

what is a wellness pod at planet fitness

What is a Wellness Pod at Planet Fitness? Your Ultimate Guide

So, you've heard whispers about "wellness pods" at Planet Fitness, and you're curious. Maybe you've seen a picture, or maybe a friend mentioned it. Either way, you're in the right place. This comprehensive guide will dive deep into what Planet Fitness wellness pods are, what they offer, and whether they're right for you. We'll cover everything from the features and benefits to addressing any potential concerns you might have. Get ready to uncover the secrets of this increasingly popular fitness amenity!

What Exactly Is a Planet Fitness Wellness Pod?

Let's start with the basics. A Planet Fitness wellness pod isn't some futuristic escape hatch to another dimension (although it might feel that way after a long day!). Instead, it's a private, enclosed space designed for relaxation and recovery. Think of it as a mini-spa, conveniently located within your local Planet Fitness gym. These pods are typically small, comfortable, and equipped with features designed to help you unwind and rejuvenate after a tough workout or a stressful day. They're not a standard feature in every Planet Fitness location, so checking availability at your specific gym is crucial.

Unveiling the Amenities: What's Inside a Wellness Pod?

The exact amenities within a Planet Fitness wellness pod might vary slightly depending on the location, but generally, you can expect to find some key features:

Massage Chairs: This is often the star of the show. Most wellness pods feature high-quality massage

chairs with various settings, allowing you to customize your massage experience. You can choose from different intensities, massage styles, and even targeted areas for relief.

Ambient Lighting: Soft, calming lighting helps create a relaxing atmosphere, further enhancing the sense of tranquility. Think gentle hues designed to soothe your senses and ease tension.

Sound System: Many pods include a built-in sound system, allowing you to listen to calming music or nature sounds to deepen your relaxation. Escape the gym noise and immerse yourself in peaceful auditory sensations.

Privacy: This is a critical element. The enclosed nature of the wellness pod provides a private and secluded space where you can completely unwind without feeling self-conscious or disturbed.

The Benefits of Using a Planet Fitness Wellness Pod

Beyond the immediate relaxation, using a wellness pod offers a range of benefits:

Stress Reduction: The combination of massage, ambient lighting, and sound significantly reduces stress and promotes mental well-being. Taking even a short break in a pod can significantly improve your mood and reduce cortisol levels.

Muscle Recovery: Post-workout muscle soreness is a common experience. The massage function helps improve blood circulation, reduce muscle tension, and accelerate recovery, allowing you to return to your fitness routine feeling refreshed and ready to go.

Improved Sleep: Relaxation techniques utilized in the pod can contribute to better sleep quality. Reducing stress and muscle tension before bedtime can make a significant difference in your sleep patterns.

Enhanced Overall Well-being: The cumulative effect of these benefits contributes to a significant improvement in overall well-being. By prioritizing relaxation and recovery, you're investing in your

physical and mental health.

Are there any downsides to using a Wellness Pod?

While the benefits are numerous, it's important to acknowledge potential downsides:

Limited Availability: As mentioned, not all Planet Fitness locations have wellness pods. Check your local gym's amenities before heading out.

Time Constraints: Sessions are typically time-limited to ensure fair access for all members. You might not get an extended relaxation session every time.

Hygiene Concerns: While Planet Fitness likely maintains high hygiene standards, it's always advisable to wipe down surfaces before and after use.

How to Use a Planet Fitness Wellness Pod: A Step-by-Step Guide

1. **Check Availability:** Confirm your gym has wellness pods and inquire about availability and booking procedures.

1. **Understand the Controls:** Familiarize yourself with the controls of the massage chair and sound system before starting your session.

1. **Set the Atmosphere:** Adjust the lighting, sound, and massage intensity to your preference.

1. Relax and Enjoy: Take deep breaths, let go of tension, and savor your well-deserved relaxation time.

1. Clean Up: Wipe down any surfaces you touched before leaving.

Conclusion

Planet Fitness wellness pods offer a unique and valuable addition to a fitness routine. They provide a convenient and affordable way to incorporate relaxation and recovery into your day, ultimately contributing to your overall well-being. While not a universal feature, the availability of these pods is growing, making them an increasingly attractive benefit for Planet Fitness members. If your local gym offers them, give them a try – your body and mind will thank you!

FAQs

1. How much does it cost to use a Planet Fitness wellness pod? The cost varies by location, but it's typically included in your standard Planet Fitness membership. Some locations may charge a small additional fee. Check with your specific gym for pricing details.
1. How long are the sessions typically? Sessions are usually limited to a specific time frame, often ranging from 15-30 minutes, to ensure fair access for all members.

1. Do I need to book a wellness pod in advance? Booking in advance is often not required, but it's advisable, especially during peak hours. Check with your local gym regarding their booking policy.

1. Are wellness pods suitable for everyone? While generally safe, individuals with certain medical conditions should consult their physician before using a massage chair.

1. What should I wear to use a wellness pod? Comfortable, loose-fitting clothing is recommended. You might want to remove shoes and jewelry for a more comfortable experience.

what is a wellness pod at planet fitness: Naked at Our Age Joan Price, 2011-05-24 In Naked at Our Age, women and men, coupled and single, straight and gay talk candidly about how their sex lives and relationships have changed with age, and about how they see themselves, their partners, or their single life. what is a wellness pod at planet fitness: Healthier Together Liz Moody, 2019-04-09 A healthy cookbook to share with a partner, featuring more than 100 recipes designed to nourish your bodies and souls. An Epicurious Best Cookbook for Spring • "Healthier Together focuses on real whole foods and bringing community together."—Kelly LeVeque, celebrity nutritionist and bestselling author of *Body Love* Food writer and health blogger Liz Moody once followed trendy diets and ate solely for fuel, not for flavor. That changed when she met her soon-to-be-boyfriend and they started cooking nutrient- and vegetable-rich meals. She not only fell in love with food again, but she also discovered that setting goals and sticking to them is easier and more gratifying when paired with someone else. Mincing garlic and sautéing onions together eventually led the couple to marriage—proving that good food really is the universal connector! These 100+ flavor-packed recipes are designed to be cooked and enjoyed by two people, plus they're all gluten-free, dairy-free, and plant-centered. They include homemade alternatives for all the foods you love to share, such as brunch, takeout, and sweet treats. Indulge in Cardamom Banana Bread Pancakes with Candied Coffee Walnuts, Cornflake "Fried" Chicken, General Tso's Cauliflower, and Chocolate Tahini Brownie Bites. Pick your partner—near or far—and get ready to get healthy. Praise for Healthier Together "This cookbook is one you'll be reaching for time and time again when you need healthy food that is satisfying and delicious."—Tieghan Gerard "Liz Moody offers heaps of tasty recipes packed with great ingredients."—Real Simple "Healthier Together is a brilliant concept! Cooking with a friend/partner/mom is so much better than cooking alone, plus having a partner will keep you both accountable on your healthy eating journey."—Gina Homolka "Liz does an amazing job helping you make delicious food in a way that is both feasible and fun."—Rachel Mansfield "Liz's book overflows with food made to share, healthy but with all the comfort and flavor that brings happy people around the table."—Daphne Oz "Liz's message is profound, yet so simple . . . you need to have both whole foods and whole, real relationships to truly be healthy and happy. This book makes eating healthy a celebration, not a sacrifice, and it brings an arsenal of fresh and flavorful recipes that are fun to make and eat!"—Jeanine Donofrio

what is a wellness pod at planet fitness: Full-Filled Renée Stephens, Samantha Rose, 2011-12-27 From a leading weight-loss expert, Full-Filled asks the tough questions about our relationship with food and provides an unusual program to satisfy your true cravings and create new healthy habits that will make you slim for a lifetime. An intuitive and easy weight-loss guide, Full-Filled will open the door to bigger transformations in your life. Not only will you drop excess pounds with Renée's expert guidance, you will get to the root of why you eat and you will lose your spiritual weight—by identifying why you eat the way you do and finding better ways to satisfy your true hunger without food. Full-Filled's practical steps and easy-to-follow program will permanently change how you think about and behave around food.

what is a wellness pod at planet fitness: Ice Planet Barbarians Ruby Dixon, 2021-11-30 The international publishing phenomenon Ice Planet Barbarians, now in a special print edition! Fall in

love with the out-of-this-world romance between Georgie Carruthers, a human woman, and Vektal, an alien from another planet, in this expanded edition with bonus materials and an exclusive epilogue—in print only! You'd think being abducted by aliens would be the worst thing that could happen to me. And you'd be wrong. Because now the aliens are having ship trouble, and they've left their cargo of human women—including me—on an ice planet. We're not equipped for life in this desolate winter wasteland. Since I'm the unofficial leader, I head out into the snow to look for help. I find help all right. A big blue horned alien introduces himself in a rather . . . startling way. Vektal says that I'm his mate, his chosen female—and that the reason his chest is purring is because of my presence. He'll help me and my people survive, but this poses a new problem. If Vektal helps us survive, I'm not sure he's going to want to let me go.

what is a wellness pod at planet fitness: No Meat Athlete Matt Frazier, Matt Ruscigno, 2013-10 Combining the winning elements of proven training approaches, motivational stories, and innovative recipes, No Meat Athlete is a unique guidebook, healthy-living cookbook, and nutrition primer for the beginner, every day, and serious athlete who wants to live a meatless lifestyle. what is a wellness pod at planet fitness: Holden On To Family Roots Linda Holden Givens, 2009-05-04 This book is about HOLDEN on to your family history. It is not a typical type of book. It begins with the Great-grandfather and works it way down thru the children. This is a family history from the perspective of a granddaughter. Since 1992, I have been working on my family genealogy and talked about publishing my manuscript. I procrastinated and over the years I saw several books published that mentioned my family in them. Finally I decided to have my manuscript published so that those who were already familiar with my family could actually read short stories and some history about my family and not just focus on music as well as share the uniqueness of my family with anyone. Briefly, I come from a family of musicians: 1. Granddaughter of Oscar Holden - Patriarch of Seattle -

http://www.amazon.com/Jackson-Street-After-Hours-Seattle/dp/0912365927/ref=sr_1_1?ie=UTF8&s=books&qid=1242151327&sr=8-1 2. Daughter of Dave L. Holden, Sr. - Musician around Seattle - http://historylink.org/index.cfm?DisplayPage=output.cfm&file_id=2562 3. Sister of David L. Holden, Jr. - Musician around Seattle (currently play in the band GruvBox) - <http://www.gruvbox.com> 4. Niece of Ron Holden - Hit song in 1960 called: 'Love you so' - http://en.wikipedia.org/wiki/Ron_Holden 5. Niece of Jimmy Holden - Musician around Seattle - <http://profile.myspace.com/index.cfm?fuseaction=user.viewProfile&friendID=450105699> 6. Sister of Darrelle Holden - Background singer for Tom Jones - <http://tomjonesinternational.com/toms-music/behind-the-scenes/backup-singers> 7. Cousin of MarJean

Holden - <http://marjeanholden.com> There have been several books that have mentioned my family in them and on the front cover of 'Jackson Street After Hours' is my grandfather because he has been called: 'The Patriarch of Seattle', the one that brought jazz to Seattle. The following are a few named books that mention my grandfather, father and uncle: 1. The Fortunes of Jelly Roll Morton, New Orleans Creole and 'Inventor of jazz', Alan Lomax 2. Dead Man Blues Jelly Roll Morton Way out West, Phil Pastras 3. The Lost History of Jazz in Canada (1914-1949) Such Melodious Racket, Mark Miller 4. The Roots of Jazz in Seattle - Jackson Street After Hours, Paul de Barros (grandfather on cover of book)

what is a wellness pod at planet fitness: Wellbeing, Recovery and Mental Health Mike Slade, Lindsay Oades, Aaron Jarden, 2017-02-01 This book brings together two bodies of knowledge - wellbeing and recovery. Wellbeing and 'positive' approaches are increasingly influencing many areas of society. Recovery in mental illness has a growing empirical evidence base. For the first time, overlaps and cross-fertilisation opportunities between the two bodies of knowledge are identified. International experts present innovations taking place within the mental health system, which include wellbeing-informed new therapies, e-health approaches and peer-led recovery communities. State-of-the-art applications of wellbeing to the wider community are also described, across education, employment, parenting and city planning. This book will be of interest to anyone connected with the mental health system, especially people using and working in services, and clinical and administrators leaders, and those interested in using research from the mental health system in the wider community.

what is a wellness pod at planet fitness: HAPPY Fearne Cotton, 2017 Fearne Cotton understands how important happiness is, and why we need to seek it out each and every day. Determined to help break the taboo around mental health, here - for the first time - she opens up honestly about her own battle with depression, and the little things that help keep it at bay so she can continue trekking towards the good stuff. Including expert advice from Mind, and packed with little ideas and practical exercises so you can join in, she invites you to pick up your pencil and come on this journey with her.

what is a wellness pod at planet fitness: Sacred Wealth Aly Wilkins, 2020-11-19 Sacred Wealth will support you in removing the conditioning you've been taught about money so that you can attract more financial abundance and experience more soul alignment, gratitude and intuitive guidance in every moment. This book was designed to open you up to learn how to attract financial success and opportunities with ease while also creating fulfillment, happiness and a deep trust in the Universe. Unlike most money manifesting books you'll read, this is actually an energetic healing process. Once you begin this healing work, expect miracles to flow into your life. Each chapter will help you clear, open and balance your chakra system so that your desires can flow into your life effortlessly. All it will take from you is the willingness to go there. You will be guided with compassion and love through the entire process of clearing out the old and creating the new system that will support your steady flow of abundance. We'll address the physical, emotional and energetic blockages that may be slowing down the flow of abundance (and money) in your life so that you can begin feeling the full flow of abundance and incoming miracles on a daily basis. In addition, you'll be creating the foundations for an entire new approach to your life that attracts more abundance to you. When you hold a vibration of abundance, you can attract money and other forms of abundance to you, simply through your way of being. This book is written in the format of a workbook so that you can apply every Abundance Principle shared in the book to your own life. After reading this book, you will have cleared your chakra system and seen the places that you can continue your healing journey, with a newfound mindset of abundance, prosperity and spiritual wealth. This is a book that you can re-read over and over again to deepen the learnings and embody the teachings.

There are 26 sections full of clear explanations of issues, solutions and practical experiences and 75 recommended activities. You won't need to resort to the screen to fill the day. You'll be having too much fun.

what is a wellness pod at planet fitness: Pilates for Everyone Micki Havard, 2021-07-20
Pilates benefits every body--including yours! Pilates is exercise for your mind, body, and spirit, but what if your body won't cooperate? How can you take advantage of all Pilates has to offer--strengthening your core, enhancing your flexibility, and even improving your posture--if you think you're too old or too big or too physically unable to perform the Hundred, the Shoulder Bridge, or the Double-Leg Stretch? No matter what your age, size, or physical ability is, you can do every exercise in Pilates for Everyone. Each Pilates exercise shows the typical movements for gaining the physical and mental benefits from that exercise. Then each exercise offers at least three variations performed by people just like you to help you find the right modification that fits who you are. This way, no matter which version you perform, you're going to reach similar goals. Pilates for Everyone includes these features: • 50 step-by-step exercises for specific body areas • Step-by-step modifications for every exercise • 10 routines that combine exercises from the book for maximum benefits • Expert advice from Micki Havard on how to get the most out of your practice --- "I'm a lead instructor trainer for Merrithew and Stott Pilates. I have spent more than two decades sharing the passion of Pilates and movements with my students and aspiring new instructors. Micki Havard has included in this book exercises and modifications suitable for everyone's needs. Micki knows how to deliver key principles so you can practice Pilates safely at home. I find Micki's book easy to follow and inspiring. Her guidance will make everyone strong!" Thicha Srivisal Pilates expert www.breathepilates.com.sg @thichapilates --- "It's about time this book was written by Micki. Her insights in fitness, Pilates, and well-being are to be revered. Micki's perseverance on this journey to inspire and empower others is to be embraced. With her work, she encourages others to achieve their fullest potential through her belief in them, the Pilates method, and her wealth of knowledge. Literally ANY body can benePHIT from MickiPHIT. Coming from years of experience, she has channeled all of her knowledge and experience into writing this book for everyBODY. Taking away the layers of perceived obstacles by people's mindset, anyBODY can do it—and she shows you how in this fabulous book." Debbie Robbins Founder of Air Control Pilates www.aircontrolpilates.com @aircontrolpilates --- "This book is an incredible resource for learning movement in a way that is accessible for EVERY body no matter what stage of life you are in. Micki gives clear and detailed directions, with so many options for modifications. Her exercises are easy for you to follow and will help you achieve your goals. I love the way the photos and descriptions speak to a diverse population. Micki Havard's expert teaching will give you the confidence and strength to exercise consistently and enjoy the work every time you do it!" Jill Harris Owner of Informed Body Creator of FitSprings www.fitsprings.com @jillharris pilates --- "Pilates for Everyone written by Micki Havard is exactly what the title implies. Micki doesn't just use words but shows readers that the statement in the title is indeed true. This vibrant book that warmly welcomes the reader into the world of Pilates clearly explains how each exercise is executed. The models, who we also learn about their background, are not Pilates statues but actual everyday people who show that Pilates can be done by everyone. The breakdown of the book—the workouts, variations, modifications, and adjustments—are excellent and show the reader that at whatever fitness level they're at, they too can move with strength and joy!" Michelle DuVall Creator of Barre Variations www.barrevariations.com @barrevariations

what is a wellness pod at planet fitness: The Diaries of Adam and Eve Mark Twain, 2015-09-28
What if Adam and Eve Had a Diary? "He talks very little. Perhaps it is because he is not bright and is sensitive about it and wishes to conceal it. It is such a pity that he should feel so, for brightness is nothing. It is in the heart that the values lie. I wish I could make him understand that a loving good heart is riches, and riches is enough, and that without it intellect is poverty." - Mark Twain, Eve's Diary
Mark Twain's short stories aren't about his religious beliefs. In fact, the Diaries

of Adam and Eve should be taken with a grain of salt as they are humorous and witty and describe in a unique way the relationship between two human beings, man and woman who eventually end up falling in love with each other. Xist Publishing is a digital-first publisher. Xist Publishing creates books for the touchscreen generation and is dedicated to helping everyone develop a lifetime love of reading, no matter what form it takes

what is a wellness pod at planet fitness: Beauty Sick Renee Engeln, PhD, 2017-04-18

"[Beauty Sick] will blow the top off the body image movement...provocative and necessary." — Rebellious Magazine An award-winning psychology professor reveals how the cultural obsession with women's appearance is an epidemic that harms women's ability to get ahead and to live happy, meaningful lives, in this powerful, eye-opening work in the vein of Peggy Orenstein and Sheryl Sandberg. Today's young women face a bewildering set of contradictions when it comes to beauty. They don't want to be Barbie dolls but, like generations of women before them, are told they must look like them. They're angry about the media's treatment of women but hungrily consume the outlets that belittle them. They mock modern culture's absurd beauty ideal and make videos exposing Photoshopping tricks, but feel pressured to emulate the same images they criticize by posing with a skinny arm. They understand that what they see isn't real but still download apps to airbrush their selfies. Yet these same young women are fierce fighters for the issues they care about. They are ready to fight back against their beauty-sick culture and create a different world for themselves, but they need a way forward. In *Beauty Sick*, Dr. Renee Engeln, whose TEDx talk on beauty sickness has received more than 250,000 views, reveals the shocking consequences of our obsession with girls' appearance on their emotional and physical health and their wallets and ambitions, including depression, eating disorders, disruptions in cognitive processing, and lost money and time. Combining scientific studies with the voices of real women of all ages, she makes clear that to truly fulfill their potential, we must break free from cultural forces that feed destructive desires, attitudes, and words—from fat-shaming to denigrating commentary about other women. She provides inspiration and workable solutions to help girls and women overcome negative attitudes and embrace their whole selves, to transform their lives, claim the futures they deserve, and, ultimately, change their world.

what is a wellness pod at planet fitness: The Circle Dave Eggers, 2013-10-08

INTERNATIONAL BESTSELLER • A bestselling dystopian novel that tackles surveillance, privacy and the frightening intrusions of technology in our lives—a "compulsively readable parable for the 21st century" (*Vanity Fair*). When Mae Holland is hired to work for the Circle, the world's most powerful internet company, she feels she's been given the opportunity of a lifetime. The Circle, run out of a sprawling California campus, links users' personal emails, social media, banking, and purchasing with their universal operating system, resulting in one online identity and a new age of civility and transparency. As Mae tours the open-plan office spaces, the towering glass dining facilities, the cozy dorms for those who spend nights at work, she is thrilled with the company's modernity and activity. There are parties that last through the night, there are famous musicians playing on the lawn, there are athletic activities and clubs and brunches, and even an aquarium of rare fish retrieved from the Marianas Trench by the CEO. Mae can't believe her luck, her great fortune to work for the most influential company in the world—even as life beyond the campus grows distant, even as a strange encounter with a colleague leaves her shaken, even as her role at the Circle becomes increasingly public. What begins as the captivating story of one woman's ambition and idealism soon becomes a heart-racing novel of suspense, raising questions about memory, history, privacy, democracy, and the limits of human knowledge.

what is a wellness pod at planet fitness: Crazy Sexy Diet Kris Carr, Sheila Buff, 2011-01-17

The author of the best-selling *Crazy Sexy Cancer Tips* and *Crazy Sexy Cancer Survivor* takes on the crazy sexy subject of what and how we eat, drink, and think. *Crazysexydiet.com* On the heels of Kris Carr's best-selling cancer survival guidebooks and her acclaimed TLC documentary comes her new journey into a realm vital to anyone's health. Infused with her signature sass, wit and advice-from-the-trenches style, *Crazy Sexy Diet* is a beautifully illustrated resource that puts you on

the fast track to vibrant health, happiness and a great ass! Along with help from her posse of experts, Carr lays out the fundamentals of her Crazy Sexy Diet: a low-glycemic, vegetarian program that emphasizes balancing the pH of the body with lush whole and raw foods, nourishing organic green drinks, and scrumptious smoothies. Plus, she shares the steps of her own twenty-one-day cleanse, and simple but delectable sample recipes. In ten chapters with titles such as, “pHabulous,” “Coffee, Cupcakes and Cocktails,” “Make Juice Not War,” and “God-Pod Glow,” Carr empowers readers to move from a state of constant bodily damage control to one of renewal and repair. In addition to debunking common diet myths and sharing vital tips on detoxifying our bodies and psyches—advice that draws both on her personal experience as a cancer survivor and that of experts—she provides helpful hints on natural personal care, how to stretch a dollar, navigate the grocery store, eating well on the run, and working through the inevitable pangs and cravings for your old not-so-healthy life. Crazy Sexy Diet is a must for anyone who seeks to be a confident and sexy wellness warrior.

what is a wellness pod at planet fitness: Primal Endurance Mark Sisson, Brad Kearns, 2016-01-04 Primal Endurance shakes up the status quo and challenges the overly stressful, ineffective conventional approach to endurance training. While marathons and triathlons are wildly popular and bring much gratification and camaraderie to the participants, the majority of athletes are too slow, continually tired, and carry too much body fat respective to the time they devote to training. The prevailing chronic cardio approach promotes carbohydrate dependency, overly stressful lifestyle patterns, and ultimately burnout. Mark Sisson, author of the 2009 bestseller, *The Primal Blueprint*, and de-facto leader of the primal/paleo lifestyle movement, expertly applies primal lifestyle principles to the unique challenge of endurance training and racing. Unlike the many instant and self-anointed experts who have descended upon the endurance scene in recent years, Sisson and his co-author/business partner Brad Kearns boast a rich history in endurance sports. Sisson has a 2:18 marathon and 4th place Hawaii Ironman finish to his credit, has spearheaded triathlon's global anti-doping program for the International Triathlon Union, and has coached/advised leading professional athletes, including Olympic triathlon gold and silver medalist Simon Whitfield and Tour de France cyclist Dave Zabriskie. Under Sisson's guidance, Kearns won multiple national championships in duathlon and triathlon, and rose to a #3 world triathlon ranking in 1991. Primal Endurance applies an all-encompassing approach to endurance training that includes primal-aligned eating to escape carbohydrate dependency and enhance fat metabolism, building an aerobic base with comfortably paced workouts, strategically introducing high intensity strength and sprint workouts, emphasizing rest, recovery, and an annual periodization, and finally cultivating an intuitive approach to training instead of the usual robotic approach of fixed weekly workout schedules. When you go Primal as an endurance athlete, you can expect to enjoy these and other benefits in short order: Easily reduce excess body fat and keep it off permanently, even during periods of reduced training Perform better by reprogramming your genes to burn fat and spare glycogen during sustained endurance efforts Avoid overtraining, burnout, illness, and injury by improving your balance of stress and rest, both in training and everyday life Spend fewer total hours training and get more return on investment with periodized and purposeful workout patterns Have more fun, be more spontaneous, and break free from the pull of the obsessive/compulsive mindset that is common among highly motivated, goal-oriented endurance athletes Have more energy and better focus during daily life instead of suffering from the active couch potato syndrome, with cumulative fatigue from incessant heavy training makes you lazy and sluggish Primal Endurance is about slowing down, balancing out, chilling out, and having more fun with your endurance pursuits. It's about building your health through sensible training patterns, instead of destroying your health through chronic training patterns. While it might be hard to believe at first glance, you can actually get faster by backing off from the overly aggressive and overly regimented Type-A training approach that prevails in today's endurance community. Primal Endurance will show you how, every step of the way.

what is a wellness pod at planet fitness: Pure Rose Bret  cher, 2016-04-07 Now a major

Channel 4 series *Rose Cartwright* has OCD, but not as you know it. *Pure* is the true story of her ten-year struggle with 'Pure O', a little-known form of the condition, which causes her to experience intrusive sexual thoughts of shocking intensity. It is a brave and frequently hilarious account of a woman who refused to give up, despite being undermined at every turn by her obsessions and enduring years of misdiagnosis and failed therapies. Eventually, the love of family and friends, and Rose's own courage and sense of humour prevailed, inspiring this deeply felt and beautifully written memoir. At its core is a lesson for all of us: when it comes to being happy with who we are, there are no neat conclusions.

what is a wellness pod at planet fitness: *The Body Is Not an Apology* Sonya Renee Taylor, 2018-02-13 *The Body Is Not an Apology* The Power of Radical Self-Love Against a global backdrop of war, social upheaval, and personal despair, there is a growing sense of urgency to challenge the systems of oppression that dehumanize bodies and strip us of our shared humanity. Rather than feel helpless in the face of oppression, world-renowned activist, performance poet, and author Sonya Renee Taylor teaches us how to turn to the power of radical self-love in her new book, *The Body Is Not an Apology*. Radical self-love is the guiding framework that transforms the learned self-hatred of our bodies and the prejudices we have about other people's bodies into a vision of compassion, equity, and justice. In a revolutionary departure from the corporate self-help and body-positivity movement, Taylor forges the inextricable bond between radical self-love and social justice. The first step is recognizing that we have all been indoctrinated into a system of body shame that profits off of our self-hatred. When we ask ourselves, Who benefits from our collective shame? we can begin to make the distinction between the messages we are receiving about our bodies or other bodies and the truth. This book moves us beyond our all-too-often hidden lives, where we are easily encouraged to forget that we are whole humans having whole human experiences in our bodies alongside others. Radical self-love encourages us to embark on a personal journey of transformation with thoughtful reflection on the origins of our minds and bodies as a source of strength. In doing this, we not only learn to reject negative messages about ourselves but begin to thwart the very power structures that uphold them. Systems of oppression thrive off of our inability to make peace with bodies and difference. Radical self-love not only dismantles shame and self-loathing in us but has the power to dismantle global systems of injustice-because when we make peace with our bodies, only then do we have the capacity to truly make peace with the bodies of others

what is a wellness pod at planet fitness: *The School of Greatness* Lewis Howes, 2015-10-27 When a career-ending injury left elite athlete and professional football player Lewis Howes out of work and living on his sister's couch, he decided he needed to make a change for the better. He started by reaching out to people he admired, searching for mentors, and applying his past coaches' advice from sports to life off the field. Lewis did more than bounce back: He built a multimillion-dollar online business and is now a sought-after business coach, speaker, and podcast host. In *The School of Greatness*, Howes shares the essential tips and habits he gathered in interviewing "the greats" on his wildly popular podcast of the same name. In discussion with people like Olympic gold medalist Shawn Johnson and Pencils of Promise CEO Adam Braun, Howes figured out that greatness is unearthed and cultivated from within. The masters of greatness are not successful because they got lucky or are innately more talented, but because they applied specific habits and tools to embrace and overcome adversity in their lives. A framework for personal development, *The School of Greatness* gives you the tools, knowledge, and actionable resources you need to reach your potential. Howes anchors each chapter with a specific lesson he culled from his greatness "professors" and his own experiences to teach you how to create a vision, develop hustle, and use dedication, mindfulness, joy, and love to reach goals. His lessons and practical exercises prove that anyone is capable of achieving success and that we can all strive for greatness in our everyday lives.

what is a wellness pod at planet fitness: *Madame Clairevoyant's Guide to the Stars* Claire Comstock-Gay, 2020-04-21 A fresh, profound, and fun way to look at all things astro while also making spot-on observations about your pop culture faves. —*Cosmopolitan* A soulful exploration of

the twelve astrological signs embodied by our living “stars”—from divas to philosophers, poets to punks—and the ways they can help us better understand ourselves and each other, from the wildly popular astrology columnist for New York magazine’s The Cut. Whether you believe in it or not, astrology’s job has never been to give us a preordained vision of the future, nor to sort us into twelve neat personality types, but to provide the tools and language for delving into our weirdest, best, most thorny contradictions, and for understanding ourselves and each other in our full complexity. The stars and the planets then are more like mirrors that show us who we are, that give us an understanding of how to be and how to move through the world; how certain people do it differently, and what we can learn by studying them. In Madame Clairevoyant’s Guide to the Stars, Claire Comstock-Gay brings the sky down to Earth and points to our popular “stars”—from Aretha Franklin to Mr. Rogers, from poets in Cancer to punk singers in Scorpio—to reveal what the sky has to teach us about being human. In this wise, lyrically written guide, she examines the twelve astrological signs, illuminating the ways each one is more complicated, beautiful, and surprising than you might have been told. Claire suggests that actually it’s okay, and even important, to be a seeker, to hunger for self-knowledge, and if astrology is the vehicle for that inquiry, so be it. Madame Clairevoyant’s Guide to the Stars offers a clear introduction to the basics and an innovative new framework for creatively using astrology to illuminate our lives on earth. It’s a road map to our internal world, yes, but Claire also reminds us that it’s still our job to navigate it. Combining both heavenly insights and the earthly wisdom of writers like Cheryl Strayed and Heather Havrilesky and the poetry of Patricia Lockwood and Mary Oliver, Madame Clairevoyant’s Guide to the Stars offers a fresh, profound, and fun way to look at ourselves and others, and perhaps see each more clearly. And in that way, this book is not just beautiful, but transformative.

what is a wellness pod at planet fitness: Sunshine Warm Sober Catherine Gray, 2021-06-10 The long-awaited sequel to THE UNEXPECTED JOY OF BEING SOBER 'Exquisite' - Fearnie Cotton, Happy Place 'A paean to the longer-term pleasures of staying booze-free' - The Guardian 'The kind of book that changes lives, and very possibly saves them' - The Lancet Psychiatry 'A reflective, raw and riveting read. A beautiful book on what it takes to root for yourself' - Emma Gannon, Ctrl Alt Delete 'No other author writes about sober living with as much warmth or emotional range as Catherine Gray. Her deep insight into the subtle psychologies of drinking, and of life, means that everything she writes is both utterly relatable and stretches our minds. Hers is a rare wisdom.' - Dr Richard Piper, CEO, Alcohol Change UK What's it like to give up drinking forever? We know now that being teetotal for one, three, even twelve months brings surprising joys and a recharged body... but nothing has been written about going years deep into being alcohol-free. As Catherine Gray, author of runaway success The Unexpected Joy of Being Sober, streaks towards a decade sober, she explores this uncharted territory in her trademark funny, disruptive and warm way. This is a must-read for anyone sober-curious, whether they've put down the bottle yet or not. Praise for The Unexpected Joy of Being Sober: 'Fascinating' - Bryony Gordon 'Truthful, modern and real' - Stylist 'Brave, witty and brilliantly written' - Marie Claire 'Gray's tale of going sober is uplifting and inspiring' - Evening Standard 'Not remotely preachy' - Sunday Times 'Jaunty, shrewd and convincing' - Sunday Telegraph 'Admirably honest, light, bubbly and remarkably rarely annoying' - Guardian 'An empathetic, warm and hilarious tale from a hugely likeable human' - The Lancet Psychiatry

what is a wellness pod at planet fitness: Short-Term Keto Tara Garrison, 2022-02-01 The ketogenic diet has been wildly popular for several years. In fact, you may feel like everyone you know is on the keto diet—or at least has tried to live life on the keto diet. That’s where many people run into a pitfall. Keto is often seen as being unsustainable for the long term. That’s where nutritionist, personal trainer, and health coach Tara Garrison comes in with her expert advice about the proven benefits of a shorter-duration keto plan. In Short-Term Keto, Garrison explains why the keto diet makes sense and shares success stories from people who’ve made it work. Then she explains how to increase your chance for success if you’re new to keto or how to reintroduce carbs if you’ve used keto to meet your goal and need to maintain your health and weight loss. Garrison’s

plan enables you to customize your meals for the carb count that's right for you. She describes different eating models—One Meal a Day, Targeted Ketogenic Diet, and Cyclical Ketogenic Diet—so that you can listen to your body's cues to follow the plan that suits you best. She even includes recommendations for athletes whose carb needs may vary because of events, performance goals, and weight changes. Garrison's delicious recipes, complete with carb counts, will help you find the inspiration to feed yourself well for the long term!

what is a wellness pod at planet fitness: *Sleep Smarter* Shawn Stevenson, 2016-09-06 Shawn Stevenson is a health expert with a background in biology and kinesiology who has helped thousands of people worldwide to improve their health, through his private work as well as his #1 Nutrition and Fitness podcast on iTunes. In his work, Shawn brings a well-rounded perspective to the perennial question: how can we feel better? In investigating complex health issues such as weight loss, chronic fatigue and hormone imbalance, Shawn realised that many health problems start with one criminally overlooked aspect of our routine - sleep. In *Sleep Smarter* Shawn explores the little-known and even less-appreciated facts about sleep's influence on every part of our life. Backed by the latest scientific research and packed with personal anecdotes and tips from leaders in the field of sleep research, this book depicts the dangers of insufficient sleep - from weight retention to memory loss to bad sex to increased risk of disease. In his clear, personable and relatable style Shawn offers 21 simple, immediately applicable ways for readers to take their well-being into their own hands and improve their sleep now

what is a wellness pod at planet fitness: *Deliciously Ella* Ella Woodward, 2015-03-03 From the founder of the wildly popular food blog *Deliciously Ella*, 120 plant-based, dairy-free, and gluten-free recipes with gorgeous, full-color photographs that capture the amazing things we can do with natural ingredients. In 2011, nineteen-year-old Ella Woodward was diagnosed with a rare illness that left her bed-ridden, in chronic pain, and plagued by heart palpitations and headaches. When conventional medicine failed her, Ella decided to change her diet. She gave up meat, gluten, dairy, sugar, and anything processed—and the effects were immediate: her symptoms disappeared, her energy returned, and she was able to go off all her medication. A self-confessed sweet tooth, Ella taught herself how to make delicious, plant-based meals that delight the palette and improve overall well-being. *Deliciously Ella* is an essential, how-to guide to clean, plant-based eating, taking you through the best ingredients and methods for preparing easy, exciting meals. This is not a diet—it's about creating a new mindset that embraces fantastic food. From sweet potato brownies to silky chocolate mousse and roasted butternut squash risotto and homemade fries and ketchup, Ella shares 100 brand-new recipes and twenty classics in her signature, elegant style. Packed with vivid photos and simple, foolproof instructions, *Deliciously Ella* provides a foundation for a pure, unprocessed, unrefined diet, so you can look and feel better while enjoying great food.

what is a wellness pod at planet fitness: *The Proof is in the Plants* Simon Hill, 2021-05-04 What if there was a way of eating that may help us live healthier for longer and protect the future of our planet, too? The good news is that evidence now shows a plant-based diet may offer us exactly that - and straight-talking nutritionist Simon Hill has done the hard work translating the science into actionable advice for everyday life. Before transitioning to a plant-based diet Simon held many of the common misconceptions. But instead he experienced incredible improvements in his energy levels, digestion, mental clarity and post-workout recovery after making the shift. He'd finally understood the power of food and was determined to find out - and share - the agenda-free truth about the optimum diet for human health. By undertaking a master's degree in nutrition, poring over the latest scientific papers and books, and producing hundreds of hours of his internationally successful *Plant Proof* podcast, Simon has pursued the answers to all the questions he had about fuelling our bodies with more plants. Now, in his first book, he brings it all together into one inspiring and practical guide. It covers: - The reasons why we're all so confused about what to eat - The evidence showing how a plant-based diet might reduce risks of heart attacks and strokes, type 2 diabetes, cancer and dementia - The positive impact of plant-based living for the climate and animal welfare - Common myths about a plant-based diet - and what the real facts are - How to build a healthy, satisfying

plant-based plate, from macronutrients to micronutrients – Practical tips for making the shift, and much more. If you want to understand and unlock the many benefits of putting more plants on your plate, this book is for you.

what is a wellness pod at planet fitness: The Cultural Lives of Whales and Dolphins Hal Whitehead, Luke Rendell, 2015 Drawing on their own research as well as scientific literature including evolutionary biology, animal behavior, ecology, anthropology, psychology and neuroscience, two cetacean biologists submerge themselves in the unique environment in which whales and dolphins live. --Publisher's description.

what is a wellness pod at planet fitness: Client Earth James Thornton, Martin Goodman, 2017-05-11 Environmentally, our planet lacks the laws to keep it safe and those laws we do have are feebly enforced. Every new year is the hottest in human history, while forest, reef, ice, tundra, and species are disappearing forever. It is easy to lose all hope. Who will stop the planet from committing ecological suicide? The UN? Governments? Activists? Corporations? Engineers? Scientists? Whoever, environmental laws need to be enforceable and enforced. Step forward a fresh breed of passionately purposeful environmental lawyers. They provide new rules to legislatures, see that they are enforced, and keep us informed. They tackle big business to ensure money flows into cultural change, because money is the grammar of business just as science is the grammar of nature. At the head of this new legal army stands James Thornton, who takes governments to court, and wins. And his client is the Earth. With Client Earth, we travel from Poland to Ghana, from Alaska to China, to see how citizens can use public interest law to protect their planet. Foundations and philanthropists support the law group ClientEarth because they see, plainly and brightly, that the law is a force all parties recognize. Lawyers who take the Earth as their client are exceptional and inspirational. They give us back our hope. PRAISE FOR JAMES THORNTON AND MARTIN GOODMAN 'Humanity's grace and dignity are restored each time a case is successfully brought and won ... by these exceptional environmental lawyers.' Sculpture

what is a wellness pod at planet fitness: Mindfulness J. Mark G. Williams, Mark Williams, Danny Penman, 2011 THE LIFE-CHANGING BESTSELLER. MINDFULNESS reveals a set of simple yet powerful practices that can be incorporated into daily life to help break the cycle of unhappiness, stress, anxiety and mental exhaustion and promote genuine joie de vivre. It's the kind of happiness that gets into your bones. It seeps into everything you do and helps you meet the worst that life can throw at you with new courage. The book is based on Mindfulness-Based Cognitive Therapy (MBCT). MBCT revolves around a straightforward form of mindfulness meditation which takes just a few minutes a day for the full benefits to be revealed. MBCT has been clinically proven to be at least as effective as drugs for depression and it is recommended by the UK's National Institute of Clinical Excellence - in other words, it works. More importantly it also works for people who are not depressed but who are struggling to keep up with the constant demands of the modern world. MINDFULNESS focuses on promoting joy and peace rather than banishing unhappiness. It's precisely focused to help ordinary people boost their happiness and confidence levels whilst also reducing anxiety, stress and irritability.

what is a wellness pod at planet fitness: Guide to Hydrothermal Spa Development Standards Global Wellness Institute, 2016-03-09 The Guide to Hydrothermal Spa Development Standards is published by the Global Wellness Institute and was created to provide design and building guidelines for hydrothermal areas (also known as wet areas) in spas and private residences. Hydrothermal bathing (including saunas, hamams, steam rooms, hydrotherapy pools, etc.), with its benefits of cleansing, detoxifying and improving the immune system, dates back thousands of years and is one of the most ancient spa practices. The goal of this guide is to provide readers - whether they be spa owners, consultants, developers, interior designers, architects, builders, professors, students or anyone embarking on the study or build of a hydrothermal facility - with a consistent and effective means to approach the planning and construction of these unique areas and to avoid common, costly mistakes.

what is a wellness pod at planet fitness: Lifespan David A. Sinclair, Matthew D. LaPlante,

2019-09-10 A NEW YORK TIMES BESTSELLER “Brilliant and enthralling.” —The Wall Street Journal
A paradigm-shifting book from an acclaimed Harvard Medical School scientist and one of Time’s most influential people. It’s a seemingly undeniable truth that aging is inevitable. But what if everything we’ve been taught to believe about aging is wrong? What if we could choose our lifespan? In this groundbreaking book, Dr. David Sinclair, leading world authority on genetics and longevity, reveals a bold new theory for why we age. As he writes: “Aging is a disease, and that disease is treatable.” This eye-opening and provocative work takes us to the frontlines of research that is pushing the boundaries on our perceived scientific limitations, revealing incredible breakthroughs—many from Dr. David Sinclair’s own lab at Harvard—that demonstrate how we can slow down, or even reverse, aging. The key is activating newly discovered vitality genes, the descendants of an ancient genetic survival circuit that is both the cause of aging and the key to reversing it. Recent experiments in genetic reprogramming suggest that in the near future we may not just be able to feel younger, but actually become younger. Through a page-turning narrative, Dr. Sinclair invites you into the process of scientific discovery and reveals the emerging technologies and simple lifestyle changes—such as intermittent fasting, cold exposure, exercising with the right intensity, and eating less meat—that have been shown to help us live younger and healthier for longer. At once a roadmap for taking charge of our own health destiny and a bold new vision for the future of humankind, *Lifespan* will forever change the way we think about why we age and what we can do about it.

what is a wellness pod at planet fitness: The Plantpower Way: Italia Rich Roll, Julie Piatt, 2018-04-24 A plant-fueled lifestyle guide to la bella vita, complete with 125 vegan Italian recipes the whole family will love, from the authors of *The Plantpower Way*. Julie Piatt and Rich Roll have inspired countless people to embrace a plant-fueled lifestyle, and through their advocacy efforts, podcasts, and talks, thousands of people are now living healthier and more vibrant lives. Now, with their new cookbook, they're doing it again but with added Italian flair. If you think a healthy vegan lifestyle means giving up your favorite creamy pastas and cheesy pizzas, then think again. In *The Plantpower Way: Italia*, they pay homage to Italy's rich food history with an inspiring collection of 125 entirely plant-based recipes for the country's most popular and time-honored dishes. Julie is known for her creativity and resourcefulness in the kitchen, and her recipes will show just how rich and luscious Italian cuisine can be, without a drop of dairy in sight! Filled with fresh vegan takes on Italian staples, inventive new recipes, and stunning photographs of the Italian countryside, *The Plantpower Way: Italia* is a celebration of Italy's most delicious flavors and will show everyone a fresh, beautiful, and healthful side to Italian cooking.

what is a wellness pod at planet fitness: Sensor Technologies Michael J. McGrath, Cliodhna Ni Scanail, Dawn Nafus, 2014-01-23 *Sensor Technologies: Healthcare, Wellness and Environmental Applications* explores the key aspects of sensor technologies, covering wired, wireless, and discrete sensors for the specific application domains of healthcare, wellness and environmental sensing. It discusses the social, regulatory, and design considerations specific to these domains. The book provides an application-based approach using real-world examples to illustrate the application of sensor technologies in a practical and experiential manner. The book guides the reader from the formulation of the research question, through the design and validation process, to the deployment and management phase of sensor applications. The processes and examples used in the book are primarily based on research carried out by Intel or joint academic research programs. “*Sensor Technologies: Healthcare, Wellness and Environmental Applications* provides an extensive overview of sensing technologies and their applications in healthcare, wellness, and environmental monitoring. From sensor hardware to system applications and case studies, this book gives readers an in-depth understanding of the technologies and how they can be applied. I would highly recommend it to students or researchers who are interested in wireless sensing technologies and the associated applications.” Dr. Benny Lo Lecturer, The Hamlyn Centre, Imperial College of London
“This timely addition to the literature on sensors covers the broad complexity of sensing, sensor types, and the vast range of existing and emerging applications in a very clearly written and

accessible manner. It is particularly good at capturing the exciting possibilities that will occur as sensor networks merge with cloud-based 'big data' analytics to provide a host of new applications that will impact directly on the individual in ways we cannot fully predict at present. It really brings this home through the use of carefully chosen case studies that bring the overwhelming concept of 'big data' down to the personal level of individual life and health." Dermot Diamond Director, National Centre for Sensor Research, Principal Investigator, CLARITY Centre for Sensor Web Technologies, Dublin City University Sensor Technologies: Healthcare, Wellness and Environmental Applications takes the reader on an end-to-end journey of sensor technologies, covering the fundamentals from an engineering perspective, introducing how the data gleaned can be both processed and visualized, in addition to offering exemplar case studies in a number of application domains. It is a must-read for those studying any undergraduate course that involves sensor technologies. It also provides a thorough foundation for those involved in the research and development of applied sensor systems. I highly recommend it to any engineer who wishes to broaden their knowledge in this area! Chris Nugent Professor of Biomedical Engineering, University of Ulster

what is a wellness pod at planet fitness: Voicing Change Rich Roll, 2021 AT A TIME WHEN MANY ARE SEEKING INSTANT GRATIFICATION, A SHORTCUT TO SUCCESS, A PROVEN HACK TO MASTERY, OR A COMFORTABLE WAY THROUGH PERSONAL TRANSFORMATION, RICH ROLL HAS MADE HIS PROCESS PUBLIC-AN EXERCISE IN COUNTER-PROGRAMMING THAT HAS RESONATED WITH A GLOBAL AUDIENCE. what is a wellness pod at planet fitness: Uncommon Ground Dominick Tyler, 2015 An enchanting visual glossary of the British landscape.

what is a wellness pod at planet fitness: The Pegan Diet Dr. Mark Hyman, 2021-02-23 Twelve-time New York Times bestselling author Mark Hyman, MD, presents his unique Pegan diet—including meal plans, recipes, and shopping lists. For decades, the diet wars have pitted advocates for the low-carb, high-fat paleo diet against advocates of the exclusively plant-based vegan diet and dozens of other diets leaving most of us bewildered and confused. For those of us on the sidelines, trying to figure out which approach is best has been nearly impossible—both extreme diets have unique benefits and drawbacks. But how can it be, we've asked desperately, that our only options are bacon and butter three times a day or endless kale salads? How do we eat to reverse disease, optimal health, longevity and performance. How do we eat to reverse climate change?

There must be a better way! Fortunately, there is. With The Pegan Diet's food-is-medicine approach, Mark Hyman explains how to take the best aspects of the paleo diet (good fats, limited refined carbs, limited sugar) and combine them with the vegan diet (lots and lots of fresh, healthy veggies) to create a delicious diet that is not only good for your brain and your body, but also good for the planet. Featuring thirty recipes and plenty of infographics illustrating the concepts, The Pegan Diet offers a balanced and easy-to-follow approach to eating that will help you get, and stay, fit, healthy, focused, and happy—for life.

what is a wellness pod at planet fitness: The Everyday Ayurveda Cookbook Kate O'Donnell, 2016-10-11 Keeping digestion on track is the key to health in Ayurveda, and eating natural, homemade foods in accordance with personal constitution and changes in environment is often all that we need to find balance. In The Everyday Ayurveda Cookbook, Kate O'Donnell inspires you to get into the kitchen and explore this time-honored system of seasonal eating for health and vibrancy. Season by season, learn how the changing weather and environment both mirror and influence your body and appetite. Foundational everyday recipes can be adapted to any season and any dosha for nourishing, flavorful meals. Includes lifestyle advice on meal planning, self-care regimens, and how to ensure health during the change of seasons.
