It's far more than just a technique; it's a philosophy centered around taking responsibility for your own thoughts, feelings, and actions and their impact on your life. This powerful method doesn't focus on blaming others or analyzing the problem; instead, it emphasizes inner healing and cleansing.

The core of Ho'oponopono involves repeating four simple phrases:

I'm sorry: Acknowledging your part in the situation, regardless of perceived fault.

Please forgive me: Asking for forgiveness from yourself and the universe.

Thank you: Expressing gratitude for the opportunity for healing and growth.

I love you: Sending unconditional love to yourself and others involved.
