captivity and Restoration of Mrs. Mary Rowlandson" (1682). Mary Rowlandson (c. 1637-1711), nee Mary White, was born in Somerset, England. Her family moved to the Massachusetts Bay Colony in the United States, and she settled in Lancaster, Massachusetts, marrying in 1656. It was here that Native Americans attacked during King Philip's War, and Mary and her three children were taken hostage. This text is a profound first-hand account written by Mary detailing the experiences and conditions of her capture, and chronicling how she endured the 11 weeks in the wilderness under her Native American captors. It was published six years after her release, and explores the themes of mortal fragility, survival, faith and will, and the complexities of human nature. It is acknowledged as a seminal work of American historical literature.

the flesh and the spirit anne bradstreet analysis: Worldly Saints Leland Ryken, 2010-09-28 Ryken's *Worldly Saints* offers a fine introduction to seventeenth-century Puritanism in its English and American contexts. The work is rich in quotations from Puritan worthies and is ideally suited to general readers who have not delved widely into Puritan literature. It will also be a source of information and inspiration to those who seek a clearer understanding of the Puritan roots of American Christianity. -Harry Stout, Yale University ...the typical Puritans were not wild men, fierce and freaky, religious fanatics and social extremists, but sober, conscientious, and cultured citizens, persons of principle, determined and disciplined excelling in the domestic virtues, and with no obvious shortcomings save a tendency to run to words when saying anything important, whether to God or to a man. At last the record has been put straight. -J.I. Packer, Regent College *Worldly Saints* provides a revealing treasury of primary and secondary evidence for understanding the Puritans,

who they were, what they believed, and how they acted. This is a book of value and interest for scholars and students, clergy and laity alike. -Roland Mushat Frye, University of Pennsylvania A very persuasive...most interesting book...stuffed with quotations from Puritan sources, almost to the point of making it a mini-anthology. -Publishers Weekly With *Worldly Saints*, Christians of all persuasions have a tool that provides ready access to the vast treasures of Puritan thought. -Christianity Today Ryken writes with a vigor and enthusiasm that makes delightful reading-never a dull moment. -Fides et Historia *Worldly Saints* provides a valuable picture of Puritan life and values. It should be useful for general readers as well as for students of history and literature. -Christianity and Literature

the flesh and the spirit anne bradstreet analysis: Housekeeping Marilynne Robinson, 2015-11-03 The story of Ruth and her younger sister, Lucille, who grow up haphazardly, first under the care of their competent grandmother, then of two comically bumbling great-aunts, and finally of Sylvie, the eccentric and remote sister of their dead mother. The family house is in the small town of Fingerbone on a glacial lake in the Far West, the same lake where their grandfather died in a spectacular train wreck and their mother drove off a cliff to her death. It is a town chastened by an outsized landscape and extravagant weather, and chastened again by an awareness that the whole of human history had occurred elsewhere. Ruth and Lucille's struggle toward adulthood beautifully illuminates the price of loss and survival, and the dangerous and deep undertow of transience.--

the flesh and the spirit anne bradstreet analysis: The Black Vampyre Uriah Derick D'Arcy, 2020-10-31 WARNING! Contains moderate bloody violence against slavers and plantation owners! This pioneer vampire tale from 1819 spills revenge-cold blood as its narrator leads us through high gothic terror to radical outrage on the subject of slavery, reaching a blood-soaked conclusion dripping with 'biting' polemic vilifying the bankers who caused the economic recession of that same year. An anti-capitalist horror fable from 200 years ago, *The Black Vampyre* vilified the worst financial predation the capitalist world would ever see, decades before Karl Marx — the enslavement of Africans in the New World. One dead man said no! And this is his story. *The Black Vampyre; A Legend of St. Domingo* tells the affrighting tale of a slave who is resurrected as a vampire after being killed by his owner; the slave seeks revenge by stealing the owner's son and marrying the owner's wife. The anonymous writer D'Arcy sets the story against the conditions that led to the Haitian Revolution. First published in chapbook form in New York in 1819, this emancipatory tale from literary New York in the 1810s arguably dates the birth of horror as we know it! This edition features a new introduction as well as extensive notes and a guide to literary allusions.

the flesh and the spirit anne bradstreet analysis: The Cambridge Platonists C. A. Patrides, 1980-11-06 This volume contains selected discourses chosen to illustrate the tenets characteristic of the influential movement known as Cambridge Platonism.

the flesh and the spirit anne bradstreet analysis: The Company She Keeps Mary McCarthy, 2013-08-06 The celebrated author of *The Group* offers a "clever, witty, polished" portrait of the 1940s NYC literary bohemia she knew so well in this debut novel (*The New York Times*). Margaret Sargent is young and fearless, a deep thinker inspired by the bohemian energy that abounds in New York City in the years leading up to the Second World War. With careless abandon, she destroys her marriage and numerous love affairs as she moves through the social circles of artists and writers, playing at the fringes of political extremism. She is an enigma, often wanton and frivolous, but possessing intelligence and a razor-sharp wit, as well as a troubling core of inner darkness, self-doubt, and puzzling tendencies toward self-destruction. For Margaret, urban life in

the 1930s is an ongoing adventure—ever-changing, always surprising, and deeply, profoundly unsatisfying. Mary McCarthy, author of the bestselling American classic *The Group*, burst boldly onto the literary scene with her provocative debut, *The Company She Keeps*. A brilliant, stylistically inventive novel, it offers a rich portrait of a truly fascinating protagonist in six revealing episodes. Love her, despise her, or fear for her, you will never forget Margaret Sargent. This ebook features an illustrated biography of Mary McCarthy including rare images from the author's estate.

the flesh and the spirit anne bradstreet analysis: American Jezebel Eve LaPlante, 2004

the flesh and the spirit anne bradstreet analysis: *The Haunted Muse* Richard M. Magee, 2016-04-26 The Salem witch trials, and the many narratives based on them, both contemporaneous and subsequent discussions, have had a powerful influence on the American national psyche, informing the nation's political debates and propelling its fears. Perhaps one of the major reasons for the importance of the trials is how they conceive of and present a narrative of danger. The horror grows in and seems to threaten not just the body politic, but, perhaps more importantly, the domestic sanctuary. The home and hearth become a contested ground where good and evil fight for the souls of the inhabitants, or an infection that threatens to spread to other homes and, eventually, the entire community. The fear of witchcraft or demonic possession reveals not just a religious mania, but also a level of misogyny. Much has been made of the connections between witchcraft accusations and midwifery, homeopathy, and other, usually female, pursuits. The link between midwifery and witchcraft is especially interesting here, however, as it suggests an anxiety linked to notions of creation and procreation. This book proposes a link between the fears of usurped procreation elicited by the trials and fears of misdirected or usurped creativity. In many Gothic stories, the authors imagine their literary creations as children who have been transformed by malignant forces, much as the Puritans of 1692 feared that the devil was transforming their actual children. The home in the Gothic story becomes a warped version of the sacred domestic space of sentimental literature, and it transforms from refuge to place of terror. The authors examined here include Nathaniel Hawthorne, Louisa May Alcott, Rose Terry Cooke, Charlotte Perkins Gilman, Shirley Jackson, Stephen King, and Ira Levin.

the flesh and the spirit anne bradstreet analysis: Authority and Female Authorship in Colonial America William J. Scheick, 2014-10-17 Should women concern themselves with reading other than the Bible? Should women attempt to write at all? Did these activities violate the hierarchy of the universe and men's and women's places in it? Colonial American women relied on the same authorities and traditions as did colonial men, but they encountered special difficulties validating themselves in writing. William Scheick explores logonomic conflict in the works of northeastern colonial women, whose writings often register anxiety not typical of their male contemporaries. This study features the poetry of Mary English and Anne Bradstreet, the letter-journals of Esther Edwards Burr and Sarah Prince, the autobiographical prose of Elizabeth Hanson and Elizabeth Ashbridge, and the political verse of Phyllis Wheatley. These works, along with the writings of other colonial women, provide especially noteworthy instances of bifurcations emanating from American colonial women's conflicted confiscation of male authority. Scheick reveals subtle authorial uneasiness and subtextual tensions caused by the attempt to draw legitimacy from male authorities and traditions.

the flesh and the spirit anne bradstreet analysis: The Day of Doom Michael Wigglesworth, 1867

the flesh and the spirit anne bradstreet analysis: The Book of Chilam Balam of Chumayel Ralph Loveland Roys,

the flesh and the spirit anne bradstreet analysis: *Air and Angels* John Donne, 2016-07-04 JOHN DONNE: AIR AND ANGELS: SELECTED POEMS A selection of the finest poems by British poet John Donne. John Donne was, Robert Graves said, a 'Muse poet', a poet who wrote passionately of the Muse. It is easy to see Donne as a love poet, in the tradition of love poets such as Bernard

deVentadour, Dante Alighieri, Francesco Petrarch and Torquato Tasso. Donne has written his fair share of lovepoems. There are the bawdy allusions to the phallus in 'The Flea', while 'The Comparison' parodies the adoration poem, with references to the 'sweat drops of my mistress' breast'. Like William Shakespeare in his parody sonnet 'my mistress' eyes are nothing like the sun', Donne sends up the Petrarchan and courtly love genre with gross comparisons ('Like spermatic issue of ripe menstruous boils'). In 'The Bait', there is the archetypal Renaissance opening line 'Come live with me, and be my love', as used by Christopher Marlowe and William Shakespeare, among others. And there is the complex, ambivalent eroticism of 'The Extasie', a much celebrated love poem, and the 19th 'Elegy', where features Donne's famous couplet: Licence my roving hands, and let them go Before, behind, between, above, below. The Songs and Sonnets of John Donne celebrate the many emotions of love, feelings that are so familiar in love poetry from Sappho to Adrienne Rich. Donne does not quite cover every emotion of love, but a good deal of them. In 'The Canonization', we find the age-old Neo-platonic belief that two can become as one ('we two being one', or 'we shall/ Be one', he writes in 'Lovers' Infiniteness'), a common belief in love poetry. John Donne's love poetry, like (nearly) all love poetry, self-reflexive. Although he would 'ne'er parted be', as he writes in 'Song: Sweetest love, I do not go', he knows that love poetry comes out of loss. The beloved woman is not there, so art takes her place. The Songs and Sonnets arise from loss, loss of love; they take the place of love. For, if he were clasping his beloved in those feverish embraces as described in 'The Extasie' and 'Elegy', he would not, obviously, bother with poetry. Love poetry has this ambivalent, difficult relationship with love. The poem is not love, and is no real substitute for it. And writing of love exacerbates the pain and the insecurity of the experience of love. With an introduction and bibliography. Illustrated, with new pictures. The text has been revised for this edition. Also available in an E-book edition. www.crmoon.com.

the flesh and the spirit anne bradstreet analysis: Biblical Ideas in Anne Bradstreet's "The Flesh and the Spirit" Christoph Aschoff, 2011-02-01 Seminar paper from the year 2007 in the subject English Language and Literature Studies - Literature, grade: 1,3, Saarland University (Anglistik, Amerikanistik und anglophone Kulturen), course: Proseminar: An Introduction to American Poetry, language: English, abstract: "I believe in the flesh and the appetites," proclaimed the well-known American poet Walt Whitman in his famous "Song of Myself" in 1855. About two centuries earlier, the Puritan poet Anne Bradstreet also dealt with the topic of her belief and the "flesh" in her poem "The Flesh and the Spirit" (1678), but from quite a different perspective and with very different associations. According to Joseph McElrath and Allan P. Robb it is known from autobiographical material that Bradstreet started to read the Bible at the very early age of six (xvi). He also states that ". . . her thorough familiarity with the Bible artfully manifests itself in virtually everything she wrote" (xix). Therefore I argue that as a work of Puritan poetry Anne Bradstreet's "The Flesh and the Spirit" is mainly inspired by biblical ideas. In my paper, I intend to identify the basic ideas derived from the Bible in the poem and the allusions to books of the New but also the Old Testament. For this purpose, I will examine which central concepts in Bradstreet's poem stem from the Scripture and explain their meaning in the context of the Bible. Thus, the meaning of the poem itself should become clearer. For the analysis, I will use the knowledge I acquired by reading the Bible for several years and studying Protestant theology. the flesh and the spirit anne bradstreet analysis: Anne Bradstreet's Quest for Spiritual Solace Nasser Al-Beshri, 2012-06-28 This book studies Anne Bradstreet's quest for spiritual solace during times of hardships after she and her family fled from England to North America. During those adversities, Bradstreet questioned her faith. In all the poems subject of this book Bradstreet's inner struggle between her flesh and spirit can obviously be seen. Bradstreet uses her talent in poetry writing as a means to express her deepest thoughts and fears hoping to find the peace and comfort she needs. Bradstreet was able to get over all those shattering hardships and emerge a better person believing even more strongly than ever that God will reward her patience in the afterlife with better and heavenly blessings. Before her death, the constant disturbing struggle between her flesh

and spirit is replaced by serenity and longing for heaven.

the flesh and the spirit anne bradstreet analysis: The Declaration of Interdependence

Tara Cullis, David Suzuki, 2010 Calling all people to become stewards of the earth, this edition of the Declaration is a heartfelt plea for the planet's preservation.

the flesh and the spirit anne bradstreet analysis: *The Facts on File Companion to American Poetry: 1900 to the present*, 2008 A comprehensive guide to American poetry, from 1900 through the early twenty-first century, profiling a selection of poems, popular and lesser-known authors, themes, concepts, periodicals, and movements.

the flesh and the spirit anne bradstreet analysis: Digging Into Literature Joanna Wolfe, Laura Wilder, 2015-11-17 Digging Into Literature reveals the critical strategies that any college student can use for reading, analyzing, and writing about literary texts. It is based on a groundbreaking study of the successful interpretive and argumentative moves of more than a thousand professional and student essays. Full of practical charts and summaries, with plenty of exercises and activities for trying out the strategies, the book convincingly reveals that while great literature is profoundly and endlessly complex, writing cogent and effective essays about it doesn't have to be.

the flesh and the spirit anne bradstreet analysis: A History of American Puritan

Literature Kristina Bross, Abram Van Engen, 2020-10-15 For generations, scholars have imagined American puritans as religious enthusiasts, fleeing persecution, finding refuge in Massachusetts, and founding 'America'. The puritans have been read as a product of New England and the origin of American exceptionalism. This History challenges the usual understanding of American puritans, offering new ways of reading their history and their literary culture. Together, an international team of authors make clear that puritan America cannot be thought of apart from Native America, and that its literature is also grounded in Britain, Europe, North America, the Caribbean, and networks that spanned the globe. Each chapter focuses on a single place, method, idea, or context to read familiar texts anew and to introduce forgotten or neglected voices and writings. A History of American Puritan Literature is a collaborative effort to create not a singular literary history, but a series of interlocked new histories of American puritan literature.

the flesh and the spirit anne bradstreet analysis: M-A-C-N-O-L-I-A A. Van Jordan, 2004

MacNolia Cox won the Akron District Spelling Bee, and at the age of 13 she became the first African American to reach the final round of the national competition. The Southern judges, it is thought, kept her from winning by presenting a word not on the official list. The word that tripped MacNolia, ironically, was nemesis. When she died 40 years later, the girl who was almost/ The national spelling champ had become a cleaning woman, a grandmother, and the best damn maid in town. Cox's ambition and her later frustration find incisive shape in this remarkably varied meditation on ambition, racism, discouragement and ennui, where successive pages can bring to mind a handbook of poetic forms (a double sestina, Japanese-inspired syllabics, a blues ghazal and prose poems based on definitions of prepositions), Ann Carson's TV Men poems, Rita Dove's Thomas and Beulah and the documentary film Spellbound. Jordan (Rise) begins in Cox's later life, giving voice to her husband, John Montiere, at The Moment Before He Asks MacNolia Out on a Date, then to MacNolia herself when in 1970 her son dies just after his return from Vietnam. As counterpoints, Jordan intersperses poems about African-Americans who won more lasting public acclaim, among them Richard Pryor, Josephine Baker and the great labor organizer and orator A. Philip Randolph. Jordan's most quotable poems, however, return to the voice of the 13-year-old speller, who learned the word chiaroscuro/ By rolling it on my tongue// Like cotton candy the color/ Of day and night. (June) Copyright 2004 Reed Business Information. Library Journal.
