classic tv trivia questions and answers: Sorry, Wrong Answer Rod L. Evans Ph.D., 2010-06-01 Where were Venetian blinds invented? What color is the black box on a commercial airplane? Where did India ink originate?* Most of us know more than we think we know. We also think we know more than we actually do—because some of what we think we know simply ain't so. We all harbor misconceptions that are accepted not only because they are popular but also because they make sense. It makes sense to believe, for example, that German chocolate originated in Germany rather than the truth: that German chocolate is so named because it was created by Sam German. It seems logical to believe that Mercury is the hottest planet because of its proximity to the sun, or that buttermilk contains butter, that Danish pastry is from Denmark, and that the boat race America's

Cup was named after the United States of America. In *Sorry, Wrong Answer*, Rod Evans takes readers on a tour of misleading trivia, debunking commonly held assumptions and sharing surprising right answers. *Answers: Japan; Orange; China

classic tv trivia questions and answers: Orange Is the New Black Piper Kerman, 2010-04-06 #1 NEW YORK TIMES BESTSELLER • NOW A NETFLIX ORIGINAL SERIES With a career, a boyfriend, and a loving family, Piper Kerman barely resembles the reckless young woman who delivered a suitcase of drug money ten years before. But that past has caught up with her. Convicted and sentenced to fifteen months at the infamous federal correctional facility in Danbury, Connecticut, the well-heeled Smith College alumna is now inmate #11187-424—one of the millions of people who disappear "down the rabbit hole" of the American penal system. From her first strip search to her final release, Kerman learns to navigate this strange world with its strictly enforced codes of behavior and arbitrary rules. She meets women from all walks of life, who surprise her with small tokens of generosity, hard words of wisdom, and simple acts of acceptance. Heartbreaking, hilarious, and at times enraging, Kerman's story offers a rare look into the lives of women in prison—why it is we lock so many away and what happens to them when they're there. Praise for *Orange Is the New Black* "Fascinating . . . The true subject of this unforgettable book is female bonding and the ties that even bars can't unbind."—People (four stars) "I loved this book. It's a story rich with humor, pathos, and redemption. What I did not expect from this memoir was the affection, compassion, and even reverence that Piper Kerman demonstrates for all the women she encountered while she was locked away in jail. I will never forget it."—Elizabeth Gilbert, author of *Eat, Pray, Love* "This book is impossible to put down because [Kerman] could be you. Or your best friend. Or your daughter."—Los Angeles Times "Moving . . . transcends the memoir genre's usual self-centeredness to explore how human beings can always surprise you."—USA Today "It's a compelling awakening, and a harrowing one—both for the reader and for Kerman."—Newsweek

classic tv trivia questions and answers: Brainiac Ken Jennings, 2007-10-30 NATIONAL BESTSELLER • A witty, charming, and engaging dive into trivia's colorful history, from America's highest-earning game show contestant of all time "Insightful, informative, and written with a strong dose of humor and humility. . . . I loved this book."—Will Shortz, crossword editor, The New York Times Ken Jennings is trivia's undisputed king—and as he traces his rise from anonymous computer programmer to nerd folk icon, he explores his newly conquered kingdom: the world of trivia itself. Trivia, he has found, is centuries older than his childhood obsession with it. Whisking us from the coffeehouses of seventeenth-century London to the Internet age, Jennings chronicles the ups and downs of the trivia fad: the quiz book explosion of the Jazz Age; the rise, fall, and rise again of TV quiz shows; the nostalgic campus trivia of the 1960s; and the 1980s, when Trivial Pursuit® again made it fashionable to be a know-it-all. Jennings also investigates the shadowy demimonde of today's trivia subculture, guiding us on a tour of trivia across America. He goes head-to-head with the blowhards and diehards of the college quiz-bowl circuit, the slightly soused faithful of the Boston pub trivia scene, and the raucous participants in the annual Q&A marathon in Stevens Point, Wisconsin, "The World's Largest Trivia Contest." And, of course, he takes us behind the scenes of his improbable 75-game run on Jeopardy! But above all, Brainiac is a love letter to the useless fact. (Who knew that there's a crater on Venus named after Laura Ingalls Wilder? Ken Jennings, that's who.) Engaging and erudite, Brainiac is an irresistible celebration of nostalgia, curiosity, and geeky obsession—in a word, trivia.

An encyclopedic range of information documents how television forever changed the face of media and continues to be a powerful influence on society. What are the reasons behind enduring popularity of television genres such as police crime dramas, soap operas, sitcoms, and reality TV? What impact has television had on the culture and morality of American life? Does television largely emulate and reflect real life and society, or vice versa? How does television's influence differ from that of other media such as newspapers and magazines, radio, movies, and the Internet? These are just a few of the questions explored in the three-volume encyclopedia TV in the USA: A History of Icons, Idols, and Ideas. This expansive set covers television from 1950 to the present day, addressing shows of all genres, well-known programs and short-lived series alike, broadcast on the traditional and cable networks. All three volumes lead off with a keynote essay regarding the technical and historical features of the decade(s) covered. Each entry on a specific show investigates the narrative, themes, and history of the program; provides comprehensive information about when the show started and ended, and why; and identifies the star players, directors, producers, and other key members of the crew of each television production. The set also features essays that explore how a particular program or type of show has influenced or reflected American society, and it includes numerous sidebars packed with interesting data, related information, and additional insights into the subject matter.
