We're not just about surface-level treatments; we're committed to nurturing your mind, body, and spirit to achieve a lasting sense of well-being. This comprehensive guide will explore the unique services offered at Angel's Touch Skincare & Wellness LLC, helping you understand how we can help you achieve your health and beauty goals.

Understanding Angel's Touch Skincare & Wellness LLC's Holistic Approach

Angel's Touch Skincare & Wellness LLC differentiates itself through a deeply personalized approach. We understand that every individual is unique, with specific needs and concerns. Our philosophy centers around creating customized treatment plans that address your individual requirements. We believe in a holistic approach, acknowledging the interconnectedness of your physical, emotional, and mental health. This means considering your lifestyle, diet, and overall well-being when developing your personalized skincare and wellness journey. We don't simply treat symptoms; we strive to identify and address the root causes of any imbalances.

Exceptional Skincare Services at Angel's Touch

Our skincare services are designed to revitalize and rejuvenate your skin, leaving you feeling confident and radiant. We offer a range of treatments, including:

Custom Facial Treatments: Tailored to your skin type and concerns, our facials utilize high-quality products and techniques to cleanse, exfoliate, and nourish your skin. We address issues like acne, aging, hyperpigmentation, and dryness, leaving your skin feeling smoother, brighter, and healthier.

Chemical Peels: For more advanced skin rejuvenation, we offer a selection of chemical peels to improve skin texture, reduce wrinkles, and minimize the appearance of scars and age spots. Our experienced estheticians will carefully select the right peel to suit your individual needs and skin sensitivity.

Microdermabrasion: This non-invasive procedure gently exfoliates the skin, removing dead skin cells and revealing brighter, smoother skin underneath. Microdermabrasion is effective in reducing fine lines, wrinkles, and age spots.

Microneedling: This innovative treatment stimulates collagen production, leading to improved skin texture, reduced wrinkles, and minimized pore size. It's an excellent option for those seeking to rejuvenate their skin and improve its overall health.

Luxury Skincare Products: We offer a curated selection of high-quality skincare products to complement your in-office treatments and maintain your results at home. Our products are carefully chosen for their effectiveness and commitment to natural ingredients.

Beyond Skincare: Wellness Services at Angel's Touch

At Angel's Touch, we recognize that true wellness extends beyond skincare. We offer a range of services designed to promote overall health and well-being:

Massage Therapy: Experience the soothing power of massage therapy, relieving muscle tension, reducing stress, and promoting relaxation. We offer various massage techniques tailored to your specific needs, from deep tissue massage to Swedish massage.

Body Wraps: Our luxurious body wraps utilize natural ingredients to detoxify, hydrate, and nourish your skin. They are a perfect way to unwind and treat yourself to a pampering experience.

Aromatherapy: The calming and therapeutic properties of essential oils are incorporated into many of our services, further enhancing your relaxation and promoting overall well-being.

Wellness Coaching: Our wellness coaches provide guidance and support to help you achieve your personal wellness goals. We work with you to develop a personalized plan that addresses your individual needs and helps you cultivate a healthy and balanced lifestyle.

The Angel's Touch Experience: A Commitment to Excellence

angels touch skincare wellness llc: *Wellness in Whiteness* Amina Mire, 2019-09-04 The

Open Access version of this book, available at <https://www.taylorfrancis.com/books/9781351234146>, has been made available under a Creative Commons Attribution-Non Commercial-No Derivatives 4.0 license. This book analyses the social and ethical implications of the globalization of emerging skin-whitening and anti-ageing biotechnology. Using an intersectional theoretical framework and a content analysis methodology drawn from cultural studies, the sociology of knowledge, the history of colonial medicine and critical race theory, it examines technical reports, as well as print and online advertisements from pharmaceutical and cosmetics companies for skin-whitening products. With close attention to the promises of 'ageless beauty', 'brightened', youthful skin and solutions to 'pigmentation problems' for non-white women, the author reveals the dynamics of racialization and biomedicalization at work. A study of a significant sector of the globalized health and wellness industries - which requires the active participation of consumers in the biomedicalization of their own bodies - *Wellness in Whiteness* will appeal to social scientists with interests in gender, race and ethnicity, biotechnology and embodiment.

angels touch skincare wellness llc: Far Outside the Ordinary Prissy Elrod, 2015-07-20 If anybody had told Prissy, a conservative Southern housewife, she would one day be driving around town with a stoned, drunk black man named Willie in her backseat while she begged--no, ordered--him into her house for the night, she would have told them they were nuts. But it happened. An emotionally honest account, *Far Outside the Ordinary* chronicles the period in Prissy's life when, during a routine physical, her fifty-year-old husband is given less than a year to live. Southern black caregivers move into her home and work around the clock to aid her family. Soon, Prissy finds herself a spectator in her own home, observing events far outside the boundaries of her once ordinary life. *Far Outside the Ordinary* is also a story of happily ever after, a romantic fairy tale. When her high school boyfriend reappears in her life, Prissy learns love has no expiration date. Sometimes a second chance at love can come disguised, and when least expected.

angels touch skincare wellness llc: Absolute Beauty Pratima Raichur, Marian Cohn, 2014-11-25 Ayurveda, popularized by Deepak Chopra in his bestselling books, is an ancient wholistic approach that originated in India. Both natural skin care and the ancient discipline of Ayurveda are tremendously popular concepts right now, and this is the first time the two have come together in a comprehensive book. The founder of her own skin care clinic in Manhattan, author Pratima Raichur is a leading expert on Ayurveda who uses classic Ayurvedic principles to develop her own completely original skin care regimen that can be tailored to all skin types. In concrete, accessible terms, Raichur shows readers how to achieve what she calls absolute beauty—a complexion so luminous and an inner vitality so compelling that our attractiveness transcends all modes of fashion and all physical ideals—a beauty that anyone can achieve, regardless of age, wealth, status or bodily imperfection. Part I outlines the principles of Ayurvedic skin care and shows how the skin, our largest organ, can reveal important information about our stress levels and overall health—if we know what to look for—and offers readers a self-test to determine their skin type from three categories.

Part 2 describes each skin type's regimen, and shows the individual reader how they can achieve balance in their particular problem areas through proper nutrition, cleansing, and moisturizing. It also offers a consumers' guide to 'natural' products currently available, as well as remedies for the 12 most common complaints, and natural makeup tips. Part 3 focuses even further on nutritional information such as how much is enough water, what your skin can tell you about your digestion, and how to detoxify your body for beautiful skin and hair. Part 4 discusses the spiritual aspects of Ayurveda which can aid in achieving inner peace and the outer glow that stems from it. Also included throughout the book are line drawings to illustrate Raichur's skin care techniques and exercises. Combining the best of modern science and the age old wisdom of Ayurveda, *Absolute Beauty* is a complete skin care guide that not only offers the key to more beautiful skin, shinier hair, and thicker eyelashes, but to better overall health, vitality, and a body that feels as good as it looks.

angels touch skincare wellness llc: *Families Caring for an Aging America* National Academies of Sciences, Engineering, and Medicine, Health and Medicine Division, Board on Health Care Services, Committee on Family Caregiving for Older Adults, 2016-12-08 Family caregiving affects millions of Americans every day, in all walks of life. At least 17.7 million individuals in the United States are caregivers of an older adult with a health or functional limitation. The nation's family caregivers provide the lion's share of long-term care for our older adult population. They are also central to older adults' access to and receipt of health care and community-based social services. Yet the need to recognize and support caregivers is among the least appreciated challenges facing the aging U.S. population. *Families Caring for an Aging America* examines the prevalence and nature of family caregiving of older adults and the available evidence on the effectiveness of programs, supports, and other interventions designed to support family caregivers. This report also assesses and recommends policies to address the needs of family caregivers and to minimize the barriers that they encounter in trying to meet the needs of older adults.

angels touch skincare wellness llc: *Attached* Amir Levine, Rachel Heller, 2010-12-30 "Over a decade after its publication, one book on dating has people firmly in its grip." —The New York Times We already rely on science to tell us what to eat, when to exercise, and how long to sleep. Why not use science to help us improve our relationships? In this revolutionary book, psychiatrist and neuroscientist Dr. Amir Levine and Rachel Heller scientifically explain why some people seem to navigate relationships effortlessly, while others struggle. Discover how an understanding of adult attachment—the most advanced relationship science in existence today—can help us find and sustain love. Pioneered by psychologist John Bowlby in the 1950s, the field of attachment posits that each of us behaves in relationships in one of three distinct ways: • Anxious people are often preoccupied with their relationships and tend to worry about their partner's ability to love them back. • Avoidant people equate intimacy with a loss of independence and constantly try to minimize closeness. • Secure people feel comfortable with intimacy and are usually warm and loving.

Attached guides readers in determining what attachment style they and their mate (or potential mate) follow, offering a road map for building stronger, more fulfilling connections with the people they love.

angels touch skincare wellness llc: Too Happy to Be Sad Girl Angel Aviles, 2020-11-11
TOO HAPPY TO BE SAD GIRL: A Self-Help Memoir Written by an Iconic Brown Girl Boss! Are you looking for the courage to finally start living your truth? Are you ready to find happiness in yourself, stop struggling with self-worth, and finally kick anxiety to the curb? Now's the time! Too Happy to Be Sad Girl is an inspiring guide that will make you laugh, cry, think, and finally stand up for yourself! If you've spent years feeling like you've put everyone else's needs ahead of your own, struggling with self-esteem, or just felt like you were not living up to your potential, you're not alone. Every one of us has a unique journey, often filled with pain, hardship, and a hefty dose of dark times. Every one of us must find the strength and courage to live with and on purpose. Angel Aviles is one of those people who made a living making movies. In fact, in 1993, she appeared as the Sad Girl in the cult classic film *Mi Vida Loca*. She had a beautiful life in Los Angeles but at some point, her battle with anxiety and panic took her from heaven through hell. She fought for years to gain her self-confidence and learned so much in the process. In 2011 Angel began a side hustle as a life coach. Today, she's helped countless women find worthiness and happiness in themselves. With her book, you can begin the process of becoming too happy, too! This book special because: It's an autobiography that reveals how Angel learned to use her anxiety and change her life. It's a straight-up guide to helping you understand who you are, what you want and find joy getting there. It's a riveting story. As you read, you will feel less alone and inspired to pursue your dreams. It's fun, it's adventurous, it's daring, it's sad, it's dark, it's everything in between. Angel is not your typical life coaching guru. In fact, she likes to think of herself as a comadre, a trusted friend, full of love and genuine advice.

angels touch skincare wellness llc: Vegucation Over Medication Bobby Price, 2018-04-11 At the height of medical technology and civilization, America has become the fattest and sickest nation to ever grace the earth. There was a time when food was our medicine, and the farmer our physician. But now industrialization has converted farms into factories, replaced produce for processed foods, and meat comes with just as many warnings as the drugs we are prescribed. If we continue to embrace the Standard American Diet (SAD diet) and current health care system, this may be the first generation of parents to outlive their children. The science and medical community are split 50/50 as to why we are so sick. One side is dogmatically attached to the theory that germs cause disease, so sickness is inevitable and can only be treated not cured. The other perspective is that we have a genetic predisposition to disease and that science & technology provide the solution. However, neither of these philosophies actually address the real cause of disease. Vegucation Over Medication bridges the gap by helping us understand the impact of nutrition on our health. Dr. Bobby Price provides actionable advice on how to prevent and even reverse many chronic diseases. The book dispels in shocking detail many of the myths and lies we've adopted as truths, such as the use of medications as our primary form of prevention. Dr. Price's holistic approach to understanding the healing nature of our foods and bodies will empower you to cleanse, nourish, and RECLAIM YOUR HEALTH. In this book you will learn: - Hidden dangers in foods and medicines - How to minimize or eliminate medications - The connection between disease and nutrition - The secrets of long-term natural weight loss - The real scoop on protein - Powerful natural alternatives to help restore the body - Guide to incorporating a plant-based lifestyle - Tasty plant-based alternatives to your favorite foods - How a plant-based diet improves energy, digestion, and sleep - How to reverse Type 2 Diabetes - Keys to normalizing blood pressure and cholesterol levels

angels touch skincare wellness llc: Principles of Management David S. Bright, Anastasia

H. Cortes, Eva Hartmann, 2023-05-16 Black & white print. Principles of Management is designed to meet the scope and sequence requirements of the introductory course on management. This is a traditional approach to management using the leading, planning, organizing, and controlling approach. Management is a broad business discipline, and the Principles of Management course covers many management areas such as human resource management and strategic management, as well as behavioral areas such as motivation. No one individual can be an expert in all areas of management, so an additional benefit of this text is that specialists in a variety of areas have authored individual chapters.

angels touch skincare wellness llc: Angel Numbers Kyle Gray, 2019-11-19 DISCOVER THE MEANING OF ANGEL NUMBER SEQUENCES AND NUMBER PATTERNS YOU SEE FROM BEST-SELLING ANGEL EXPERT AND AUTHOR OF RAISE YOUR VIBRATION, KYLE GRAY LEARN WHAT MESSAGES YOUR ANGELS HAVE FOR YOU WHEN YOU SEE NUMBERS FROM 0 THROUGH 999 LIKE 1:11, 2:22, AND 5:55 Are you seeing repeating numbers like 11:11 and 4:44 everywhere you turn? In Angel Numbers, world-renowned angel author Kyle Gray explains exactly what your angels and spirit guides are trying to tell you through repeated number sequences you see. In this day and age, our understanding of the cosmos is all calculated using numbers, so it's no wonder that angels, the universe's greatest divine messengers since the dawn of time, are using numbers to send us signs and messages from heaven. There's a good chance you have seen number sequences appearing time and time again in your life—on license plates, purchase receipts, flight numbers and of course your phone—and these numbers aren't just numbers, they're angel numbers. They are angel messages and calls to action. Now that we are living in what can only be described as a digital age, angels are using the numbers we see on digital clocks, such as 11:11, 1:23, 21:12, 22:22, and 5:55 to help remind you of your higher truth. Some Example Angel Number Meanings: 12:12 You have the power to bring healing and light to the world. Notice how your intentions and actions are already doing just that. 4:44 Your guardian angels want you to know that they are with you. Your prayers are being heard loud and clear. Have faith. 1:23 You are moving up a step. All the challenges you have previously experienced are now being released. The angels of ascension are with you. "Kyle Gray is one of the world's most incredibly gifted angel communicators. I have seen him work and he is authentic, intelligent, and deeply compassionate. I highly recommend him and all his creations!" - Colette Baron-Reid, international bestselling oracle expert Whenever you need guidance from your angels, simply ask. Angel Numbers is the perfect companion to refer to daily as a reminder that your angels are always listening and sending you loving messages to help with whatever you are going through.

angels touch skincare wellness llc: White Ivy Susie Yang, 2020-11-03 "A truly addictive read" (Glamour) about how a young woman's crush on a privileged former classmate becomes a story of love, lies, and dark obsession, offering stark insights into the immigrant experience, as it hurtles to its electrifying ending in this "twisty, unputdownable, psychological thriller" (People). Ivy Lin is a thief and a liar—but you'd never know it by looking at her. Raised outside of Boston, Ivy's

immigrant grandmother relies on Ivy's mild appearance for cover as she teaches her granddaughter how to pilfer items from yard sales and second-hand shops. Thieving allows Ivy to accumulate the trappings of a suburban teen—and, most importantly, to attract the attention of Gideon Speyer, the golden boy of a wealthy political family. But when Ivy's mother discovers her trespasses, punishment is swift and Ivy is sent to China, and her dream instantly evaporates. Years later, Ivy has grown into a poised yet restless young woman, haunted by her conflicting feelings about her upbringing and her family. Back in Boston, when Ivy bumps into Sylvia Speyer, Gideon's sister, a reconnection with Gideon seems not only inevitable—it feels like fate. Slowly, Ivy sinks her claws into Gideon and the entire Speyer clan by attending fancy dinners, and weekend getaways to the cape. But just as Ivy is about to have everything she's ever wanted, a ghost from her past resurfaces, threatening the nearly perfect life she's worked so hard to build. Filled with surprising twists and a nuanced exploration of class and race, *White Ivy* is a "highly entertaining," (The Washington Post) "propulsive debut" (San Francisco Chronicle) that offers a glimpse into the dark side of a woman who yearns for success at any cost.

angels touch skincare wellness llc: *The List* Karin Tanabe, 2013-02-05 Meet Adrienne Brown, a twenty-eight-year-old Wellesley College grad who recently left her glamorous job at Town & Country for a spot at the Capitolist. Known simply as the List to Beltway insiders, it's the only media outlet in D.C. that's actually on the rise. Taking the job means accepting a painful pay cut, giving up perks like free Louboutins, and moving back in with her parents, but Adrienne is certain that her new position will be the making of her career. And it is—but not at all in the way that she expects. The Capitolist runs at an insane pace: Adrienne's up before five in the morning, writing ten stories a day (sometimes on her BlackBerry, often during her commute), and answering every email within three minutes. Just when it seems like the frenetic workload is going to break her, she stumbles upon a juicy political affair, involving a very public senator—and her most competitive colleague. Discovering that there's much more to the relationship than meets the eye, Adrienne realizes she's got the scoop of a lifetime. But should she go public with the story? Inspired by Washington insider Karin Tanabe's experiences at Politico, *The List* is a riveting debut novel bursting with behind-the-scenes details about what happens when media and politics collide.

angels touch skincare wellness llc: Palm Angels Francesco Ragazzi, 2014-09-16 Featuring large-format photographs of skaters in Venice Beach and Manhattan Beach, Palm Angels is the definitive book on the L.A. skateboarding scene, capturing the style and street culture of the world's most elite communities of skaters. Photographed by Francesco Ragazzi, the Italian art director of Moncler, Palm Angels features a special focus on the look and fashions of skate culture. While it emphasizes dramatic movement through stunning images taken in various Los Angeles neighborhoods, it is less focused on describing tricks as it is about conveying the sensation of men and women engaged in an epic, all-consuming activity. Through art photography, this book hopes to do for skating what Bruce Weber and others did for surf culture, elevating it from what once was an exclusive and localized American pastime to a far-reaching cultural phenomenon. In the spirit of the photography taken of the legendary Z-boys of Dogtown, Ragazzi provides readers with a firsthand glimpse into skateboarding in its modern form, still very much infused with effortless style. Palm Angels includes an introduction by Pharrell Williams (known to the skate community as Skateboard P), who has been instrumental in popularizing the skate look and has propelled it all the way to the high streets of fashion capitals like Paris, New York, and Tokyo.

angels touch skincare wellness llc: Is Gwyneth Paltrow Wrong About Everything? Timothy Caulfield, 2016-05-10 An exploration of the effect our celebrity-dominated culture has on our ideas of what it means to live the good life What would happen if an average Joe tried out for American Idol, underwent a professional makeover, endured Gwyneth Paltrow's "Clean Cleanse," and followed the outrageous rituals of the rich and famous? Health law policy researcher Timothy Caulfield finds out in this thoroughly unique, engaging, and provocative book about celebrity culture and its iron grip on today's society. Over the past decade, our perceptions of beauty, health, success, and happiness have become increasingly framed by a popular culture steeped in celebrity influence and ever more disconnected from reality. Research tells us that our health decisions and goals are influenced by celebrity culture and endorsements, our children's ambitions are now overwhelmingly governed by the fantasy of fame, and the ideals of beauty and success are mediated through a celebrity-dominated worldview. But while much has been written about the cause of our obsession with the rich and famous, Caulfield argues that not enough has been done to debunk celebrity messages and promises about health, diet, beauty, or happiness. From super-thin models to Gwyneth Paltrow's endorsement of a gluten free-diet for almost anyone, celebrity opinions have the power to dominate our conversations and outlooks. In this book, Caulfield provides an entertaining look into the celebrity world, including vivid accounts of his own experiences trying out for American Idol, having his skin resurfaced, and doing the cleanse; interviews with actual celebrities; thought-provoking facts, and a practical and evidence-based reality check on our own celebrity ambitions.

angels touch skincare wellness llc: Remarkable Retail Steve Dennis, 2021-04-13 Physical retail isn't dead—but boring retail is! Remarkable Retail equips the savvy retailer with eight essential strategies to thrive in an increasingly volatile and uncertain future. Digital technology has profoundly altered the competitive landscape for retailers. In *Remarkable Retail*, industry thought leader Steve Dennis argues that in a world of nearly infinite choice, where the lines between digital and physical are increasingly blurred, even being very good is no longer good enough. To win and keep customers today, retailers must be nothing short of remarkable. In most retail categories, digital channels are often central to the consumer's journey, but that doesn't mean people aren't also shopping in stores; they're just using them differently, often browsing in one channel and buying in the other. The notion of a physical store channel and an ecommerce channel is increasingly a distinction without a difference; the customer is the channel. The future belongs to those who embrace the blur of digital and physical that represents modern retail today and work to deliver an experience that is more harmonized and more memorable, regardless of how consumers decide to shop. Packed with illuminating case studies from some of modern retail's biggest success stories—and leveraging Dennis's more than thirty years as a senior executive and strategic consultant to dozens of brands—Remarkable Retail lays out the case for going beyond a slightly better version of mediocre and forging a path to being truly remarkable. To help retailers on this transformation journey, Dennis presents eight essential strategies for visionary leaders who are prepared to reimagine their way of doing business. A remarkable retailer is digitally enabled, human-centered, harmonized, mobile, personal, connected, memorable, and radical. In an age where consumers have short attention spans, myriad options, and a digitally integrated relationship with every brand, Remarkable Retail is your indispensable guide to creating a powerful retail experience that keeps your customers coming back for more.
