wellness mama divorce update: *Hands Free Mama* Rachel Macy Stafford, 2014-01-07 Discover the power, joy, and love of living a present, authentic, and intentional life despite a world full of distractions. If technology is the new addiction, then multitasking is the new marching order. We check our email while cooking dinner, send a text while bathing the kids, and spend more time looking into electronic screens than into the eyes of our loved ones. With our never-ending to-do lists and jam-packed schedules, it's no wonder we're distracted. But this isn't the way it has to be. Special education teacher, New York Times bestselling author, and mother Rachel Macy Stafford says enough is enough. Tired of losing track of what matters most in life, Rachel began practicing simple

strategies that enabled her to momentarily let go of largely meaningless distractions and engage in meaningful soul-to-soul connections. Finding balance doesn't mean giving up all technology forever. And it doesn't mean forgoing our jobs and responsibilities. What it does mean is seizing the little moments that life offers us to engage in real and meaningful interaction. In these pages, Rachel guides you through how to: Acknowledge the cost of your distraction Make purposeful connection with your family Give your kids the gift of your undivided attention Silence your inner critic Let go of the guilt from past mistakes And move forward with compassion and gratefulness So join Rachel and go hands-free. Discover what happens when you choose to open your heart--and your hands--to the possibilities of each God-given moment.

wellness mama divorce update: A Mind of Your Own Kelly Brogan, M.D., Kristin Loberg,

2016-03-15 Named one of the top health and wellness books for 2016 by MindBodyGreen Depression is not a disease. It is a symptom. Recent years have seen a shocking increase in antidepressant use the world over, with 1 in 4 women starting their day with medication. These drugs have steadily become the panacea for everything from grief, irritability, panic attacks, to insomnia, PMS, and stress. But the truth is, what women really need can't be found at a pharmacy. According to Dr. Kelly Brogan, antidepressants not only overpromise and underdeliver, but their use may permanently disable the body's self-healing potential. We need a new paradigm: The best way to heal the mind is to heal the whole body. In this groundbreaking, science-based and holistic approach, Dr. Brogan shatters the mythology conventional medicine has built around the causes and treatment of depression. Based on her expert interpretation of published medical findings, combined with years of experience from her clinical practice, Dr. Brogan illuminates the true cause of depression: it is not simply a chemical imbalance, but a lifestyle crisis that demands a reset. It is a signal that the interconnected systems in the body are out of balance - from blood sugar, to gut health, to thyroid function- and inflammation is at the root. A Mind of Your Own offers an achievable, step-by-step 30-day action plan—including powerful dietary interventions, targeted nutrient support, detoxification, sleep, and stress reframing techniques—women can use to heal their bodies, alleviate inflammation, and feel like themselves again without a single prescription. Bold, brave, and revolutionary, A Mind of Your Own takes readers on a journey of self-empowerment for radical transformation that goes far beyond symptom relief.

wellness mama divorce update: Eat Better, Feel Better Giada De Laurentiis, 2021-03-16 #1

NEW YORK TIMES BESTSELLER • Giada De Laurentiis shares how her unique approach to wellness completely transformed her relationship with food—featuring 100 recipes to boost gut health and immunity and nourish your mind, body, and spirit. This book is the culmination of a ten-year journey. . . . I've made a conscious effort to take control of my health because it had finally become impossible to ignore the fact that the choices (or lack thereof) I'd been making for the past twenty years just weren't working for me anymore. In Giada's most personal book yet, she gives you an inside look at her path to wellness and how she maintains a balanced life. Giada walks you through how to select food that can actually make you feel better and curate a personalized wellness routine to support a healthy mind and body. She shows you her own process of reconfiguring her diet to control inflammation—and how you can use the same steps to turn your life around. Giada also includes information on how to use complementary wellness tactics like intermittent fasting, meditation, and other self-care routines to optimize your well-being. Giada devotes an entire chapter to her 3-day reboot—which she follows several times a year—and offers more than two dozen dairy-free, sugar-free, and gluten-free recipes to accompany the plan, as well as a 21-day menu outline that makes good, healthy cooking easy to implement at home. Even though it's so much more than a cookbook, Eat Better, Feel Better also offers 100 new recipes, from Italian-influenced ones

like Fusilli with Chicken and Broccoli Rabe and Pan-Roasted Pork Chops with Cherry and Red Wine Sauce to her everyday healthy favorites including Quinoa Pancakes; Sheet Pan Parmesan Shrimp and Veggies; Roasted Cauliflower and Baby Kale Salad; and Chocolate and Orange Brown Rice Treats. wellness mama divorce update: The Adrenal Reset Diet Alan Christianson, NMD, 2014-12-30 Go from wired and tired to lean and thriving with The Adrenal Reset Diet Why are people gaining weight faster than ever before? The idea that people simply eat too much is no longer supported by science. The emerging idea is that weight gain is a survival response: Our bodies are under attack from all directions—an overabundance of processed food, a polluted world, and the pressures of daily life all take their toll. These attacks hit a very important set of glands, the adrenals, particularly hard. The adrenal glands maintain a normal cortisol rhythm (cortisol is a hormone associated with both stress and fat storage). When this rhythm is off, we can become overwhelmed more quickly, fatigued, gain weight, and eventually, develop even more severe health issues such as heart disease or diabetes. In The Adrenal Reset Diet, Dr. Alan Christianson provides a pioneering plan for optimal function of these small but powerful organs. His patient-tested weight-loss program is the culmination of decades of clinical experience and over 75,000 patient-care visits. In a study at his clinic, participants on the Adrenal Reset Diet reset their cortisol levels by over 50% while losing an average of over 2 inches off their waists and 9 pounds of weight in 30 days. What can you expect? • Learn whether your adrenals are Stressed, Wired and Tired, or Crashed and which adrenal tonics, exercises, and foods are best for you • The clinically proven shakes, juices, and other delicious recipes, to use for your Reset • New ways to turn off the triggers of weight gain with carbohydrate cycling, circadian repair, and simple breathing exercises • An easy 7-day ARD eating plan to move your and your adrenals from Surviving to Thriving

wellness mama divorce update: Confessions of a Slacker Mom Muffy Mead-ferro, 2008-08-01 Parents who are fed up with the pressure to turn their children into star athletes, concert violinists, and merit scholars—all at once!—finally have an alternative: the world of Slacker Moms, where kids learn to do things for themselves and parents can cut themselves some slack; where it's perfectly all right to do less, have less, and spend less. Slacker moms say No to parenting philosophies that undermine parents'-and children's-ability to think for themselves. They say Yes to saving their money and time by opting out of the parenting competition. And they say Hell, Yes! to having a life of their own, knowing it makes them better parents. In this witty and insightful book, author Muffy Mead-Ferro reflects on her experience of growing up on a ranch in Wyoming, where parenting-by-necessity—was more hands-off, people made do with what they had, and common sense and generational wisdom prevailed. We should all take her sane lead!

wellness mama divorce update: *The Hormone Fix* Anna Cabeca, DO, OBGYN, FACOG, 2023-08-29 NATIONAL BESTSELLER • For women approaching or in menopause, a revolutionary diet and holistic lifestyle program for easier weight loss, better sleep, diminished hot flashes, a clearer head, and a rejuvenated sex drive. "Hormone balance is within reach, and this is the definitive guide for reaching that goal."—David Perlmutter, MD, author of *Grain Brain* As women approach menopause, many start to experience the physical and emotional indignities of hormonal fluctuation: metabolic stall and weight gain, hot flashes and night sweats, insomnia, memory loss or brain fog, irritability, low libido, and painful sex. Too often, doctors tell us that these discomforts are to be expected and that we will have to wait them out during "the change"; some of us even agree to be unnecessarily medicated. But Dr. Anna Cabeca's research and experience with thousands of her patients show that there is a fast-acting and nonpharmaceutical way to dramatically and permanently alleviate these symptoms. *The Hormone Fix* introduces Dr. Cabeca's unique Keto-Green protocol, a plan that pairs the hallmarks of ketogenic (low-carb/high fat) eating with diet and lifestyle changes that bring the body's cellular pH to a healthy alkaline level. The proven result: balanced cortisol and reduced output of insulin, the hormones most responsible for belly fat and weight gain, plus an increase in oxytocin, the "love and happiness" hormone. Whether you are perimenopausal, menopausal, or postmenopausal, *The Hormone Fix* offers an easy-to-follow program, including • a 10-day quick-start detox diet to jump-start weight loss and reduce symptoms immediately • daily meal plans and weekly shopping lists to take the guesswork out of a month's worth of Keto-Green eating • 65 delicious and easy-to-make recipes for breakfast, lunch, dinner, smoothies, and soups • detailed information on vitamin and mineral supplementation that optimizes hormone balance • simple self-assessments and recommended optional lab testing for a better understanding of your hormonal status • tested and trusted stress-reduction and oxytocin-amplifying advice and techniques With *The Hormone Fix* you can expect to trim down, tap into new and unexpected energy levels, enhance intimacy, and completely revitalize your life! Ready for your fix? "The Hormone Fix is a treasure trove of accurate and user-friendly information that all women who are suffering during menopause need to know and apply."—Christiane Northrup, MD, author of *The Wisdom of Menopause*

wellness mama divorce update: Hope Heals Katherine Wolf, Jay Wolf, 2016-04-26 When all seems lost, where can you find hope? Katherine and Jay Wolf married right after college and sought adventure far from home in Los Angeles, CA. As they pursued their dreams--she as a model and he as a lawyer--they planted their lives in the city and their church community. Their son, James, came along unexpectedly in the fall of 2007, and just six months later, everything changed in a moment for this young family. On April 21, 2008, as James slept in the other room, Katherine collapsed, suffering a massive brain stem stroke without warning. Miraculously, Jay came home in time and called for help. Katherine was immediately rushed into brain surgery, though her chance of survival was slim. As the sun rose the next morning, the surgeon proclaimed that Katherine had survived the removal of part of her brain, though her future recovery was uncertain. Yet in that moment, there was a spark of hope. Through forty days on life support in the ICU and nearly two years in full-time brain rehab, that small spark of hope was fanned into flame. Hope Heals documents Katherine and Jay's journey as they struggled to regain Katherine's quality of life and as she relearned to talk, eat, and walk. As Katherine returned home with a severely disabled body but a completely renewed purpose, she and Jay committed to celebrating this gift of a second chance by embracing life fully, even though that life looked very different than they could have ever imagined. As you uncover Katherine and Jay's remarkable story, you'll be encouraged to: Find lasting hope in the midst of struggle Embrace the unexpected Welcome God's miracles into your everyday life In the midst of continuing hardships, both in body and mind, Katherine and Jay found what we all long to find: a hope that heals the most broken place--our souls. Let Hope Heals be your guide along the way. Praise for Hope Heals: As I read this book, tears streamed from my eyes even as joy flooded my heart. Jay and Katherine are a raw yet refreshing testimony to the unshakable trustworthiness of God amidst the unimaginable trials of life. This book reminds all of us where hope can be found in a world where none of us know what the next day holds. --David Platt, author of the New York Times bestseller Radical and president of the International Mission Board Hope Heals is a beautiful, true story that illustrates the love and protection God has for us even in the darkest times of our lives. Katherine and Jay's dedication to each other and the Lord through their most devastating season is inspiring. This book will help your heart believe that He sees, He knows, He cares, and He is still working miracles today! --Lysa TerKeurst, New York Times bestselling author and president of Proverbs 31 Ministries

wellness mama divorce update: Danielle Walker's Against All Grain Celebrations Danielle Walker, 2016-09-27 NEW YORK TIMES BESTSELLER • 125 recipes for grain-free, dairy-free, and gluten-free comfort food dishes for holidays and special occasions NAMED ONE OF THE FIVE BEST GLUTEN-FREE COOKBOOKS OF ALL TIME BY MINDBODYGREEN When people adopt a new diet for health or personal reasons, they worry most about the parties, holidays, and events with strong food traditions, fearing their fond memories will be lost along with the newly eliminated food groups. After suffering for years with a debilitating autoimmune disease and missing many of these special occasions herself, Danielle Walker has revived the joy that cooking for holidays can bring in Danielle Walker's Against All Grain Celebrations, a collection of recipes and menus for twelve special occasions throughout the year. Featuring a variety of birthday cakes, finger foods to serve at a baby or bridal shower, and re-creations of backyard barbecue standards like peach cobbler and corn bread, Danielle includes all of the classics. There's a full Thanksgiving spread—complete with turkey and stuffing, creamy green bean casserole, and pies—and menus for Christmas dinner; a New Year's Eve cocktail party and Easter brunch are covered, along with suggestions for beverages and cocktails and the all-important desserts. Recipes can be mixed and matched among the various occasions, and many of the dishes are simple enough for everyday cooking. Stunning full-color photographs of every dish make browsing the pages as delightful as cooking the recipes, and beautiful party images provide approachable and creative entertaining ideas. Making recipes using unfamiliar ingredients can cause anxiety, and while trying a new menu on a regular weeknight leaves some room for error, the meal simply cannot fail when you have a table full of guests

celebrating a special occasion. Danielle has transformed her most cherished family traditions into trustworthy recipes you can feel confident serving, whether you're hosting a special guest with food allergies, or cooking for a crowd of regular grain-eaters.

wellness mama divorce update: *The Prime Cause of Cancer* Otto Warburg, Trung Nguyen, 2015-12-02 This is book 2 of 5 of the "Understand Cancer" series. It is based on the best-available science. The SECONDARY causes of cancer were discussed in book one. This book continues from book one and discusses the PRIME cause of cancer as discovered by Nobel Prize Laureate Dr. Otto Warburg—considered by many as the founder of modern biochemistry. "There are prime and secondary causes of diseases. For example, the prime cause of the plague is the plague bacillus, but secondary causes of the plague are filth, rats, and the fleas that transfer the plague bacillus from rats to man. By a prime cause of a disease I mean one that is found in every case of the disease...Cancer, above all other diseases, has countless secondary causes. But, even for cancer, there is only one prime cause. Summarized in a few words, the prime cause of cancer is the replacement of the respiration of oxygen in normal body cells by a fermentation of sugar. All normal body cells meet their energy needs by respiration of oxygen, whereas cancer cells meet their energy needs in great part by fermentation. All normal body cells are thus obligate aerobes, whereas all cancer cells are partial anaerobes. From the standpoint of the physics and chemistry of life this difference between normal and cancer cells is so great that one can scarcely picture a greater difference. Oxygen gas, the donor of energy in plants and animals is dethroned in the cancer cells and replaced by an energy yielding reaction of the lowest living forms, namely, a fermentation of glucose." —Dr. Otto Warburg

wellness mama divorce update: *Battle Hymn of the Tiger Mother* Amy Chua, 2011-12-06 A lot of people wonder how Chinese parents raise such stereotypically successful kids. They wonder what Chinese parents do to produce so many math whizzes and music prodigies, what it's like inside the family, and whether they could do it too. Well, I can tell them, because I've done it... Amy Chua's daughters, Sophia and Louisa (Lulu) were polite, interesting and helpful, they had perfect school marks and exceptional musical abilities. The Chinese-parenting model certainly seemed to produce results. But what happens when you do not tolerate disobedience and are confronted by a screaming child who would sooner freeze outside in the cold than be forced to play the piano? *Battle Hymn of the Tiger Mother* is a story about a mother, two daughters, and two dogs. It was supposed to be a story of how Chinese parents are better at raising kids than Western ones. But instead, it's about a bitter clash of cultures, a fleeting taste of glory, and how you can be humbled by a thirteen-year-old. Witty, entertaining and provocative, this is a unique and important book that will transform your perspective of parenting forever.

Saeed, MD shifts the focus from adults to children in her timely new book. *The Holistic Rx for Kids* offers holistic parenting guidelines for raising the whole child—healthy brain, body and soul—in a changing world. As chronic physical and mental health conditions and destructive behaviors are on the rise, we need to shift the way we parent our children to address these concerns. Based on the latest science, Dr. Saeed uncovers how our children's brains, bodies, and behaviors are being hijacked and presents real-life, actionable steps parents can take to help their children make better decisions, build resilience, and heal and prevent acute and chronic conditions at any age. *The Holistic Rx for Kids* gives readers, parents, and their children everything they need to know without overwhelming them. As a physician mom of four young boys, Dr. Saeed offers evidence-based, easy, time- and cost-effective recommendations. Accompanied by the author's clinical and personal experience, this book also features easy action plans based on age, weaning guides, shopping lists, and kids' brain- and body-friendly recipes for any busy parent's lifestyle.

wellness mama divorce update: *Splitopia* Wendy Paris, 2016-03-15 Packed with research, insights, and illuminating (and often funny) examples from Paris's own divorce experience, this book is a "practical and reassuring guide to parting well." —Gretchen Rubin, author of *The Happiness Project* Engaging and revolutionary, filled with wit, searing honesty, and intimate interviews, *Splitopia* is a call for a saner, more civil kind of divorce. As Paris reveals, divorce has improved dramatically in recent decades due to changes in laws and family structures, advances in psychology and child development, and a new understanding of the importance of the father. Positive psychology expert and author of *Happier*, Tal Ben-Shahar, writes that Paris's "personal insights, stories, and research" create "a smart and interesting guide that can be extremely helpful for those going through divorce." Reading this book can be the difference between an expensive, ugly battle and a decent divorce, between children sucked under by conflict or happy, healthy kids. This is "a compelling case that it's high time for a new definition of Happily Ever After—for everyone" (Brigid Schulte, author of *Overwhelmed: Work, Love, and Play When No One Has the Time*).

wellness mama divorce update: *The Wellness Remodel* Christina Anstead, Cara Clark, 2020-04-14 The star of HGTV's *Flip or Flop* Christina Anstead partners with celebrity nutritionist Cara Clark to help women remodel their lives—in mind, body and spirit. Christina Anstead, star of HGTV's *Flip or Flop* and *Christina on the Coast*, is known for her boundless energy, positive attitude, and radiant looks. But what was hidden from fans of her popular television shows was a very real health crisis, including a diagnosis of autoimmune disease, infertility, and the emotional and physical exhaustion of going through a divorce with two young children—all in the public eye. The stress of managing it all wreaked even more havoc on her already strained body. It wasn't until Christina met

nutritionist Cara Clark that she discovered a path that allowed her to regain her health and heal in body and mind. In *The Wellness Remodel*, Christina chronicles her health journey and shares what she's learned about the importance of creating balance and prioritizing physical and mental self-care. Divided into three parts—"Gut Rehab" (food and nutrition); "Building a Strong Foundation" (exercise); and "The Rewire" (mindfulness)—the book will be an accessible guide to full-body wellness, offering simple strategies anyone can put into action for immediate results. Christina and Cara will also share their simple cooking strategies built for the real world of working parents and busy weeknights, including sixty of their favorite recipes, complete with beautiful photos and easy-to-follow instructions. Inspiring, informative, fun, and empowering, *The Wellness Remodel* will give readers everything they need to nourish the body, keep it strong, and help their spirit flourish.

wellness mama divorce update: Educated Tara Westover, 2018-02-20 #1 NEW YORK TIMES, WALL STREET JOURNAL, AND BOSTON GLOBE BESTSELLER • One of the most acclaimed books of our time: an unforgettable memoir about a young woman who, kept out of school, leaves her survivalist family and goes on to earn a PhD from Cambridge University "Extraordinary . . . an act of courage and self-invention."—The New York Times NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY THE NEW YORK TIMES BOOK REVIEW • ONE OF PRESIDENT BARACK OBAMA'S FAVORITE BOOKS OF THE YEAR • BILL GATES'S HOLIDAY READING LIST • FINALIST: National Book Critics Circle's Award In Autobiography and John Leonard Prize For Best First Book • PEN/Jean Stein Book Award • Los Angeles Times Book Prize Born to survivalists in the mountains of Idaho, Tara Westover was seventeen the first time she set foot in a classroom. Her family was so isolated from mainstream society that there was no one to ensure the children received an education, and no one to intervene when one of Tara's older brothers became violent. When another brother got himself into college, Tara decided to try a new kind of life. Her quest for knowledge transformed her, taking her over oceans and across continents, to Harvard and to Cambridge University. Only then would she wonder if she'd traveled too far, if there was still a way home. "Beautiful and propulsive . . . Despite the singularity of [Westover's] childhood, the questions her book poses are universal: How much of ourselves should we give to those we love? And how much must we betray them to grow up?"—Vogue NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Washington Post • O: The Oprah Magazine • Time • NPR • Good Morning America • San Francisco Chronicle • The Guardian • The Economist • Financial Times • Newsday • New York Post • theSkimm • Refinery29 • Bloomberg • Self • Real Simple • Town & Country • Bustle • Paste • Publishers Weekly • Library Journal • LibraryReads • Book Riot • Pamela Paul, KQED • New York Public Library

wellness mama divorce update: Amateur Hour Kimberly Harrington, 2018-05-01 "Kimberly Harrington deftly and hilariously uncovers all of the lies and bullshit women are told about motherhood. This book made me laugh, sure, but it also made me feel seen." — Jennifer Romolini, chief content officer at Shondaland.com and author of *Weird in a World That's Not An* emotionally honest, arresting, and funny collection of essays about motherhood and adulthood. "Being a mother is a gift." Where's my receipt? Welcome to essayist Kimberly Harrington's poetic and funny world of motherhood, womanhood, and humankind, not necessarily in that order. It's a place of loud parenting, fierce loving, too much social media, and occasional inner monologues where timeless debates are resolved such as Pro/Con: Caving to PTO Bake Sale Pressure ("PRO: Skim the crappiest

brownies for myself. CON: They're really crappy.") With accessibility and wit, she captures the emotions around parenthood in artful and earnest ways, highlighting this time in the middle—midlife, the middle years of childhood, how women are stuck in the middle of so much. It's a place of elation, exhaustion, and time whipping past at warp speed. Finally, it's a quiet space to consider the girl you were, the mother you are, and the woman you are always becoming.

wellness mama divorce update: *The Health Habit* Elizabeth Rider, 2021-04-13 The ultimate guide to holistic health! -- Gabrielle Bernstein, #1 New York Times best-selling author of *The Universe Has Your Back* Every woman should get this book. -- Christiane Northrup, M.D., New York Times best-selling author of *Women's Bodies, Women's Wisdom* and *Godesses Never Age* What if the best health of your life isn't just about what you do--or don't--eat? The secret to having the healthy body and life you want isn't just in a rigid way of eating. It's in developing your own Health Habit. Coined by nutritionist and author Elizabeth Rider, your Health Habit is a skill, or a set of skills, that allows you to make the best choices that serve you most. By focusing on action--not just theory--you won't even have to think about being healthy. You just will be--without the deprivation, shame, and OMG-do-I-really-have-to-choke-that-down overthinking and fear that come with restrictive diets. With this paperback edition of her fresh look at healthy living, 28-Day Kick-Start Plan, 50 recipes, and online community, Elizabeth will get you started, keep you motivated, and connect you to health-conscious people around the world.

wellness mama divorce update: *More Than a Body* Lexie Kite, Lindsay Kite, 2020-12-29 Drs. Lindsay and Lexie Kite know firsthand how hard filtering out media influence is when it comes to self-image. Both struggled as young women to overcome the expectations of body size and shape, but were able to learn to love, appreciate, and reclaim their own bodies, eventually earning their PhDs in body image resilience. The twin sisters founded the nonprofit Beauty Redefined and have made it their mission to help other women see themselves without societal expectations distorting their self-perception. *More than a Body* is a self-help book focused on going beyond body positivity, showing how a mindset focused on appearance sets women up for insecurities and self-judgement. In this book, they offer an action plan for readers to combat that mindset, and instead learn how the body can be an instrument, not an ornament, with practical, actionable steps to take when consuming media, exercising, practicing self-reflection and self-compassion, and finding a purpose in life.

wellness mama divorce update: *Growing Slow* Jennifer Dukes Lee, 2021-05-11 Enter a simpler way of living by unhurrying your heart, embracing the relaxed rhythms of nature, and discovering the meaningful gift of growing slow. We long to make a break from the fast pace of life, but if we're honest, we're afraid of what we'll miss if we do. Yet when going big and hustling hard leaves us stressed, empty, and out of sorts, perhaps this can be our cue to step into a far more satisfying, sustainable pace. In this crafted, inspiring read, beloved author Jennifer Dukes Lee offers a path to unhurried living by returning to the rhythm of the land and learning the ancient art of *Growing Slow*. Jennifer was once at breaking point herself, and tells her story of rude awakening to the ways her chosen lifestyle of running hard, scaling fast, and the neverending chase for results was taking a toll on her body, heart, and soul. But when she finally gave herself permission to believe it takes time to grow good things, she found a new kind of freedom. With eloquent truths and vivid storytelling, Jennifer reflects on the lessons she learned from living on her fifth-generation family farm and the insights she gathered from the purposeful yet never rushed life of Christ. *Growing Slow* charts a path out of the pressures of bigger, harder, faster, and into a more rooted way of living where the growth of good things is deep and lasting. Following the rhythms of the natural growing season, *Growing Slow* will help you: Find the true relief that comes when you stop running and start resting in Jesus Learn practices for unhurrying your heart and mind every day Let go of the pressure and embrace the small, good things already bearing fruit in your life And engage slow growth through reflection prompts and simple application steps

wellness mama divorce update: *Divorced Girl Smiling* Jackie Pilossoph, 2014 Smile! It's not just the end of your marriage, it's the beginning of your second chance! Missy Benson has a two and

a half carat diamond engagement ring with color grade H, VS2 clarity and a value of \$36,000. It's absolutely gorgeous, practically flawless, and let's be honest, really big! But what the successful Chicago realtor doesn't have anymore is a husband. After 12 years of marriage, her husband, Paul, a handsome, wealthy attorney has devastated her by breaking up their marriage for Priscilla Sommerfeld, a young, personal trainer, who according to Missy's sassy assistant, J.J., looks more like a Las Vegas stripper than a fitness expert. Not sure what to do with her ring, and with no financial issues to worry about, Missy decides to put it up for sale on Craigslist. The price: 99 cents! The catch: She gets to pick the buyer. In essence, she's looking for the perfect guy, but not for herself. Her hope is to regain faith that good men do exist, and that marriages can last forever. Now referring to herself as the divorced girl, Missy interviews dozens of young men who are vying for the huge ring. It's a contest that includes outrageous characters, hilarious and sentimental stories, and two finalists, both of whom Missy adores and who she must choose between. Then there's Parker Missoni, the sexiest contestant by far, who drives her crazy with his brutal honesty, and at the same time stops her heart with his deep brown eyes. *Divorced Girl Smiling* is the story of a woman's journey to do whatever it takes to heal herself from divorce. It's about acceptance, reflection, taking accountability for mistakes, and appreciating all of life's wonderful gifts. In other words, if you have the guts to put the past behind, admit your mistakes, embrace your future, and give love another chance, you will surely be a divorced girl smiling.

wellness mama divorce update: *The Invisible Corset* Lauren Geertsen, 2021-01-19 Learn to love your body—for real this time Women in touch with the wisdom of their bodies are the single greatest threat to societal systems of domination, oppression, and control. We are also the greatest possibility to bring healing, peace, and restoration to our world. —Lauren Geertsen No matter how much we try to tell ourselves to love our bodies and accept our flaws, most women can't quite get there. Even though we know the beauty standard is unrealistic, we secretly feel like it would be so much easier if our stomach were just a little flatter, or our skin a little smoother, or a million other little things. As a result, we sacrifice our health, heritage, sanity, and lives on the altar of beauty culture. Why is it so hard to feel confident about our bodies, or even just accept them? Because willpower alone isn't enough to undo generations of brainwashing intended to repress women's confidence and power. In *The Invisible Corset*, Geertsen carefully illustrates the psychological gaslighting that leads women to internalize the belief that their appearance makes them not only unworthy of love, but incapable of fulfilling their actual destiny. By highlighting each restricting string of the invisible corset all women wear, Geertsen helps us reclaim our bodies for ourselves, discovering newfound confidence, power, joy, and pleasure as we do. You'll explore: How the invisible corset cuts you off from your body's wisdom and nature's intelligence—the true sources of your intuition, pleasure, and power How beauty culture is the most recent form of patriarchal oppression — and why women are both responsible and able to free ourselves Why the body positivity movement often makes self-criticism even worse The racist history of beauty culture, and how it still perpetuates racism today Journaling prompts, rituals, meditations, and other exercises to help unravel the toxic beliefs that keep the invisible corset in place A variety of practices to help you reconnect with your body—to tune into your intuition, set healthy boundaries, align with your True Self, and more For any woman who is ready to go from struggle, discomfort, control, and shame to pleasure, confidence, freedom, and soul-fulfilling purpose, *The Invisible Corset* is an essential guide.

wellness mama divorce update: *M Is for Mama* Abbie Halberstadt, 2022-02-01 Mama of ten

Abbie Halberstadt helps women humbly and gracefully rise to the high calling of motherhood without settling for mediocrity or losing their minds in the process. Motherhood is a challenge. Unfortunately, our worldly culture offers moms little in the way of real help. Mamas only connect to celebrate surviving another day and to share in their misery rather than rejoice in what God has done and to build each other up in hard times. There has to be a better way, a biblical way, for mamas to grow and thrive. As a daughter of Christ, you have been called to be more than an average mama. Attaining excellence doesn't have to be unsettling but it will take committed focus and a desire to parent well according to God's grace and for His glory. M is for Mama offers advice, encouragement, and scripturally sound strategies seasoned with a little bit of humor to help you embrace the challenge of biblical motherhood and raise your children with love and wisdom. Mama, you are worthy of the awesome responsibility God has given you. Now it's time to start believing you can live up to it.

wellness mama divorce update: *Focusing* Eugene T. Gendlin, 1982-08-01 The classic guide to a powerful technique that can increase your mindfulness and lead to personal transformation Based on groundbreaking research conducted at the University of Chicago, the focusing technique has gained widespread popularity and scholarly acclaim. It consists of six easy-to-master steps that identify and change the way thoughts and emotions are held within the body. Focusing can be done virtually anywhere, at any time, and an entire "session" can take no longer than ten minutes, but its effects can be felt immediately—in the relief of bodily tension and psychological stress, as well as in dramatic shifts in understanding and insight. In this highly accessible guide, Dr. Eugene Gendlin, the award-winning psychologist who developed the focusing technique, explains the basic principles behind focusing and offers simple step-by-step instructions on how to utilize this powerful tool for tapping into greater self-awareness and inner wisdom. As you learn to develop your natural ability to "focus," you'll find yourself more in sync with both mind and body, filled with greater self-assurance, and better equipped to make the positive changes necessary to improve and enhance every aspect of your life.

wellness mama divorce update: *Woman Unleashed: Release Your Story, Revive Your Hormones & Reclaim Your Freedom* Sonya Jensen, 2021-12-07 Dr. Sonya Jensen has been working with women for over a decade, inspiring them to be the best versions of themselves and

helping them gain freedom from the chains of society, their hormones, and the mantra that continuously plays in so many of their minds, I'm not enough. Dr. Jensen has made it clear that healing hormones isn't just a job for the physical body but the heart, mind, and even the soul. The experiences a woman has from the womb onward, dictate her thoughts and beliefs about herself and life. These beliefs, in turn, dictate the actions and communication pathways of her hormones, creating her personality and, therefore, creating her life. Dr. Jensen details the science behind hormones and the wisdom behind womanhood, illustrating how the dance between the two makes way for either a woman's healing or her suffering. This book will take you on a journey of self-discovery as you learn more about your hormones and yourself. In *Woman Unleashed*, you will:

- Gain a deeper understanding of each hormone and the roles they play throughout your lifetime
- Discover how stress, trauma, and your childhood experiences shape your hormone blueprint
- Understand the reasons why your hormones are causing chaos in your body and life
- Find solutions to balancing your hormones, from dietary suggestions to self-awareness practices
- Practice meditations and yoga sets to help you along the way
- Learn everything you need to know to gain freedom from hormonal symptoms and what steps you can take to decode your unique hormonal story

With this book by your side, you will tap into your innate wisdom that has been longing to help you live a healthier and more joyful life. Discover the power your body has and the freedom you deserve!
