beatles trivia questions and answers: *Riding So High* Joe Goodden, 2017-10-09 'Who gave the drugs to the Beatles? I didn't invent those things. I bought it from someone who got it from somebody. We never invented the stuff.' – John Lennon *Riding So High* charts the Beatles' extraordinary odyssey from teenage drinking and pill-popping, to cannabis, LSD, the psychedelic Summer of Love and the darkness beyond. Drugs were central to the Beatles' story from the beginning. The acid, pills and powders helped form bonds, provided escape from the chaos of Beatlemania, and inspired colossal leaps in songwriting and recording. But they also led to break-ups, breakdowns, drug busts and prison. The only full-length study of the Beatles and drugs, *Riding So High* tells of getting stoned, kaleidoscope eyes, excess, loss and redemption, with a far-out cast including speeding Beatniks, a rogue dentist, a script-happy aristocratic doctor, corrupt police officers and Hollywood Vampires. 'The deeper you go, the higher you fly...'

beatles trivia questions and answers: *A Cellarful of Noise* Brian Epstein, 2021-11-26 WITH AN INTRODUCTION BY CRAIG BROWN, BESTSELLING AUTHOR OF ONE TWO THREE FOUR Everybody knows the Beatles: John, Paul, George, Ringo ... and Brian. How did one man lead these scruffy Liverpool lads to change the world of popular music forever? *A Cellarful of Noise* is Brian Epstein's original 1964 memoir of a life spent making music history. It includes thirty contemporary photographs which offer a glimpse of Brian and the Beatles on their way to phenomenal success. Eye-opening, moving and constantly entertaining, this is essential reading for every Beatles fan.

beatles trivia questions and answers: *Sorry, Wrong Answer* Rod L. Evans Ph.D., 2010-06-01 Where were Venetian blinds invented? What color is the black box on a commercial airplane? Where did India ink originate?* Most of us know more than we think we know. We also think we know more than we actually do-because some of what we think we know simply ain't so. We all harbor misconceptions that are accepted not only because they are popular but also because they make sense. It makes sense to believe, for example, that German chocolate originated in Germany rather than the truth: that German chocolate is so named because it was created by Sam German. It seems

logical to believe that Mercury is the hottest planet because of its proximity to the sun, or that buttermilk contains butter, that Danish pastry is from Denmark, and that the boat race America's Cup was named after the United States of America. In Sorry, Wrong Answer, Rod Evans takes readers on a tour of misleading trivia, debunking commonly held assumptions and sharing surprising right answers. *Answers: Japan; Orange; China

beatles trivia questions and answers: A More Beautiful Question Warren Berger, 2014-03-04 To get the best answer-in business, in life-you have to ask the best possible question. Innovation expert Warren Berger shows that ability is both an art and a science. It may be the most underappreciated tool at our disposal, one we learn to use well in infancy-and then abandon as we grow older. Critical to learning, innovation, success, even to happiness-yet often discouraged in our schools and workplaces-it can unlock new business opportunities and reinvent industries, spark creative insights at many levels, and provide a transformative new outlook on life. It is the ability to question-and to do so deeply, imaginatively, and "beautifully." In this fascinating exploration of the surprising power of questioning, innovation expert Warren Berger reveals that powerhouse businesses like Google, Nike, and Netflix, as well as hot Silicon Valley startups like Pandora and Airbnb, are fueled by the ability to ask fundamental, game-changing questions. But Berger also shares human stories of people using questioning to solve everyday problems-from "How can I adapt my career in a time of constant change?" to "How can I step back from the daily rush and figure out what really makes me happy?" By showing how to approach questioning with an open, curious mind and a willingness to work through a series of "Why," "What if," and "How" queries, Berger offers an inspiring framework of how we can all arrive at better solutions, fresh possibilities, and greater success in business and life.

beatles trivia questions and answers: Beatles '66 Steve Turner, 2016-10-25 A riveting look at the transformative year in the lives and careers of the legendary group whose groundbreaking legacy would forever change music and popular culture. They started off as hysteria-inducing pop stars playing to audiences of screaming teenage fans and ended up as musical sages considered responsible for ushering in a new era. The year that changed everything for the Beatles was 1966—the year of their last concert and their first album, *Revolver*, that was created to be listened to rather than performed. This was the year the Beatles risked their popularity by retiring from live performances, recording songs that explored alternative states of consciousness, experimenting with avant-garde ideas, and speaking their minds on issues of politics, war, and religion. It was the year their records were burned in America after John's explosive claim that the group was more popular than Jesus, the year they were hounded out of the Philippines for snubbing its First Lady, the year John met Yoko Ono, and the year Paul conceived the idea for *Sgt. Pepper's Lonely Hearts Club Band*. On the fiftieth anniversary of this seminal year, music journalist and Beatles expert Steve Turner slows down the action to investigate in detail the enormous changes that took place in the Beatles' lives and work during 1966. He looks at the historical events that had an impact on the group, the music they made that in turn profoundly affected the culture around them, and the vision that allowed four young men from Liverpool to transform popular music and serve as pioneers for artists from Coldplay to David Bowie, Jay-Z to U2. By talking to those close to the group and by drawing on his past interviews with key figures such as George Martin, Timothy Leary, and Ravi Shankar—and the Beatles themselves—Turner gives us the compelling, definitive account of the twelve months that contained everything the Beatles had been and anticipated everything they would still become.

beatles trivia questions and answers: *Tune In* Mark Lewisohn, 2013-10-29 *Tune In* is the first volume of *All These Years*—a highly-anticipated, groundbreaking biographical trilogy by the world's leading Beatles historian. Mark Lewisohn uses his unprecedented archival access and hundreds of new interviews to construct the full story of the lives and work of John Lennon, Paul McCartney, George Harrison, and Ringo Starr. Ten years in the making, *Tune In* takes the Beatles from before their childhoods through the final hour of 1962—when, with breakthrough success just days away, they stand on the cusp of a whole new kind of fame and celebrity. They've one hit record (*Love Me Do*) behind them and the next (*Please Please Me*) primed for release, their first album session is booked, and America is clear on the horizon. This is the lesser-known Beatles story—the pre-Fab years of Liverpool and Hamburg—and in many respects the most absorbing and incredible period of them all. Here is the complete and true account of their family lives, childhoods, teenage years and their infatuation with American music, here is the riveting narrative of their unforgettable days and nights in the Cavern Club, their laughs, larks and adventures when they could move about freely, before fame closed in. For those who've never read a Beatles book before, this is the place to discover the young men behind the icons. For those who think they know John, Paul, George, and Ringo, it's time to press the Reset button and tune into the real story, the lasting word.

beatles trivia questions and answers: *The Beatles Lyrics* The Beatles, 2010-05-25 The lyrics to all the Beatles' best loved songs. Complete with a full discography, detailing singles, EP's and albums, recording dates and lead singer credits.

beatles trivia questions and answers: *All The Songs* Philippe Margotin, Jean-Michel Guesdon, 2012-03-20 In this lively and fully-illustrated work, two music historians break down every album and every song ever released by the Beatles, from *Please Please Me* (U.S. 1963) to *The Long and Winding Road* (U.S. 1970). *All the Songs* delves deep into the history and origins of the Beatles and their music. This first-of-its-kind book draws upon decades of research, as music historians Margotin and Guesdon recount the circumstances that led to the composition of every song, the recording process, and the instruments used. Here, we learn that one of John Lennon's favorite guitars was a 1958 Rickenbacker 325 Capri, which he bought for £100 in 1960 in Hamburg, Germany. We also learn that *Love Me Do*, recorded in Abbey Road Studios in September 1962, took 18 takes to get right, even though it was one of the first songs John and Paul ever wrote together. And the authors reveal that when the Beatles performed *I Want to Hold Your Hand* on *The Ed Sullivan Show* in 1964, John's microphone wasn't turned on, so viewers heard only Paul singing. The hundreds of photographs throughout the book include rare black-and-white publicity stills, images of Beatles instruments, and engaging shots of the musicians in-studio. *All the Songs* is the must-have book for the any true Beatles fan.

beatles trivia questions and answers: *Pop Science* James Ball, 2019-08-27 A Pulitzer Prize-winning journalist uses data, facts, and science to deliver hilarious, fascinating answers to some of the most famous questions in pop music history. "Is there life on Mars? Where have all the flowers gone? Pop songs can pose excellent questions and James Ball has given them the answers they deserve."—*The Times* (UK) Some of the most famous questions of our time have come to us in pop songs. "What is love?" "How soon is now?" "How do you solve a problem like Maria?" But do you

know the answers? Breaking down lyrics from Bob Dylan, Queen, Rihanna, the Ting Tings, Billy Joel, and a variety of other genre- and decade-spanning artists with colorful graphs and Venn diagrams, Pop Science reveals the exact points where lowbrow pop culture and the highest science and philosophy meet. By revealing the economic status of doggies in windows, what war is good for, and what becomes of the brokenhearted, James Ball uncovers what we have always known—that pop music is the key to life itself.

beatles trivia questions and answers: The Love You Make Peter Brown, Steven Gaines, 2002-11-05 The national bestseller that Newsday called “the most authoritative and candid look yet at the personal lives...of the oft-scrutinized group,” from the author of *All You Need Is Love: The Beatles in Their Own Words*. In *The Love You Make*, Peter Brown, a close friend of and business manager for the band—and the best man at John and Yoko’s wedding—presents a complete look at the dramatic offstage odyssey of the four lads from Liverpool who established the greatest music phenomenon of the twentieth century. Written with the full cooperation of each of the group’s members and their intimates, this book tells the inside story of the music and the madness, the feuds and the drugs, the marriages and the affairs—from the greatest heights to the self-destructive depths of the Fab Four. In-depth and definitive, *The Love You Make* is an astonishing account of four men who transformed the way a whole generation of young people thought and lived. It reigns as the most comprehensive, revealing biography available of John, Paul, George, and Ringo. Includes 32 pages of rare and revealing photos A Literary Guild® Alternate Selection

beatles trivia questions and answers: The Book of General Ignorance John Mitchinson, John Lloyd, 2007-08-07 NEW YORK TIMES BESTSELLER • Misconceptions, misunderstandings, and flawed facts finally get the heave-ho in this humorous, downright humiliating book of reeducation based on the phenomenal British bestseller. Challenging what most of us assume to be verifiable truths in areas like history, literature, science, nature, and more, *The Book of General Ignorance* is a witty “gotcha” compendium of how little we actually know about anything. It’ll have you scratching your head wondering why we even bother to go to school. Think Magellan was the first man to circumnavigate the globe, baseball was invented in America, Henry VIII had six wives, Mount Everest is the tallest mountain? Wrong, wrong, wrong, and wrong again. You’ll be surprised at how much you don’t know! Check out *The Book of General Ignorance* for more fun entries and complete answers to the following: How long can a chicken live without its head? About two years. What do chameleons do? They don’t change color to match the background. Never have; never will. Complete myth. Utter fabrication. Total Lie. They change color as a result of different emotional states. How many legs does a centipede have? Not a hundred. How many toes has a two-toed sloth? It’s either six or eight. Who was the first American president? Peyton Randolph. What were George Washington’s false teeth made from? Mostly hippopotamus. What was James Bond’s favorite drink? Not the vodka martini.

beatles trivia questions and answers: Lennon And McCartney, Together Alone John Blaney, 2007-03-28 The definitive book on the solo recordings of John Lennon and Paul McCartney, two of popular music’s greatest writers and performers. The story is told chronologically, starting with their first work outside The Beatles: McCartney’s soundtrack for *The Family Way* and Lennon’s *Unfinished Music No.1: Two Virgins* with Yoko Ono. The book details Lennon and McCartney’s creative highs and lows in an authoritative, complete, and engagingly critical fashion. Information for collectors includes release dates, catalogue numbers, composer credits, recording personnel, recording studio, and producer credits, and there is a keyed index to help trace each song and the albums it appears on. Blaney’s perceptive style makes this a fascinating read as well as a work of reference, and the book includes illuminating archive quotes from Lennon, McCartney, and others. *Together Alone* tells the stories behind the songs of two giants of modern music.

beatles trivia questions and answers: The Songs of John Lennon John Lennon, 2002 (Berklee Press). An essential guide for all songwriters and Beatles fans, this book explores John Lennon's songwriting genius with a guided tour through 25 of his Beatles-era hits. Author John Stevens explains Lennon's intuitive talent from a technical point of view, through the lens of songwriting's three basic elements: melody, harmony and lyric. He shows how Lennon fashioned songs that were at once politically and socially relevant during the '60s, yet remain ageless and timeless today. Features in-depth musical analysis of: A Hard Day's Night * Ticket to Ride * Norwegian Wood * Strawberry Fields Forever * Come Together * and more. John Stevens is a songwriting professor at Berklee College of Music. For more than 20 years, he has taught The Music of John Lennon, one of the most popular courses in the Berklee curriculum. You've got the Beatles' records and the John Lennon records; now with this book, you can have the Owner's Manual. This will tell you how the songs are built and how they work. Good stuff. beatles trivia questions and answers: The Beatles Magical Mystery Tour and Yellow Submarine Bruce Spizer, 2021-10-12 The Beatles Magical Mystery Tour and Yellow Submarine is the latest installment in the Beatles Album Series by Beatles historian Bruce Spizer. The book covers the songs and projects undertaken by the Beatles shortly after completion of their album Sgt. Pepper's Lonely Hearts Club Band in April 1967. In following ten months, the group wrote and recorded the song All You Need Is Love for the Our World TV program that was broadcast by satellite throughout the world, wrote the songs for and filmed the TV spectacular Magical Mystery Tour, wrote the songs for their feature length cartoon film Yellow Submarine, and recorded the songs Lady Madonna and Across The Universe before heading to India to study transcendental meditation in mid-February 1968. The book covers these remarkable achievements from the British, American, and Canadian perspectives, and includes chapters on the packaging of the albums and the writing and recording of the songs. It also has chapters on how the Beatles influenced our world, the friendly rivalry between the Beatles and the Rolling Stones, the Beatles Saturday morning cartoons, dozens of fan recollections, and more. The book has over 150 images.

beatles trivia questions and answers: *The Best Senior Trivia Book* David Britton, 2020-10-24

Want to host trivia for a group of old friends, run a session at a senior center, or just test yourself, but are sick of the same old trivia questions? This book offers more than 2400 original senior trivia questions in an easy-to-use and novel format. Instead of asking questions players can't answer, this book asks questions players can answer, in a wide variety of interesting and specific categories. Players leave feeling proud of what they've accomplished, but still challenged by the ones they didn't know. Included in the book's thought-provoking but accessible categories are Actresses with actor parents, Woodstock, Watergate, War novels (name the war), Robin Hood, and Nursery rhymes. For the reader's convenience, this is Grab & Go trivia where you do not spend time selecting questions; each chapter contains one full trivia session, sequenced to maximize interest and variety. These questions have been developed during years of conducting trivia contests at a municipal senior center. We've seen the group's eyes light up as they recall answers they thought they had forgotten, triggering memories from years before. You'll love having the same experience.
