Andrew Marvell's "To His Coy Mistress": A Definition of Love Analysis

Introduction:

Andrew Marvell's "To His Coy Mistress" isn't your typical love poem. It's a masterful blend of wit, passion, and philosophical argument, leaving readers grappling with its complex portrayal of love, time, and mortality. This in-depth analysis will delve into the poem's intricate structure, exploring Marvell's unique definition of love, how he uses contrasting arguments to build his case, and the ultimate message he conveys about the fleeting nature of life and the urgency of passion. We will unpack the poem's rich imagery, explore the speaker's persuasive tactics, and ultimately assess how Marvell crafts a compelling, albeit unconventional, vision of love. Prepare to be captivated by the enduring power and enduring relevance of this 17th-century masterpiece.

I. The Paradox of Time: A Carpe Diem Argument Reimagined

Marvell's poem is famously built upon the "carpe diem" (seize the day) theme, but he elevates it beyond a simple exhortation to enjoy the present. The poem's structure is tripartite, mirroring a persuasive argument. The first section establishes an idealized, leisurely courtship, filled with hyperbolic compliments and expansive promises: "Had we but world enough, and time, / This coyness, lady, were no crime." Here, Marvell paints a picture of infinite time, allowing for endless courtship and leisurely affection. However, this idyllic scenario serves as a foil for the stark reality that follows. The idyllic imagery, rife with hyperbole ("I could love you ten thousand years before the Flood"), directly contradicts the later, more urgent tone. This deliberate contrast is key to understanding Marvell's approach. The extended metaphors of geological time and vast geographical spaces highlight the speaker's willingness to indulge in idealized romantic fantasies, were time not a limiting factor.

II. The Irrefutable Power of Mortality: Facing the Grim Reaper

The second section delivers a jarring shift in tone. The speaker confronts the inescapable truth of mortality: "But at my back I always hear / Time's winged chariot hurrying near." This powerful imagery abruptly shatters the initial fantasy. The previously expansive landscape shrinks, replaced by the imminent threat of death. This section utilizes vivid imagery – "vegetable love," "worms," and "ashes" – to underscore the poem's central theme: the

transience of life. Marvell masterfully employs a visceral description of physical decay to emphasize the urgency of seizing the present moment. The shift from boundless time to impending doom is crucial to understanding the speaker's ultimate argument.

III. The Urgent Plea: A Fusion of Passion and Practicality

The final section presents the speaker's forceful argument for immediate consummation of their love. He moves beyond a simple plea and incorporates a pragmatic perspective: "Thus, though we cannot make our sun / Stand still, yet we will make him run." The imagery here shifts again, focusing on seizing the limited time they have. The speaker isn't merely urging passion; he's proposing a strategic approach to making the most of their fleeting time together. This section, while passionate, is also calculated and assertive. The speaker's argument is no longer hypothetical; it's a direct appeal based on the undeniable reality of their mortality. This section also subtly shifts the power dynamic, suggesting a persuasive, rather than coercive, tactic by the speaker. The coy mistress is not simply being pressured; she's being presented with a logical, albeit passionate, argument.

IV. Marvell's Definition of Love: A Complex Equation

Marvell's "definition" of love within the poem is not a simple declaration but a complex equation interwoven with time, mortality, and desire. It's a love that acknowledges the limitations of life and uses this awareness to fuel its intensity. It's a love that is not passive but actively engages with the constraints of time and mortality. The poem suggests that true love is not merely a leisurely pursuit but an urgent, passionate response to the finite nature of existence. It is a love that is both physically and intellectually engaging, a fusion of desire and reasoned argument.

V. The Coy Mistress: A Study in Character and Response

The "coy mistress" herself remains a fascinating enigma. Is she genuinely resistant to the speaker's advances, or is her coyness a strategic tactic, a playful form of resistance that ultimately yields to the speaker's persuasive arguments? Analyzing her implied responses within the poem, rather than providing her an explicit voice, remains a critical aspect of understanding the dynamics of their interaction. The poem's strength lies in its ambiguity, allowing readers to interpret her character and her ultimate acquiescence. The lack of direct dialogue compels the reader to actively participate in interpreting the unspoken.

VI. Legacy and Influence:

"To His Coy Mistress" continues to resonate with readers centuries later due to its timeless exploration of themes that remain universally relevant – love, time, and mortality. The poem's skillful use of contrasting arguments,

witty phrasing, and powerful imagery continues to inspire literary analysis and critical discussion. Its influence can be seen in countless subsequent works that grapple with the same fundamental themes, underscoring its enduring power and lasting impact on literature.

VII. Conclusion: A Timeless Masterpiece

Andrew Marvell's "To His Coy Mistress" is more than just a love poem; it's a profound meditation on the human condition. By confronting the limitations of time and mortality, Marvell crafts a powerful argument for seizing the present and embracing passionate love with urgency and intention. The poem's enduring appeal lies in its complex interplay of wit, passion, and philosophical depth, leaving a lasting impression on the reader long after the final line is read.

Outline:

Title: Andrew Marvell's "To His Coy Mistress": A Definition of Love Analysis

I. Introduction: Hook and overview of the analysis.

II. The Paradox of Time: Analyzing the "carpe diem" argument and its ironic presentation.

III. The Irrefutable Power of Mortality: Exploring the shift in tone and the use of imagery to emphasize mortality.

IV. The Urgent Plea: Examining the speaker's persuasive strategy and its pragmatic undertones.

V. Marvell's Definition of Love: Deconstructing the poem's complex portrayal of love.

VI. The Coy Mistress: Analyzing the character and her potential responses.

VII. Legacy and Influence: Discussing the poem's lasting impact on literature.

VIII. Conclusion: Summarizing the analysis and highlighting the poem's enduring significance.

(Now, the detailed explanation for each point in the outline is already incorporated within the main body of the article above.)

FAQs:

1. What is the main theme of "To His Coy Mistress"? The central theme revolves around the urgency of love in the face of mortality.
1. How does Marvell use imagery in the poem? Marvell employs vivid and contrasting imagery to emphasize the vastness of time versus its limited nature, and the beauty of life contrasted with the inevitability of death.
1. What is the significance of the poem's tripartite structure? The three-part structure mirrors a persuasive argument, moving from idyllic fantasy to stark reality to urgent appeal.
1. Who is the "coy mistress"? The "coy mistress" is a female character whose coyness is both a source of the speaker's challenge and the catalyst for his persuasive argument. Her true character remains open to interpretation.
1. What is the tone of the poem? The tone shifts dramatically, from playful and idealized in the first section to urgent and passionate in the later sections.
1. How does the poem relate to the "carpe diem" theme? It reimagines the "carpe diem" theme, not as a simple exhortation but as a complex argument rooted in the understanding of mortality.
1. What literary devices does Marvell employ? Marvell uses hyperbole, metaphor, personification, and irony to achieve his effect.
1. What is the speaker's ultimate goal in the poem? The speaker aims to persuade the "coy mistress" to embrace immediate physical intimacy, driven by the awareness of their limited time.

1. What is the lasting significance of "To His Coy Mistress"? The poem's enduring relevance comes from its exploration of universal themes that transcend time and culture – love, loss, mortality, and the nature of desire.

andrew marvell the definition of love analysis: Literature and Politics in Cromwellian England Blair Worden, 2007-12-06 In this book the pre-eminent historian of Cromwellian England takes a fresh approach to the literary biography of the two great poets of the Puritan Revolution, John Milton and Andrew Marvell. Blair Worden reconstructs the political contexts within which Milton and Marvell wrote, and reassesses their writings against the background of volatile and

dramatic changes of public mood and circumstance. Two figures are shown to have been prominent in their minds. First there is Oliver Cromwell, on whose character and decisions the future of the Puritan Revolution and of the nation rested, and whose ascent the two writers traced and assessed, in both cases with an acute ambivalence. The second is Marchamont Nedham, the pioneering journalist of the civil wars, a close friend of Milton and a man whose writings prove to be intimately linked to Marvell's. The high achievements of Milton and Marvell are shown to belong to world of pressing political debate which Nedham's ephemeral publications helped to shape. The book follows Marvell's transition from royalism to Cromwellianism. In Milton's case we explore the profound effect on his outlook brought by the execution of King Charles I in 1649; his difficult and disillusioning relationship with the successive regimes of the Interregnum; and his attempt to come to terms, in his immortal poetry of the Restoration, with the failure of Puritan rule.

andrew marvell the definition of love analysis: Midsummer Derek Walcott, 2014-09-09 The poems in this sequence of fifty-four were written to encompass one year, from summer to summer. Their principal themes are the stasis, both stultifying and provocative, of midsummer in the tropics; the pull of the sea, family, and friendship on one whose circumstances lead to separation; the relationship of poetry to painting; and the place of a poet between two cultures. Walcott records, with his distinctive linguistic blend of soaring imagery and plainly stated facts, the experience of a mid-lief period--in reality and in memory or the imagination. As Louis Simpson wrote on the publication of Walcott's *The Fortunate Traveller*, Walcott is a spellbinder. Of how many poets can it be said that their poems are compelling--not a mere stringing together of images and ideas but language that delights in itself, rhythms that seem spontaneous, scenes that are vividly there?...The poet who can write like this is a master.

andrew marvell the definition of love analysis: *The Poems of Andrew Marvell* Andrew Marvell, 2017-01-21 *The Poems of Andrew Marvell* With an introduction and notes by G.A. Aitken Letters Translated by A. B Grosart Most of Marvell's poems on political subjects doubtless appeared as broadsides or pamphlets at the time they were written; but of these original issues one only is known to have survived. *The Character of Holland*, written in 1653, printed early, probably, in that year, appears to have been reprinted, in folio, in 1665, with the omission of the latter portion, in which praise was given to Blake and other commanders of the Commonwealth. This mutilated version was again printed, in quarto, in 1672. *The first Anniversary of the Government under his Highness the Lord Protector* was printed, in quarto, by Thomas Newcomb, London, in 1665. *Advice to a Painter* was printed as a four-page folio sheet, without date, but apparently in 1679, after Marvell's death. It is not necessary to justify any effort to make Marvell's Poems more widely known. The sole object of this Preface is to acknowledge my indebtedness to my predecessors, who have, in a greater or less degree, done good service by keeping the poet's name and character in the minds of his countrymen. In 1681, more than two years after Marvell's death, his widow published a collection of his miscellaneous poems. Nearly half a century later Cooke brought out an edition which included the political satires. These pieces could not, of course, be given in the volume of 1681, but they had been printed among other State Poems after the Revolution. Another half century passed before Thompson published an edition of the whole of Marvell's works. Thompson was a Hull captain, and a connection of the poet's family, filled with enthusiasm for his subject, but wanting in the critical training necessary for complete success. In spite, however, of all his shortcomings, it is not to be forgotten that we owe to him some of Marvell's finest poems, and that he was the first to print a large number of Marvell's letters, which are of great assistance in studying his life and writings. Errors in the text grew in number in subsequent cheap editions of the poems, until, in 1872, a century after Thompson, and when I was a scholar at the old Granmiar School at Hull which claimed Marvell as one of its most distinguished pupils, Dr. Grosart published the first volume of a limited edition of Marvell's works. It may be said that that edition was the first in which any serious attempt was made to give an accurate text, or to explain the constant allusions to contemporary events. But greatly as I have been indebted to Dr. Grosart's work, much remained to be done. Many allusions remained unexplained, while some of the notes upon historical events or persons were

written under misapprehension, and the errors in identification led to mistakes in the dating of the poems. In so difficult a field it is not probable that I have entirely escaped pitfalls; and I do not forget that it is far easier to correct others than to be a pioneer.

andrew marvell the definition of love analysis: Andrew Marvell's Liminal Lyrics Joan Faust, 2012 Andrew Marvell's Liminal Lyrics: The Space Between is an interdisciplinary study of the major lyric poems of seventeenth-century British metaphysical poet Andrew Marvell. The poet and his work have generally proven enigmatic to scholars because both refuse to fit into normal categories and expectations. This study invites Marvell readers to view the poet and some of his representative lyrics in the context of the anthropological concept of liminality as developed by Victor Turner and enriched by Arnold Van Gennep, Jacques Lacan, and other observers of the in-between aspects of experience. The approach differs from previous attempts to explain Marvell in that it allows multidisciplinary and multi-media contexts in a broad matrix of the areas of experience and representation that defy boundaries, that blur the line at which entrance becomes exit. This study acknowledges that the poems discussed, and, by implication, the entire corpus of Marvell's work and the life that produced it, derive from a refusal to draw a definite divide. In analyzing a small selection of Marvell's life and lyrics as explorations of various realms of liminality in word and image, readers can see a passageway to the poet's works that never really reaches a destination; instead, the unlimited possibilities of the journey remain. Thus, the in-between aspects of the poet and his poetry actually define his technique as well as his brilliance.

andrew marvell the definition of love analysis: Imagining the Soul in Premodern Literature Abe Davies, 2021-06-28 This book is a study of ghostly matters - of the soul - in literature spanning

the tenth century and the age of Shakespeare. All people, according to John Donne, 'constantly beleieve' that they have an immortal soul. But he also reflects that in fact there is nothing 'so well established as constrains us to beleieve, both that the soul is immortall, and that every particular man hath such a soul'. In understanding the question of man's disembodied part as at once fundamental and fundamentally uncertain he was entirely of his time, and Imagining the Soul in Premodern Literature considers this fraught, shifting, yet uniquely compelling entity in the context of the literary forms and effects involved in its representation. Gruesome medieval dialogues between damned souls and worm-eaten bodies; verse and prose works by Donne, René Descartes, Margaret Cavendish and Andrew Marvell; a profusion of sonnet sequences, sermons, manuals of instruction and travelogues; Hamlet and its natural philosophical thinking about the apparently disembodied soul haunting Elsinore: these chapters range across all this and more, offering a rigorous yet accessible account of an essential aspect of premodern literature that will be of interest to scholars, students and the general reader alike.

andrew marvell the definition of love analysis: *Prufrock and Other Observations* T. S. Eliot, 2021-02-16 *Prufrock and Other Observations* (1917) is a collection of poems by T.S. Eliot. Published following the successful appearance of "The Love Song of J. Alfred Prufrock" in the June 1915 issue of *Poetry: A Magazine of Verse*, *Prufrock and Other Observations* established Eliot's reputation as a leading English poet and pioneering literary Modernist. Opening with "The Love Song of J. Alfred Prufrock," the collection begins with an invocation of Dante, whom Eliot saw as an important innovator of a polyphonic, referential poetry capable of interrogating and dramatizing the construction and representation of the self. The poem is written from the perspective of a repressed, despairing middle-aged man who meditates on his relationships with women and the regrets he has accumulated with age. In "Preludes," a poem of urban malaise, Eliot "thinks of all the hands / That are raising dingy shades / In a thousand furnished rooms," and reaches for an understanding of the world as "some infinitely gentle / Infinitely suffering thing." Other poems include "Morning at the Window," another brief vision of city life, "The Boston Evening Transcript," a satirical reverie on time and community, and "Cousin Nancy," a humorous lyric celebrating Miss Nancy Ellicott, who unabashedly "smoked, / And danced all the modern dances. Both personal and universal, global in scope and intensely insular, Eliot's poetry changed the course of literary history, inspiring countless poets and establishing his reputation as one of the foremost artists of his generation. With a beautifully designed cover and professionally typeset manuscript, this edition of T.S. Eliot's *Prufrock and Other Observations* is a classic of English literature reimagined for modern readers.

andrew marvell the definition of love analysis: *Works* Andrew Marvell, 1772

andrew marvell the definition of love analysis: *Love Poems* Pablo Neruda, 2008-01-17 Sensual, earthy love poems that formed the basis for the popular movie *Il Postino*, now in a beautiful gift book perfect for weddings, Valentine's Day, anniversaries, or just to say I love you! Charged with sensuality and passion, Pablo Neruda's love poems caused a scandal when published anonymously in 1952. In later editions, these verses became the most celebrated of the Noble Prize winner's oeuvre, captivating readers with earthbound images that reveal in gentle lingering lines an erotic re-imagining of the world through the prism of a lover's body: today our bodies became vast, they grew to the edge of the world / and rolled melting / into a single drop / of wax or meteor.... Written on the paradisaal island of Capri, where Neruda took refuge in the arms of his lover Matilde Urrutia, *Love Poems* embraces the seascapes around them, saturating the images of endless shores and waves with a new, yearning eroticism. This wonderful book collects Neruda's most passionate verses.

andrew marvell the definition of love analysis: *Poems* Andrew Marvell, 2004 The great seventeenth-century metaphysical poet Andrew Marvell was one of the chief wits and satirists of his time as well as a passionate defender of individual liberty. Today, however, he is known chiefly for his brilliant lyric poems, including "The Garden," "The Definition of Love," "Bermudas," "To His Coy Mistress," and the "Horatian Ode" to Cromwell. Marvell's work is marked by extraordinary variety, ranging from incomparable lyric explorations of the inner life to satiric poems on the famous men

and important issues of his time—one of the most politically volatile epochs in England’s history. From the lover’s famous admonition, “Had we but World enough, and Time, / This coyness, Lady, were no crime,” to the image of the solitary poet “Annihilating all that’s made / To a green Thought in a green Shade,” Marvell’s poetry has earned a permanent place in the canon and in the hearts of poetry lovers.

andrew marvell the definition of love analysis: The Double Flame Octavio Paz, 1996 A collection of essays examines the themes of love and sex in literature, from Plato to modern fiction.

andrew marvell the definition of love analysis: The Complete Poems Andrew Marvell, 1985 Member of Parliament, tutor to Oliver Cromwell's ward, satirist and friend of John Milton, Andrew Marvell was one of the most interesting and important poets of the seventeenth century. The Complete Poems demonstrates his unique skill and immense diversity to the full, and includes lyrical love-poetry, religious works and biting satire. From the passionately erotic To his Coy Mistress, to the astutely political Cromwellian poems and the profoundly spiritual On a Drop of Dew, in which he considers the nature of the soul, these works are masterpieces of clarity and metaphysical imagery. Eloquent and compelling, they remain among the most vital and profound works of the era - works by a figure who, in the words of T. S. Eliot, speaks clearly and unequivocally with the voice of his literary age'.

andrew marvell the definition of love analysis: How to Read Poetry Like a Professor Thomas C. Foster, 2018-03-27 From the bestselling author of How to Read Literature Like a Professor comes this essential primer to reading poetry like a professor that unlocks the keys to enjoying works from Lord Byron to the Beatles. No literary form is as admired and feared as poetry. Admired for its lengthy pedigree—a line of poets extending back to a time before recorded history—and a ubiquitous presence in virtually all cultures, poetry is also revered for its great beauty and the powerful emotions it evokes. But the form has also instilled trepidation in its many admirers mainly because of a lack of familiarity and knowledge. Poetry demands more from readers—intellectually, emotionally, and spiritually—than other literary forms. Most of us started out loving poetry because it filled our beloved children's books from Dr. Seuss to Robert Louis Stevenson. Eventually, our reading shifted to prose and later when we encountered poetry again, we had no recent experience to make it feel familiar. But reading poetry doesn't need to be so overwhelming. In an entertaining and engaging voice, Thomas C. Foster shows readers how to overcome their fear of poetry and learn to enjoy it once more. From classic poets such as Shakespeare, Samuel Taylor Coleridge, and Edna St. Vincent Millay to later poets such as E.E. Cummings, Billy Collins, and Seamus Heaney, How to Read Poetry Like a Professor examines a wide array of poems and teaches readers: How to read a poem to understand its primary meaning. The different technical elements of poetry such as meter, diction, rhyme, line structures, length, order, regularity, and how to learn to see these elements as allies rather than adversaries. How to listen for a poem's secondary meaning by paying attention to the echoes that the language of poetry summons up. How to hear the music in poems—and the poetry in songs! With How to Read Poetry Like a Professor, readers can rediscover poetry and reap its many rewards.

andrew marvell the definition of love analysis: The Metaphysical Poets Helen Gardner, 1967 John Milton, Thomas Carew, Sir William Davenant, Henry Vaughan, Andrew Marvell, George Herbert, Sir Walter Raleigh, Robert Southwell, John Donne, Richard Crashaw form part of the 17th century poets who became known as metaphysical. In this anthology Dame Helen Gardner has collected together those poets who although never self consciously a school, did possess in common certain features of argument and powerful persuasion.

andrew marvell the definition of love analysis: The Weather of Words Mark Strand, 2001-11-13 From the Pulitzer Prize-winning poet, a brilliant and witty collection of writings on the art and nature of poetry -- a master class both entertaining and provocative. The pieces have a broad range and many levels. In one, we sit with the teenage Mark Strand while he reads for the first time a poem that truly amazes him: You, Andrew Marvell by Archibald MacLeish, in which night sweeps in an unstoppable but exhilarating circle around the earth toward the speaker standing at noon. The essay goes on to explicate the poem, but it also evokes, through its form and content, the poem's meaning -- time's circular passage -- with the young Strand first happening upon the poem, the older Strand seeing into it differently, but still amazed. Among the other subjects Strand explores: the relationship between photographs and poems, the eternal nature of the lyric, the contemporary use of old forms, four American views of Parnassus, and an alphabet of poetic influences. We visit as well

Strandian parallel universes, whose absurdity illuminates the lack of a vital discussion of poetry in our culture at large: Borges drops in on a man taking a bath, perches on the edge of the tub, and discusses translation; a president explains in his farewell address why he reads Chekhov to his cabinet. Throughout *The Weather of Words*, Mark Strand explores the crucial job of poets and their readers, who together joyfully attempt the impossible -- to understand through language that which lies beyond words.

andrew marvell the definition of love analysis: Songs and Sonnets John Donne, 2015-06-02
Songs and Sonnets from John Donne. English poet, satirist, lawyer and a cleric in the Church of England (1572-1631).

andrew marvell the definition of love analysis: Perspectives on Criticism Ed. Mohit K. Ray, 2002 Philosophical Speculations About The Origin Of Poetry And The Nature And Function Of Criticism Have Engaged The Attention Of Poets And Critics For Over 2500 Years In The West And Still There Is No Consensus Either Regarding The Mysterious Process Of Creation Or The Proper Function Of Literary Criticism. One Reason, Of Course, Is That There Is A Lack Of Definiteness Both About The Nature Of The Object And About The Tools For Judging It. Unlike An Architecture A Temple Or A Mosque A Literary Work Does Not Conveniently Exist In Space And Time. Paradoxically, Though Frozen In Time It Transcends Time. The Problem Is Further Complicated By The Fact That Since Reading A Poem Is An Aesthetic Experience We Cannot Read The Same Poem Twice, Because During The Period Intervening Between The First Reading And The Second We Have Changed. However, In Recent Years, Particularly During The Second Half Of The Twentieth Century Literary Criticism Has Burgeoned Into Too Many Schools And Theories Resulting In A Complete Critical Anarchy. In This Period Of Confusion, Standing On The Darkling Plain As We Are, We Must Focus On The Real Function Of Literature And Save Literature From Being A Casualty In The Cross-Fire Of Literary Theories. Literary Criticism Is A Discourse On Literature, An Art Of Judging Literature And Deciding How Far And For What Reasons A Literary Work Is Good Or Bad, Great Or Useless. In Fact, The Term Criticism Is Derived From The Greek *Krino* Which Means To Judge And *Krites* Which Means A Judge. We Should Never Lose Sight Of The Fact That Literary Criticism Must Be Literary Criticism. And The Literary Value Of A Work Must Be Judged By Literary Criteria Alone. The Essays Included In This Volume Constitute A Significant Body Of Literary Criticism In The True Sense Of The Term. Keeping Their Focus Sharply On The Literary Text The Critics, By Comparison And Analysis, Have Tried To Evaluate Different Authors And Their Works. In Their Wider Groupings They Have Also Embraced The Other Areas Such As The Relation Between Linguistics, Literary Criticism, Scholarship And Teaching, Etc.

andrew marvell the definition of love analysis: Daphnis and Chloe Andrew Marvell, 1986

andrew marvell the definition of love analysis: I Carry Your Heart with Me E. e. cummings, 2017-08-22 *I CARRY YOUR HEART WITH ME*, rereleased as a board book, is a children's adaptation of the beloved E. E. Cummings poem, beautifully illustrated by Mati Rose McDonough. Showing the strong bond of love between mother and child, within nature and throughout life, Cummings' heartfelt words expressed through McDonough's lovely illustrations combine to create a fresh, yet classic, portrayal of love.

andrew marvell the definition of love analysis: Let Us Go Then, You and I T. S. Eliot, 2009-11 *Let Us Go Then, You and I* is a new edition of T. S. Eliot's selected poems, published to celebrate his nomination as the 'Nation's Favourite Poet' in a BBC poll for National Poetry Day 2009.

andrew marvell the definition of love analysis: Love and Russian Literature Ira B. Nadel, 2023-11-30 Russia haunted the British cultural imagination throughout the 20th century — whether as a romantic source of literary and political inspiration or as a warning of creeping totalitarianism. In this new book, Ira Nadel, charts the story of that influence through the work of some of the key figures in British literature across the century, including Joseph Conrad, Somerset Maugham, Jane Harrison, Virginia Woolf, and H.G. Wells. Framed by the story of two romantic encounters, between Walter Benjamin and the actress Asja Lacis in Moscow in 1926 and between Isaiah Berlin and Anna Akhmatova in 1945, *Love and Russian Literature* casts a vivid new light on the ways in which

responses to Russia shaped the history of British modernism.
